HEAD COACH BEN HOWLAND

February 6, 2018

Alabama vs. Mississippi State

Opening statement...

"We really did a phenomenal job competing. I thought our defense was really good the entire game. We held them to 36% from the field. There is so much work these guys are putting in to prepare to defend these teams. They put in the preparation it takes to be really good. We had a two point lead going into half time but the difference was they got to the line 18 times and we only got there seven. The second half I thought we did a better job getting fouled. I know they had to foul us late their some. Nick Weatherspoon had another outstanding game. He really drove the ball to the basket hard. We can play better, and that is the good news. Credit Alabama, they are really good. They are the only ones to beat Auburn. They are very, very tough. (Collin) Sexton is an amazing player with amazing talent. I thought we did a good job guarding him. Lamar (Peters) played great defense when you consider the numbers. That is our best win of the year without question. This is a great reward for our guys, it is coming together. We are playing so unselfishly. We had a chance to blow the lead open when Tyson (Carter) missed the open three by our bench. It was a great pass from Aric (Holman). Tyson was big to start the second half. He had three big shots in a row. We were running stuff for him. I thought all the foul trouble was a problem. Guys stepped up. I thought (Xavian) Stapleton stepped up. He had another very important game for us today. He was very solid with four rebounds and six points. He didn't have any turnovers and played solid defense. It was just a really good team performance against a really good opponent."

On the game plan against Sexton...

"I thought our point guards, Lamar (Peters) in particular did a great job full fronting the post. He (Sexton) didn't hurt us with that but one time. I thought that was exceptional. I thought our four man did a great job. We did a good job shrinking the floor. We have length in there. If you look at Abdul (Ado) and Aric (Holman), it isn't easy to go in there. I thought one of the key plays in the game was early in the second half when Q went down hard. I was yelling at him to get up. He did. He just stayed in there and kept playing. He made some tough time plays that were huge for us."

Alabama Head Coach Avery Johnson

Alabama vs. Mississippi State

Opening statement

“First of all I just want to congratulate Coach Howland and Mississippi State. They’ve been a hot team at home all year long, especially in SEC play. They did a terrific job of defending us. When they were one pass away they were physical. They did a good job of defending us at the three-point line. They made it tough on us to score inside. We didn’t help ourselves by the way we didn’t take care of the ball, especially in the first half. I haven’t coached many teams that didn’t have an assist by halftime. I give them credit. The SEC is a tough conference. It’s the best that it has been in years. We have to be able to rise to the challenge, especially on the road. We can’t play as sporadic as we did tonight. Sometimes when you lose, you definitely want to look at what we did wrong, but we also want to give Mississippi State credit. We’ve been on a little bit of a winning streak against them and they were hungry tonight. They played with a lot of passion and enthusiasm.”

On shots form the three-point range...

“They are makeable. Obviously, if you shoot 22 three’s, all 22 are not going to be perfect. Maybe 15 are good looks. We are capable of making those shots.”

On taking threes consecutively but missing...

“That’s where we give Mississippi State credit, when we’re trying to get the ball inside, they front the post and we’re not able to get inside. Daniel (Giddens) established a low post game for us in the second half. Sometimes the easiest thing to do is launch a three. It’ll be a better teachable moment for us to learn from. It takes more energy to drive it and when we did they did a good job of contesting us in the paint.

On three assists the entire game...

“Sometimes, when you get to the free-throw line as much as we did, especially in the first half, we’ll make a good read, throw it to the open man and he gets fouled. You’re not going to get assists on those plays. Getting to the free-throw line 30 times on the road, that’s pretty good.”

MISSISSIPPI STATE PLAYERS QUOTES

February 6, 2018

Mississippi State vs Alabama

Tyson Carter (G) Sophomore

On winning against Alabama after long losing streak...

"It feels great. We were actually just talking about that when we went to Alabama, we said that we had to beat them soon."

On beating Alabama and Georgia back-to-back...

"We knew that we have been playing well lately. We have been playing strong because of our defense, so we knew we were going to rely heavily on that in both games. We came into this game with a lot of confidence. Those teams have been beating us in the past, so we knew we had to get a win over them."

Nick Weatherspoon (G) Freshman

On offensive game...

"The main thing is confidence. I have a lot more confidence in my shot now. I also have been shooting my jumper a lot. I haven't been using my speed as much, but now I know that it helps on defensive. I also feel like I'm strong enough to finish a lot of the plays. Finishing strong and my pull up jumper are the two main things I can tell a difference in."

On Alabama taking a lot of threes due to good MSU defense...

"We knew that (John) Petty was their best shooter so we guarded him hard and forced the other guys to shoot. We were keying on Petty and (Collin) Sexton and forced the other guys to have to make plays"

On the crowd tonight...

"I thought the crowd really helped us, especially in the end. They were all on their feet and being loud. I think that really helped."

Abdoul Ado (F) Freshman

On being a better rebounder...

"We take everything personal. From scoring, to rebounding, to passing, it is all personal. One thing we do best right now is we block out. All five guys are getting after it down low. We do a great job of that."
