HEAD COACH BEN HOWLAND QUOTES

November 22, 2017

Stephen F. Austin vs. Mississippi State

On Stephen F. Austin being a high-quality team...

“I told the team that before we came in to this game. It’s difficult to play your third game in five days against a team this difficult. I told our team coming in that they’re an NCAA Tournament team, there’s no question. They’ll win their league. They have depth. Their best player, according to their coach, is not even playing – Ty Charles. He’s their best player. So they’re loaded. They’ve got players. They’re a very difficult team to play against offensively, because they just deny everything. They’re so up-the-line, forcing you to drive. Finally, the second half, Tyson Carter really figured it out for us. I thought Tyson did a tremendous job tonight attacking and finishing at the rim. It really hurt us that we didn’t make our foul shots. We missed two one-and-ones, and we missed two two-shots, both shots. That also kept them alive. We had a 14-point lead with five or six minutes left. I don’t have a lot of hair left to begin with, but this is brutal. I’m going to be completely a cue ball by the end of this season at this rate.”

On the adjustments made in the second half...

“I thought in the first half, we were gambling too much. I really got on [Quinnndary Weatherspoon] about gambling. It hurt us to not have yesterday’s preparation. We took yesterday off from practice and didn’t do anything on the floor because I felt like we needed our legs. At the end of the day, that was really important. We had to play some perimeter guys a lot of minutes tonight. That was big for us. We had 19 turnovers, 11 in the first half. So we did a little better job of that in the second half. We made a few more threes than we’ve been making, but we’re still not where we want to be. We missed some wide-open threes. If you look at rebounding, we went on the boards. I thought Aric Holman had a very important second half for us, defensively. He didn’t get beat by [Leon Gilmore] driving to the left. We had the scouting report; he’s always going to the left. [Ivan Canete] came in and hurt us. I thought the press hurt us, too. To give Stephen F. Austin credit, they change their defenses; they change their presses. They did a lot of things to try to disrupt us, including in the last three or four minutes just running and doubling the ball.”

On the performance of sophomore guard Tyson Carter and the atmosphere of the crowd...

“What he did well tonight that we needed him to do was get defensive rebounds. He’s a very good defensive rebounder. He hadn’t been doing that in the first three games; he was more focused on that today. Again, I credit our guys. It was a great crowd tonight. I’m so thankful for the crowd and all the Bulldog fans that were here to support this team. It was a wonderful crowd that really got behind our team when we were down and helped us get back in the game. I’m so thankful to all of you. What a great crowd tonight. I think everybody can recognize, this is going to be a fun team to support this year because they play really hard. I think that we’re doing a good job of playing unselfish and doing a lot of good things.”

MISSISSIPPI STATE PLAYER QUOTES

November 22, 2017

Stephen F. Austin vs Mississippi State

G – Quinndary Weatherspoon – Jr.

On defense performance in the second half...

“We just came together. We knew that we needed stops to get a win. We try to pride ourselves on defense. We know that we haven’t been making a lot of shots this year, so defense is the reason we’ve been winning games. We came in the locker room and came together and said, ‘we need to get a couple of stops and try to get a win.’”

On turnovers...

“We just settled down. We kind of got used to the pressure and stopped playing with the ball. We had our five set screens back court to release some of the pressure and I think that helped.”

F – Aric Holman – Jr.

On the teams performance during tightly scheduled games...

“First, I’d say that we’re very confident, but I’ll say that we’re fine. Coach Howland takes pride in stuff like that – making sure we get all our rest and ready for the next game. So, I think we’re fine.”

G – Tyson Carter – So.

On the teams game performance...

“We’ve been struggling a little bit from the three. They didn’t have a true 5-man that could block shots but they were pressuring. So, we felt like we could drive to the basket and get something going.”

On his willingness to drive to the rim...

“When you get labeled the shooter, other teams will try to run you off the three-point line, and that just opens up a drive. They were pressuring out real far so that opened up driving lanes all over the court.”

Head Coach Kyle Keller

November 22, 2017

Stephen F. Austin vs. Mississippi State

On overall play tonight...

“I think both teams learned a lot about themselves tonight, I give coach Howland credit for showing unbelievable resolve in the way they played the second half. I thought they were desperate. I don’t know what was wrong with (Lamar) Peters, but they learned to win without their lead guy, and that says a lot about the character of their team.”

On playing against Ben Howland...

“Coach Howland is one of the great coaches in our sport and Mississippi State is so lucky to have him here. Those players are so fortunate that he is leading them every day. If they don’t listen to him it’s a tragic mistake because he is one of the greatest coaches in our sport. They should listen to whatever he says and do it 10 times because he is one of the best.”
