HEAD COACH Ben Howland Quotes

February 4, 2017

Tennessee vs. Mississippi State

Opening Statement...

“The moral of the story is never quit, never give up, keep fighting and that’s what our guys did even when they were down 19 points to find a way to come back. This is a very important win against a really good team. Tennessee has been the hottest team beating Kentucky and Kansas State to win four in a row. So not only is it a good win but it’s a good win against a very good opponent. In the second half we did a much better job of going inside. Our offense looked anemic in the first half it was all perimeter-oriented and jump shots. In the second half we made a much better job of attacking the rim and getting to the basket. Our defense is the only thing that saved us in the first half.”

On player contributions...

“[Xavian] Stapleton’s minutes off the bench were incredible for us. He played great defense and was in the game when we made that big run to take the lead. [Quinnndary] Weatherspoon did not shoot as well but he did other things to help his team win, his nine rebounds were big for us. [Lamar] Peters did a good job of distributing the ball with only two turnovers. We did a better job of not turning the ball over today with only ten turnovers. [Schnider] Herard getting a career high 15 rebounds really helped us, but he can still do a better job on free-throws. Getting to the free-throw line 31 times as a team was really important.”

On Stapleton’s performance...

“He had a double-double with 14 points and four steals in 26 minutes. I am really proud of him and how he prepared for this game mentally. It’s a sign of good things to come. He and [Mario] Kegler did an incredible job on [Robert] Hubbs, with only two baskets both coming when Weatherspoon had to switch to him. Holding their best player down, who I think is a really good player, was huge today. Last time we played them they scored 91 points and today that didn’t happen because of the pace of our offense in the second half.”

COACH RICK BARNES QUOTES

Tennessee vs. Mississippi State

Opening Statement...

“You’ve got to credit Mississippi State. They are tougher down the stretch. Any time you give up 21 rebounds, I mean what can you say? We turned the ball over in ways that we shouldn’t, missed free throws and that’s a great formula to lose games. But, you’ve got to give Ben (Howland) and his team great credit. They got down, stayed in it and they got the momentum going their way and I’m just disappointed in the way that we responded. With the lead and responded coming down the stretch we just didn’t do what we needed to do. Again, you’ve got to give him all of the credit for it.”

On the difference between the first match-up and tonight’s match-up...

“Well, I think the difference was we had a lead at home. We played even though we weren’t great. We stayed with it and I think you’ve got to give them all of the credit. They got down, they fought back. I don’t want to take anything away from a play. They called Grant Williams for a goal-tending and we just saw it wasn’t a goal-tend. Instead of being a four-point game, it should’ve been a two-point game with us with the ball and maybe we could’ve stopped the momentum. That was a big play from us because we were struggling. At that point and time, with the momentum going their way, you don’t want something like that to happen. But, you don’t want to take anything away from Mississippi State. I mean, but that is disappointing because we did make a great defensive play. As we came out, I said ‘We’ve got to get a stop right here,’ and forced men to drive in the ball and he blocked it and it would’ve been a shot clock violation but they still got two points out of it.”

On not making plays...

“Again, it’s a 40-minute game and we’ve had leads before we let get away. We’ve been down and came back but, again, we didn’t make winning plays. We just didn’t deserve to win.”

On letting too many games go...

“Well again, when we have leads we’re going to play through. Robert, he had a tough day. Grant, hung around the perimeter too much. Again, we didn’t play well enough to win for 40-minutes. It’s easy going early and again, like I said, your mind might be thinking this game might be over. In which, I don’t know if that’s what they think. But, the fact is, like you said it’s happened too many times and when they got back in the game. Now you’ve got a game that I’m just not real pleased with the way we responded.”

MISSISSIPPI STATE PLAYER QUOTES

Tennessee vs. Mississippi State

G – Xavian Stapleton– So.

On energy change in second half...

“It was our defense, our defensive energy. We had a couple of stops and the energy transferred over to offense. We were able to get some open shots and when they came. We knocked them down when they counted. When they counted, we knocked down our shots, and got to the free throw line at the end of the game. Everything worked out.”

On when he knew the Bulldogs had the game...

“It was actually when I blocked the shot that I said ‘I think we’ve got them now. We got another stop. If we get one more, it’s game over.’”

On coach Howland’s post-game message to Stapleton...

“His message to me was that he thought I had the best game of the season because I was being more humble. Sometimes I can get a little too competitive and get a little too crazy. He said he thought this was one of the games where I was more humble, so I could focus more. This was one of my better games of the season.”

C – Schnider Herard– Fr.

On what was said during halftime...

“We just have to come out and play. We were down 12, I think, so we just had to come out, play and do our thing.”

On getting rebounds...

“As a big man, that is pretty much my job, so offensively and defensively, I have to go in there every time. I was trying to make sure I did a good job with that to make sure I got an offensive rebound every time.”

On what inspired his effort today...

“I’m bigger than them, so I just have to make sure every time I out physical them.”

G – Mario Kegler– Fr.

On if this was the game he has been waiting for...

“I have been waiting for this game for a long time, since I came out of the womb.”

On confidence this game brings after playing without I.J. Ready...

“We were telling each other that this is somebody else’s time. I.J. went down, and we kept trying to tell everybody else it’s time to step-up and make plays on this team. I think that is what we did tonight.”
