HEAD COACH Ben Howland Quotes

January 25, 2017

Missouri vs. Mississippi State

Opening Statement ...

“I thought our defense was much improved between the first half and second half. I thought we had our best practice of the year on Monday, in terms of the intensity and fight. I had the shortest practice of the year yesterday because we used a lot of energy in practice. That may have affected us a little bit to start the game. Missouri is a team who has lost 10 games. They have had an incredibly difficult schedule. I am really impressed with their team. This is their worst loss other than their Arkansas game. Every other game has been within 10 points. I have a great respect for them. Obviously, Lamar Peters was pretty good the second half and gave us a big lift with those 3’s. I thought Quinndary Weatherspoon kept us in the game in the first half, offensively. I thought Mario Kegler had his best game as a Bulldog. He played good defense, he didn’t have any turnovers, he made good decisions with the ball and he did a great job shooting the basketball. I am subbing best on defense. I need them to defend and rebound. I thought Aric did a better job fighting in the second half. He made some big blocks for us. I.J. Ready is Mr. Steady Ready. He really played solid.”

On Quinndary Weatherspoon ...

“He should be tired because I did an individual workout with him on Monday. I was really excited. He was reading coming off screens, he is slowing down more and he is more aggressive to go to the basket. Tonight, he got to the line 6 times and had 8 rebounds. He had 4 assists, that is huge. I was teaching him throughout the whole game. He started playing in the 9th grade. It is very rare for players that are really good players to start playing basketball as late as 9th grade. His ceiling is so high because he is still learning the game. He was terrific tonight.”

On how the team is coming along ...

“It is a little tougher this week because I thought the day off really helped us to get back to what we need to do. We played really hard in the second half tonight. I am excited about Mario Kegler’s conditioning. He and Q led us in minutes. His ability to play that hard for that long now is really exciting. He is competing, playing hard and leading. He is a very position leader and always picks guys up. I really appreciate that about him. “

MISSISSIPPI STATE PLAYER QUOTES

January 25, 2017

Missouri vs. Mississippi State

G – Quindary Weatherspoon – So.

On bouncing back...

“I just wanted to come out tonight and be aggressive. I know we lost the last two games and I just wanted to do whatever I could to help my team get the win tonight.”

On meeting with coach Howland...

“We had a meeting about it and he just told me that he needed for me to come out and be aggressive and to do everything I could to help my team win and to get back to the old me. I felt like I got to the old me tonight.”

On playing his game...

“When I say being the old me, it’s just filling up the whole stat sheet. Trying to do everything and not just take a lot of three’s and try to get in the paint.”

G – Mario Kegler – Fr.

On practice after loss to Tennessee...

“We had a very hard practice. I think it helped a whole lot.”

On Abdul Ado and his energy...

“He just brings it every day. He’s just different and motivated every day to come to practice. He plays very physical and he just brings it everyday.”

G – Lamar Peters – Fr.

On knocking down shots...

“I didn’t want to force anything. I just wanted to take the open shots whenever it came back to me and lock in to knock those down. Three in-a-row going in there, it felt kind of good.”

MISSOURI PLAYER QUOTES

January 25, 2017

Missouri vs. Mississippi State

G – Jordan Geist – So.

On MSU's Weatherspoon and Peters' second half success...

"We have to give them credit; they were knocking down tough shots. We have to play better defense. That should be our main focus and how we'll win games."

On how the game against Ole Miss affected the team's confidence shooting tonight...

"Every day in practice we do a great job shooting the ball. We just try to carry that over to games, and shooting well against Ole Miss was just a boost of confidence and helped us start to get things going."

On MSU guard Quinndary Weatherspoon...

"When you have a player like him that takes over like that, you just have to give him a lot of credit. We'll just have to get down and dig into it next time."

F – Kevin Puryear– So.

On the team's emotions after a strong first half...

"It felt good for sure. Coming off that game from Ole Miss, we were really confident in the first half. We shot the ball at a very high level, we made great decisions and played great defense, but in the second half we came out flat."

On MSU guard Lamar Peters' successful three-point shots...

"To be honest with you, I've never seen anything like that before, so it was very impressive especially from a freshman. When they are making shots like that, there's really not much we could do. We had chances to come back, but we just didn't make smart plays and lost our composure. We just have to be better on both ends of the ball."
