HEAD COACH Ben Howland

Green Bay vs. Mississippi State

Opening Statement...

“First of all, we beat a very good team tonight. They are a hard-nosed and tough team. Even when we built a solid lead, they never gave up and showed a lot of fight. In the first half, we got off to a great start with (Abdul) Ado being a force defensively. He did some very great things, and it was a shame he got a second foul so I did not play him the last 10 minutes of the half. I thought he was great offensively early in the game, as well as defensively as always. I thought (Lamar) Peters also had a very great game. We went 3-23, in which 10 of those 20 misses were wide-open shots. I think part of that comes from this being our second game in three days, and we are playing very hard defensively. It is November 20, and we are still trying to get into game shape, which could be part of our problem. We are coming up a bit short and need some more arch on our shots, but we will not work on shots tomorrow. We will do a walk through and then rest. When you look at (E.J.) Datcher's stats, he had a very great game defensively. Our defense held them to 38.9%. They got to the foul line 14 times in the first half and then 10 in the second. Again, we win because of our defense. We shot 46%, and when more than one-third of your shots are threes and you still win, it is because of your defending. If we can defend like we did tonight, we will have a shot at being very successful.”

On what Abdul adds to the court...

“He adds toughness, competitiveness and athleticism. He is 6-10 and 250 pounds, and he moved his feet very well tonight up against their four-men. His ability to close out and move makes him an exceptional athlete. He is 6-10 and 250 barefoot, and with shoes he is closer to 6-11 with a 7-5 wingspan. He is an NBA athlete.”

Head Coach Linc Darner

Green Bay vs. Mississippi State

On falling behind quick ...

“I think after the initial start of things, when it was 20-5 in the first six to seven minutes, I thought we played pretty good. We executed what we wanted to try to do which was try to make them shoot jumpers and hope they miss.”

On playing against an SEC Opponent ...

“Their big guys are just a lot bigger and stronger than what we have inside. We won’t face any other team that has four 6’11” guys like they do and that can play like that. We may face a team this season with one guy that size, but not four. I thought we held up pretty well.”

MISSISSIPPI STATE PLAYER QUOTES

November 20, 2017

Green Bay vs. Mississippi State

G – Lamar Peters – So.

On tonight's shooting percentage...

"We've been shooting a lot. We've been shooting it good at practice; just getting more reps. We're working on standing into your shot, just keep believing it and never go away from it. I felt like at times we missed a couple shots, we put our heads down and that effects us for the rest of the game. It'll come along during the season as it goes on. I just want to be aggressive. I still settle a little. I feel like I settled for some quick threes when I could've got to the paint. In the second half, I just wanted to do more of that; get inside and try to find guys like Tyson (Carter) and Q (Weatherspoon). Nobody could hit a shot tonight. I know those shots will fall during the season. I know Q and Tyson could hit those shots. Abdul (Ado) was able to get me open by setting great screens and getting me into the paint. I just made a couple of layups and was able to knock down my free throws."

On what Abdul brings to the game...

"It's the same things you see at practice. He's a high motor guy. He brings it every day. Like I said the last time, he hates to lose. I've never seen anybody that hates to lose more than him. He wants to win. He's very passionate and that's something you need. He's very helpful. He blocks shots. He crashes boards. He's never trying to get out worked and that's a big thing for this team going into the rest of the season. It's great to have a guy like this because he wants to be the best he came be. Every day he brings it. He's not satisfied with being average; he wants to be the best he can be. He's on a mission."

F – Abdul Ado – Fr.

On game confidence...

"After that first game that we played, the whole nervous thing kind of went away. I talked to my teammates about it and they said, 'Aye. That game is gone now. You just have to focus on the next game.' So, that's all I try to do. I do anything possible to get my team to win rather if it's setting a screen, blocking shots, playing defense, or rebounding. I try whatever I can to get my team to win."
