2020 SEC FOOTBALL MEDIA INFORMATION

The Southeastern Conference has established a number of game operations guidelines, including media operations, for its 14 member schools for the 2020 football season, as the Conference continues to monitor developments around the COVID-19 virus.

Essential On-Field Personnel

Essential personnel shall be the only individuals who have game day access to field and sideline, to include student-athletes, coaches and support personnel, game officials, medical personnel, limited institutional personnel, law enforcement, a limited number of photographers and contracted radio/TV personnel, and other limited personnel essential to the execution of the game.

Press Box

Press box seating capacity shall be no more than 50% of current seating availability in the press box, and all individuals in the press box shall wear a face covering. If required by national, state and/or local guidelines, the press box seating capacity shall be less than 50% of the current seating available in accordance with the national, state and/or local guidelines.

Photographers/Videographers

All distribution of media credentials and areas of access will be at the discretion of the home institution within the following guidelines:

- Up to two (2) non-institutional media photographers/videographers may be permitted on the field/sideline at the discretion of the home institution. These individuals must participate in required COVID screening consistent with institutional personnel permitted on the field.

- Additional non-institutional media photographers/videographers may be permitted to shoot from a limited number of locations in the stands at the discretion of the home institution. The home institution will designate these locations in the stands for media photographers/videographers.

SEC Football Pool Photos/Video Highlights:

Per the 2020 SEC Football Game Management Policies, the field and sideline area shall only be accessible by team members, game officials and essential personnel. A limited number of designated photographers are permitted on the field as essential personnel. Pool photos and pool video will be uploaded to the SEC Media Portal (see below for instructions to access) and will be available to all media.

SEC Media Portal

Highlights, Photos & Press Conferences: The SEC and XOS Digital will provide a platform for distribution of game highlights, game photos and press conference content. Highlights from all SEC football games be available via the SEC Media Portal. Whenever school postgame press conferences are available, they will be posted to the portal as well. Still photography will be available in the portal for the media at halftime and following each SEC football game and video will be available after each game. The SEC Media Access Guidelines continue to apply to this content and are outlined in the 2020 credentialing registration process. To request access to the SEC Media Portal and create an account, contact: licensing@xosdigital.com.

The SEC and XOS Digital offer a digital highlight license specifically designed for local TV affiliates. This license will cover the use of SEC game footage across official station websites, apps, and social media platforms. Distribution of in-game highlights on any platform during the broadcast window is strictly prohibited, regardless of a digital license. SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts three additional football-focused studio shows in the fall: Thinking Out Loud, SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

2020 SEC PLAYERS OF THE WEEK

OFFENSIVE	DEFENSIVE	SPECIAL TEAMS
KELLEN MOND, QB, TEXAS A&M - Completed 25-of-35 passes for 338 yards and three touchdowns without turning the ball over against the third-ranked Florida Gators. - His long pass was a 51-yard touchdown pass to Caleb Chapman to tie the game at 38 with 4:30 left on the clock. He also rushed the ball six times for a net of eight yards. - Mond became the all-time leader in Texas A&M history with 8,224 passing yards during his 338-yard game against the Gators. NAJEE HARRIS, RB, ALABAMA - The senior running back turned in a career game in a 63-48 win at Ole Miss with 248 all-purpose yards. - Rushed for a career-high five touchdowns, tying Shaun Alexander and Santonio Beard's school record. - Rushed for a career-best 206 yards on 23 carries for an average of 9.0 yards per carry. - Scored on runs of 5, 33, 3, 16 and 39 yards. - Also caught three passes for 42 yards and averaged 9.5 yards per touch (26 for 248).	JORDAN WRIGHT, LB, KENTUCKY - Key part of the Kentucky defense that held Mississippi State without an offensive score in UK's 24-2 win. - Game totals featured a pass interception returned for a touchdown; six tackles; two tackles for loss (-9 yards), including a quarterback sack; and a pass breakup. - With UK ahead 14-2 in the fourth quarter, his pick-six clinched the win for the Wildcats. - His five-yard tackle for loss in the first quarter helped push MSU back, preceding a 56-yard missed field goal. - Had a tackle for no gain on a 3rd-and-1 play in the third quarter. - Added a four-yard sack in the fourth quarter.	MAX DUFFY, P, KENTUCKY - Made a huge impact in Kentucky's 24-2 win over Mississippi State. - Placed three punts that were downed at the MSU 5, 11 and 2 yard lines. - In the third quarter, a high punt snap sailed over his head into the UK end zone; instead of picking up the ball and running with it (which would have likely given MSU the ball near the UK goal line), he alertly booted the ball out of the end zone, giving up a safety instead of a possible touchdown. - On the ensuing free kick, he flipped the field by launching a 75-yard rocket that was returned only 11 yards, a net of 64 yards that had MSU starting at its own 16-yard line. - For the game, he averaged 44.9 yards on eight punts, a solid average despite having to kick three punts on short fields (note that the 75-yard free kick did not count in his punting average).
OFFENSIVE LINEMAN	DEFENSIVE LINEMAN	FRESHMAN
SADARIUS HUTCHERSON, OG, SOUTH CAROLINA - The fifth-year senior left guard was the key player up front as the Gamecocks' rolled up 289 rushing yards in the 41-7 road win at Vanderbilt. - The Gamecocks averaged 7.4 yards per carry as they churned out the most rushing yards for a Carolina team against an FBS opponent since the 2001 season. - Hutch graded out at 88 percent with seven knock downs and no missed assignments.	AZEEZ OJULARI, DL, GEORGIA - Ojulari dominated Tennessee's front finishing with five stops, including two sacks, two forced fumbles and one recovered fumble during the Bulldogs' third straight win. - He had a strip-sack and recovery (marking Tennessee's first turnover on the year) on the first series of the second half came with Georgia trailing 21-17. Ojulari followed that up three UT series later with another sack that forced the Vols to punt. Georgia scored on the ensuing series to distance themselves at 30-21. - Ojulari led the attack against Tennessee in the second half as the Vols were held to 71 yards on 39 plays and only 214 total yards on offense during the game.	CONNOR BAZELAK, QB, MISSOURI - In his second career start, Bazelak engineered an unbelievable day for the Mizzou offense as the Tigers defeated No. 17 and defending national champion LSU, 45-41, Saturday at Mizzou's Memorial Stadium ... The win marked Mizzou's first over a ranked opponent since Nov. 3, 2018, at No. 13 Florida and it was Mizzou's first win over a defending national champion since Sept. 9, 1978, when Mizzou defeated fifth-ranked Notre Dame, 3-0 ... It was also Mizzou head coach Eliah Drinkwitz's first win since taking over the program. - At 85.3 percent (29-of-34), Bazelak posted Mizzou's best-ever completion percentage against a ranked opponent or FBS opponent, a mark that is also a Mizzou freshman record and ranks second in school history ... He is just the fourth Mizzou QB to have an .830 completion percentage or better when passing at least 30 attempts. - Bazelak's passer rating of 242.4 was the sixth-best mark in program history.

THIS IS SEC FOOTBALL

- Thirteen times in the last 14 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 10 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.
- The SEC went 8-2 in the postseason in 2019 – No other conference totaled more than four bowl wins.
- Since Florida in January 2009, five different teams from the SEC have played for the national championship. Four of those five have multiple appearances and at least one victory since 2007.
- Not counting games versus each other, the SEC is 8-3 all-time in College Football Playoff games, playing in five of the six CFP Championship Games (winning three of the six). Since 2006, the SEC has posted a 23-13 (.639) record in BCS/CFP games, more wins, appearances and winning percentage than any other A5 conference.
- More than 350 players from Southeastern Conference schools were listed on the initial 53-man NFL rosters to begin the 2020 season. Seven SEC schools were represented by at least 25 former players on active rosters, including Alabama with a league-high 57. In addition to the 53-man active rosters, more than 100 former SEC players are listed on reserve lists or practice squads for NFL teams. A total of 17 former SEC players were on active rosters of the Super Bowl between the Chiefs and 49ers.
- The SEC is 90-53 (.629) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 27 wins more than the next closest conference.
- The SEC has now won 40 games in the last six postseasons and has sent no less than eight teams to postseason bowls in each of the last 13 seasons.
- In the six seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) – four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC.
- Eight different SEC teams, six from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss and Mississippi State.
- With Georgia and Alabama both earning victories in the CFP Semifinals in 2017, the national championship game featured two SEC teams for the second time in the last nine seasons.

2020 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
- Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- A forward pass or forward handing after a change of team possession.
- Pass ruled forward or backward when thrown from behind the neutral zone.
 - If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- Loose ball by a potential passer ruled a fumble.
- Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 - If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- Live ball not ruled dead in possession of a ball carrier.

2020SEC Football

d. Loose ball ruled dead (Rule 4-1-2-b-2), or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing football action.

1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.

2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down or the goal line.

f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.

g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.

h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.

i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.

j. Catch or recovery of a loose ball in the field of play or an end zone.

k. Forward fumble that goes out of bounds with respect to a first down.

l. Live ball declared dead under Rule 4-1-2-b-2 and b-3 (inadvertent whistle).

Kicks

Reviewable plays involving kicks include:

a. Touching of a kick.

b. Player beyond the neutral zone when kicking the ball.

c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.

d. Scrimmage kick crossing the neutral zone.

e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting

a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul. For a Targeting foul to be confirmed, all elements of the Targeting foul must be confirmed. There is no option for stands as a part of the Targeting review. If any element of the Targeting foul cannot be confirmed, then the Replay Official shall overturn the targeting foul.

b. The Replay Official may create a targeting foul, but only when the targeting action is clear and obvious and the foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous

Situations that may be addressed by the replay official:

a. The number of players on the field for either team during a live ball.

b. Clock adjustment and status when a ruling is reviewed.

c. With less than one minute in either half and a replay review results in the on-field ruling being reversed, and the correct ruling would not have stopped the game clock, then the clock will be reset to the time the ball is declared dead by replay. The referee will subtract 10 seconds from the game clock and the game clock will start on the referee's signal. Either team may use a team timeout to avoid the runoff.

d. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;

2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);

3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and

4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

e. Correcting the number of a down.

1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.

2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.

f. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).

g. An injured player at the initiation of the medical observer.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.

b. Player beyond the neutral zone when kicking the ball.

c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.

d. The number of players on the field for either team during a live ball.

e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.

f. Player who is out of bounds touching a free kick that had not been touched inbounds.

g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.

h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSport. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSport Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;

2. The team in possession when the ball became dead would next put the ball in play from scrimmage;

3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and

4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSport. The replay systems are maintained by the home institution with technical support from DVSport.

Alabama claimed the Western Division with a 29-0 victory over LSU in Baton Rouge later that same day. It is the earliest that both participants in the SEC Championship Game have ever been determined.

2019 - Georgia won the Eastern Division for the third consecutive year, clinching a spot on Nov. 16 after defeating Auburn 21-14 in Auburn. LSU claimed the Western Division for the first time since 2011 with a 56-20 victory over Arkansas in Baton Rouge on Nov. 23.

SEC CHAMPIONSHIP GAME RACE RECAP

2019 SEC CHAMPIONSHIP GAME

The 28th annual SEC Football Championship Game was played on Dec. 7 at Mercedes-Benz Stadium in Atlanta, with LSU claiming a resounding 37-10 victory over Georgia. It was LSU's first SEC Championship since 2011. The SEC Champion has now advanced to the Playoff each year since its inception.

The game was the second most-watched and highest-rated regular-season college football game on any network this season with a 7.9/20 HH rating/share and 13.703 million viewers, trailing only the No. 1. vs. No. 1 Alabama vs. LSU matchup earlier in the season on CBS.

The 2009 SEC Championship Game earned a 11.8 rating and a 24 share, the highest rated SEC Championship Game in history.

The game was first played at Birmingham's Legion Field in 1992 and 1993 and moved to the Georgia Dome in 1994.

The Championship Game has drawn 26 capacity crowds in its 28-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

2020 SEC Football

IT JUST MEANS MORE.

Scholars. Champions. Leaders. These are the pillars of the Southeastern Conference, and together they represent the vision for an 87-year-old intercollegiate athletic conference that continues to experience unparalleled success. Ranging from record-breaking accomplishments by student-athletes and administrators to significant growth in media, sponsorship, and branding, the SEC continues to prove on every front why it is SECond to None.

The Conference continues to deliver record financial distributions to its member universities, which makes it possible for the Conference to support scholars through and beyond graduation, win championships in every sponsored varsity sport, and ultimately prepare young people to change the world.

The SEC's leadership believes strongly that intercollegiate athletic conferences have an obligation to aid in Student-Athlete Development and Achievement, both academically and athletically. As such, the SEC was the first conference to establish a Student-Athlete Career Tour designed to prepare students for professions after graduation, and this year the Conference again welcomed 28 students to Atlanta for a multi-day series of meetings and development. And the SEC has integrated its student-athlete leadership councils into its annual meetings to provide its young people a greater voice in their own collegiate experience.

The SEC continues to strengthen its relationships in Media and Sponsorship. The SEC Network is now available on every major cable provider and every nationwide, multi-channel subscription streaming service in the marketplace. The SEC Network also reaches 140 countries outside the U.S.

The SEC is a place where Innovation and Leadership are expected and pursued. However, the pursuit extends beyond championship rings and trophies to include officiating, administration, and other initiatives. For example, on the heels of its football and men's basketball collaborative replay success, this year the SEC became the first collegiate conference to introduce centralized video review in baseball.

The SEC has also amplified its position relative to Branding and Celebration efforts. As SECU was renamed "SEC Academic Relations," it heightened its focus on programs and activities designed to highlight the teaching, research and service accomplished on SEC campuses. The Conference also executed Year Four of the "It Just Means More" branding campaign, continuing its presence on radio, TV and online while saturating national championship cities with digital outdoor exposure.

The SEC's Athletic Achievements have historically been—and continue to be—unprecedented. The SEC continues to win national championships in multiple sports, including six national championship match-ups since March 2017 that exclusively featured SEC teams (Women's Final Four, College World Series, College Football Playoff Championship and three times in Equestrian).

STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

Student-Athlete Career Tour

A total of 28 current and former Southeastern Conference student-athletes participated in the third SEC Career Tour in Atlanta in November 2019. The group visited the headquarters and met with executives and talent acquisition staff at several corporations including Cox Communications, NCR Corporation, Winning Edge Leadership Academy, The Home Depot and UPS.

SEC Student-Athletes and Community Service

Each year the SEC awards a \$5,000 scholarship to a male and female nominee from each school for the Brad Davis SEC Community Service Award, and \$10,000 goes to the two student-athletes selected each year as the Brad Davis SEC Community Service Leaders of the Year. In 2019-20, Texas A&M University equestrian athlete Ann Elizabeth Tebow and Vanderbilt University football athlete Cody Markel were named winners of the prestigious award.

SEC in the NCAA's 2020 Today's Top 10

Kristin Quah of Vanderbilt University was among the 10 student-athletes from across the country named as recipient of the NCAA's 2020 Today's Top 10 Award, which recognizes former student-athletes for their successes in competition, in the classroom and in the community. Recipients completed their athletics eligibility during the 2018-19 academic year and were recognized at the NCAA Honors Celebration in January 2020 in Anaheim, Calif.

SEC in the NFL Draft

The SEC led the nation's conferences in NFL Draft picks for the 14th consecutive year in 2020 with 63 selections, the second most in SEC history. The SEC finished the first three rounds with 40 selections, which ties the all-time record for the most selections by a conference through the first four rounds. This marked the sixth straight year for the SEC to see 50 or more players taken in the NFL Draft. Only once in the last 25 years has another conference other than the SEC seen 50 or more players drafted.

BRANDING + CELEBRATION

"It Just Means More" Campaign and Associated Branding

When the SEC kicked off its comprehensive "It Just Means More" marketing campaign, it set out to show the other side of the SEC: one of history, legacy, and an overall positive impact on our people, our communities, our state, and our nation. In addition to a series of television and radio spots, print advertisements, and a social media strategy, this year the SEC continued to expand the reach of its "It Just Means More" campaign through the utilization of outdoor digital signage in cities hosting significant events.

SEC ACADEMIC INITIATIVES

SEC Celebrates Academic Achievement with Graduate Patch

A total of 140 football student-athletes wore the SEC Graduate Patch in 2019 post-season football bowl games. In 2018-19, more than 350 student-athletes wore the patch in all sports. The SEC introduced the patch in 2016 for student-athletes in all sports who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but it is school-specific in color.

Through its academic relations program, the SEC supports programs and activities designed to highlight the teaching, research and service accomplishments of SEC students, faculty and staff, including related successes within the Conference's intercollegiate athletics programs. Its goals include:

- Advancing the academic reputation of SEC universities beyond the traditional SEC region
- Highlighting the endeavors and achievements of SEC faculty, students and administrators
- Identifying and preparing future leaders for high-level service in academia
- Increasing the amount and type of education abroad opportunities available to SEC students
- Supporting collaboration between SEC faculty and administrators

Current SEC academic initiatives include:

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has three components, a university-level development program; two SEC-wide three-day workshops held on specified campuses for all program participants; and a competitive fellowship for former participants.
- The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities and an engineering exchange agreement with the Politecnico di Torino in Italy.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and teaching. There is one winner per campus and one overall winner for the SEC.
- The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals, conduct research and deliver artistic performances.
- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.
- The SEC Student Pitch Competition provides a showcase for young entrepreneurs as it pits teams of SEC students against one another in an idea pitch competition. Students present their innovative business ideas to a panel of SEC alums to determine those most worthy of a funding investment. The top teams receive various awards and recognition.

COLLEGE FOOTBALL PLAYOFF

EVERY GAME COUNTS

The College Football Playoff (CFP) is a four-team event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

FOUR TEAMS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

TRADITION

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl.

CHAMPIONSHIP MONDAY

The two winning teams from the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the day-to-day responsibilities.

SELECTION COMMITTEE

A talented group of high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Gary Barta (chair), Paola Boivin, Tom Burman, Joe Castiglione, Rick George, Ken Hatfield, Ronnie Lott, Terry Mohajir, Ray Odierno, R.C. Slocum, Todd Stansbury, Scott Stricklin and John Urschel.

COLLEGE FOOTBALL PLAYOFF

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - Consider geography.

PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest-ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome the highest-ranked teams, any displaced conference champions, and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
