COLLEGE FOOTBALL COMPUTER COMPOSITE (CFCC) RANKING

(Five of the computer rankings that contributed to the Bowl Championship Series have reunited for a composite ranking that takes the human element out of college football team evaluation.

Richard Billingsley, Wes Colley, Ken Massey, Jeff Sagarin and Peter Wolfe have combined the metrics that helped forge 16 years of championship matchups. Those include such factors as wins and losses, strength of schedule, home-field advantage, recency of game and, in some cases, margin of victory to give an objective rating of all 128 FBS teams.

- Arkansas improved to 7-0 all-time and 6-0 this season when Williams runs for over 100 yards.
- Reclaimed the SEC rushing lead (1,209) and moved into a tie in the conference with six 100-yard games this season.
- Only player in the SEC to run for 200 yards and four touchdowns in a game this season.
- Opened the game with a career-long 72-yard TD run on the second play from scrimmage.

DEFENSIVE

DAVID REESE, LB, FLORIDA

- Reese, filling in at linebacker for injured senior Jarrad Davis, led Florida in tackles for the second consecutive week.
- With his 12 tackles, Reese also surpassed his career-high of 11 that he had set the last game against South Carolina.
- Reese helped limit LSU to 219 rushing yards, under its season average of 233.6 yards per game, which ranked third in the SEC.

SPECIAL TEAMS

EDDY PINEIRO, PK, FLORIDA

- Pineiro accounted for 10 of Florida's 16 points, connecting on field goals of 36, 26 and 34 yards and also adding a PAT.
- His five kickoffs averaged 63.2 yards per kick, and four went for touchbacks, limiting LSU's kickoff return game (LSU's only kickoff return resulted in a fumble, which was recovered by Florida at LSU's 21-yard line).

OFFENSIVE LINEMAN

WILL HOLDEN, LT, VANDERBILT

- Holden earned superb 93 percent blocking grade, topped by three domination blocks, while playing all 76 offensive snaps in Vanderbilt's impressive 38-17 victory over Ole Miss Saturday.
- Holden contributed key blocks on two of Ralph Webb's three rushing touchdowns, which came during a 31-0 run after the Commodores fell behind 10-0 early in the first quarter. He also limited Ole Miss' standout DE Marquis Haynes to three assisted tackles, and did not allow a single pressure while protecting the quarterback's blind side.

DAN SKIPPER, OL, ARKANSAS

- Helped Arkansas run and pass for a combined 661 yards of offense on the road at Mississippi State, good for the fourth-most in program history and the most ever in an SEC game.
- Graded out at a career-best 97 percent over 69 plays at left tackle.
- Arkansas averaged 9.9 yards per play – good for fourth-most in program history – en route to a season-high 58 points,

DEFENSIVE LINEMAN

DEREK BARNETT, DE, TENNESSEE

- Had a very impactful and disruptive day as he helped lead Mizzou to a much-needed 26-17 win at home over Vanderbilt, breaking Mizzou's 5-game losing streak (and 11-game conference losing streak). Ended the game with 9 tackles, including 2.5 QB sacks, and 3.5 tackles for loss in all.
- Also forced a fumble on one of his sacks, while getting loose for a pair of QB pressures.
- Vanderbilt had allowed only 15 sacks on the season in 9 previous games coming into Saturday, but Harris and his line mates were very effective, as they combined for 6.0 sacks total, for 41 yards in losses.
- Harris ranks 4th in the SEC through 10 games with 8.0 QB sacks, and is also 7th in the league in tackles for loss (11.0).

FRESHMAN

TYRIE CLEVELAND, WR, FLORIDA

- Tennessee's Derek Barnett recorded six tackles, one sack and one quarterback hurry in UT's win over Missouri.
- Barnett sacked Drew Lock in the third quarter to record his career-best 11th sack on the season. Barnett's 11.0 sacks in SEC games are the most in the conference.
- Barnett's sack was also the 31st of his career. He is now one sack away from tying Reggie White's Tennessee career record of 32.0. Barnett's 31.0 career sacks also rank second among all active FBS players.

OTHER OUTSTANDING PERFORMANCES IN WEEK 12

KAM MARTIN, RB (Auburn) -- Career-best 21 carries for 176 yards and two touchdowns in Auburn's 55-0 win over Alabama A&M...His 176 yards were the most by an Auburn true freshman since 2010 (Michael Dyer, 180 yds vs. Ole Miss) and fifth-most all-time by an Auburn freshman.

JORDAN SCARLETT, RB (Florida) -- LSU had entered Saturday's game ranked third in the conference in rushing defense, allowing just 114.0 yards per game. However, Jordan Scarlett posted his third consecutive game of 100+ rushing yards. As a team, Florida totaled 126 rushing yards, meaning Scarlett accounted for 85.7 percent of those yards.

ISAIAH MCKENZIE, WR/PR (Georgia) -- McKenzie took a handoff on the opening play of the game 55 yards for a touchdown to help jumpstart the Bulldogs' 35-21 win over UL Lafayette...The last time the Bulldogs scored on their first play from the line of scrimmage was a 35-yard TD strike from Hutson Mason to Chris Conley in the 2014 Charleston Southern game. ...This was a career-long rush for McKenzie and he finished with 164 all-purpose yards...The second time McKenzie touched the ball, he returned a punt a career-long 82 yards for a touchdown, his first of the season. This punt return for McKenzie is the longest for the Bulldogs since Brandon Boykin's 92-yarder for a score versus Michigan State in the 2012 Outback Bowl.

BENNY SNELL JR., RB (Kentucky) -- • Rambled for 152 yards on only 14 carries, with two touchdowns, in Kentucky's 49-13 win over Austin Peay. Averaged 10.9 yards per attempt, the best single-game average for a Wildcat (min. 14 carries) in 29 years

RICO DOWDLE, RB (South Carolina) -- Dowdle had a day for the record books against Western Carolina. The true freshman carried 21 times for 226 yards and two scores in the contest, averaging 10.8 yards per carry. Dowdle's 226 yards rushing was the sixth-highest single-game total in school

history, the 11th 200-yard rushing game by a Carolina back and the most yards rushing since Marcus Lattimore logged 246 against Navy in 2011. He added two receptions for 13 yards.

DEEBO SAMUEL, KR (South Carolina) -- Samuel returned five kickoffs for 194 yards, including a 100-yarder for a touchdown in the win over Western Carolina. The Gamecock sophomore wide receiver also carried the pigskin five times for 27 yards and two touchdowns and caught four passes for 56 yards, collecting 277 yards of all-purpose yardage.

JOSHUA DOBBS, QB (Tennessee) -- Dobbs, who has been named the Walter Camp National Offensive Player of the Week, accounted for five touchdowns and 413 total yards in the Vols' 63-37 win over Missouri. Dobbs completed 15 of 22 passes for 223 yards and three touchdowns with no interceptions. He also ran for a career-high 190 yards and two touchdowns on 10 carries...With five total touchdowns in the win, Dobbs now has 81 career touchdowns accounted for (passing, rushing, receiving), tying him with Casey Clausen for second-most in UT history...Dobbs' 70-yard touchdown run with 13:20 left in the fourth quarter marked the longest run of his career...Dobbs' 190 rushing yards were the most ever by a Tennessee quarterback...Dobbs now has 50 career touchdown passes and 29 career rushing touchdowns, making him just the fourth SEC quarterback to throw for 50 scores and rush for 25 in a career. He joins Tim Tebow, Johnny Manziel and Dak Prescott.

RALPH WEBB, RB (Vanderbilt) -- Playing at less than full strength, Webb rushed for 123 yards and matched a career high with three touchdowns to help Vanderbilt register an impressive 38-17 victory over Ole Miss Saturday. Webb scored from 4, 11 and 1 yards during a 31-0 Commodore run...The performance pushed Webb's season rushing total to 1,058 yards, enabling him to become just the second Commodore back to register back-to-back season of at least 1,000 yards.

THIS IS SEC FOOTBALL

- With the victory in the College Football Playoff National Championship Game, the SEC captured its ninth victory of the football postseason in 2015, breaking its own national record of postseason wins. The SEC led nation once again in bowl victories, while boasting an equally impressive 82 percent winning percentage in its 11 postseason games. The SEC owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.
- The SEC has now won 16 games in the last two postseasons, also a record. Eight of the nine victories last season came versus major conference opponents, including a 4-1 record versus Top 25 teams. The average margin of victory in the SEC's postseason wins last postseason was 24 points.
- With ten teams advancing to bowl games last season, the SEC became the first conference to send at least 10 teams to postseason bowls in three consecutive seasons. The SEC sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last ten seasons.
- For the second straight year, the SEC sent an entire division (SEC West) to postseason bowl games in 2015. That marks the only time in SEC and NCAA history a conference has accomplished that feat.
- The SEC on CBS was the highest rated television package for the 7th year in a row in 2015.
- SEC stadiums were filled to over 100.00 percent capacity on average last season, up again from the previous season despite a downward trend nationally. Nearly 60% of all games played last season involving SEC teams (including non-conference), were sold out. Unlike the national trend, the SEC has enjoyed an increase in football attendance for three straight years, despite all games now being televised nationally.
- The SEC has won eight of the last 10 national championships, 10 of the 18 BCS/CFP-era National Championships, two runner-up finishes and 24 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in nine of the last 10 National Championship Games.

2016 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- a. A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- b. Forward pass touched by a player (eligible or ineligible) or an official.
- c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- d. A forward pass or forward handing after a change of team possession.
- e. Pass ruled forward or backward when thrown from behind the neutral zone.
 1. If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.

2016 SEC Football

2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- c. Live ball not ruled dead in possession of a ball carrier.
- d. Loose ball ruled dead, or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing action.
 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.
- j. Catch or recovery of a loose ball in the field of play or an end zone.
- K. Forward fumble that goes out of bounds with respect to a first down.

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.
- e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting

- a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul to ascertain whether there is at least one indicator of targeting action.
- b. The Replay Official may create a targeting foul, but only in egregious instances in which a foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

- a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.
- b. Player beyond the neutral zone when kicking the ball.
- c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
- d. The number of players on the field for either team during a live ball.
- e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
- f. Player who is out of bounds touching a free kick that had not been touched inbounds.
- g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
- h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

* For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC FOOTBALL BOWL AGREEMENTS

The Southeastern Conference has agreements with nine postseason bowls and a process for the assignment of SEC member schools to bowl games that began with the 2014 season and extending for six years.

The new SEC bowl process coincided with the beginning of the new College Football Playoff that followed the 2014 college football season. The SEC also participates in the Allstate Sugar Bowl and the Capital One Orange Bowl (in selected years).

Under the current SEC bowl system, the Buffalo Wild Wings Citrus Bowl in Orlando (vs. Big Ten), a longtime SEC bowl, will have the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, the Allstate Sugar Bowl or the Capital One Orange Bowl.

Following the Buffalo Wild Wings Citrus Bowl, there will be a pool of six bowls comprised of renewals with the Outback Bowl in Tampa (vs. Big Ten), Franklin American Mortgage Music City Bowl in Nashville (vs. ACC/Big Ten), TaxSlayer Bowl in Jacksonville (vs. ACC/Big Ten) and AutoZone Liberty Bowl in Memphis (vs. Big 12), as well as agreements with the Advocare V100 Texas Bowl in Houston (vs. Big 12) and Belk Bowl in Charlotte (vs. ACC).

In consultation with SEC member institutions, as well as these six bowls, the conference will make the assignments for the bowl games in this newly created pool system.

The SEC also renewed its relationship with both the Birmingham Bowl (vs. American) and the Camping World Independence Bowl in Shreveport (vs. ACC). The Birmingham Bowl will have the first selection of available teams following the pool of six bowls. The Independence Bowl will have the next selection of available teams following the Birmingham Bowl.

2016 SEC Bowl Selection Process

CFP BOWLS (Cotton, Orange, Fiesta [Semifinal], Sugar, Peach [Semifinal], Rose, CFP National Championship)

Contract Bowls: Sugar (SEC vs. Big 12 when Sugar is not a semifinal game)
Rose (Pac 12 vs. Big Ten when Rose is not a semifinal game)
Orange (ACC vs. highest ranked SEC/Big Ten non-champion or Notre Dame when Orange is not a semifinal game)

Access Bowls: Cotton
Fiesta (Semifinal in 2016)
Peach (Semifinal in 2016)

1) Which SEC Team qualifies for the College Football Playoff?

The winner of the SEC Championship Game (December 3, 2016) automatically qualifies for a spot in the Sugar Bowl if that team is not selected to participate in the four-team playoff. The top four teams in the CFP Standings will play in the semifinals (Peach Bowl and Fiesta Bowl) with the winners advancing to the CFP National Championship Game in Tampa, Fla. (Monday, January 9).

2) How can additional SEC teams be selected for the CFP?

Additional SEC teams may be selected for one of the CFP access bowls based on its ranking in the final CFP Selection Committee rankings. There is no limit on the number of teams from any one conference that can be selected to participate in the CFP bowls.

3) How can a SEC Team be selected to participate in the Orange Bowl?

When the Orange Bowl is not a semifinal game and a SEC team is the highest ranked team among the non-champions of the SEC and Big Ten and ranked higher than Notre Dame (See Mississippi State in 2014) then that team will participate in the Orange Bowl. There are eight years in which the Orange Bowl is not a semifinal game and the SEC is guaranteed three of the eight years, the Big Ten is guaranteed three of the eight years and the remaining two years can be filled by Notre Dame, the SEC or the Big Ten based on CFP Selection Committee rankings. The SEC Champion can never participate in the Orange Bowl unless it is a semifinal game.

4) How does the CFP selection process work in 2016?

The CFP Selection Committee ranks the top 25 teams and selects the four teams to participate in the semifinal games. Then, after the contract bowls are filled based on conference agreements, the Committee will assign teams to fill the remaining access bowls. Each conference champion from the contract bowls (ACC, Big Ten, Big 12, SEC & Pac 12) has a guaranteed spot in its contracted bowl or in an access bowl (Cotton in 2016) if the contracted bowl is a semifinal game and the conference champion is not selected to participate in a semifinal game. The highest ranked champion from the Mountain West, American, Conference USA, Sun Belt or MAC is guaranteed a spot in a CFP bowl and the remaining spots are filled based on the rankings of teams after the contract bowls have been filled.

SEC Sets New NCAA Record with Nine Postseason Victories

With the win in the College Football Playoff National Championship Game, the SEC captured its ninth victory of the football postseason. The SEC led nation once again in bowl victories, while boasting an equally impressive 82 percent winning percentage in its 11 postseason games.

"There is great satisfaction in hearing 'S-E-C' chanted at stadiums across the south during the last week," said SEC commissioner Greg Sankey. "My congratulations to our football teams for establishing a record reflecting the focus, preparation and competitive spirit of hundreds of student-athletes and their coaches. SEC fans turned out to attend bowl games in impressive numbers and showed the passion that sets our Conference apart. We now look forward to January 11 when Alabama meets Clemson for the SEC's ninth trip to the national title game in the last 10 years."

The SEC has now won 16 games in the last two postseasons, also a record. Eight of the nine victories this season came versus major conference opponents, including a 4-1 record versus Top 25 teams. The average margin of victory in the SEC's postseason wins this postseason is 24 points.

The SEC sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last ten seasons.

SEC FOOTBALL (2006-15) ... A DECADE OF DOMINANCE

During the last 10 years (2006-15), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won eight of the last 10 national championships, 10 of the 18 BCS/CFP-era National Championships, two runner-up finishes and 24 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in nine of the last 10 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The Big 12 (Texas and Oklahoma) and the ACC (Miami and Florida State) have each had two schools win titles since 1998.

• Since 2006, half of the slots in the National Championship Game have been taken by SEC teams (11 of 22). The Big Ten has three, while the Big 12, Pac-12 and ACC have two each.

• A SEC team has led or tied for the lead at the end of 29 of the last 40 quarters of National Championship Game play.

• The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 10 wins in BCS - now New Year's Six/Access bowls - more wins than any other conference. Here are the BCS/CFP bowl records of all conferences since 2006:

SEC	13-9	.591
Pac-12	9-6	.600
Big Ten	9-11	.450
AAC	6-3	.667
ACC	6-9	.400
Big 12	6-10	.375
Mountain West	3-1	.750
WAC	2-1	.667
MAC	0-1	.000
Independents	0-3	.000

• With conference limits being removed in 2014 with the College Football Playoff, the SEC became the first conference to place three teams in CFP/BCS postseason bowls: Ole Miss (Chick-fil-A); Mississippi State (Orange); Alabama (Sugar/National Semifinal).

• Four of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Georgia defeated Hawaii, 41-10, in the 2008 Sugar Bowl, and Florida defeated Syracuse, 31-10, in the 1999 Orange Bowl - both are tied for 8th in lowest point total allowed in a CFP/BCS game. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the CFP/BCS Championship Game era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year national championship winning streak, the SEC's average margin of victory in National Championship Games was 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

• Teams from the SEC have posted 58 wins in the last eight years against non-conference Top 25 teams (at time game was played), an average of over seven wins per season. Ten of the 14 SEC teams have at least one win against a non-conference Top 25 team in the last seven years with Alabama (9), LSU (9), Georgia (8), Florida (5), South Carolina (7) Auburn (3) and Texas A&M (3) leading the way. SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- Head-to-head competition between the two tied teams;
- Records of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- Best cumulative Conference winning percentage of non-divisional opponents; and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2

Western 2 Eastern Opponents: 12-4

(Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- Combined head-to-head record among the tied teams;
- Record of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall Conference record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- Best cumulative Conference winning percentage of non-divisional opponents (Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2

Western 2 Eastern Opponents: 12-4

Western 3 Eastern Opponents: 8-8

(Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2016 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners will meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the College Football Playoff. The 25th-annual title game is set for December 3 and will be televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

CBS Sports' national coverage of the 2015 SEC Championship game, which saw Alabama defeat Florida, 29-15, was the highest-rated college football game of the year.

The SEC Championship game averaged an overnight household rating/share in the metered markets of 8.3/17, up 8%, from last year's 7.7/16 for Alabama-Missouri. The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 22 capacity crowds in its 24-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), recently announced an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome has hosted the SEC Championship Game for 22 years beginning in 1994, with capacity crowds in the last 20 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years. Mercedes-Benz Stadium is set to open in 2017, with 2016 set to be the final SEC Championship Game held in the Georgia Dome.

BIRMINGHAM, Ala. (Oct. 4, 2016) – The Southeastern Conference on Tuesday announced its 2016 SEC Football Legends class, a collection of former football stand-outs who will be honored at events surrounding the SEC Football Championship Game in Atlanta in December.

The 2016 Football Legends Class includes 14 former stars who excelled on the grid-iron and helped write the rich history of the sport at their respective institutions. ALABAMA – Chris Samuels, Offensive Tackle, 1996-99

Alabama offensive tackle Chris Samuels was the Crimson Tide's first Outland Trophy winner. Samuels started 42 consecutive games during his Alabama career and was a first-team All-SEC selection in both 1998 and 1999. A crushing blocker and superb pass protector, he did not allow a quarterback sack or quarterback pressure during his entire senior season. Samuels was the third player selected in the 2000 NFL Draft by the Washington Redskins. He spent his entire professional career with the Redskins, playing 10 years while being chosen to the Pro Bowl six times. He was named one of the 80 Greatest Redskins of all time.

The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. • The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

• The Southeastern Conference began to develop a database of minority football coaches in NCAA Football Bowl Subdivision and the NCAA Football Championship Subdivision in 2002. The award recognizes 10 current student-athletes who will have completed their athletics eligibility for their successes on the fields and courts, in the classroom and in the community, and the SEC has had three winners in the last two years.

• The SEC also had six student-athletes earn the NCAA Elite 90 award, which is given to the student-athlete with the highest cumulative GPA at the finals site for each of the NCAA championships. The 2015-16 SEC recipients were: Rishab Agarwal, Mississippi State (men's tennis); Lauren Beers, Alabama (gymnastics); Kasey Cooper, Auburn (softball); Danielle Galyer, Kentucky (women's swimming and diving); Christian Heymsfield, Arkansas (men's cross country); and Aldila Sutjiadi, Kentucky (women's tennis).

• The SEC has had eight student-athletes win the William V. Campbell Trophy given by the National Football Foundation. Since the inaugural award in 1990, the SEC has had more recipients than any other conference. The award, nicknamed the "Academic Heisman" goes to college football's top scholar-athlete. In 2012, Alabama's Barrett Jones was the SEC's eighth recipient of the trophy. In 2009, Florida's Tim Tebow won the honor. LSU's Rudy Niswanger won the honor in 2005, Tennessee's Michael Munoz claimed the award in 2004, Matt Stinchcomb of Georgia in 1998, Tennessee's Peyton Manning in 1997, Florida's Danny Wuerffel in 1996 and Brad Culpepper of Florida in 1991 was the league's first recipient.

• More than 3,700 student-athletes were named to the SEC Academic Honor Roll in 2015-16. Members of the SEC Academic Honor Roll must have a 3.0 grade point average for either the previous academic year or his/her academic career at the SEC institution.

FOR THE STUDENT-ATHLETE

• Ole Miss Forrest Gamble of the men's golf team and Alabama's Haylie McCleney of the softball team were named recipients of the 2015-16 H. Boyd McWhorter Southeastern Conference Scholar-Athletes of the Year Awards. The McWhorter Scholar-Athlete Award is the highest honor a student-athlete can receive in the SEC. Each McWhorter Scholar-Athlete Award recipient receives a \$15,000 postgraduate scholarship, while 26 other finalists for the award receive a \$7,500 post-graduate scholarship.

• Texas A&M men's track and field athlete Wade Karam and Alabama gymnast Lauren Beers were named recipients of the 2015-16 Brad Davis SEC Community Service Post-Graduate Scholarship. Each Community Service Leader of the Year receives a \$10,000 post-graduate scholarship while 26 other finalists for the award receive a \$5,000 post-graduate scholarship.

• The SEC was the first conference in the nation to assemble a Student-Athlete Advisory Committee. Two representatives from each of the SEC member schools are selected to serve on the committee which meets twice a year to discuss issues of concern to the student-athlete.

• In May 2016, the SEC introduced new Student-Athlete Leadership Councils in the sports of Football and Men's and Women's Basketball in which, in addition to the Conference's longstanding Student-Athlete Advisory Council, provide student-athletes with additional opportunities to engage with campus leaders and Conference office staff.

• One of Greg Sankey's early actions as commissioner was to create a new position in the SEC office for a Director of Student-Athlete Engagement, with the focus on creating opportunities for current and former SEC student-athletes to participate in Conference leadership and prepare for life after their intercollegiate athletics participation concludes.

COMPLIANCE AND EDUCATION

• The 2004 SEC Task Force Committee on Compliance and Enforcement's report of recommendations represents an important step in establishing a new standard of compliance excellence within the Southeastern Conference. Among the recommendations included in this report is how institutions will handle reports of allegations, strengthening the relationship between the league's institutions and the conference office, developing new orientation programs and establishing an annual review of compliance issues.

• The SEC conducts a New Coaches Orientation Program three times a year, which supplements institutional orientation programs and enhance the professional development of coaches. Topics of discussion range from the role of the SEC and NCAA to the role of athletics in higher education.

THIS IS THE SOUTHEASTERN CONFERENCE

SPORTSMANSHIP

- The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

- The SEC has an annual Sportsmanship Award that will be awarded to one male and one female student-athlete. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility. The recipients of the 2015-16 award were LSU football player Leonard Fournette, Florida women's track and field athlete Lloydricia Cameron and the Kentucky volleyball team and support staff.

IN THE COMMUNITY

- The SEC and its member institutions have partnered with the 11-state Special Olympics organizations in the SEC region. The relationship is featured on public service announcements aired on SEC telecasts, and Special Olympics participate in the Dr Pepper SEC FanFare, held in conjunction with the SEC Football and Basketball Championships.

- The SEC and its corporate sponsors host youth clinics each year in conjunction with several conference events, including the football championship game, the men's basketball tournament, the baseball tournament and the soccer tournament. These clinics provide children from host cities the opportunity to receive instruction from SEC and other area coaches.

- The SEC selects a Community Service Team in each of its 21 sports. The Community Service Team features a representative from each institution who has shown a commitment to community service.

- Jeb Blazevich (Georgia) and Oren Burks (Vanderbilt) were named to the 2016 Allstate AFCA Good Works Team®, one of the most coveted off-the-field honors in college football. The Good Works Team® award is celebrating 25 years of recognizing college football players who dedicate their time to bettering the community and the lives of others.

SEC NATIONAL CHAMPIONSHIPS HISTORY

- The Southeastern Conference won five national championships in 2015-16: Football (Alabama); Equestrian (Auburn); Women's Swimming and Diving (Georgia); Men's Outdoor Track and Field (Florida) and Women's Outdoor Track and Field (Arkansas). The SEC also had national runners-up in six sports: Gymnastics (LSU); Softball (Auburn); Men's Indoor Track and Field (Arkansas); Women's Indoor Track and Field (Arkansas); and Men's Outdoor Track and Field (Arkansas).

- The SEC became the first conference in history to win the national football championship (Florida), the national women's basketball championship (Tennessee) and the national men's basketball championship (Florida) in the same year (2006-07 academic year).

- In its history, the SEC has won 222 national championships, 123 men's and 98 women's titles. Since 2000, the SEC has won 106 national crowns, including 51 men's titles and 54 women's titles.

- In the "big three" men's sports – football, basketball and baseball, the SEC has won 15 national championships during the last 10 academic years. The league has won eight of the last 10 football national championships.

- Since 2006, the SEC has had a national champion in 17 of its 21 sponsored sports – football, men's basketball, baseball, men's indoor track & field, men's outdoor track & field, women's indoor track & field, women's outdoor track & field, women's swimming & diving, gymnastics, women's tennis, men's tennis, men's swimming & diving, equestrian, men's golf, women's golf, softball and women's basketball.

FOR THE FANS

- For the 34th consecutive season, the SEC recorded the largest total football attendance of any conference in the country. The league has led in average attendance during the last 18 consecutive seasons. More than 7.8 million fans attended SEC football games in 2015 while stadiums were filled to 100 percent of capacity.

- The SEC had nearly 2.6 million fans attend its home basketball games during the 2015-16 season. In 233 home contests, SEC teams averaged 11,148 fans per game. Kentucky was first nationally in attendance, averaging 23,362 fans per contest.

- Year after year, the SEC is the leader in college baseball attendance. In 2016, for the sixth consecutive year, the SEC's institutions drew more than 2 million fans, with a nation-leading attendance total of more than 2.4 million fans. The SEC averaged more than 5,000 fans per game (5,076) in 2016. The SEC and its member schools own virtually all regular season, conference tournament, NCAA Regional and Super Regional attendance records.

SECU - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

- Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer (i.e., provost).

- The goals of the SECU initiative include highlighting the endeavors and achievements of SEC faculty and universities; advancing the merit and reputation of SEC universities outside of the traditional SEC region; identifying and preparing future leaders for high-level service in academia; increasing the amount and type of education abroad opportunities available to SEC students; and providing opportunities for collaboration among SEC university personnel.

- The SEC Academic Collaboration Award is intended to expand student-focused collaboration among SEC universities. It is awarded annually to one SEC institution to support joint activities involving all other SEC universities.

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.

- The SEC College Tour occurs twice annually, once in the fall and once in the spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the SEC.

- The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.

- The SEC MBA Case Competition is held on one SEC campus and features teams of four SEC students who compete to showcase their skills at solving simulated, real-world problems that cover the spectrum of business disciplines.

- The Conference's international/education abroad focus includes the SEC Cooperative Education Abroad Agreement, which provides opportunities for students from all SEC universities to access international programs offered at other SEC universities; the Dr Pepper Education Abroad Awards, which provide scholarship-type funding from longtime SEC corporate sponsor Dr Pepper to under-represented study abroad students; and the engineering exchange program, which enables Italian engineering students from the Politecnico di Torino (PdT) to enroll at SEC universities each fall, and SEC students to study there the following spring.

COLLEGE FOOTBALL PLAYOFF

Every Game Counts

The College Football Playoff preserves the excitement and significance of college football's unique regular season where every game counts.

Four Teams

The selection committee ranks the teams based on championships won, strength of schedule, head-to-head results, comparison of results against common opponents and other factors.

Two Games

The kickoff of the new year belongs to college football, with two semifinal games and four other top bowl games continuing a wonderful tradition.

One Goal

The two teams winning the playoff semifinals compete for the national championship. That game is in a different city each year, always on a Monday night.

Universal Access

Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

Revenue

The format increases revenue for all conferences and independent institutions.

Governance

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve on the CFP Board of Managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the detailed responsibilities.

Selection Committee

A talented group of high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are: Kirby Hocutt (chair), Barry Alvarez, Jeff Bower, Herb Deromedi, Tom Jernstedt, Bobby Johnson, Jeff Long, Rob Mullens, Dan Radakovich, Condoleezza Rice, Steve Wieberg and Tyrone Willingham.

Selection Committee Responsibilities

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - Consider geography.

Participants in the New Year's Bowls

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
