## **Ben Howland Quotes**

**January 3, 2017**

### **Alabama vs Mississippi State**

#### ***Opening statement...***

“We took a quick shot with four minutes to go. But getting back to how we were down 12. Our offense was way too quick to shoot multiple times. We had the ball 35 times in the first half and passed it more than four time, eight times. We were just way too anxious.”

#### ***On the team’s performance...***

“Someone asked me yesterday during the press conference if there was a chance that our guys would come out too hyped up. Maybe that was it, I don’t know. We got killed on the glass. Part of the reason that we got killed on the glass so much was that we missed so many shots. When you take 28 shots in the first half and 14 of them are threes, that is way too many threes.

#### ***On the Bulldog’s post presence...***

“Part of it is our post presence. We aren’t great right now at being able to score in the post. We have to get better down there. We need Schnider (Herard) and Aric (Holman) to be getting more touches down there. Schnider, at least in the first half, I thought did a good job. I don’t think he had any rebounds in the second half. He had too many turnovers, just trying to do too much.

## HEAD COACH AVERY JOHNSON QUOTES

January 3, 2017

Alabama vs Mississippi State

### *Opening Statement...*

"It was a rollercoaster of a game for us, but we'll take it and we're thankful because we got off to a really slow start tonight and couldn't dig in defensively, but then we began to get into a little bit of a rhythm after that 15 minute mark in the first half. Our guys just locked in defensively. It was fun to watch. We went into halftime with a 12 point lead and I'm not sure if that's good or bad because sometimes we can't protect leads, but we showed some maturity tonight and I told them I thought our non- conference schedule was strong enough to where we could survive some adversity in the course of a game and we did that. Fortunately, we finished the game strong and these two guys played some outstanding defense on perimeter players on State's team that could probably win the game on their own. I'm really proud of our team and our coaching staff for getting our team ready to play, but these two guys up here, Riley and Dazon and you throw Braxton in there, these are three guys that are just outstanding on the defensive end of the floor. They are great teammates that really support each other. Fortunately, we rebounded the ball and if we continue rebounding the ball we think we'll have a pretty decent team."

### *On the importance of Q Weatherspoon to Mississippi State's offense ...*

"He's significantly important. The team that coach Howland has assembled here you see that Weatherspoon is a guy that they lean on a lot in most of their possessions. They lean on him to shoot 3's midrange game, they post him up, I mean he's just an All-SEC player so the smart thing to do is to try to give him a lot of attention. Coach Howland does a great job of moving him all over the floor. There's really no rocket science with this, if he catches the ball we're in trouble. We knew that if we could limit his catches we had a chance if we could rebound the basketball so that's what we tried to do. We had to keep him off balance and fortunately he missed some shots. This is a 3-point shooting team and fortunately they were 1 for 14 from the 3 point line in the first half."

### *On what was said in the huddle after MSU made their run....*

"That we've been here before. I'm not going to mention other teams outside of the SEC because we're in conference play, but if you look at our non-conference record you'll see we've been in some hostile environments and I told them before the game to try to grow up a little tonight and let's try to keep our confidence up and do what we need to do on both ends of the floor and have that type of mental toughness to handle adversity."

## MISSISSIPPI STATE PLAYERS QUOTES

January 3, 2017

Alabama vs. Mississippi State

**Mario Kegler - G – Fr.**

*On the slow start...*

“Everyone came out over excited, so we started out good and then it just went down from there. We couldn’t hit good shots. Sometimes it would look like a good shot, it just wouldn’t fall.”

*How much energy did it take to tie the game up in the second half ...*

“It takes a lot of energy to come back and tie it up. We had to just keep fighting.”

*How is this first SEC game different than non-conference games?*

“I think it was a much faster pace than non-conference games and they were a lot more physical. The team was better than the non-conference games so it was a lot different.”

**Tyson Carter – G – Fr.**

*On first time to come off the bench...*

“Sitting on the bench, you kind of see how the game is flowing and things develop, so once you get in it is easy.”

*Was there a chip on your shoulder since you didn’t start?*

“I felt like I had to play better anyway because this is SEC play. We all had to step up our level of play.”

## Alabama Player Quotes

January 3, 2017

### Alabama vs. Mississippi State

**G/F - Riley Norris – Jr.**

***On his performace...***

“Both teams played really hard. My man left me open, so I was just there for the putback. My teammates found me. They just had to keep finding me and I just had to keep making shots. I have great teammates and great coaches that put us in the right position to make the right plays.”

***On if there was a feeling that MSU would make a run in the second half...***

“Good teams make good runs. We knew we had to weather the storm. We wanted to come out at the half better than what we did. I thought that once we settled in and were getting stops on the defensive end, it really helped our offense.”

***On defending Quinndary Weatherspoon...***

“We tried to take him out of the game. He is a great player and scores so many different ways. We thought if we slowed him down, we would have a chance to slow their team down. Give them credit, though, they are a great offensive team with great 3-point shooters. I thought our defense, overall, was pretty good tonight.”

**G - Dazon Ingram – Fr.**

***On winning the rebounding battle...***

“Our rebounding is always a point of emphasis for us to be successful. Coach Avery (Johnson) wants me to go get the offensive rebound when I can. On the defensive end, he wants me to get rebounds too to be able to push the ball on a break.”
