HEAD COACH BEN HOWLAND QUOTES

November 18, 2017
Florida A&M vs. Mississippi State

On the adjustments made in the second half...

“We did a better job. E.J. Datcher, in particular, did a good job just coming up in the high post staying there and getting catches, turning and facing the basket and then passing the ball out to the perimeter again. The number one thing that we teach, the number one thing that we talk about is attacking the zone. The most vulnerable place is the high post. You have to get the ball to the high post. Aric Holman, he knows this, I don’t know why he wasn’t seeking the ball more. We actually started with [Quinnndary Weatherspoon] inside on the first possession against the zone, then we changed our offense to a baseline runner. They were showing a 3-2 [zone] and that’s what really helped us, getting that going for us.”

On the play of sophomore center Schnider Herard...

“Schnider [Herard] was like Bill Russell today. I mean he had six blocked shots. Now remember, he had seven blocked shots on the year last year, in all of our games. He had six tonight, so I hope that’s a good sign for the future because he was way more active trying to go after shots.”

On the play of freshman forward Abdul Ado...

“Abdul [Ado] was screening really well for us on the baseline. I was so excited for Abdul and his debut as a Bulldog today. I thought that he did a tremendous job. He had 12 [points], eight [rebounds] and three [blocks] plus a lot of stuff that doesn’t show up in the stats. He makes us so much better defensively.”

MISSISSIPPI STATE PLAYER QUOTES

November 18, 2017

Florida A&M vs. Mississippi State

G– Lamar Peters – So.

On Abdul Ado being on the court for the first time...

“It’s big, he’s another big body and he brings it every day. He’s a high-intensity guy and he does not want to lose. He wants to be the best he can be every single day. I know he’s going to come out there every day and give it his best shot so that was big for us today. He was big for us today and I was happy to have him out there.”

On Ado’s presence on how they play offensively...

“It impacts defensively and offensively but I really liked how it impacted us defensively. You know, teams won’t get a lot of second chances, but he rebounds the ball, he blocks the ball and he blocks shots. He is ready to catch the ball and he’s going to finish the run offensively. That’s a big thing for us and you saw it tonight.”

On what changed in the second half offensively...

“I’m only two games into the season and I seem to be in a slump. I just wanted to see one go in, and when I finally saw one go in, it felt good. My teammates encouraged me, ‘Go on, don’t worry about it, shoot the ball, just keep playing your game.’ So when I saw one go in, they told me, ‘Come on it’s going to keep coming.’ I just wanted to be there for them and just play hard.”

F – Abdul Ado– R-Fr.

On his first time being out on the court...

“It felt great, it felt like this day wouldn’t come, but it finally did. Before the game, I was really nervous, I talked to my teammates and my team encouraged me and told me that ‘It’s going to be okay, just practice like you’re playing somebody else’ just go out there and do what you do.”

On getting the ball...

“Our guys do a really good job at looking for the open man, so when they see you, they will make the pass. You just have to be in the right position and can’t stand in one spot, you have to keep moving all the time, (Quinnndary Weatherspoon) does a good job at that.”
