## HEAD COACH Ben Howland Quotes

### January 17, 2017

### Kentucky vs. Mississippi State

#### ***Opening statement...***

“We got in foul trouble early on. We were not playing with our feet and not being physical enough inside. Schnider (Herard) fouls out with 11 minutes left. I was concerned about our composure. It was a great crowd, an unbelievable crowd today that really inspired our guys to get back in this game. We were down four with a chance. We took a bad shot down five and a stepback three with 3:28 to go and that is the sign of a young team not having the kind of composure that you need to understand how you have to play. You need to go to the basket. You need to make a play for a wide-open shot, not a stepback guarded three. That was really ill-advised. I thought our foul shooting yesterday at the end of practice was poor and it carried over to today. We expend so much energy playing hard that we shoot 54 percent from the foul line. Give Kentucky credit. They are great team. De’Aaron Fox is spectacular. Late in the game, we wanted to try to press down six and Mario was supposed to be plugging the screen. We gave up two layups in the last two minutes. It was just a total miscue on our part defensively. Bam (Adebayo) did not hurt us at all today, if you look at his numbers. He was in foul trouble with 5 points in 20 minutes of play. The guy that really hurt us in the first half was (Derek) Willis. He had two big threes off of stunts getting back. I am proud of our comeback and proud of the way the guys fought to give us a chance. I am extremely gratified to our crowd for showing up in these last two SEC games. I thought the students were great today. I can’t remember, as a coach, our fanbase in the crowd giving us a huge round of applause after losing. It was really something that was unique. I think our fans are starting to see how much fun these kids are and how hard they are playing. I am so appreciative of that. Down 18, it is just too much to come back from when you are playing against a really good team like Kentucky.”

#### ***On his team’s effort in rebounding...***

“We played really hard. We have to play without fouling. Even though we shot 54 percent, I am still discouraged by our offense in that we had the ball 62 times in halfcourt offense and passed it four or more times a total of 10 times. That is my fault. I have to do a better job. We have been evolving into a motion team. We have to learn how to cut hard, get catches and move the ball. Schnider (Herard) was effective, we just couldn’t keep him in the game. We have to learn to play without fouling.”

#### ***On Lamar Peters’ impact on passing four times or more...***

“In the first half, we were five out of 32 passing the ball (four times or more). That is not going to work because what it does is it puts us on defense more. If we did the same thing with their possessions, I’d be curious to see how much it was.”

## HEAD COACH JOHN CALIPARI QUOTES

### January 17, 2017

### Kentucky vs. Mississippi State

#### ***On Malik getting technical foul for hanging on the rim...***

“We go in to the AAU mode when we are playing all freshman and sophomores. There is a point in the game here they just think “look at this ” and we are just never going to be that team if that’s the mind set. I told them at half time that I’m taking you out if I see it and I did. We are still leaving timeouts and guys are doing exactly the opposite of what I told them to do. ”

“I thought we were a month away, we may actually be two months. That being said, Mississippi State shot 54% tonight. They turned it over some, but we did too. The crazy thing was, they didn’t press, trap, or do anything that we did. Thats the most turnovers we may have had all year. So their pressure and their toughness pulled them through. They shoot 54% from the floor and we win the game, which is incredible for us. ”

#### ***On the officiating...***

“If they are going to call 144, just make sure they are on both of us. Don’t just make them on our team. Call them on everyone. If they are calling hand checks, call them all. If not, then let them all go. I honestly dont care what they call, as long as if they make the call, then they keep making the same call. ”

#### ***On the young players getting frustrated with the whistles..***

“I just tell them, don’t foul. If you listen to me the whole game, I’m yelling don’t foul, give them space. Then at the end of the game we get the most fouls called on us. ”

#### ***On Mississippi State offensively..***

“At the end of the game they drove and must of made their last five or six in a row. We did too but they made their last five or six quick. De’Aarron Fox, I just said Malik is not playing well. So we just said here you go, go do your thing. He has to make free throws. We have to make free down the stretch. ”

## MISSISSIPPI STATE PLAYER QUOTES

### January 17, 2017

### Kentucky vs. Mississippi State

#### G – Quinndary Weatherspoon – So.

##### *On the difficulty of stopping Kentucky's offense...*

“I don’t think they were difficult. We had a couple breakdowns when they went to the pick and roll. We couldn’t defend that pick and roll.”

##### *On the atmosphere...*

“That is the largest crowd I’ve ever played in front of. I enjoyed the crowd. Hopefully they will come back out the next time we have a home game. It is fun to play with the crowd because we just feed off them. It helps our defense. I enjoyed it.”

#### G – Lamar Peters – Fr.

##### *On when he started getting comfortable...*

“When we were down I just wanted to stay aggressive. I wanted to stay away from bad shots. Lay-ups are good quality shots. Whenever I had the ball I was just trying to finish or kick it out to the open man. That’s about it.”

##### *On what helped them get back into the game...*

“We were hungry on defense. Being hungry on defense turns into lay-ups. We are just trying to grind it out. We had some minor breakdowns and just couldn’t get it together at the end. It was tough but we kept fighting. We wanted to play well in front of the crowd. We had a lot of people watching. We just wanted to go hard until the buzzer went off. That’s it.”

##### *On how they feel about falling short after a close game with a highly ranked team...*

“It is frustrating. You can’t knock that team. They are one of the best teams in the country. When you look at the talent on our team I feel like we are one of the best teams in the country. We can hang with anybody. It is frustrating because we know we could have won that game. Shout out to Kentucky, they played well. They do every night. I felt like we had a great shot to win the game.”

#### G – Mario Kegler – Fr.

##### *On the difficulty of guarding their bigs...*

“It is very difficult. They have so many guys that can hurt you in so many different ways. It is very difficult but I’m trying my best to fight with them.”

##### *On what caused him to have one of his better nights...*

“Just getting to the goal. I told myself before the game I wanted to take a lot of jump shots. I wanted to get to the line more. I came out with a better game.”

## KENTUCKY PLAYER QUOTES

January 17, 2017

Kentucky vs. Mississippi State

**G – De’Aaron Fox – Fr.**

***On how hard it was to get into a flow with all the fouls...***

“It was difficult because the game kept stopping, but both teams had foul trouble, we both had to play through it. Even if we lost I couldn’t use that as an excuse because both teams had to go through it.”

***On the stretch towards the end of the game...***

“Most teams have a go to person, but we don’t really have that right now so it’s who ever has the hot hand I guess. One game Malik (Monk) did it, one game Isaiah (Briscoe) did it. I just tried to knock down my free throws, and if they aren’t falling at least get the and one so you get two points out of it.”

***On seeking out Lamar Peters after the game...***

***On the Bulldogs run in the second half...***

“We had a lot of turnovers that contributed to that, they picked up their intensity, and that is something that we can learn from and move on from.
