HEAD COACH Ben Howland Quotes

February 18, 2017

Florida vs. Mississippi State

Opening Statement...

“Disappointing after fighting our way back to 52-all. [Mario] Keglär made a great play on the blocked shot, and [Aric] Holman just looked towards the rim and didn’t see the ball and Florida gets it back and scored a big basket there. We didn’t score the last two minutes. I know their defense gave us a chance to get a better lead than we initially had after 10 minutes. We didn’t score for almost six minutes with 13 points at 12 minutes left in the first to almost seven minutes left. We had some open looks, zero for 13 from three in the first half and a number of those were wide open, and I was pleased by some of the extra passes we made. Too many missed threes and only got to the line 13 times, which has plagued us these last three games. They got their 19 times and we had to foul there a couple of times late in the game. They had four more turnovers than we did, we really didn’t handle the lead that well in the first half. We had a chance to break that thing open and weren’t able to seize that opportunity. This is the kind of game we needed, this is how they were beat by both South Carolina and Vanderbilt. Offensively was just disappointing late in the game there is 54-52 and we don’t get a good shot. We are down two again when [I.J.] Ready gets his shot blocked. I am proud of the fight our guys showed today. Obviously, Florida is a very good team, nationally ranked team and first place in our conference. You can see how close we are, it is frustrating to not be able to get a win in the Hump for the players, coaches and everyone involved.”

On 3-point shooting...

“I thought in the first half [Quinndary] Weatherspoon’s first two or three were good looks for him and shots he is normally going to knock down. He had one to tie the game at 37-34 on a really nice pass from [Lamar] Peters in the corner. We aren’t getting to the line enough, I mean for Q and Mario to go through the game and play a combined 60 minutes and not get to the free throw line is not good for us. We have to be able to get in there and force the issue better than we are.”

On Ole Miss Tuesday...

“Ole Miss is our next opponent and we hope to have a great crowd. I don’t think an 8 o’clock game will keep our fans from coming out and cheering on the Bulldogs and against our archrival. If you think about our last three games we are right there with our opponents and hopefully we can get over that hump Tuesday.”

MIKE WHITE COACH QUOTES

February 18, 2017

Florida vs. Mississippi State

Opening Statement...

“I think it says a couple things about each team. First off, we’ve been able to find different ways to win different games, and it’s been different guys. It says something about Mississippi State and that a bunch of young guys, very talented guys, I thought they defended at a really high level. For 40-minutes, we never got into an offensive flow. Emotional week for us and tough week for Jonathan going down. Hats off to the Bulldogs. They really guarded and really crowded our guys physical effort.”

Trying to defend Mississippi State...

“This team is really difficult to defend. They’ve got four guys that can shoot the three, sometimes they’ve got five guys on the floor that can shoot the three. Lamar Peters is very difficult. You’ve got to be close enough to him because he’s so dangerous of course. Weatherspoon, one of the toughest match-ups in the league as well and Mario Kegler is coming as well. So, great defensive effort for our guys and it started at the tip, we communicated at a high level. I think we rallied around John being out. We did what we needed to defensively.”

Playing sloppy to finish...

“We just made some sloppy decisions. Again, I don’t want for it to be so much about that because it was good defense by Mississippi State. But, we’re jumping up in the air and pressing offensively. In our guys defense, when you’ve got 10-minutes left in the game, you can see why the pressing and the forcing and trying to do a little bit too much, can creep in.”

MISSISSIPPI STATE PLAYER QUOTES

February 18, 2017

Florida vs. Mississippi State

G – Quindary Weatherspoon – So.

On if having a distinguished single leader would have made a difference in team morale...

“Not really, I think that we just have to keep playing as a team and knock down some shots. I think we did a great job defensively. Normally, they score around 80 points, and we kept them down to fifty-something. But we’ve just got to keep playing.”

On the three-point shots...

“They just weren’t falling. I don’t think we made a three the first half. We were getting good looks, but we just couldn’t hit them tonight. It was bad luck for us I guess.”

F – Aric Holman – So.

On closing the point gap...

“I would say [the points come from] execution in our half court sets. There are moments when we need to be under control, and we’re not.”

On MSU’s defensive effort...

“We were just there mentally. Everybody was on the same page when it came to defense, and we were communicating better. It helped us today.”

On what to fix in closing the game...

“I would say just learn from our mistakes. We need to be more under control.”

FLORIDA PLAYER QUOTES
February 18, 2017
Florida vs. Mississippi State

G – Chris Chiozza – Jr.

On the team's fight....

“We are a diverse team and can have a good game offensively. We were able to come on the road today and defeat a team even when we had bad field goal percentage. That’s how it is going to be sometimes.”

On F/C Kevarrius Hayes stepping up...

“He was a huge factor in this game, especially down the stretch. He had some good offensive rebounds, some blocked shots and kept them in bounds so we could grab them. He set some good screens so we could get some easy shots.”

F/C – Kevarrius Hayes – So.

On the blocked shot at the end on MSU guard IJ Ready..

“Practice it. That’s the best way to explain it. With the new rule, you have to learn to just jump verticle. It helps having guards like we do come at you in practice all of the time. It prepares you for the time when it happens in the game.”

On John Egbunu being out...

“I try not to make a big deal about it. The only thing different now is, instead of me starting over him or playing behind him, he just is not with us for these games. I really focus on playing smart and do the best I can to stay out of foul trouble.”
