## HEAD COACH BEN HOWLAND QUOTES

December 22, 2016

Morehead State vs. Mississippi State

### *On the halftime conversation facing a deficit...*

"We didn't handle their switching defense at all, and we got very impatient. We had 22 possessions of halfcourt offense in the first half where we passed it three times or less. There was not enough ball movement. That has been a problem for us and it really hurt us against East Tennessee State. Our defense was really suspect and you have to give [Morehead State] credit. Morehead State won 23 games last year. These kids have been through a heck of an ordeal with their coach getting fired in the middle of their season and not knowing what is going to happen. You could see why they won 23 games a year ago with some of the talent they have. They are older kids. [Xavier] Moon is terrific. I thought [Lamontray] Harris was a difficult matchup for us. They shot 9 of 19 from three-point range. Our defense was better in the second half. Late we had an eight or nine-point lead and they hit two tough threes over I.J. [Ready]. I was really happy for our team. It would have been really tough to go into Christmas losing at home. That never feels good. I am really thankful and feel very grateful to God for all of our blessings. I am really thankful to fight back. We did a good job in the second half and really worked hard, so that was gratifying."

### *On using his team's size advantage...*

"We had a chance in the first half to get that advantage, but we fumbled the ball. We have to do a better job of just getting the ball inside. Aric [Holman], in the first half, was being forced off the block and he was trying to play the post at 12 feet. That doesn't work, and you have to be polished and be better with our post offense and post defense."

### *On the improvement in Aric Holman's play...*

"A year ago at this time, he had just played in his first game, so he did not come into this season with a lot of experience under his belt. He worked hard in the offseason. For him, it is all about playing physical, with toughness and really playing with more energy at both ends of the floor."

### *On Quinndary Weatherspoon's clutch play...*

"He does a good job of getting to the rim. In the first half, I did not think he was very good. He's searching to do things too quickly and he just has to let it come to him. We were getting the ball to the post. He scored in the post at least three times in the second half. He's attacking the basket. The reason he was able to do that is that we were a little more patient. We have to push the ball on made and missed shots. That is difficult to do when they are switching so much. We had not seen that. We will see it again in SEC play. Our next game will be an all-zone team in UMKC."

**Head Coach Preston Spradlin**  
**December 22, 2016**  
**Morehead State vs. Mississippi State**

***Opening Statement...***

"On the road against a good SEC team, we knew that the crowd was going to get into it and make it tough for our guys after halftime. That's probably where the game turned, in the first part of the second half. We told our guys that the first four minutes of the second half were imperative. To Mississippi State's credit, they were able to come out and hit some big shots that they were not able to hit in the first half. I think we lasted a little bit and then just got lost in the atmosphere. To our guys' credit, I think we fought back and played a hard game."

***On the turnover battle...***

"I thought we did a decent job turning them over in the first half. I think they had four or five at halftime. We had eight at the half, and I told our guys that we have to be below 12 to win against this team. That was the big difference in the game: four turnovers more than what we allow ourselves to get coming into the game. They capitalized off those and turned them into points on the other end."

***On the key to winning the game...***

"The turnovers were a big key to winning the game. We also got in there and I thought we had a couple of opportunities where we executed and drove the ball, but we just didn't shoot it. We tried to pass a couple of times, and that's not always a bad thing. We have a very unselfish team, but I think when it's that close, we just have to shoot the ball and score."

## MISSISSIPPI STATE PLAYER QUOTES

December 22, 2016

Morehead State vs. Mississippi State

**G – Quinndary Weatherspoon – So.**

***On Coach Howland's halftime speech...***

"He just wanted us to come out and play defense. We came out sluggish in the first half, and he just wanted us to come out and play hard the second half and let the defense end lead to the offense end."

***On his career night...***

"I felt really good tonight and from the previous game in Jackson. I'm really just trying to keep working and get better day by day."

***On Morehead State guard Xavier Moon...***

"He's a great player; he's a quick athletic guard. He was easily getting into the lane. He's a really good player."

***On the upcoming break...***

"I'm excited about it because I need to recover for my wrist and legs, mostly my wrist, so that I can come back better after break."

**F – Aric Holman – So.**

***On putting emphasis on the inside during the second half...***

"Obviously [Quinndary Weatherspoon] had the hot hand, so the main thing I was trying to do was to get him open and just play off him. I knew that when Q got the ball, they were going to attack him on defense."

***On the difference in the second half...***

"I would say us just calming down. They had a big lead, and we realized that all we really needed to do was just pick up the intensity and to be patient on offense and see things through."

***On his dunks and blocks becoming more a part of his game...***

"It's just something about me. When I'm on the court, I show a different attitude. When I'm off the court I'm friendly and communicate, but on the court another side comes out of me."

***On how the team feels when Weatherspoon gets a hot hand...***

"It's a big confidence booster because we don't have everything on our shoulders. We don't have to do too much when you have a hot hand like that. We basically just play as hard as we can to keep him hot."
