## BOB HARTLEY MEMORIAL FELLOWSHIP

Providing Internship Opportunities to Young SIDs

For more than a half century Robert M. "Bob" Hartley dedicated his life's work to promoting Mississippi State athletics. From his hiring as the school's first publicity director in August 1946 to his initial "retirement" as assistant athletic director for communications in June 1985, through his later years as an invaluable consultant for the Mississippi State Department of Athletics, the man we called "Hart" gave special meaning to the words "loyalty" and "devotion to duty."

Mr. Bob's labors of love with MSU have not gone unrecognized. He has taken his place among college athletics' greats as a member of both the university's and the state's sports halls of fame and the College Sports Information Hall of Fame. His willingness to generously give of his talent, his time and his friendship serves as an inspiration to the countless lives he has touched and to those that aspire to follow in his footsteps. In that respect, the Bob Hartley Memorial Fellowship was created by the MSU Department of Athletics to provide internship opportunities for young media relation practitioners.

**Jay Middleton** was selected as the sixth recipient of the Bob Hartley Memorial Fellowship for the 2007-2008 academic year. A native of Tupelo, Miss., Middleton enters his fifth season working with the Mississippi State athletic media relations office. Middleton worked as a student assistant from 2003-2006 and enters his second year as a graduate assistant. Middleton has served the last two years as the primary contact for men's tennis and women's golf programs at MSU. Among other duties, he works with [mstateathletics.com](http://mstateathletics.com) and Maroon to the Max. Most recently, he earned national recognition for the 2007 men's tennis guide which was awarded the third best tennis publication in the country by CoSIDA.

Middleton earned his bachelor's degree in communication with emphasis in public relations in summer 2006 from State and is currently seeking a master's degree in business administration.

# MEET THE TEAM

*MState 20th-year Head Coach Al Schmidt*

2008 TRACK & FIELD

# HEAD COACH

**AL SCHMIDT**  
**HEAD COACH**  
**20th Season**  
**St. Louis University, 1975**

Regarded and respected nationwide as an authority on endurance running and training, Al Schmidt enters his 20th season at the helm of the Mississippi State's men's and women's track teams. Since his hiring on Oct. 22, 1988, Schmidt has parlayed his 36 years of collegiate coaching experience into many individual and team accomplishments for MSU, both on and off of the track. In his previous 19 seasons, Schmidt has produced 32 all-Americans and 33 SEC champions.

In 2007, Schmidt guided five Bulldogs to all-American status. Schmidt also witnessed three school records broken. At the SEC Championships, the men's team had a total of four athletes score 30 points to finish 11th overall. Among those scorers included Golden Coachman and Travis McKay scoring in the 800-meter run and 3000-meter steeplechase, with third and fourth place finishes, respectively.

Out of the 21 events the Bulldogs competed in, 62 of the athletes marked a personal best in their respective event. There were also six regional qualifiers for the men's team and two relay regional marks met. Bruce Davis, Ezra Jones, Nathan Daniels, and Arthur Davis finished fourth at the NCAA Championships, with a time of three minutes, 3.49 seconds.

On 22 separate times this past season, 15 Lady Bulldogs met their personal best marks, along with seven regional qualifiers. Marrissa Harris finished fourth in the heptathlon at the SEC Championships with a personal-best 5,242 points, along with Jennifer McPherson who finished fourth in the 1500-meter run with a time of 4:20.87, and Michelle Corrigan who took sixth in the 10000-meter run with a time of 37:15.760. A total of 16 Lady Bulldogs scored a total of 19 points for MSU as they finished 11th at the meet.

In 2005, Schmidt witnessed six Bulldogs garner all-America accolades. At the 2005 NCAA Outdoor Championships, Elzie Coleman, Arthur Davis, LaChristopher Lewis and Jamel Ashley ran a school-record 3:01.63 to finish fifth in the 4x400-meter relay. Ashley placed second in the 400, while Lewis took 11th in the long jump to earn his first all-America honor in the event. At the Mideast Regional, Steve Mullings won the 100-meter dash title, repeating his performance from the SEC Championships. Lewis also won the long jump title at the conference meet, while Ashley finished second in the 400-meter dash. Travis McKay finished seventh in the steeplechase, setting the third-best time in school history. As a team, the Bulldogs finished 19th in the last Trackwire 25 of the season.

On the women's side, Meggan Hodge broke the MSU school record in the 3000-meter steeplechase with a 10:46.04 eighth-place finish at the SEC Championships. Jasmine Walls cleared a personal best to tie for second in the high jump. Crystal Averitt ended her career atop the

all-time list in the hammer throw, while Lacey Johnson extended her school record in the pole vault.

Three-time all-American Tiffany McWilliams closed out her MSU career in 2004 by becoming the most decorated female athlete in Lady Bulldog track and field history. McWilliams repeated her 2003 feat of winning the outdoor 1500-meter title and also won the NCAA Indoor title in the mile. Behind McWilliams and a strong distance core, MSU achieved a No. 12 national ranking.

On the men's side, decathlete and all-American Trey Hardee set a school record in the event after tallying 8,041 points in a second-place finish at the NCAA Outdoor Championships. Five Bulldogs were named all-Americans in 2003. Ashley Davis, Lewis and Keston Nelson all earned the recognition following a third-place finish in the 4x400-meter relay at nationals. Ashley picked up the honor in the 400-meter dash in addition to the 4x4.

In 2003, McWilliams became the first woman in MSU track and field history to win a national championship. Running 4:06.75, McWilliams broke an NCAA Championships record en route to winning the 1500-meter run. She was also crowned the SEC indoor champion in the mile run in addition to the outdoor 800- and 1500-meter runs.

At the Outdoor Championships, State tallied the second-highest point total with 20 points. MSU finished in tied for 15th behind Pierre Browne's second-place showing in the 100-meter dash (10.34). Hardee took fifth in the decathlon for his first all-America honor, while Kelvin Harris ran 13.86 in the 110-meter hurdles to earn his first all-America nod.

The men topped all previous indoor squads at the NCAA Indoor Championships. The Bulldogs scored 15 points to score in the top 10 for the first time in school history. Browne won the 60-meter dash title (6.60), while Marquis Davis finished second in the 200 (20.70).

During 2002, Schmidt and the MSU program hosted the SEC Outdoor Championships. At the meet, State's men scored 35 points as a team, the second-highest total of an MSU squad since his arrival. He also witnessed the men's program tally its highest points total since 1991 at the SEC Indoor Championship.

Elisha Williams become the school's first indoor all-American in 2001 after taking second in long jump. Later in the season, Williams became the second woman to become a double all-American in the same year. Williams took fifth in the outdoor long jump. Schmidt also helped Falilatu Ogunkoya finished her MSU career in 2001 as a five-time all-American, and Camille Harper closed out her career as an all-American in the 100-meter dash.

The 1990s saw Aki Bradley benefit from the tutelage of Schmidt. Bradley became a double all-American at the 1994 NCAA Outdoor Championships, placing in both the 100- and 200-meter sprints. In 1992, MSU hosted the SEC Outdoor meet. In the first year Arkansas and South Carolina were members of the conference, the Bulldogs finished seventh overall.

Schmidt's first men's team in 1989 showed immediate improvement, finishing fifth at both the SEC Indoor and Outdoor Championships. It marked the first time in five years the Bulldogs finished in the top half of the conference.

During Schmidt's first three years, he saw Festus Igbinoghene earn six all-America awards in horizontal jumps, including three runner-up finishes in the triple jump.

## ACADEMICS

Under Schmidt, State's squads have also excelled in the classroom. A total of 193 student-athletes have been named to the SEC Academic Honor Roll a combined 239 Times. Three athletes - Rob Irwin, Tina Bridgeman and April Ecke each earned Academic all-America honors. Distance runner Ecke earned the 1995 H. Boyd McWhorter Scholar Athlete of the Year honor after an outstanding career on the track and in the classroom. Chris Boldt earned First Team Academic all-District honors from the College Sports Information Directors of America in 2003, while Matt Denton collected the honor in 2005. Joining Boldt and Denton this past year were Brian Irwin who finished 1st Team Academic all-District for the Men's, Joy Griffith who finished First Team Academic all-District, and Zita Magloire who finished with 2nd Team Academic all-District. Also, in 2006 the Lady Bulldogs were selected by the U.S. Track and Field and Cross Country Coaches Association, as an All-Academic Team. They were one of 77 teams nationally and joined four other Southeastern Conference squads for the prestigious honor. In 2007, both cross country teams were selected the Track and Field and Cross Country Coaches Association, as an All-Academic Team. The MState women were one of 158 schools, while the men were one of 98 nationwide that receive the honor. Only six SEC teams had both their male and female teams represented.

## PRIOR TO MSU

Before coming to MSU, Schmidt was instrumental in the success of Florida State University's track and field program in the mid 1980s. First serving as an assistant women's track coach and head cross country coach, he later became an assistant men's track coach and head cross country coach. Under his guidance, the Lady Seminoles won two national titles, taking the 1984 outdoor and 1985 indoor titles. The FSU women also claimed runner-up honors at the 1983 and 1985 outdoor meets.

Upon earning his bachelor's degree from St. Louis University, Schmidt made his coaching debut as an assistant cross country coach at the University of Missouri-St. Louis before returning to his alma mater as head men's track coach for the next five years. After spending two year in private business, Schmidt returned to the track in 1982 as a graduate assistant at the University of Kansas. Following his one season at KU, he began his six-year stint at Florida State.

# COACHING STAFF

**STEVE DUDLEY**  
ASSOCIATE HEAD COACH  
Men's Sprints  
Eighth Season  
Mississippi State, 1995

An integral part of the Bulldogs' success since his return to Starkville, Steve Dudley begins his seventh year at Mississippi State as the associate head coach for the track and field squads and head coach of the men's cross country team.

Through seven seasons back on campus, Dudley has tutored 18 athletes to all-American status since his return to his alma mater in 2000. Last season, Dudley led four Bulldog sprinters to regional qualifying marks, including two individuals in the 400-meter dash and two in the 800-meter run. Golden Coachman, Bruce Davis and Chris Woods made postseason trips.

The 2007 tandem of MState's 4x400-meter relay team of B. Davis, Nathan Daniels, Arthur Davis and Ezra Jones bested their previous finish from 2006, finishing in three minutes, three seconds to take fourth place. Coachman and the quartet all gained all-America honors. The 2006 edition of State's 4x400-meter relay team of juniors B. Davis, Ezra Jones, A. Davis and Daniels ran 3:05 to finish seventh at the NCAA Outdoor Championships. The finish by the quartet garners A. Davis with his third all-America honor in the event, while B. Davis, Jones and Daniels collected their first. In 2005, Dudley guided MState's 4x400-meter relay squad to a fifth-place finish at the national championships and broke a school record held for more than a decade (3:01.63). As a result, senior Jamel Ashley, freshman Elzie Coleman, Arthur Davis, senior LaChristopher Lewis, Kendall Pyant II and Chris Woods earned all-America status. In the 4x100-meter relay, Ashley, Lewis, sophomore Elliott Morant and Mullings tied a school record with a 39.09 clocking at the Texas Relays. Mullings, Ashley, Davis and Lewis combined to finish third in the event at the SEC Championships. Since the 2003 Penn Relays, the Bulldogs have failed to win the 4x200-meter relay only once. Former Bulldog Steve Mullings posted the fastest regional-qualifying time in the country in the 100-meter dash (10.06) and won the Southeastern Conference and Mideast Regional championships. In his final season for the Maroon and White, Jamel Ashley garnered all-America honors with a second-place finish in the 400-meter dash at the national championships. Ashley's 44.75 broke a school record he set a day earlier.

At the 2004 SEC Championships, Ashley, Davis, Keston Nelson and Lewis finished second in the 4x4. Ashley took eighth in the 400 at the national meet, while the 4x4 squad finished third.

Pierre Browne was named the 2003 NCAA Indoor national champion in the 60-meter dash and finished runner-up in the 100 at the outdoor national meet. Marquis Davis finished second in the 200 at the outdoor national meet the same season. Throughout the season, four of his athletes accumulated six all-America honors. Dudley's first season in Starkville saw his athletes earn eight all-America accolades.

In three seasons at Bevill State (Ala.) Community College, Dudley coached three NJCAA national champions and 19 all-Americans. In cross country, the men's and women's squads captured the Region XXII title in 1999. The Bears also won the 1998 Region XXII title en route to a third-place national showing. His 1999 Lady Bear team earned Academic Team of the Year honors, and the men finished second the same season. Twelve Bears earned Academic all-America accolades.

Before entering the coaching ranks, Dudley served as a captain for MSU's track team from 1991-95. While at State, he was named to the SEC Academic Honor Roll for three years (1993-95). He currently ranks fifth on MSU's all-time superlatives list in two categories--the indoor 5000-meter run and the outdoor 10,000-meter run.

The Hamilton, Ala.-native graduated with a bachelor's degree in May 1995. He received his master's degree in environmental geology from State in December 2004.

Fetzter joined the Bears' staff in 2004 as the women's sprints and hurdles coach and also worked as recruiting coordinator. While at Cal, his athletes broke 11 school records in sprints and hurdles. He also coached the women's squad to their highest NCAA finishes with an eighth place showing at the 2007 outdoor meet and 15th at the 2007 indoor championship.

Prior to Cal, Fetzter spent one year at Ball State University in Muncie, Ind. as the women's sprints and hurdles coach and also coached field events. At BSU, Fetzter coached five NCAA regional qualifiers and three Mid-American champions. He also coached the Cardinals to their first MAC cross country team title in 2003.

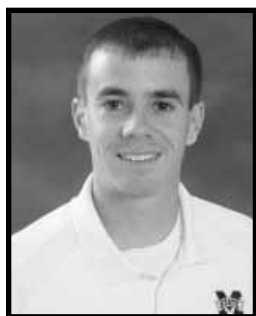

Fetzter is credited with building the inaugural track and field program at Gardner-Webb University in Boiling Springs, N.C. As the head coach of both the cross country and track and field programs he coached the women's squad to an NCAA Division II indoor fourth-place finish and fifth-place finish at outdoors in 2000. For his efforts that year, he was named the USATF NCAA Division II Southeast Head Coach of the Year. In their first year at the Division I level, Gardner-Webb was the Atlantic Sun outdoor women's runner-up.

Following his college graduation, Fetzter was named as an assistant track and field coach at Ranger College in Ranger, Texas, where he initiated the indoor track and cross country programs. He was also head women's track and field and cross country coach from 1997-99.

A 1996 graduate of Canisius College in Buffalo, N.Y., Fetzter earned his Bachelor of Arts in physical education with a teaching certification. Fetzter was a four-year football letterman and served as captain his senior year. Fetzter also holds a Master's in physical education from Tarleton State University.

Fetzter has coached 16 national individual champions and 83 all-Americans. He has coached one IAAF world ranked leader and one USATF national champion. 2008 TRACK & FIELD

## State's Golden Coachman And 4x400 Meter Relay Team Finish Fourth At NCAA Championship

Mississippi State's Golden Coachman and the 4x400-meter relay team both finished fourth in the nation in their respective events on the final day of the 2007 NCAA Track & Field Championships in Sacramento, Calif. on Saturday.

With Coachman's finish along with MSU's foursome of Arthur Davis, Bruce Davis, Nathan Daniels and Ezra Jones placement in the relay final, all five Bulldogs earned all-American status. Goldman, who spent time in Iraq with the military a couple of seasons ago, becomes the second MSU track and field athlete to earn the status of all-American in the 800-meter run. Arthur Davis also etched his name in MState's track laurels. The Mobile, Ala.-senior became just the second MSU trackster to earn all-American honors in all four seasons in the Maroon and White. Daniels and B. Davis have garnered the honor for the second-straight season.

"We had a good meet," said MSU head coach Al Schmidt. "Golden's (Coachman) story is truly incredible – to be serving in Iraq a couple of years to now earning all-American status in his first season here. We are very proud of all five individuals for being all-Americans this season. It was a good year on the men's side."

Coachman clocked a final time of one minute, 47.96 seconds, his best time of the weekend. The men's 800-meter run had two preliminary rounds preceding the finals. The Birmingham, Ala.-product set the school record earlier in the year at the Southeastern Conference Championships in May with a mark of 1:47.40.

The time turned in by the State 4x400-meter relay team set a new season-best time with a finish of 3:03.49 which is fifth-best all-time at MSU. They finished just behind LSU and ahead of Georgia.

As a team, MSU placed 28th in the overall team standings with 10 points. With the placement, the Bulldog track squad has finished in the top-30 in six of the last seven seasons at the NCAA national meet.

## MSU Track Heads To Missouri For 2007 Mideast Regional

Mississippi State's track and field team will travel to Columbia, Mo. this weekend for postseason competition at the 2007 NCAA Mideast Regional, hosted by the University of Missouri beginning on Friday, May 25.

State has 12 individuals and two relay teams that vie for

bids to the NCAA Championships this weekend. MState senior Travis McKay will pull double-duty this weekend by qualifying for two separate events at the NCAA Regional. McKay, will be in the field for the men's 1500-meter run and the 3000-meter steeplechase. He is coming off a fourth-place finish in the steeplechase at the 2007 Southeastern Conference Track and Field Championships two weeks ago.

MSU's Golden Coachman, who set the school record in the 800-meter run at SEC meet, comes into the meet with the fourth-best time in the nation with his one minute, 47.40 second mark at the SEC Championship. He will be joined by teammate Chris Woods in the two-lap event. Woods has a 1:49.25 qualifying mark which was set at the Auburn Invitational. In the 400-meter run, the Bulldogs will be represented by seniors Arthur Davis and Bruce Davis. A. Davis ranks eighth in the Mideast region with a mark of 46.37 in the event. Juniors Delandus O'Neal and Kyle Roberts are slated to run in the 400-meter hurdles.

## State Garners Five NCAA Regional Marks At Mississippi Open

Mississippi State reeled in five NCAA Regional qualifying marks at the Mississippi Open on Saturday at the University of Mississippi. The Bulldogs notched four post season marks at the event.

MState's men registered two qualifying marks in both the 400-meter dash and the 800-meter run. Bruce Davis and Arthur Davis earned bids to the post-season competition in the 400-meter dash. B. Davis clocked a time of 46.72 seconds while A. Davis finished right behind him at 46.77.

It marks the second-straight season that A. Davis has reached the NCAA Regionals in the 400-meter dash. In the 800-meter run, the Maroon and White finished one-two with junior Golden Coachman registering a qualifying time of one minute, 49.97 seconds to win the event. Senior Chris Woods finished runner-up with a 1:50.03 mark. Woods advances to the regionals in back-to-back seasons in the 800-meter run.

"Today was an excellent day considering the weather conditions that we were faced with," said MSU Associate head coach Steve Dudley. "Anytime you get five qualified, it is worth the trip. I really think running in the weather conditions last week at Texas really prepared us for today."

## State's Golden Coachman Wins Gold Medal At NACAC Championships

Mississippi State's Golden Coachman claimed gold in the men's 800-meter run at the North America, Central America and Caribbean Athletic Association's (NACAC) Senior Championships late Saturday night.

The Birmingham, Ala.-native clocked a time of one minute, 49.01 seconds to claim medalist honors. He was 27-tenths of a second faster than the silver medalist Pablo Solares of Mexico. With his gold medal at the NACA Championships, Coachman becomes the first MSU track student athlete since Dion Crabbe won gold at the Central America and Caribbean Games in 2003.

Coachman's gold medal is one of 15 first-place finishes by the United States team at the 32-country event. The NACAC is comprised of 32 member countries and approximately 500 athletes are on hand competing in the championships. The NACAC is affiliated with the International Association of Athletics Federation (IAAF).

## Senior Distance Standout Travis McKay Earns SEC Male Runner of the Week

Mississippi State senior distance runner Travis McKay has been tabbed by the Southeastern Conference as the league's male track and field runner of the week announced Tuesday by the conference office in Birmingham, Ala.

McKay earned an NCAA regional qualifying mark in the men's 3000-meter steeplechase this past weekend at the Georgia Relays in Athens, Ga. The Edmonton, Alberta, Canada-native qualified with a personal-best eight minutes, 54.95 seconds to claim the top spot in the event. He becomes the first runner in the country to garner a regional qualifying mark. The time posted also ranks as the top time in the nation as of March 19 along with being the third-best mark in MSU track and field laurels.

This award marks the third time McKay has earned the weekly honor from the SEC. This past fall, he earned the award for winning the Sewanee Invite during the cross country season. He was also a 2005 weekly award winner in cross country.

#### Bulldog Track Finishes Tenth At NCAA Mideast Regional; Nine Individuals Advance To NCAA Championships

Competing in one of the toughest regions in the country, Mississippi State's men's track team finished tenth in the 2007 NCAA Mideast Track and Field Championships on Saturday at the University of Missouri. The Bulldogs will have at least nine individuals move on to NCAA Championships and will await word on at-large berths by the governing organization next week.

MState finished with 29 points at the Mideast Regional that hosted over 74 men's teams. Six of seven the Southeastern Conference teams finished in the top-10 with LSU claiming the Regional title. Teams from the Big 12, Big East and Conference USA were also among the leagues represented at Audrey J. Walton Stadium on the UM campus.

This was a great day, said MSU head coach Al Schmidt. To finish where we did in this region is outstanding. All the guys ran well today, especially Chris (Woods), Golden (Coachman) and Travis (McKay) had a personal record in the steeplechase.

State's 4x400-meter relay team clocked a season-best time of three minutes, 4.72 seconds to cap off the superb day for the Maroon and White. The foursome of Bruce Davis, Nathan Daniels, Arthur Davis and Ezra Jones finished third behind Kentucky and LSU. The time posted by the team fell 12 seconds short of breaking into the top-five all-time times in the 4x400 at MSU. They will advance to compete at the NCAA Championships on Sacramento, Ca., beginning on June 6.

In the 400-meter run, senior Bruce Davis placed runner-up with a career-best mark of 46.02. The Phenix City, Ala.-product finished just four tenths of a second behind Wisconsin's James Groce. His mark ranks fifth all-time in MSU track laurels. Davis will continue his career with a trip to the NCAA Championships. Senior Arthur Davis posted a time of 46.56 and placed seventh in the event. He will await word on an at-large bid into the 400-meter dash event at the national meet, due to his regular season time. MSU also had two individuals in the finals of the 800-meter run with Golden Coachman and Chris Woods finishing fourth and fifth respectively. In his last two outings, Coachman has finished third at the SEC Championships and fourth at the Mideast Regional.

Senior distance standout Travis McKay bested his personal-best time in the 3000-meter steeplechase with a time of 8:49.45 to finish seventh overall. His previous best was 8:52.23 set earlier in the year at the Mt. SAC Relays. The Edmonton, Alberta, Canada-native extends his season to the NCAA Championships with his finish at the regional level.

The Bulldogs will now prepare for the trip to Sacramento, Ca. for the 2007 NCAA Championships that will begin on June 6.

### State's Golden Coachman And 4x400 Meter Relay Team Finish Fourth At NCAA Championship

Mississippi State's Golden Coachman and the 4x400-meter relay team both finished fourth in the nation in their respective events on the final day of the 2007 NCAA Track & Field Championships in Sacramento, Calif. on Saturday.

With Coachman's finish along with MSU's foursome of Arthur Davis, Bruce Davis, Nathan Daniels and Ezra Jones placement in the relay final, all five Bulldogs earned all-American status. Goldman, who spent time in Iraq with the military a couple of seasons ago, becomes the second MSU track and field athlete to earn the status of all-American in the 800-meter run. Arthur Davis also etched his name in MState's track laurels. The Mobile, Ala.-senior beame just the second MSU trackster to earn all-American honors in all four seasons in the Maroon and White. Daniels and B. Davis have garnered the honor for the second-straight season.

"We had a good meet," said MSU head coach Al Schmidt. "Golden's (Coachman) story is truly incredible – to be serving in Iraq a couple of years to now earning all-American status in his first season here. We are very proud of all five individuals for being all-Americans this season. It was a good year on the men's side."

Coachman clocked a final time of one minute, 47.96 seconds, his best time of the weekend. The men's 800-meter run had two preliminary rounds preceding the finals. The Birmingham, Ala.-product set the school record earlier in the year at the Southeastern Conference Championships in May with a mark of 1:47.40.

The time turned in by the State 4x400-meter relay team set a new season-best time with a finish of 3:03.49 which is fifth-best all-time at MSU. They finished just behind LSU and ahead of Georgia.

As a team, MSU placed 28th in the overall team standings with 10 points. With the placement, the Bulldog track squad has finished in the top-30 in six of the last seven seasons at the NCAA national meet.

# UNIVERSITY STORY

## Mississippi State University

Mississippi State is a comprehensive land-grant institution and the largest university in Mississippi, with a statewide enrollment of more than 16,000 students.

Established in 1878 as the Agricultural and Mechanical College of Mississippi, the university has traditional strengths in engineering and scientific agriculture but has evolved into a comprehensive institution with a diverse array of programs in teaching, research, and service.

## Academics and Student Life

Mississippi State students consistently earn honors such as the prestigious Harry S. Truman Scholarship, awarded for those who will enter public service, and, with 16 Truman Scholars to date, the university has been recognized as a Truman Honor Institution. In the past year, a student team competed for and won first place in a national Challenge X competition to redesign a fuel-efficient and environmentally-friendly SUV.

Recently initiated programs are providing opportunities to develop leadership potential and global study options. The university's Global Leadership Continuum provides "cradle-to-CEO" programming designed to develop leadership across a "global" spectrum that begins with high school and continues through the university experience and into professional life. Included are the Young Guns Leadership Camp for rising high school seniors; the Day one Leadership Community for incoming freshmen, focusing on shared academic and service experiences; and the highly competitive Appalachian Leadership Honors Program for sophomores and juniors.

To complement these efforts, the university has launched a minor in leadership studies open to students in all majors. A university honor code adopted in 2007 institutionalizes a campus culture of integrity and personal responsibility in academic studies. Through the Global Leadership Program, students may experience significantly expanded study-abroad opportunities.

## Research

Mississippi State faculty researchers attracted \$186.5 million in external funding for 2006-07, up from about \$155 million during the previous year. This funding supported 1,691 sponsored projects in 2007.

Based on the latest rankings available from the National Science Foundation, MSU ranks 7th in the nation in agricultural sciences research expenditures and 44th

in engineering. Last year MSU faculty and staff disclosed 80 new technologies resulting in three new start-up companies, nine licenses, and 22 patent applications. The university now holds 77 patents.

In recent years, MSU has established the Thad Cochran Endowment for Entrepreneurship, as well as collaborating with federal agencies and industries to help increase technology-oriented start-up companies. Among the collaborators and sponsors are the U.S. departments of Defense and Energy, NASA, General Electric, Northrop Grumman, EADS/American Eurocopter, Boeing, Raytheon, General Dynamics, Israeli Aerospace Industry, and the Mississippi Technology Alliance.

In a key area of economic interest to Mississippi, MSU's Center for Advanced Vehicular Systems, established in 2001, continues research and development supporting a goal of attracting automotive industries to the state. The center is conducting research in areas that include materials processing, human and systems engineering, alternative power systems, computational manufacturing and design, and advanced learning technologies.

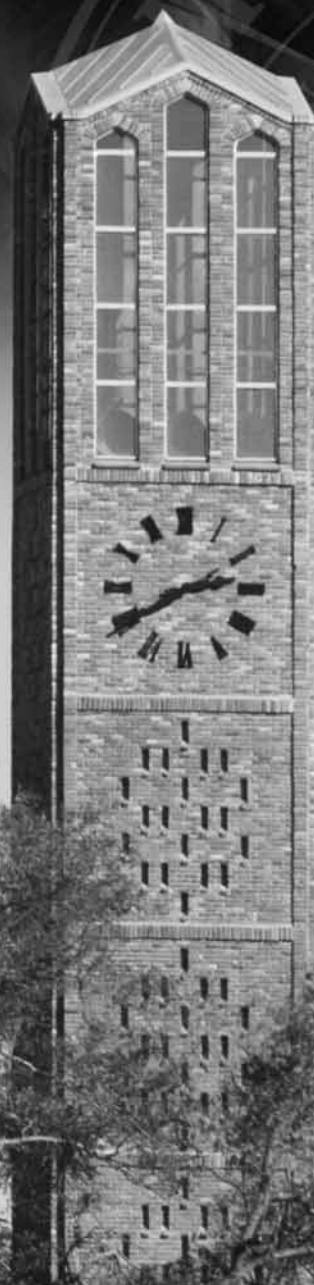

## Outreach and Service

From its academic programs to the work of countless individuals, Mississippi State has "extended farther" and gone "beyond the limit" to make a difference in the lives of citizens around the state. In 2006, the university formed the Mississippi State Community Action Team to organize university resources and expertise for quick response to local issues around the state. MSU's Extension Service is the first in the nation to have an interactive videoconferencing system in every county Extension office. Through the Freedom Calls program, the system is being used to connect Mississippians with family members in the U.S. military serving our country in Iraq.

The MSU Extension Service maintains offices in almost every county of the state, and the Mississippi Agricultural and Forestry Experiment Station operates 10 branch stations throughout Mississippi. Four strategically located research and extension centers coordinate the delivery of services statewide.

# BULLDOGS

# ATHLETIC Excellence

Mississippi State student-athletes have been achievers on the playing fields and off them. For every Bulldog winning all-SEC or All-America honors, another earns recognition for academic achievement. Players are coached to greatness throughout the MSU athletic program.

Bulldog catcher **EDWARD EASLEY** (R) was named the winner of the 2007 Coleman Company Johnny Bench Award as the nation's top collegiate catcher. Bench (L) presented Easley with the award. Easley also won the 2007 Cellular South Ferris Trophy as Mississippi's top collegiate baseball player.

**IYHIA McMICHAEL**, who concluded her career in 2004, is the only two-time SEC Softball Athlete of the Year in league history.

**LAURENT MIQUELARD** (L) and **JOC SIMMONS** won the NCAA men's tennis doubles national championship in 1994.

**LAWRENCE ROBERTS** was the SEC Player of the Year in 2004 and a national finalist for the Wooden Award, given annually to college basketball's top player.

# Great Players

As a relief pitcher with the Boston Red Sox, **JONATHAN PAPELBON** was named to the MLB All-Star game in each of his first two seasons.

**JERIOUS NORWOOD** concluded his football career in 2005 as the school's single-game and career rushing leader. He was named winner of the Conerly Trophy as the state's top college football player, was selected to play in the Senior Bowl, and was taken by the Atlanta Falcons in the NFL Draft.

**LATOYA THOMAS** concluded her career in 2003 as a two-time SEC Player of the Year and became only the sixth player in NCAA Division I history to be named a four-time Kodak All-America.

**TIFFANY McWILLIAMS** won the NCAA national championship in the 1500 meter run in 2003 and '04, and the national title in the indoor mile in 2004.

# ATHLETIC Excellence

State's coaches care for their student-athletes and the school's sports programs. Each has a passion for their specialty, experience as a player and coach, and expertise to instruct at the highest levels. Their goal is to coach champions on the field and mold productive college graduates from the university's classroom.

**SYLVESTER CROOM** was named head coach at MSU in December 2003, an announcement that brought immediate national attention to the Bulldog football program.

**CHRISTI SANDERS** (back left) has the longest, consecutive coaching reign of any head coach at State, with 20 seasons at the helm of the women's golf program. She has twice been named SEC Coach of the Year (1990, 2000).

**RON POLK** has guided six MSU squads to the College World Series, including the 2007 Diamond Dogs and 20 teams to NCAA regional showings.

**RICK STANSBURY'S** men's basketball teams have averaged better than 20 wins per year under his guidance and have participated in postseason play seven times in his nine years.

**NEIL MACDONALD** is the only head coach to guide the MState soccer program to an SEC Tournament appearance in his first season (2004).

On Nov. 10, 2006, SHARON FANNING became the 29th NCAA Division I women's basketball head coach to reach the 500-win plateau. Fanning is also the winningest basketball coach in Lady Bulldog history.

# Great Teachers

A black and white photograph of Clay Homan, a man wearing a baseball cap and a striped polo shirt, standing with his arms crossed.

**CLAY HOMAN**, a second-team all-SEC performer during his MState playing career, has led the men's golf program to 32 top 10 finishes in four years.

A black and white photograph of Tracy Lane, a woman wearing sunglasses and a white sleeveless shirt with an 'M' logo, pointing her finger.

**TRACY LANE** has the most wins of any head women's tennis coach in MSU history. She directed the 2005 Lady Bulldogs to an SEC Western Division title and has guided MSU to four NCAA Championship berths in her 11 seasons at the State helm.

A black and white photograph of Jay Miller, a man wearing a baseball cap and a white polo shirt with an 'M' logo, looking to the side.

**JAY MILLER** is one of the most respected coaches around the country, and a key contributor to USA Softball in various capacities. He has directed the State softball program to four NCAA postseason appearances in his five seasons.

A black and white photograph of Per Nilsson, a man wearing a baseball cap and a white t-shirt with an 'M' logo, holding a baseball.

**PER NILSSON**, a former MSU tennis standout, began his first season at the helm of the Bulldog men's tennis program this year.

A black and white photograph of Tina Seals, a woman wearing a white jacket, pointing her finger.

**TINA SEALS** returned to her alma mater as head volleyball coach in 2004. The school's first All-SEC volleyball performer guided the Bulldogs in 2006 to their most wins since 1996 and a school-record for SEC wins.

A black and white photograph of Al Schmidt, a man wearing a baseball cap and a white polo shirt, shaking hands with a female athlete.

Now in his second decade as the head coach of the men's and women's track teams, **AL SCHMIDT** has coached three MState athletes to national titles.

# ATHLETIC Excellence

MSU has played in the SEC Football Championship Game, the basketball Final Four, the baseball College World Series, and in numerous NCAA national title events since 1996. The last decade has brought overall achievement unmatched at State, and each new generation adds more hardware to the school's trophy cases.

A black and white photograph of a man, Wayne Madkin, wearing a t-shirt with a 'CHAMPION' logo and a baseball cap, holding a large trophy aloft with both hands. He is standing on a football field with a large crowd in the background.

The 1999 Maroon football team won its first eight games of the season, amassed 10 victories for just the second time in school history, and defeated Clemson in the Peach Bowl at Atlanta. Quarterback Wayne Madkin (above), State's all-time leading passer, was named the bowl game's Most Valuable Offensive Player.

State won the SEC Western Division title in 1998 and held a fourth-quarter lead on eventual national champion Tennessee in the league championship game at the Georgia Dome. The Bulldogs' appearance in the championship game garnered the school a berth in the 1999 Cotton Bowl.

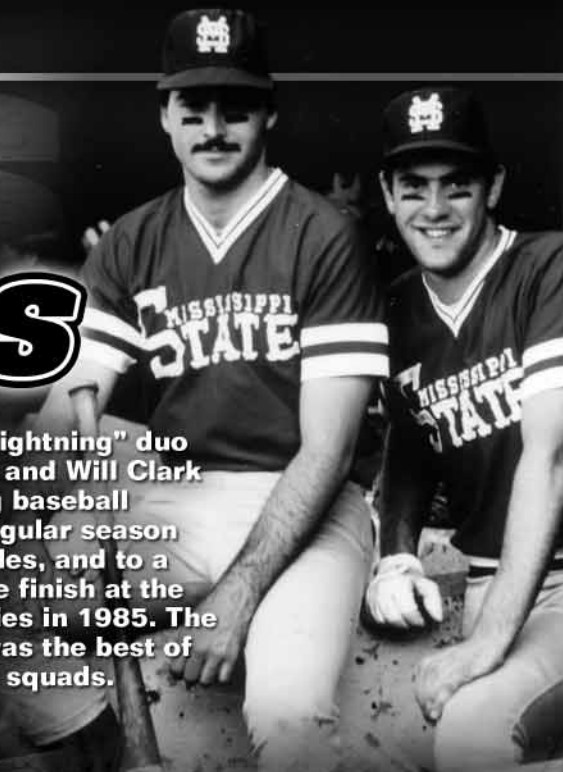

MSU's 1998 men's tennis team was one of two Bulldog squads that reached the NCAA semifinals, losing to perennial national champion Stanford. The '98 team was one of 10 State net teams that earned NCAA Sweet 16 berths from 1991-2001.

State's soccer team captured the 2001 SEC Western Division crown, the first SEC championship of any kind by an MSU women's team. That title came in just the sport's seventh year of existence on the campus.

# Great Teams

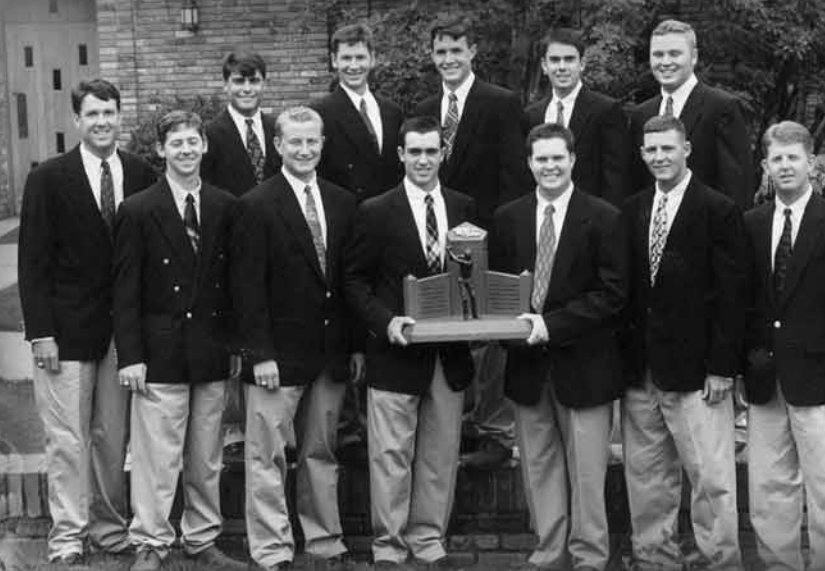

The "thunder and lightning" duo of Rafael Palmeiro and Will Clark guided the Bulldog baseball program to SEC regular season and tournament titles, and to a national third-place finish at the College World Series in 1985. The '85 team's finish was the best of MSU's seven CWS squads.

The 1995-96 Mississippi State men's basketball team earned the school's first-ever NCAA Final Four appearance after claiming the program's first SEC Tournament title and winning the SEC Western Division crown.

The Lady Bulldog basketball team has gone to eight postseason appearances under Head Coach Sharon Fanning, including four NCAA Tournament appearances.

The MState men's golf team captured the school's second-consecutive SEC Tournament title in 1997 and participated in NCAA regional competition for just the second time in school history.

# ATHLETIC Excellence

Mississippi State athletes play in some of the nation's finest facilities. Almost every Bulldog competition site has either been constructed or renovated in the last 15 years. During that time along, more than \$60 million in facility enhancements have been made.

**DAVIS WADE STADIUM AT SCOTT FIELD:** Near-sellout crowds have become the norm at Davis Wade Stadium at Scott Field, where the Bulldogs have played before masses reaching 85 percent of stadium capacity. Since the 2000 season when expansion and renovation projects gave the nation's second-oldest stadium a gleaming new look, crowds have grown by nearly 30 percent.

**PITTS TENNIS CENTRE:** Considered among the finest tennis facilities in the collegiate ranks, the modern, six-court, 1,000-seat A.J. Pitts Tennis Centre recently completed its 24th year serving the men's and women's programs. Recent enhancements at the facility include new locker areas and concession stands (1998) and a permanent press box (2004).

**W.O. SPENCER STADIUM/  
CARL MADDOX TRACK:** Co-named in honor of a two-time Mississippi State Olympian and a former MSU athletic director, the W.O. Spencer Stadium/Carl Maddox Track has served as host to the Southeastern Conference Outdoor Track and Field Championships three times since 1985, joining Tennessee as the most frequent host for that event during that time.

**DUDY NOBLE FIELD, POLK-DEMENT STADIUM:** One of the nation's leaders in baseball season ticket sales and attendance, Dudy Noble Field, Polk-Dement Stadium still holds the nation's on-campus single-game attendance mark — 14,991. With a seating capacity of more than 7,000 and more space in the world-famous outfield, *Sports Illustrated* magazine named the park, the "Best Place To Watch College Baseball" in a 1997 issue.

#### NEWELL GRISSOM BUILDING:

The 12,000-square foot, hardwood-floored Newell-Grisson Building serves as the home for Mississippi State's volleyball program and serves as a practice facility for both of the school's basketball programs. A state-of-the-art heating and air conditioning system was installed in 2004.

# Great Places

#### MSU GOLF COURSE:

Nominated by *Golfweek* and *Golf Digest* magazines as one of the premier public golf courses in the United States, Mississippi State's championship University Golf Course is the home to the men's and women's programs. The 18-hole course was recently furnished with a 5,000-square-foot clubhouse, complete with locker areas, snack bar, golf shop and classroom.

**MSU SOCCER FIELD:** Built in 1995, the lighted Mississippi State Soccer Field gives the Bulldog women one of the finest playing surfaces in the Southeast, a 114-yard long, 72-yard wide regulation NCAA Championship field. The lush turf is Mississippi Pride grass, developed by researchers on the MSU campus.

**HUMPHREY COLISEUM:** Season ticket sales records and all-time attendance marks have also been set over the past decade by Bulldog and Lady Bulldog basketball teams in the Humphrey Coliseum, the state's largest on-campus basketball arena. The latest addition to the facility was a \$1.8 million, center-hung, four-sided video scoreboard and jumbotron screen installed in 2004.

**MSU SOFTBALL FIELD:** Constructed in 1997, the Mississippi State Softball Field has undergone almost constant improvement at the northern-most point of campus. Lights were added to the facility in 1998, brick work was added to the dugouts two years later and, in 2001, additional batting cages were built. In 2005, softball moved into a new locker, training and meeting facility adjacent to the park.

**BRYAN BUILDING:** The state-of-the-art John H. Bryan Athletic Administration Building is the crown jewel of MSU's expansion projects of the last decade. Opened in 1996, this showcase facility is named for longtime Bulldog friend and supporter John H. Bryan Sr., and houses athletic administration, football, ticket, athletic development and media relations offices.

# ATHLETIC Excellence

MSU student-athletes are prepared for life after their collegiate careers come to an end. Former State athletes succeed professionally in both sports and business.

**ERICK DAMPIER** led the Bulldog basketball program to back-to-back NCAA Tournament bids in 1995 and '96. Now an 11-year NBA veteran, he helped lead the Dallas Mavericks to an NBA Finals appearance in 2006.

**TYRONE KEYS** (center) starred for the MSU football team from 1977-80, won Super Bowl XX with the Chicago Bears, and is founder and president of All Sports Community Service, a Tampa-based firm that assists high-risk youth.

**SAM NICHOLS** lettered four years for the MState football team (1973-76) and is currently a Colonel in the United States Army.

**BAILEY HOWELL**, who still ranks second on the school's all-time basketball scoring list, enjoyed a 12-year career in the NBA and was elected to the Basketball Hall of Fame in 1997.

# Great Alumni

**ROSA MARIELLA (JIMINEZ) MAHAN** was an ITA All-Academic Scholar women's tennis player for State in 1988, and is Senior VP and Regional Manager for Central America, the Caribbean, and Northern South America for Prisma Energy International in Houston, Texas.

**BUCK SHOWALTER**, currently a senior advisor to baseball operations for the Cleveland Indians, was an all-America baseball player at MSU in 1977 and has managed three clubs in the major leagues, including the Texas Rangers.

**BOBBY THIGPEN** helped MSU baseball to the College World Series in 1985 and still holds the Major League record for saves in a season (57 in 1990 with the Chicago White Sox).

Bulldog right-hander **JEFF BRANTLEY** (1982-85) still holds SEC records for pitching wins in a season (18) and career (45). He is now a radio broadcaster for the Cincinnati Reds.

# *The* BULLDOG

## Academics

While the MSU athletic program has experienced success both on the field and court, Bulldog and Lady Bulldog athletes are excelling where it counts the most — in the classroom. During the 2006-07 school year, 153 MState athletes earned SEC Academic Honor Roll honors.

Featuring 2005 graduates (L-R) Shane Power, Ontario Harper, Wesley Morgan and Branden Vincent, coach Rick Stansbury's Bulldogs lead all SEC schools with a total of 20 SEC Academic Honor Roll recipients in men's basketball over the past five seasons.

Burke Masters was a two-time First Team GTE-CoSIDA Academic All-American (1989 and 1990), four-time SEC Academic Honor Roll selection and the 1990 Boyd McWhorter SEC Scholar-Athlete of the Year.

A two-time Academic all-SEC selection, Kate Jaspers racked up numerous academic awards while at MSU. She was twice named ESPN the Magazine Academic All-American, and a three-time NFCA Scholar Athlete All-America. In 2004, Jaspers was named the SEC Scholar-Athlete of the Year, as well as the CoSIDA Academic Player of the Year.

Annemarie Pimentel was a four-year soccer letterwinner. While at State, she was a three-time Academic all-SEC selection, while being named to the GTE and Verizon Academic All-District teams. Her career culminated in being selected the 2000 SEC Boyd McWhorter Post-Graduate Scholarship winner, awarded to the student-athlete who best demonstrates excellence in athletics, academics and community service.

# WAY

# Traditions

Mississippi State is deep with tradition. From Bully to cowbells and the maroon and white, evidence of *The Bulldog Way* are found deep in the heart of every State graduate.

The most unique and certainly the most resounding symbol of MSU tradition is the cowbell. Cowbells decorate homes and offices of MSU alumni, and are passed down through generations of Bulldog fans. Although banned from SEC games since 1974, the ruling has not damaged the cowbell's historical importance.

## HAIL STATE (FIGHT SONG)

*Hail dear 'ole State,  
Fight for that victory today;  
Hit that line and 'tote that ball;  
Cross the goal before you fall,  
And then we'll yell, yell, yell, yell!  
For dear 'ole State we'll yell like hell!  
Fight for Mis-sis-sip-pi State,  
Win that game today.*

## MAROON AND WHITE (ALMA MATER)

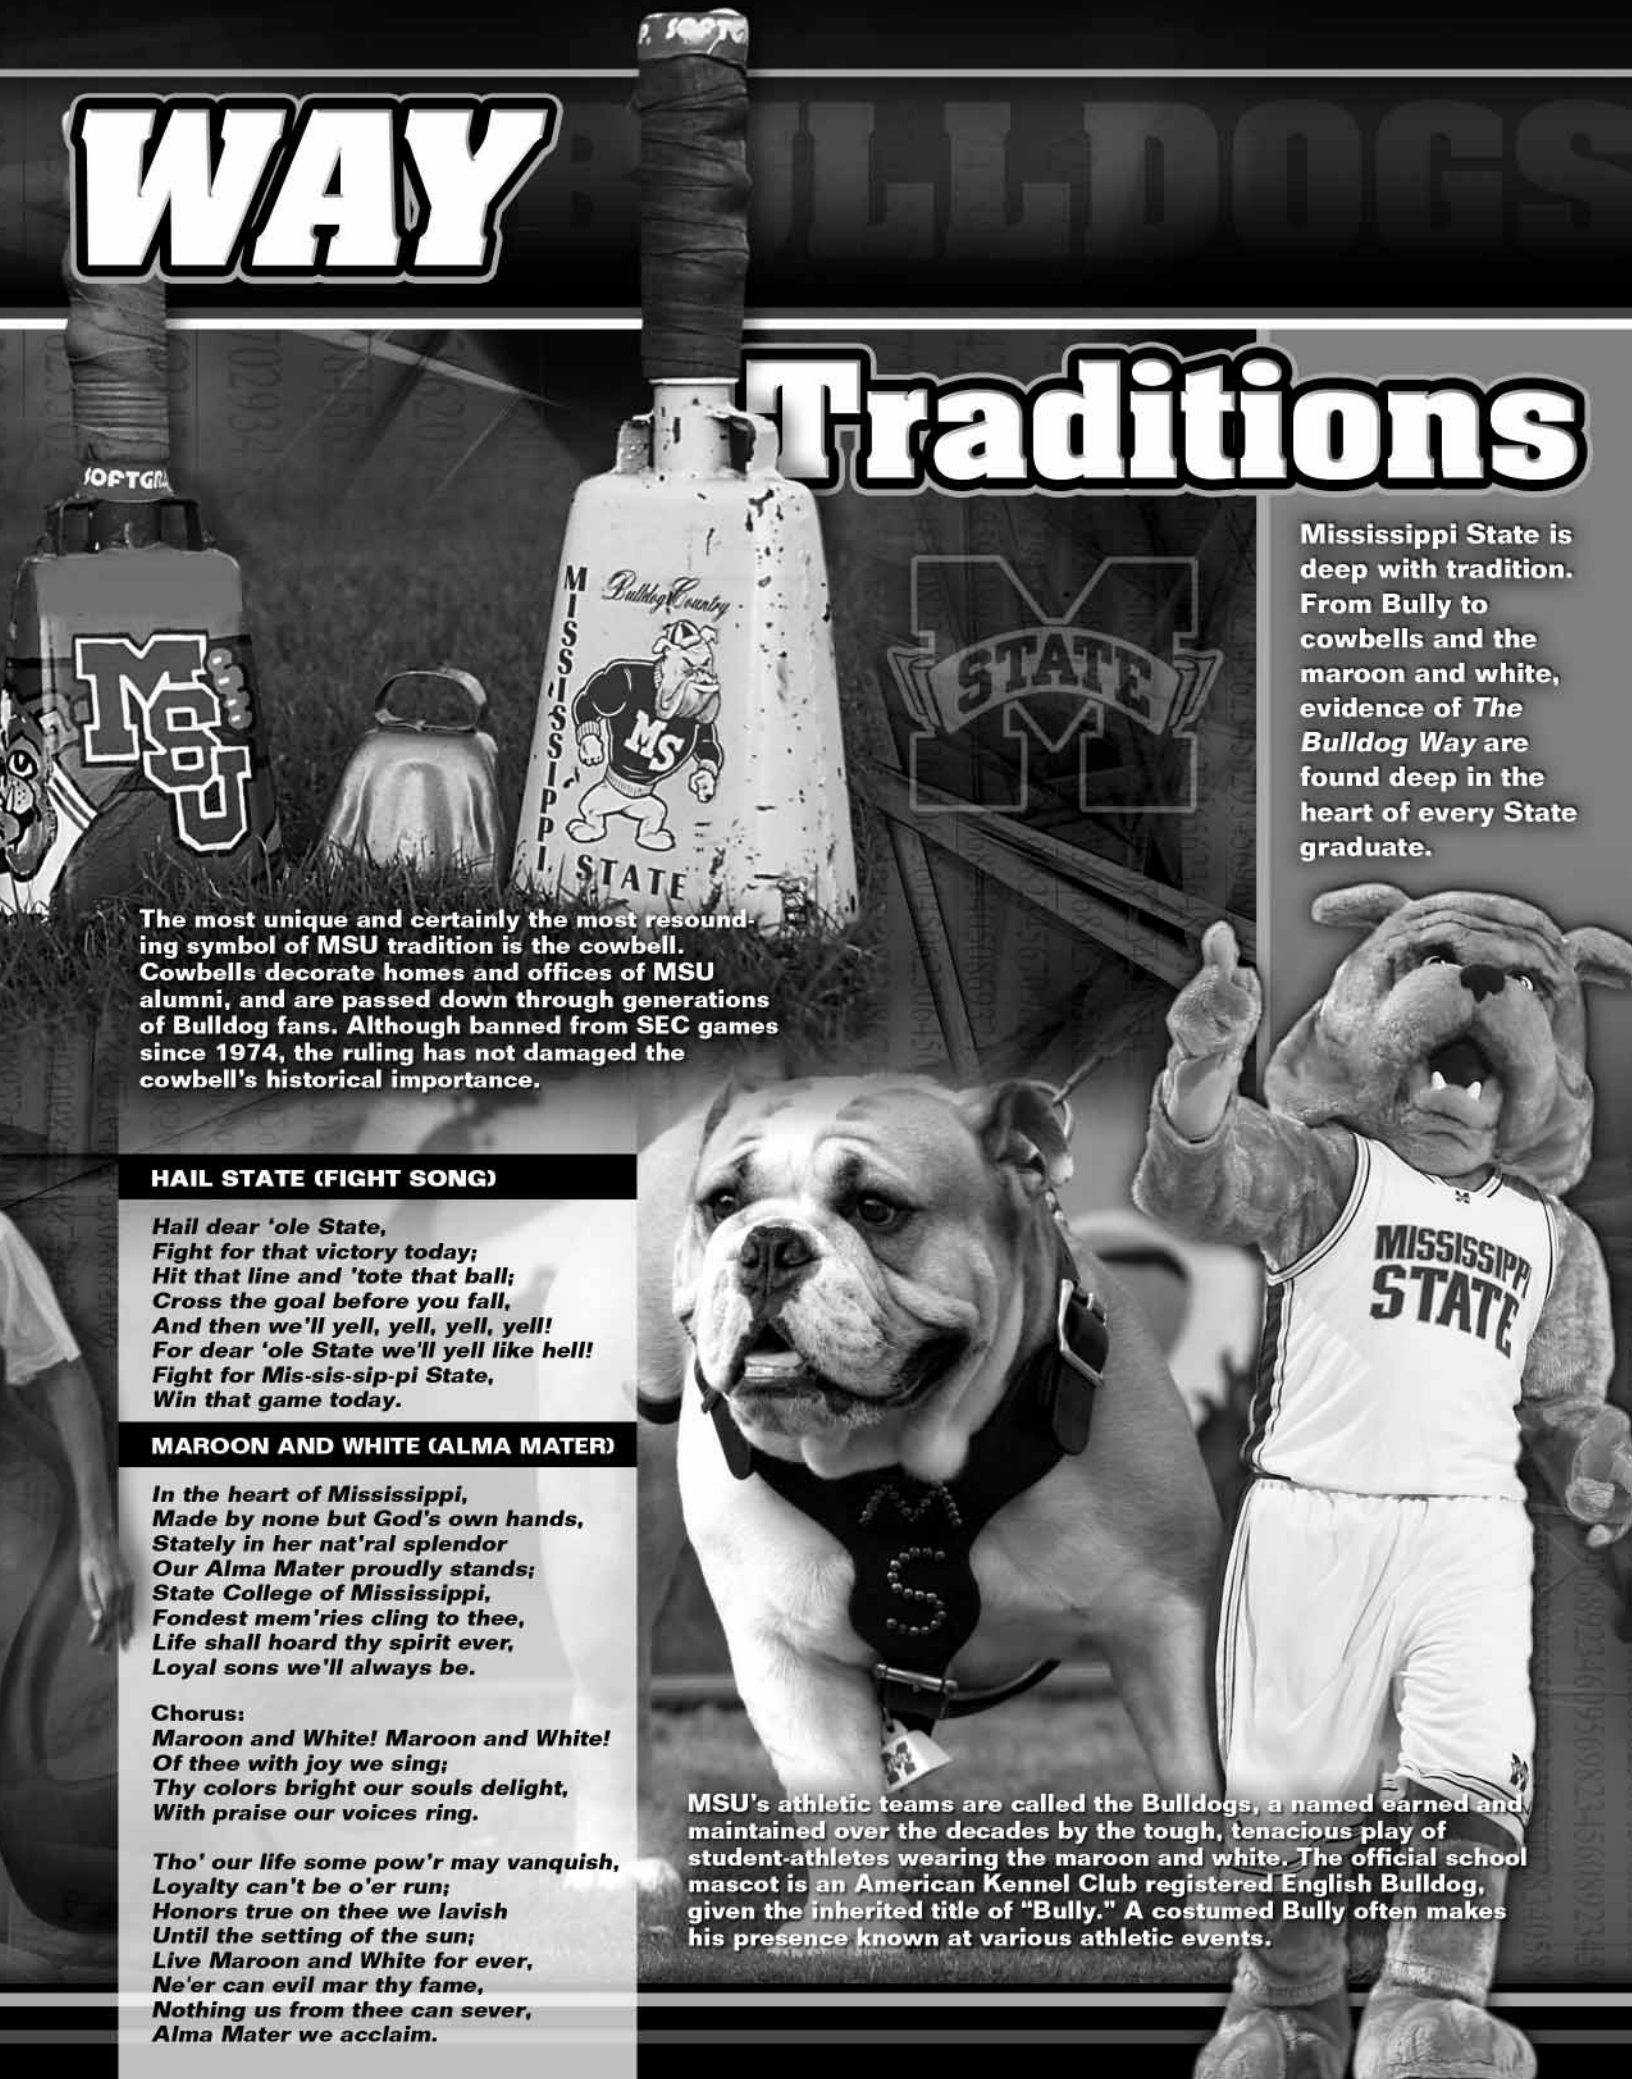

*In the heart of Mississippi,  
Made by none but God's own hands,  
Stately in her nat'ral splendor  
Our Alma Mater proudly stands;  
State College of Mississippi,  
Fondest mem'ries cling to thee,  
Life shall hoard thy spirit ever,  
Loyal sons we'll always be.*

### Chorus:

*Maroon and White! Maroon and White!  
Of thee with joy we sing;  
Thy colors bright our souls delight,  
With praise our voices ring.*

*Tho' our life some pow'r may vanquish,  
Loyalty can't be o'er run;  
Honors true on thee we lavish  
Until the setting of the sun;  
Live Maroon and White for ever,  
Ne'er can evil mar thy fame,  
Nothing us from thee can sever,  
Alma Mater we acclaim.*

MSU's athletic teams are called the Bulldogs, a name earned and maintained over the decades by the tough, tenacious play of student-athletes wearing the maroon and white. The official school mascot is an American Kennel Club registered English Bulldog, given the inherited title of "Bully." A costumed Bully often makes his presence known at various athletic events.

# MISSISSIPPI State

MSU has the largest enrollment in the state of Mississippi. Founded as a land-grant institution, its grass, flowers and trees are as prevalent as buildings, sidewalks and parking lots. Large enough to sport diversity in all areas, the university still maintains a warm, friendly atmosphere.

The Colvard Union is a popular meeting place for MSU students. Whether working on a group project, enjoying the food court, or simply relaxing, the student union is one of the campus' main meeting places.

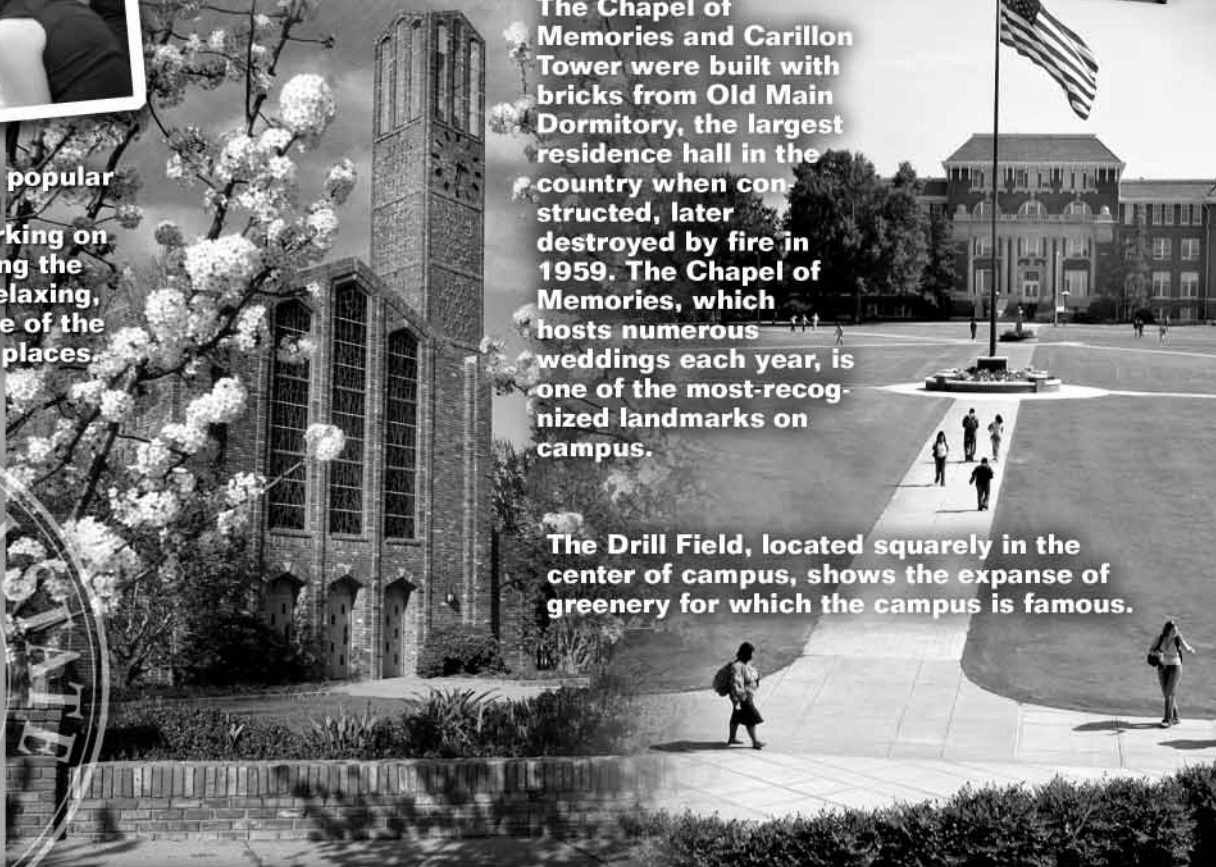

Ruby Hall, a residence hall with the largest single room size in university history, opened in August 2006. A co-residential, 160,000-square foot, three-story freshman hall, Ruby is located at the north end of campus, in convenient proximity to the Colvard Union, the Perry Cafeteria, Mitchell Memorial Library, the Sanderson Center and all athletic facilities. Ruby Hall offers students the latest in technology, including Ethernet access, full wireless internet coverage, a refrigerator and microwave, and free cable with HBO in each room.

The Chapel of Memories and Carillon Tower were built with bricks from Old Main Dormitory, the largest residence hall in the country when constructed, later destroyed by fire in 1959. The Chapel of Memories, which hosts numerous weddings each year, is one of the most-recognized landmarks on campus.

The Drill Field, located squarely in the center of campus, shows the expanse of greenery for which the campus is famous.

# ***The People's University***

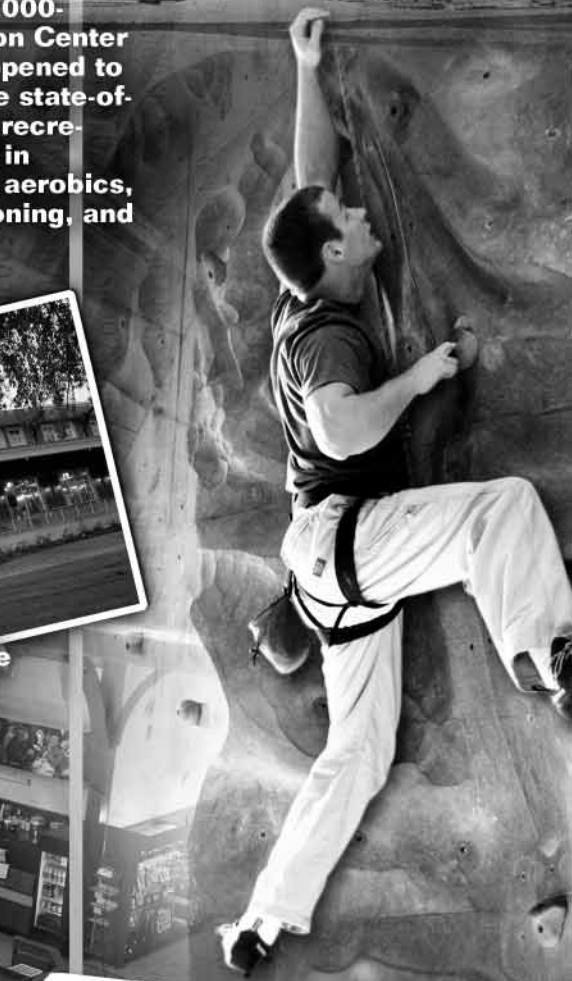

When built in the 1920s, Perry Cafeteria was the largest dining hall in the country. The 300-foot long, Gothic style interior is one of the most beautiful buildings on the campus. It has accommodations for 600 students, faculty and staff and serves as the dining hall for MSU athletes.

The \$19 million, 150,000-square foot Sanderson Center recreation complex opened to students in 1996. The state-of-the-art facility offers recreational opportunities in aquatics, fitness and aerobics, strength and conditioning, and intramural sports.

Barnes & Noble opened on the MSU campus in August 2006 and features a world-class bookstore, apparel and gift shop, and café.

# UNIVERSITY PRESIDENT

## DR. ROBERT H. FOGLESONG

*University President*  
West Virginia, 1968  
Joined MState: April 2006

Doc Foglesong was born and raised in Mingo County, West Virginia. He's the son of a steam fitter on the railroad and a first-grade teacher. He attended West Virginia University and eventually earned his bachelor's, master's, and doctorate in chemical engineering—and married his former English teacher—Mary Thrasher Foglesong of Sistersville, West Virginia.

## LARRY TEMPLETON

**DIRECTOR OF ATHLETICS**

**Mississippi State, 1969**

**Joined MState: May 1969**

During his career as athletic director at Mississippi State, Larry Templeton has guided the sports program to unparalleled success and overseen accomplishments never attained in the near-100 years the school played on athletic fields and courts prior to his tenure. He has overseen achievement by State student-athletes in the classroom and in competition with the nation's premier programs. And he has done all that while operating within the department's now \$30 million budget.

Mississippi State competes for championships in every sport program, its athletes continue to excel in the classroom, and the department has operated in the black while expanding its varsity athletic sport program and drastically improving its facilities. Templeton has overseen all that and more as the head of the program.

On the playing field, the decade of the '90s saw virtually every State sport establish a best-ever finish. The start of the new millennium has been no different with MSU sports teams having qualified for postseason play 51 times during the past seven seasons; a school-record 12 did so in 2004-05.

But State's student-athletes are not just succeeding on the playing field. MSU's men's and women's athletes recorded the highest combined grade point average during the 2005-06 academic year in the 18 years in which student-athlete grades have been tracked. In 14 of the last 16 years, the Bulldog football team has been one of just a handful of schools cited by the American Football Coaches Association for having a graduation rate exceeding 70 percent. MSU is the only school in the SEC to make that list with that much frequency. In spring 2007, exactly one-half of all scholarship student-athletes at Mississippi State earned a grade point average of 3.00 or higher. MSU has produced the SEC's Male and Female Scholar-Athlete of the Year three times each during Templeton's tenure. And over the past seven years, State is second among league schools in number of Academic all-SEC selections in the sports in which MSU competes.

Templeton oversaw Mississippi State's move to come into compliance with the SEC's Gender Equity plan, adding women's soccer and softball to the school's varsity sport menu. The first season of soccer was in 1995, while softball began competition in 1997. Since that time, the soccer team has won the SEC Western Division title (2001) and the softball team has never had a losing season and has qualified for NCAA postseason play six of the last eight years.

The early 1990's expansions and renovations of the Leo Seal M-Club Center, the Shira Athletic Complex,

and the completion of the John H. Bryan Sr. Athletic Administration Building, were fueled by Templeton. That building trend continued into the latter stages of the '90s, with construction completed on permanent seating at the MSU Soccer Field, the conversion of McCarthy Gymnasium on campus into a varsity indoor tennis facility, and expanded seating at Humphrey Coliseum. Additional chairbacks and 18 skyboxes at Dudy Noble Field/Polk-DeMent Stadium, MSU's baseball facility, were completed in time for the 2000 season, and a \$30 million expansion of the east side of Scott Field has raised capacity at the football stadium to 55,082. Fifty new skyboxes and 1,700 chairback seats opened for the 2001 season.

Another building boom occurred during 2004-05. The Holliman Athletic Center (a 46,000-square-foot addition at the Shira Complex) the Palmeiro Center (an indoor practice facility for baseball and football), and a softball locker and training facility were added to the athletic facility plant. This past spring, a 34,000-square foot athletic academic building was approved with a 2008 completion date planned.

And for the 20th year in a row this past year, the MSU athletic program joined just a small group of NCAA Division I schools nation-wide to finish in the black financially at year's end.

Templeton's work also stretches far from the Starkville campus. He has served as chairman of the SEC's athletic directors since 1990. He is serving a second term on the prestigious NCAA Baseball Committee, currently serving as that committee's chairman. He oversees the group that chooses the sites for regional and super-regional competition, selects the 64-member playing field, oversees the operation of the tournament, selects the umpire crews, gives direction to the game operations personnel and works with the radio and television talent. He is a former member of the NCAA Championship Committee, the NCAA Management Council and the NCAA Bowl Certification Committee.

Templeton is married to the former Linda Jo Nichols. They have a son, Brian, who received his second degree (landscape architecture) at Mississippi State in May 2002. A second son, Stephen, received his doctorate from Mississippi State in August 2002, and a daughter, Nici, is an attorney in Columbia, S.C. Granddaughters Ella Grace and Addison McSwain Comer, and Eliana Xiaojong Nichols live in Columbia, S.C., and Chattanooga, Tenn., respectively.

## ANN CARR

**ASSOCIATE AD/WOMEN'S SPORTS**

**Mississippi State, 1990**

**Joined MState: 1993**

A veteran of 12 years in athletic administration at MSU and a former Lady Bulldog athlete, Ann Carr was named the university's associate athletic director for women's sports in June 2006.

Carr is in her second stint within the State athletic department following seven years as Assistant Athletic Director for Student Life. In that position, she worked with the personal development of MSU's student-athletes in addition to continuing her prior responsibilities as academic counselor for the Bulldog football team.

Carr serves as the director of the department's Life Skills program, which includes the support systems and career programs for all MSU student-athletes and its CHAMPS program (Challenging Athletes' Minds for Personal Success).

As SWA, Carr will oversee the operation and supervision of MSU's women's sport program. Hired in 1993 as an assistant director in the athletic academic office, she returned full-time to MState in 1999 following a one-year

stay in a similar capacity at the University of Southern Mississippi.

A native of Brookhaven, Miss., Carr was a four-year letter winner on the Mississippi State women's basketball team (1986-90). When Carr finished her women's basketball playing career, she ranked first on the career leaders list in free-throw percentage, shooting 75.8 percent over a four-year span. She also ranked 12th on the career points list, having scored 762 points in her tenure, averaging 8.3 points per contest. In rebounding, Carr brought down 597 boards (6.5 per game) to finish her career sixth on the all-time list in rebounds and rebounding average. She also finished her career holding the individual record in most three-point field goals made (five) in a single game.

A 1990 graduate of State, she later earned her master's degree in counseling from the institution in 1992.

### W.O. SPENCER STADIUM

Co-named in honor of two-time Olympian and a former MSU athletic director, the W.O. Spencer Stadium/Carl Maddox Track is the home of the Bulldog and Lady Bulldog track and field teams.

Dedicated on Nov. 13, 1982, with Maddox presiding, the W.O. Spencer Track Stadium was originally named in honor of one of MSU's all-time athletic greats.. A former Mississippi A&M track captain (1922) and track coach (1936-47). Spencer participated in the 1924 Olympics in Paris and the 1928 Olympics in Amsterdam. He was a member of the gold medal-winning mile relay team in the 1924 Olympics, and also ran on the steeple relay team in 1928.

### CARL MADDOX TRACK

Carl Maddox Track is a 400-meter, nine-lane oval in addition to runways for use in the long jump, triple jump and pole vault events. The oval is a Sika/Bram "Granutan" track and is made of polyurethane, which provides a spike-resistant, highly resilient running surface.

The facility has served as host of three Southeastern Conference Outdoor Track and Field Championships - 1985, 1992 and 2002. MSU uses the facility to host two home meets each spring - The Jace Lacoste Invitational and the Bulldog Invitational along with a high school meet.

### CARL MADDOX TRACK INFIELD

Now in its third decade of service to Mississippi State's track and field program, the Spencer Stadium/Maddox Track was the vision of former MSU director of athletics Carl Maddox. In dire need of a new facility with a limited budget to work from, Maddox negotiated a deal with the Mississippi National Guard to provide all the engineering and much of the labor as a training exercise. The facility was completed at a cost of around \$250,000. The track grandstand, which seats 3,500 fans, was a gift from Leo W. Seal, Jr.

## WHAT IS THE BULLDOG CLUB?

The Bulldog Club, chartered in 1974, is a non-profit organization, committed to supporting the athletic program at Mississippi State University, primarily by providing scholarships for student-athletes and facilities necessary for the program. Athletics joins academics at Mississippi State to enhance the image of our university. Both go hand-in-hand to promote excellence. The athletic program needs your support as it strives to build the type of program which is first class in every aspect. This is where you can have a very positive impact. In order to attract quality student-athletes, and to provide facilities necessary for them to successfully compete in the Southeastern Conference, your financial support is needed through membership in the Bulldog Club.

Intercollegiate Athletics is a key component of the greater Mississippi State University community. MSU's reputation of excellence for learning, research and service to the citizens of the region is well known. It is vital that MSU Athletics maintain a key role in future excellence. Continuing to successfully integrate academics and athletics will enable us to attain that goal. Mutually compatible programs increase the national prominence of the total university and, in turn, that excellence benefits the state of Mississippi as well as its students, alumni, faculty and staff at Mississippi State University.

Your loyal support will help provide our student-athletes with the opportunity to obtain a quality education at one of America's outstanding land grant institutions and to compete at the highest level of NCAA Division I athletics.

Only through your support will Bulldog Athletics be able to maintain an environment that encourages its student-athletes and coaches to excel.
