Head Coach Ben Howland Quotes

January 2, 2018

Arkansas vs. Mississippi State

On overall play tonight...

“Our guys did a heck of a job tonight. Obviously hats off to Arkansas; they are a really good team. All of those seniors on the floor for them, these guys have been through a lot together. They are fourth ranked in RPI. This is a huge win for us. This is one of the best wins in my tenure here at Mississippi State, by far, to beat a ranked team. I thought the crowd was great, especially considering we aren’t in school yet and the students aren’t back, and it’s 8:00. The crowd was great tonight. I am glad they showed up and cheered.”

On the keys to the game...

“The keys to the game were obviously our defense in the first half when we had the four-point lead. We struggled with them offensively, but our defense held strong. This is an unbelievable win for us. They are such a good team. Another key was only having three turnovers in the first half and seven for the game. The type of pressure they showed us, that turnover ratio is a huge stat. It also helped that we got to the free throw line 40 times. We would like to make more than 24, but getting to the line is huge.”

On Abdul Ado’s performance...

“We need to get him down in there and get a little more arch on his shot. He can make them, but his defense is phenomenal. He had four blocks. Playing that many minutes was incredible.”

MISSISSIPPI STATE PLAYER QUOTES

January 2, 2018

Arkansas vs. Mississippi State

G – Nick Weatherspoon – Fr.

On how big this game was...

“It was very big because it was our first SEC game. Those guys had just beaten Tennessee. This is a game we had been talking about since the season began. We prepared very well for these guys, and it was a big win for us.”

On a late surge to put it away at the end...

“We never gave up. Every time it was a time out Coach Howland told us not to give up. Q, Lamar (Peters) and I were the people on the court. We just talked to each other and said we couldn’t give up. We needed this win.”

G – Quindary Weatherspoon – Jr.

On beating a ranked team and having something to prove...

“We just wanted to prove the critics the wrong. A lot of people have been saying that we didn’t play a tough enough non-conference schedule. We took it personally. We came out and tried to get a big win in SEC play. We knew they were ranked after beating Tennessee. It just motivated us even more because we lost our first ranked game to Cincinnati. It just motivated us to come out and get a big win.”

On his impact on the boards...

“Coach Howland told us that they are not a great blocking-out team. If we go hard enough we knew we could get second chance shots. He was preaching to us in the walk through. He was telling us if we crash hard enough the opportunities are there because they do not box out. I took it personally. I wanted to get in and get second shots for my team.”

Head Coach Mike Anderson Quotes

January 2, 2018

Arkansas vs. Mississippi State

Opening Statement...

“Congratulations to Mississippi State. They did what they were supposed to do on the court. It’s very disappointing that we didn’t walk away with a win in this game. It’s hard when the other team shoots 40 free throws to 12. It’s difficult to win a game like that when you look at all of the other things that we did. I thought Mississippi State got some timely offensive rebounds. I thought our guys played hard and much better in the second half. We had some guys that played tired. I told them when you play in the SEC, you have to dig deep.”

On Mississippi State’s first half defense...

“I think we got stagnant on offense. We did it to ourselves.”

On rebounds from the free throw line...

“It was a big difference. They had some weird bounces. At the end of the day you have to put a body and create some space up there. They just got the ball and scored off them. We played really good defense, we just didn’t come up with the ball.”

ARKANSAS PLAYER QUOTES

January 2, 2018

Arkansas vs. Mississippi State

G – Daryl Macon – Sr.

On final minute of game ...

“We had some problems rebounding. We also struggled to move the ball on offense and got a little stagnant on that end. I felt like that and their offensive rebounding cost us the game.”

On MSU’s offensive rebounding ...

“It was big. It definitely played a big part in them winning. We just have to go back to the drawing board and figure out what we can do to close out the game next time. One thing Coach Anderson preaches to us is that we have to box out on the free throw line. We didn’t do that tonight and it cost us. We’ve got to learn from this.”
