HEAD COACH BEN HOWLAND QUOTES December 29, 2016 UMKC vs. Mississippi State

On tonight's defensive performance...

"I'm really excited about our best defensive performance of the year. We won the battle on the boards. That is what we are going to have to do as we begin our new season next Tuesday."

On free throw completions...

"I wish I could take credit for that. We are going to come in tomorrow watch a little film and practice our free throw shooting. Generally, we have a good shooting team. Mario [Kegler] was two for three tonight, and you see him out on the court right now working on his free throw shooting. Q [Weatherspoon] has had two games in a row where he has missed two free throws in succession to a foul. That is really surprising. I thought he was terrific offensively tonight. Q had seven rebounds, 25 points and four assists. That's a high of the year for him."

On freshman Tyson Carter's performance...

"He made some huge shots tonight. He has great range. Tyson [Carter] is doing a good job. The one thing about Tyson is he doesn't turn the ball over. He has eight turnovers on the season. Tonight he had zero turnovers. First possession of the second half, he missed Mario. Mario was wide open in the corner to his right, and Tyson just didn't see him. To not turn it over tonight and only have eight after 12 games as a freshman guard is pretty impressive."

On freshmen Mario Kegler, Schnider Herard, and sophomore Aric Holman...

"Kegler has been rebounding well and blocking out better. We are playing guys out of position. He can definitely play the 3. Aric Holman is playing as a 5. We are playing out of necessity. I was excited about Schnider [Herard]. He had eight rebounds. We need him to step up and rebound as we enter SEC play."

Head Coach Kareem Richardson December 29, 2016 UMKC vs. Mississippi State

On MSU guard Quinndary Weatherspoon...

"I thought we lost him a few times, but he is a heck of an offensive talent. I thought that last year. He plays in such a really calm pace; he doesn't get sped up or frustrated. He has that really calm pace about him."

On last year's matchup compared to this year's...

"I think Mississippi State has a lot more offensive weapons this year. One through five of their starting lineup this year can go and score and play well. Tonight they even did much better defensively than they had shown. Once they continue to guard like this, their offense is really potent."

MISSISSIPPI STATE PLAYER QUOTES December 29, 2016 UMKC vs. Mississippi State

G - Quinndary Weatherspoon - So.

On the difference in his last two games...

"I just have my teammates to find me when I am open. I'm knocking shots down now, so I am very confident going into SEC play."

On playing his best basketball...

"Yes. I'm knocking down shots, going to the free throw line, doing drive, and doing all around game right now. I feel like I am playing my best basketball right now."

On if his wrist injury has affected his play...

"No. It's really not because I was playing really good before I hurt my wrist. I am just trying to pick up where I left off before I went out."

G – IJ Ready–Sr.

On Quinndary Weatherspoon's improvement...

"His consistency and confidence has never changed. He drove the ball a lot more last year. His shot [3-pointer] against Vanderbilt is what made him so confident with shooting the ball. He is shooting great. I think he is 30-40% from the 3-point line and almost 80% from the 2-point line, so he proficient right now. I see it everyday that he works on it. He keep surprising me."

G - Xavian Stapleton-RSo.

On his confidence and health...

"I feel real good about my health. I feel that I am almost 100%. My confidence is building up the more minutes I play, the more game I get in, and at practice I am getting better and better."
