Head Coach • Sixth Season • @MSUVANNtastic Overall Record: 167-121 • SEC Record: 43-81

Since being hired as the Mississippi State softball head coach on Thursday, June 23, 2011, Vann Stuedeman has invigorated the Bulldog program. In five seasons, the Vestavia Hills, Ala., native has led the squad to four consecutive NCAA Tournament trips and 33 or more wins in four of her five campaigns.

Stuedeman's most recent campaign saw the Bulldogs capture 26 total wins and climb as high as 23rd in the ESPN.com/USA Softball Top 25. Stuedeman's club took on the third-toughest schedule in the nation, which featured five of its eight conference series coming against 2015 Women's College World Series participants, while two others came against 2015 NCAA Super Regional participants. They played a total of 23 games against Top 5 opponents and 16 against 2015 WCWS teams.

Despite some struggles, the team still showcased extreme grit and toughness while playing in the toughest conference in the NCAA, as the SEC finished 2016 with the highest RPI among conference teams. With a total of 10 come-from-behind victories, Stuedeman maintains a reputation of fielding programs that fight until the final out. On her career, Stuedeman has 60 comeback victories. Her squads also continued to dominate late in games, as MSU finished 2016 with a 19-3 record when leading after five innings and a 19-2 mark when up after six. Stuedeman's teams have been nearly flawless when holding the lead late in games, going 109-8 after five and 101-6 after six for her career.

Behind the play of senior Kayla Winkfield, a 2016 NPF draftee who led the SEC stood ninth in the NCAA with six triples, the Bulldogs' offense churned out 0.21 triples per game, finishing fourth in the SEC.

The 2016 Bulldogs tallied 15 sacrifice flies, which tied for fourth-most in program history. They also held true to the "We Don't Move" mantra brought by the coaching staff, tallying 60 hit by pitches, which is third in the school record books.

Success continued for Stuedeman's pitching staff in 2016, as State tallied 305 strikeouts. The total finished fifth in school history, as did MSU's 5.41 strikeouts per seven innings average.

In 2015, Stuedeman led MSU to its fourth-straight NCAA Tournament appearance with 36 wins, marking just the second time in program history that had been accomplished (2002-05).

The Bulldogs carried a never-say-die attitude with them in 2015 as they recorded 15 come-from-behind wins to give Stuedeman a total of 50 comeback wins over her first four seasons in Starkville. Three Bulldogs were named to the NFCA All-South Region team in 2015, tying a season-best in the Stuedeman era that was set in 2013.

Alexis Silkwood tallied SEC Pitcher of the Week honors in back-to-back weeks (March 30 and April 6). The two SEC Pitcher of the Week awards marked the third-straight year with such an honoree, the longest stretch for the program since 2001-04.

Prior to Stuedeman taking over the program in 2012, MSU had seven total SEC Pitcher of the Week honors. In the five-year Stuedeman era, the Bulldogs have won seven. The 2014 Bulldogs' four total SEC weekly honors are tied with the 2008 and 2004 squads for the second most in program history.

Stuedeman's 2014 edition really took off, earning a program third-best 39 victories and an MSU second-best eight wins against ranked opponents. The Bulldogs made three-straight NCAA trips for the first time since 2007-09 and had three consecutive 30-win seasons for the first time since 1998-2008.

Included in the spring of 2014's 39 victories were three-straight victories against top-five clubs with back-to-back wins against No. 3/2 Alabama on April 12-13 and a 2-0 triumph at No. 4/4 Tennessee on April 18. It was the first time the Bulldogs had won three consecutive games against ranked foes since taking seven straight from April 9-May 13, 2004, and the first time ever winning three straight against top-five opponents.

During the campaign, Stuedeman guided her squad to four wins versus top-five opponents in the National Fastpitch Coaches Association (NFCA) poll. Entering the year, the Bulldogs had won five games in program history versus top-five opponents.

Stuedeman's 2014 team also earned three-straight Southeastern Conference series wins for the first time since April 6-21, 2012. The club started off on fire, winning 15-straight games, one game shy of the longest season-opening victory streak in program history.

Individually, Stuedeman helped Caroline Seitz to selections as a Top 25 Finalist for the inaugural NFCA Freshman of the Year Award and NFCA All-South Region First Team honors. Seitz

became the sixth freshman in program history to earn all-region honors, the initial under Stuedeman and the first since Ka'ili Smith in 2009.

Seitz was joined by Alexis Silkwood on the SEC All-Freshman Team. The two selections are tied for the most in a year in MSU history.

Silkwood used Stuedeman's guidance in the pitching circle to turn in one of the most successful rookie campaigns in program history. Silkwood set the MSU freshman record for strikeouts in a season with 167 and set the rookie single-game record with 13 whiffs against Texas Southern in the NCAA Tournament.

Following two impressive outings at No. 4/4 Tennessee, Silkwood was named the April 21 SEC Pitcher of the Week as well as the Feb. 17 and March 3 SEC Freshman of the Week. Alison Owen was also tabbed as the April 14 SEC Pitcher of the Week.

After becoming the winningest first-year head coach in school history (.579/33-24 record) in 2012, Stuedeman followed up with another 33-24 campaign and a second-straight NCAA Tournament bid in 2013. The 2013 Bulldogs were named an Easton Team of the Year, joining Women's College World Series participants Florida and Texas.

During 2013, Owen's first year on the active roster, she became the first pitcher in school history to receive SEC Pitcher of the Week honors in consecutive weeks, earning the nods on Feb. 25 and March 4. Owen established the single-game Mississippi State record for strikeouts with 16 against SIU-Edwardsville on Feb. 24 and was selected as the March 5 CollegeSportsMadness.com National Pitcher of the Week.

Stuedeman guided the pitching staff to a pair of no-hitters in 2013, the most by the program in a year since tossing four in 2006.

Offensively, Stuedeman's aggressive approach helped the team tie the program record for stolen bases per game with 2.00 and total the second-most swipes in a campaign in MSU history with 114. The approach at the plate translated into a program-record 51 home runs, besting the previous mark by four.

Stuedeman helped Owen earn a spot on the NFCA All-South Region Second Team at the end of the year. Owen was joined on the squad by Logan Foulks and Sam Lenahan. It was only the fourth time in program history having three or more selections.

The pitching development and philosophies Stuedeman brought from the University of Alabama, where she was known as a pitching genius in 11 years as the Crimson Tide pitching coach, paid huge dividends during her initial season. She took a school record-high 4.90 earned-run average from 2011 and with the same group of five pitchers, cut the ERA to 2.88 in 2012. Stuedeman also helped the pitching staff improve from 2011 to 2012 in: wins (24 to 33), complete games (12 to 20), no-hitters (zero to one), hits allowed (435 to 310), runs allowed (313 to 194), strikeouts (242 to 358), home runs allowed (50 to 27) and opponent batting average (.300 to .224).

Individually, Stuedeman coached Stephanie Becker

to a career year. Against eventual Women's College World Series participant South Florida, Stuedeman called her 24th career no-hitter. Later in the year, Becker became the first Bulldog pitcher since Stephanie Comeaux in 2006 to be named SEC Pitcher of the Week after picking up three conference victories in a series sweep versus Kentucky.

Stuedeman also focused heavily on improving the defense. She succeeded, increasing the Bulldogs' fielding percentage from 2011 to 2012 by nine points (.954 to .963). Her staff gave up 154 earned runs in 2012, almost 100 fewer than the previous spring.

In 2012, Stuedeman took MSU to its first NCAA Tournament since 2009, she became one of only two first-time head coaches to make the field of 64. With 33 overall wins, Stuedeman guided MSU to its first 30-win season since 2008, despite having the fourth-toughest strength of schedule in the nation.

Fully buying into Stuedeman's system paid dividends at the end of the year, when the Bulldogs won 14 of their last 20 contests, including a 12-game winning streak from April 10 - May 4, 2012.

Prior to the NCAA Tournament, Stuedeman led the Bulldogs to their 12th Southeastern Conference Tournament berth with 12 SEC wins, the most for MSU since 2008. For the first time since 2001, MSU swept back-to-back three-game series and won six consecutive conference games.

Outside the SEC, Stuedeman was dominant. Mississippi State won 21 non-conference games and recorded 13-straight non-conference triumphs. It was the longest streak since a school-record 16-consecutive contests to begin the 2006 season.

On the road, the 2012 Bulldogs broke the school record for true road wins in a season with number 13 coming at Auburn on May 4, 2012. The eight SEC road wins were the most for the Bulldogs since eight in 2001.

Within Mississippi, Stuedeman has shined brightest. Stuedeman has only dropped two games to in-state foes during her tenure, while winning seven of her nine meetings with Ole Miss.

One of the key principles under Stuedeman has been having success in the late innings. The 2012 club outscored opponents 64-31 after the fifth. State went 9-7 in one-run games, its best winning percentage in one-run games since 2002. The Bulldogs were unbeaten when leading late during the year, finishing 21-0 when ahead after the fifth inning.

Offensively in her first year, Stuedeman oversaw a lineup that set a then-school record for single-season walks (202), while finishing in the top 10 in runs, home runs, slugging percentage and stolen bases. Stuedeman coached MSU's first SEC Player of the Week since 2010, two SEC Players of the Week in the same season for the first time since 2004 and MSU's second National Player of the Week.

Prior to her arrival in Starkville, Stuedeman helped Alabama claim three SEC regular-season titles en route to reaching the Women's College World Series six times.

As an assistant coach since 2001, Stuedeman helped the Crimson Tide go 579-150 from 2000-11 (.794), including a sparkling 243-70 record inside the SEC. Stuedeman anchored a staff that had an ERA under 2.00 in eight of her 11 campaigns, struck out an average of 485 batters per season and held opponents scoreless in 221 games. The 2011 staff led the SEC in ERA, giving Stuedeman's staff a top-20 ERA nationally in five of the previous six seasons before she left Alabama.

Stuedeman coached six All-American pitchers with 11 All-America and All-SEC honors while in Tuscaloosa. Under her instruction, Tide pitchers registered 23 no-hitters, including three perfect games. Three times Stuedeman coached the SEC Pitcher of the Year, while racking up 19 SEC Pitcher of the Week honors. She also coached two SEC Freshman of the Year and one SEC Tournament Most Valuable Player.

In 2011, Stuedeman tutored the pitching staff to a 1.69 ERA, a 53-10 record and third-place finish at the Women's College World Series. The staff included a pair of All-American pitchers in Kelsi Dunne and Jackie Traina. Dunne, a volunteer assistant coach at Mississippi State in 2012, capped her career with a 29-5 record and a 1.42 ERA. The right-hander struck out 331 batters and held opponents to a school-record .146 average. Dunne also tossed three no-hitters and posted 11 shutouts. Traina went 19-5 with a 1.70 ERA, adding 190 strikeouts in 156.1 innings with two no-hitters, three shutouts and four saves.

Prior to joining Alabama, Stuedeman coached at West Alabama, Alabama-Huntsville and East Limestone High School. The Birmingham, Ala., area native graduated in 1994 from Huntingdon College, where she helped the Hawks to two third-place finishes at the national tournament (1992 and 1994). The 1994 All-American was inducted into her alma mater's Hall of Fame on Oct. 8, 2011.

Stuedeman served as a graduate assistant at the University of West Alabama from 1995-96 while earning her master's degree in elementary education, helping lead the team to the Gulf South Conference championship in 1995 while the team's head coach was away from the team on maternity leave. The championship and winning season was the first in the '90s for the West Alabama program.

After spending two seasons at UWA, Stuedeman went to the University of Alabama-Huntsville for three years as an assistant for her sister, Les Stuedeman, and worked with pitchers and outfielders. During her stint, the UAH pitching staff ranked in the top five in Division II in ERA. She helped lead the program to two Gulf South Conference championships, three NCAA Regional appearances and a trip to the 1999 Division II National Tournament. She was also part of the staff that was named South Region Coaching Staff of the Year in 1999.

She then accepted the head coaching position at East Limestone High School, in Athens, Ala., where she led the team to its first winning season since 1994.

Assistant Coach • Third Season

@Coach_Ricketts

Samantha Ricketts enters her third year as a member of the Mississippi State coaching staff after spending the three years prior as an assistant coach at Wichita State University. Ricketts works with Bulldog hitters and has game management and recruiting responsibilities.

In her first season in charge of the MSU offense, State set new single-season records for home runs (54), batting average (.312), slugging percentage (.495), RBI (294) and on-base percentage (.416). MSU also finished second in the single-season record books for runs scored (326), doubles (84) and hit by pitch (72). State's 753 total bases in 2015 ranked third in the MSU single-season record books.

In 2014 without Ricketts on the MSU staff, just two Bulldogs hit over .300, while in 2015 with Ricketts, nine Bulldogs hit over .300 (min. 5 AB).

In her most recent season, Ricketts' leadership led senior Kayla Winkfield to a .330 average and an SEC-leading six triples, which finished Top 10 in the nation. For her career, Winkfield finished in MSU's Top 10 for triples (10) and stolen bases (75).

Ricketts is also responsible for the rise of Bulldog star Caroline Seitz, who has already put her name in numerous categories throughout the MSU record book. Entering her senior season, Seitz is fifth in home runs (28), slugging percentage (.564) and doubles (43), while seventh in RBI (122) and tied for ninth in total bases (314).

With the Shockers, Ricketts worked with the team's hitters and consistently improved their production. Her last spring at WSU was her most successful as she helped the Shockers increase their overall win total by 15 from 2013 to 2014. Wichita State finished 21-6 in the Missouri Valley Conference (MVC) in 2014 to win the program's first regular-season league title.

Ricketts was part of the MVC Coaching Staff of the Year, helping to improve the Shockers from the ninth place in 2012, to eighth place in 2013, to MVC champs in 2014.

Individually, Ricketts produced five starters who each hit better than .300 in 2014 after the squad did not have a batter hit over .300 in 2013. The Shockers scored 138 more runs, smashed 26 more home runs, hit 11 more doubles and added seven more triples last spring than in the 2013 season. Overall, the 2014 team established the program single-season records for batting average, slugging percentage, on-base percentage, runs scored, hits, doubles, home runs, runs batted in and total bases.

Under Ricketts' guidance, Cacy Williams was a National Fastpitch Coaches Association (NFCA) All-Midwest Region First-Team honoree in 2014 as well as becoming the first student-athlete in MVC history to receive Player of the Year and Newcomer of the Year honors from the league. She broke the Wichita State single-season records for batting average (.424), slugging percentage (.812), on-base percentage (.531), total bases (138), runs scored (57), home runs (16) and RBI (47). Brittany Fortner joined Williams on the MVC First Team and was an NFCA All-Midwest Region Second-Team selection. She tallied 14 doubles, two shy of the program record, and finished with a .358 batting average, 62 hits, 35 RBI and a .578 slugging percentage.

In 2013, her second season at Wichita State, Ricketts oversaw a 12-point jump in team batting average from 2012 while helping the squad to 17 more doubles and seven additional home runs. She also helped Erin Carney earn a spot on the All-MVC First Team.

During her first year with the Shockers, Ricketts coached Rachel Milnark and Sydney Stuever to Second Team All-MVC accolades.

At the conclusion of her four-year Oklahoma playing career in 2009, Ricketts was the record holder in career home runs (48) and runs batted in (239) while ranking third in extra-base hits (97), total bases (444), slugging percentage (.645) and on-base percentage (.461). She started 192 consecutive games and ended her career as the Big 12 career RBI leader.

On the field, Ricketts was a four-time All-Big 12 first team selection, a two-time All-American and a two-time Academic All-Big 12 first team honoree. In 2009, she was named to the NFCA All-American Team and NFCA All-Central Region first team pick and was a top-10 finalist for the Lowe's Senior Class Award.

In 2008, she was named to the Preseason USA Softball National Player of the Year Watch List and ESPN.com's Preseason All-America second team. Ricketts ended her junior season with All-Big 12 Tournament honors.

As a sophomore in 2007, Ricketts was a second-team All-American and first team NFCA All-Midwest Region selection. She became the first Sooner to be a top-three finalist for the USA Softball Player of the Year award after topping all Division I players in runs batted in during the regular season. She was the lone freshman in 2006 to earn All-Big 12 first team honors and was selected as a member of the NFCA All-Midwest Region squad.

Ricketts began her coaching career on the Oklahoma softball staff as a graduate assistant coach, in 2010 and 2011. During that time she played in the National Pro Fastpitch (NPF) league with the Akron Racers. She was the 12th overall pick in the 2009 NPF Draft.

The former NPF star made her return to the pro scene this past spring, as she joined the coaching staff of the USSSA Pride for the 2016 season. With the help of Ricketts, the Pride reached the NPF Championship Series against the Chicago Bandits.

The San Jose, Calif., product earned her bachelor's degree in sociology from the University of Oklahoma in 2009 and her master's of education in adult higher education with an emphasis in intercollegiate athletic administration in December of 2011.

Ricketts has three younger siblings who played collegiate athletics. Her sister Stephanie graduated in 2012 after an All-American pitching career at the University of Hawai'i and her sister Keilani graduated from the University of Oklahoma and is playing for the USSSA Pride of the NPF and Shokki Softball in Japan. Keilani was the 2012 and 2013 USA Softball Collegiate Player of the Year. Her younger brother Richard played football at the Air Force Academy.

Assistant Coach • Fourth Season @CoachTbratt

Tyler Bratton is in his fourth season as an assistant coach with the Mississippi State softball program as head coach Vann Stuedeman used a face familiar to Starkville to fill her coaching void in December of 2013.

Bratton, who works with outfielders and defense, and has game management and recruiting responsibilities, is a 2007 Mississippi State graduate and spent the previous five years working with the Bulldog baseball program as its coordinator of baseball operations.

The MSU outfield has committed just 12 errors and has posted a fielding percentage of .979 over the past three seasons.

Bratton's third season with the softball Bulldogs, MSU fielders turned 18 double plays, moving his career total to 50. A total of 17 fielders posted a perfect 1.000 fielding percentage and the Dogs registered 16 error-free contests.

In his second season with the program in 2015, MSU turned 22 double plays, which ranked third in the Southeastern Conference as nine different Bulldogs contributed to the 22 twin killings.

During his debut campaign with the softball squad, Bratton instilled a toughness in the team that helped carry it to a program third-best 39 victories. MSU earned eight wins against ranked opponents, tied for the second most in a year in program history.

With a 2-0 victory on April 18 at No. 4 Tennessee, Mississippi State earned its third-straight victory against a top-five opponent after downing No. 3/2 Alabama on April 12-13. It was the first time the Bulldogs had won three consecutive games against ranked foes since taking seven straight from April 9-May 13, 2004, and the first time ever winning three straight against top-five opponents.

The Bulldogs also qualified for the NCAA Tournament for the third-straight season, the longest such stretch for the program since 2007-09.

Bratton's approach of not moving in the batter's box paid dividends as the Bulldogs set the program record for hit by pitches in a season with 88. MSU set the Southeastern Conference Tournament single-game record eight HBPs during the opener against No. 16 Kentucky.

He aided in the development of freshman third baseman Caroline Seitz, who was a Top 25 Finalist of the inaugural National Fastpitch Coaches Association (NFCA) Freshman of the Year Award and an NFCA All-South Regional First Team selection as well as a Southeastern Conference All-Freshman Team pick.

Bratton also helped freshman Katie Anne Bailey become one of MSU's most reliable hitters in key situations. She drove in the game-winning run against No. 8 Kentucky with a pinch-hit walk-off single to give Mississippi State its first SEC win of the campaign and plated the winner against No. 3 Alabama with a sacrifice fly in the bottom of the 10th inning.

With Bulldog baseball, Bratton consistently organized a top-10 strength of schedule, coordinated team travel arrangements and acted as the program's liaison with adidas. The West Point, Miss., native also aided in on-campus recruiting efforts, directed the team's video operations and oversaw all tasks associated with the day-to-day operation of the MSU baseball program.

Bratton was a three-year standout in baseball and football, playing outfield for Bill Miley at Oak Hill Academy in nearby West Point. He continued his baseball career in 2003 and 2004 at East Mississippi Community College, where he was coached by Bill Baldner.

Bratton then came to MSU, earning a spot on Ron Polk's team as an outfielder in 2006. That Mississippi State squad ascended to a No. 1 in-season national ranking and advanced to the finals of the NCAA Clemson Regional.

At Mississippi State, Bratton earned an undergraduate degree in secondary education in 2007 and, in 2009, completed MSU graduate degree studies in sports administration.

Located on the north side of the Mississippi State University campus since 1997, Nusz Park, formerly known as the MSU Softball Field, sits in the heart of Mississippi State's physical plant.

The opening game at the MSU Softball Field came on Feb. 26, 1997, with the Bulldogs sweeping Samford in a doubleheader with back-to-back 4-0 scores. The opener was witnessed by over 300 brave fans that endured inclement weather.

Mississippi State posted a record of 303-162 (.652) overall record at the site and, in 1999, notched a school-record 21-6 record in the friendly confines, as well as a 12-2 mark in home SEC action.

Nusz Park, a \$6 million project, includes 1,000 maroon chairback seats, in addition to an expanded concourse that includes new restrooms and concession stands. There is also abundant standing room space around the grandstand and outfield. The outfield portion draws comparisons to Dudy Noble Field's world-famous Left Field Lounge. Also beyond the outfield wall, a state-of-the-art Daktronics video board was being installed. It will be the first video board in MSU Softball history.

It was announced on Jan. 22, 2016 that the facility would carry the name of alumni couple Tommy and Terri Nusz of Houston, Texas, and be known as Nusz Park. The Nusz' lead gift for the softball facility was part of a significant contribution from them for Infinite Impact:

The Mississippi State University Campaign. The campaign gift continues their longtime support of the land-grant institution and will benefit athletics, academics, and other areas of MSU.

In addition, the new press box is constructed to the specifications of ESPN and the SEC Network. The structure contains separate booths for both home and visiting radio crews, TV crews and working media.

The playing surfaces across MSU athletics have always been regarded as some of the top surfaces in the country, with the field at Nusz Park being no different. It features Mississippi Pride grass – developed by researchers on the campus. The dimensions of the MSU Softball Field remain intact, stretching 200 feet down the lines and 220 feet to center field. The upgrades include new and updated bullpens, as well as a turf foul area marked by the Mississippi State logo and the school's trademark phrase, "Hail State."

MSU and visiting players and coaches will enjoy brand-new, larger dugouts and new locker rooms. In addition, a new training room is present to help keep players in shape to perform at the highest level.

The Southeastern Conference took notice of MSU's new stadium as well, with the Bulldogs hosting the 2016 SEC Softball Tournament from Wednesday, May 11 until Saturday, May 14.

The new ballpark has already been considered as one of the top collegiate softball facilities in the nation. The Bulldogs' first action in the new digs came against Southern Georgia, a 6-0 victory on Feb. 11, 2016. MSU opened play at Nusz Park with six-straight victories, including a sweep of the Bulldog Kickoff. State captured its first SEC win at Nusz with a 6-3 win against eventual WCWS finalists and third-ranked Auburn on March 19. Overall, the Bulldogs are 16-13 (.552) at home since the opening of Nusz Park.

Nusz Park was on national display, as it hosted the 2016 Southeastern Conference Softball Tournament May 11-14, 2016. The four-day event hosted 12 teams and a total of 11 games and drew praise from coaches across the league to ESPN and SEC Network officials.

"This is an awesome venue. We have been here a couple of days now. We had not been to the new stadium yet, so to be able to see the stadium, first and foremost, really shows a commitment to the sport of softball," Kentucky softball head coach Rachel Lawson said. "But then to see all the hard work that went into throwing the SEC Tournament was awesome, right down to the smallest detail. They have been tremendous, the city of Starkville and the surrounding areas have been tremendous."

The Bulldogs' new home will open its second season in the spring of 2017.

THE UNIVERSITY

Mississippi State is a comprehensive doctoral-degree-granting institution offering a diverse student body a wide range of opportunities and challenges for learning and growth.

The largest university in the Magnolia State, MSU has a statewide enrollment of more than 21,000 students, and is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, masters, specialists and doctorate degrees.

Established in 1878 as the Agricultural and Mechanical College of Mississippi, the university has traditional strengths in engineering and scientific agriculture but has evolved into a comprehensive institution with a diverse array of programs in teaching, research and service.

The University began as The Agricultural and Mechanical College of the State of Mississippi, one of the national Land-Grant Colleges established after Congress had passed the Morrill Act in 1862. It was created by the Mississippi Legislature on February 28, 1878, to fulfill the mission of offering training in "agriculture, horticulture and the mechanical arts . . . without excluding other scientific and classical studies, including military tactics."

The College received its first students in the fall of 1880 in the presidency of Confederate General Stephen D. Lee. In 1887 Congress passed the Hatch Act, which provided for the establishment of the Agricultural Experiment Station in 1888. Two other pieces of federal legislation provided funds for extending the mission of the College: in 1914, the Smith-Lever Act called for "instruction in practical agriculture and home economics to persons not attendant or resident," thus creating the state-wide effort which led to Extension offices in every county in the State; and, in 1917, the Smith-Hughes Act provided for the training of teachers in vocational education.

By 1932, when the Legislature renamed the College as Mississippi State College, it consisted of the Agricultural Experiment Station (1887), the College of Engineering (1902), the College of Agriculture (1903), the School of Industrial Pedagogy (1909), the School of General Science (1911), the College of Business and Industry (1915), the Mississippi Agricultural Extension Service (1915), and the Division of Continuing Education, (1919). Further, in 1926 the College had received its first accreditation by the Southern Association of Colleges and Schools.

By 1958, when the Legislature again renamed the College, as Mississippi State University, the Office of Graduate Studies had been organized (1936), doctoral degree programs had begun (1951), the School of Forest Resources had been established (1954), and the College of Arts and Sciences had been created (1956).

The College of Architecture admitted its first students in 1973. The College of Veterinary Medicine admitted its first class in 1977, and the School of Accountancy was established in 1979.

POINTS OF PRIDE AT MSU

- Mississippi State ranks among the top 100 institutions across the country in the number of bachelor's degrees awarded to African-Americans.
- Over the last decade, five MSU professors have been named Mississippi Professor of the Year by the National Council for Advancement and Support of Education and the Carnegie Foundation for the Advancement of Teaching.
- As a national leader in engineering, MSU began offering the state's only petroleum engineering degree program last fall.
- The Federal Aviation Administration has selected MSU to operate a new National Center of Excellence for Unmanned Aircraft Systems.
- MSU's Maroon Volunteer Center connects nearly 5,000 students, faculty and staff volunteers to 60 community and campus partners, performing more than 14,700 community service hours each year.
- One of the world's leading aerospace companies, Boeing Co., has selected MSU to host its Stitched Resin Infused Composite Research Center.

ACADEMICS AND STUDENT LIFE

Mississippi State students consistently earn honors such as the prestigious Harry S. Truman Scholarship, awarded for those who will enter public service, and, with 16 Truman Scholars to date, the university has been recognized as one of 38 Truman Honor Institutions.

Recently initiated programs are providing opportunities to develop leadership potential and global study options.

The university's Global Leadership Continuum provides "cradle-to-CEO" programming designed to develop leadership across a "global" spectrum that begins with high school and continues through the university experience and into professional life. Included are the Young Guns Leadership Camp for rising high school seniors; the Day One Leadership Community for incoming freshmen, focusing on shared academic and service experiences; and the highly competitive Appalachian Leadership Honors Program for sophomores and juniors.

To complement these efforts, the university has launched a minor in leadership studies open to students in all majors. A university honor code adopted in 2007 institutionalizes a campus culture of integrity and personal responsibility in academic studies. Through the Global Leadership Program, students may experience significantly expanded study abroad opportunities.

THE BULLDOGS

Mississippi State University's athletic teams are called Bulldogs, a name earned and maintained over the decades by the tough, tenacious play of student-athletes wearing the Maroon and White. The official school mascot is an American Kennel Club registered English Bulldog, given the inherited title of 'Bully.'

As with most universities, Mississippi State University teams answered to different nicknames through the years. The first squads representing Mississippi A&M College were proud to be called Aggies. When the school officially became Mississippi State College in 1932, the nickname Maroons, for MSU's uniform color, gained prominence. Bulldogs became the official title for State teams in 1961, not long after State College was granted university status.

Yet references to school teams and athletes as Bulldogs actually go back to early in the century, and this nickname was used almost interchangeably with both Aggies and Maroons, since at least 1905.

On November 30 of that year, the A&M football team shut out their arch-rivals from the University of Mississippi 11-0 in Jackson, Miss. The campus newspaper, *The Reflector*, reported: "After the game, filled with that emotion that accompanies every great victory, there was nothing left for the cadets to do but to complete the great victory by showing sympathy for the dead athletic spirit of the University, by having a military funeral parade.

"A coffin was secured, decorated with University colors and a bulldog pup placed on top. It was then placed on the shoulders of a dozen cadets, and the procession started down Capitol Street, preceded by the brass band playing a very pathetic funeral march."

Other newspaper reports of the victory commented on the 'bulldog' style of play by the A&M eleven, and the Bulldog was soon publicly accepted as a school athletic symbol. Accounts of a 1926 pep rally in Meridian, Miss., had another bulldog parading with students.

OFFICIAL MASCOT IN 1935

Use as an official game mascot began in 1935 when coach Major Ralph Sasse, on 'orders' from his team, went to Memphis, Tenn., to select a bulldog. Ptolemy, a gift of the Edgar Webster family, was chosen and the Bulldogs promptly defeated Alabama 20-7.

A litter-mate of Ptolemy became the first mascot called 'Bully' shortly after Sasse's team beat mighty Army 13-7 at West Point that same year - perhaps the greatest victory in MSU football history. But Bully I earned other fame the hard way, in 1939 when a campus bus cut short his career.

Days of campus mourning followed, as Bully lay in state in a glass coffin. A half-mile funeral procession accompanied by the Famous Maroon Band and three ROTC battalions went to Scott Field where Bully was buried under the bench at the 50-yard line. Even *Life* magazine covered the event. Other Bullies have since been buried by campus dorms, fraternity houses, and also at the football stadium.

For years Bully was a target for kidnappers, the last incident occurring prior to the 1974 State-Ole Miss game. The Bulldog team won anyway, 31-13. While early Bullies once roamed campus freely or lived in fraternities, today the official university mascot is housed at the School of Veterinary Medicine when not on duty at State home football games. For all their fierce appearance and reputation, today's mascot bulldogs are good-natured, friendly animals and favorites with children.

A student wearing a Bulldog suit, also answering to Bully, is part of the MSU cheerleading team and assists in stirring up State spirit at games and pep rallies.

BULLY XXI

At Super Bulldog Weekend 2015 this past April, the Bulldog family celebrated the passing of the harness, as Bully XXI, known as "Jak," accepted mascot duties from his father Bully XX, fondly called "Champ."

Jak's formal name is "Cristil's Golden Prince," and the American Kennel Club registered English Bulldog was born in October 2014, soon after the legendary Jack Cristil passed away. Naming the newest Bully for the legendary Voice of the Bulldogs who called football and basketball games for 58 years was a fitting choice.

While Jak enters the 2015 season less than a year old, Champ turns 10 around the 2015 season opener. When mascot handlers realized Bully was getting toward retiring age, though he's still in good health, a female bulldog was selected based on her pedigree and history. Following the female's selection, litter of mascot-sired puppies were evaluated.

Jak's responsibilities will be similar to those of previous mascots, she said.

THE COWBELL

The most unique and certainly the most resounding symbol of Mississippi State University tradition is the cowbell. Despite decades of attempts by opponents and authorities to banish it from scenes of competition, diehard State fans still celebrate Bulldog victories loudly and proudly with the distinctive sound of ringing cowbells.

The precise origin of the cowbell as a fixture of Mississippi State sports tradition remains unclear to this day. The best records have cowbells gradually introduced to the MSU sports scene in the late 1930s and early 1940s, coinciding with the 'golden age' of Mississippi State football success prior to World War II.

The most popular legend is that during a home football game between State and archrival Ole Miss, a jersey cow wandered onto the playing field. Mississippi State soundly whipped the Rebels that Saturday, and State College students immediately adopted the cow as a good luck charm.

Students are said to have continued bringing a cow to football games for a while, until the practice was eventually discontinued in favor of bringing just the cow's bell.

Whatever the origin, it is certain by the 1950s cowbells were common at MSU games, and by the 1960s were established as the special symbol of MSU. Ironically, the cowbell's popularity grew most rapidly during the long years when State football teams were rarely successful. Flaunting this anachronism from the 'aggie' days was a proud response by students and alumni to outsider scorn of the university's 'cow college' history.

In the 1960s two MSU professors, Earl W. Terrell and Ralph L. Reeves, obliged some students by welding handles on the bells so they could be rung with more convenience and authority. By 1963 the demand for these long-handled cowbells could not be filled by home workshops alone. So, at the suggestion of Reeves, the Student Association bought bells in bulk and the Industrial Education Club agreed to weld on handles. In 1964, the MSU Bookstore began marketing these cowbells with a portion of profits returning to these student organizations.

Today many styles of cowbells are available on campus and around Starkville, with the top-of-the-line being a heavy chrome-plated model with a full Bulldog figurine handle. But experts insist the best and loudest results are produced by a classic long-handled, bicycle-grip bell made of thinner and tightly-welded shells.

Cowbells decorate offices and homes of Mississippi State alumni, and are passed down through generations of Bulldog fans. But they were not heard at Southeastern Conference games - not legally, at least - since the 1974 adoption of a conference rule against 'artificial noisemakers' at football and basketball games. On a 9-1 vote, SEC schools ruled cowbells a disruption and banned them. The ban was lifted prior to the 2010 season.

The ban did little harm to the cowbell's popularity, or to prevent cowbells from being heard outside stadiums in which the Bulldogs are playing. They are now heard at non-conference football contests, as well as other sporting events on campus.

MAROON & WHITE

Maroon and White are the distinctive colors of Mississippi State University athletic teams, dating back over a century to the very first football game ever played by the school's student-athletes.

On November 15, 1895, the first Mississippi A&M football team was preparing for a road trip to Jackson, Tenn., to play Southern Baptist University (now called Union University) the following day. Since every college was supposed to have its own uniform colors, the A&M student body requested that the school's team select a suitable combination.

Considering this choice to be an honor, the inaugural State team gave the privilege to team captain W.M. Matthews. Accounts report that without hesitation Matthews chose Maroon and White.

Stately in her natural splendor, Our Alma Mater proudly stands.
Mississippi State, we love you; Fondest memories cling to thee,
Life shall bear thy spirit ever; Loyal friends we'll always be.*

CHORUS:

*Maroon and White! Maroon and White!
Of thee with joy we sing; Thy colors bright,

DR. MARK KEENUM

UNIVERSITY PRESIDENT

Dr. Mark Everett Keenum became Mississippi State's 19th president Jan. 5, 2009, following a distinguished public service career.

In his eighth year of tenure, Dr. Keenum has guided Mississippi State to unprecedented heights. The university has experienced record enrollment growth to more than 21,000 students and a freshman class for fall 2016 of over 3,600. Mississippi State has awarded more than 4,000 degrees at all levels for five straight years.

The campus has expanded and improved on Keenum's watch. Chief among those projects has been The Mill at MSU – a modern conference center housed in the former Cooley Building. Construction of a new classroom building with built-in parking and two new residence halls including Nusz Hall (which will house the G.V. "Sonny" Montgomery Center for America's Veterans), and a fourth-floor expansion to Mitchell Memorial Library to house the Ulysses S. Grant Presidential Library. New projects launching over the next two years includes a new Department of Music building and the completion of an Animal and Dairy Science/Poultry Science complex for the Division of Agriculture, Forestry and Veterinary Medicine.

Fundraising has reached all-time record levels. MSU's current Infinite Impact capital campaign reached its \$600 million goal this year, three years ahead of schedule. Due to that unprecedented success, the university announced a new private endowment goal—\$1 billion by 2020—the largest campaign goal ever for an educational institution in Mississippi. During his tenure, Dr. Keenum has been instrumental in expanding the MSU Promise Program, which provides need-based scholarship assistance to Mississippi students whose families have limited financial means.

Mississippi State is ranked by the National Science Foundation as a "Top 100" research institution. The most recent research success has been MSU's designation as the Federal Aviation Administration's National Center of Excellence for Unmanned Aircraft Systems and Boeing's decision to locate a composite research center at MSU's Raspet Flight Research Laboratory.

Dr. Keenum travels frequently to Washington, D.C., meeting with Congressional leaders and federal agency heads to pursue research opportunities and broaden the university's influence on the national level. He has also worked closely with state leaders in support of higher education in Mississippi.

Keenum serves as chairman of the Southern Association of Colleges and Schools' Commission on Colleges' Executive Council. SACS-COC is the recognized regional accrediting body in the 11 U.S. Southern states (Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia) and in Latin America for those institutions of higher education that award associate, baccalaureate, master's or doctoral degrees.

In 2016, Keenum was elected president of the Southeastern Conference where he is a member of the SEC Executive Committee and continues to serve on the SEC's Content Committee that oversees the SEC Network. He also represents the SEC as a member of the College Football Playoff's (CFP) Board of Managers.

A graduate of Mississippi State with degrees in agricultural economics, Keenum's interest in international food security has strengthened the university's contributions to global economic sustainability. In 2014, he was appointed vice chairman of the Foundation for Food and Agricultural Research by U.S. Secretary of Agriculture Thomas J. Vilsack. That same year along with other university presidents, he signed the Presidents' Commitment to Food and Nutrition Security at the United Nations in New York City. This marks the first time universities around the world began to share a collective focus on ending food insecurity.

Dr. Keenum began his career at MSU as a faculty member with the Extension Service and the Department of Agricultural Economics. He went on to serve as chief of staff to U.S. Senator Thad Cochran in Washington, D.C., and was Under Secretary of the U.S. Department of Agriculture prior to returning home to Mississippi State.

He graduated from Corinth (MS) High School and earned an associate of arts degree from Northeast Mississippi Community College in Booneville and was a member of the Northeast Tigers football team.

Dr. Keenum is married to the former Rhonda Newman of Booneville, also an MSU graduate. They have four children: Rett, Mary Phillips, Katie and Torie.

JOHN COHEN

DIRECTOR OF ATHLETICS

John Cohen was named Mississippi State University's 17th director of athletics, MSU President Mark E. Keenum announced November 4, 2016.

The former MSU head baseball coach and two-time Southeastern Conference Coach of the Year replaces Scott Stricklin, who was named athletic director at the University of Florida in September.

"I love Mississippi State University," Cohen said. "As a student, later as a coach, and now with this fantastic opportunity to lead MSU's athletics program, this was always where I wanted to be. I am profoundly grateful for the chance to lead the totality of MSU athletics as I have tried to lead MSU's baseball program – in daily and dogged pursuit of championships at the highest level."

Cohen, 50, has spent over two decades coaching college baseball and has been the head baseball coach at MSU since 2009. In July, he was given the title of Associate Athletic Director, broadening his role in the MSU Athletic Department. Cohen's promotion to athletic director comes after a national search by the university.

Cohen takes over an athletic department that has recently achieved new heights in athletic, academic, facility and fundraising accomplishments. As athletic director, Cohen is charged with providing leadership, management and administration for the university's athletic programs. He will report to the university president.

A Tuscaloosa, Ala., native and MSU alumnus, Cohen was a head coach in the SEC for 12 years. His teams have been successful both on the field and in the classroom. At MSU, he has led the Bulldogs to a College World Series finals appearance, an SEC regular season championship and an SEC Tournament championship. Since 2009, MSU baseball has had 133 players selected to the SEC Academic Honor Roll, including three straight SEC Scholar Athlete of the Year winners from 2013-15.

"I'm fortunate to know our MSU coaches as friends and colleagues, and to know many of our athletes in all sports," Cohen said. "While baseball has been a huge part of my life, my passion for seeing MSU athletics thrive and win extends to all sports. As associate director of athletics, I've been a significant part of planning the future of MSU Athletics and I believe I can hit the ground running in advancing that agenda. I'm grateful to Dr. Keenum and the Bulldog stakeholders who advised him for allowing me to embrace these new and critical responsibilities."

As a baseball player at MSU, Cohen was a key player on the Bulldogs' 1989 SEC championship team and 1990 College World Series team. He graduated from MSU with a degree in English in 1990 and received a master's degree in sports management from the University of Missouri in 1994.

After a six-year stint with Missouri as a graduate assistant and assistant coach, Cohen was the head coach at Northwestern State University from 1998-2001. Cohen spent two seasons as an assistant baseball coach at the University of Florida before becoming the head coach at the University of Kentucky in 2004, a position he held for five seasons before returning to his alma mater.

While winning 284 games as a head coach at MSU, Cohen demonstrated the ability to develop players and coaches. During his tenure, 135 MSU baseball players were selected in the Major League Baseball Draft. Two of his assistant coaches at MSU went on to head coaching positions at SEC programs.

Cohen has also worked closely with athletic department personnel to promote all facets of the baseball program and raise money for a new state-of-the-art stadium. Eight of the university's top 10 all-time marks in baseball season ticket sales have come during Cohen's tenure, including a school record of 5,874 in 2014.

He has been a staunch supporter of MSU's men's and women's athletic programs and has been a valuable resource for the entire athletic department during his time at MSU.

A day after his hiring, Cohen immediately made a splash with the announcement of Andy Cannizaro as MSU's new baseball coach on November 5, 2016. Cannizaro, a former Major Leaguer and one of the rising coaching stars, has excelled in identifying talent at every stop of his career, including six years as a scout for the New York Yankees and two

years as a Southeastern Conference assistant coach.

Cohen and his wife, Nelle, are active members of the Starkville community. The couple has two daughters, Jordan Baker and Avery Lawson.
