HEAD COACH BEN HOWLAND

November 10, 2017

Alabama State vs. Mississippi State

Opening Statement...

“[Xavian] Stapleton reinjured his knee that he has had surgery to repair twice. We do not think it is that bad, based on the doctor looking at it, but you never know until we get an MRI. We will be trying to work that out for tomorrow. That put a major wrench in our game. The officials came out calling things very tight. The game did not have a flow to it early on because there were so many fouls. There were 20 fouls on both teams combined within eight or nine minutes into the game. The players need to understand how the game is being called, so they can adjust their game to it. We had a hard time doing that, so we went to zone. As soon as we went to zone, that helped us stay out of foul trouble. I think [Aric] Holman had a great first half, and ended up with a double-double. [Eli] Wright gave us great minutes today. I’m very glad we got the first win of the year and got off to a great start. It all continues next Saturday.”

On [KeyShawn] Feazell not playing...

“He sprained his ankle, and it turned out to be a bone bruise from the game against West Florida. Long story short, he got an MRI and there is nothing structurally wrong. He was out there tonight during warmups, and it would have been great to have him play. He needs this time. [Abdul] Ado practiced yesterday for an hour and 20 minutes, and he worked out today. We expect him to be back in practice the rest of this week and available for us next Saturday.”

On Holman’s performance...

“I was very excited for him. He ended up playing 21 minutes and we need him to keep pushing himself through exhaustion. He did a great job passing the ball, stretching the floor and blocking shots. [Lamar] Peters had seven assists. We broke the game open the first half, and it was penetration and hitting guys for open threes. It was a beautiful sequence when Peters hit [Nick] Weatherspoon in the corner and made the extra pass to Wright for the three in front of their bench. I love when the ball is moving and we’re getting wide open shots. Passing up a good shot to get a great shot is the best part about offense. We ended up winning the boards by six. I’m very glad we got the win.”

MISSISSIPPI STATE PLAYER QUOTES

November 10, 2017

Alabama State vs. Mississippi State

F – Aric Holman – So.

On playing with [Lamar] Peters ...

“It was real good. I know how our fans get together and how we find each other. I know how we played defensively, it was real good getting to play with him.”

On hitting all aspects of the game...

“I felt great, but at the end of the day I owe it all to my teammates. They are constantly telling me to score the ball and they help me build my confidence.”

On playing with intensity ...

“It’s just another part of me. That’s how I need to be though because I am skinnier, I need to be more aggressive to fit in.

G – Quindary Weatherspoon – So.

On bringing four guards to the court ...

“I think we can do it out of conference play, but I think once we get to conference play we’re going to have to play big. I don’t think it’ll work in conference play, but for right now, it’ll work.”

On playing bigger ...

“It’s good in a way, that I can play the court, I mean that’s how it went down tonight.”

G – Nick Weatherspoon – Fr.

On waiting for the moment to play at MSU...

“It was great, the crowd just gets into the game. With this just being my first college game, it was wonderful.
