HEAD COACH Ben Howland December 9, 2017 North Georgia vs. Mississippi State

On tonight's 95-62 win...

"I thought, early in the game our defense was very good. That is what be are building on, defensively, in order to be a good team and to compete in this great league, the SEC. People may wonder about the reasoning behind playing a non-D1 team, but coming out of finals week the last two years has been poor. I wanted to make sure that did not happen again and so we could get our feet back under us. We just wrapped up our finals, and our academic coordinator has done a phenomenal job. I am led to believe we have had our best semester, by far, academically in my tenure. I am very excited about that for our players, and that means that now it's all basketball. Our last final was Thursday, and now its strictly basketball until we come back to start classes on January 8. This is one of my favorite times of the year, because we are in season, we get to practice and there are no excuses, so we are able to focus on a common thing. Playing ball and preparing. North Georgia has a connection to us, as Michael Moynihan played there in his last year in college. We were looking for a game and felt that was a good team since he played there in his past. I was very excited for our walk-ons to all get a chance to get in and play some very good minutes. I thought [Q] Weatherspoon played well tonight, and [Aric] Holman shot well. He shot 5-5 from the field, with six rebounds, 13 total points and only played 13 minutes. Tonight, we played a lot of guys without anyone playing major minutes. Right now, everything is about the Tuesday game against Cincinnati."

MISSISSIPPI STATE PLAYER QUOTES

December 9, 2017 North Georgia vs Mississippi State

G – Quinndary Weatherspoon – Jr.

On team's confidence going into Cincinnati's game...

"I think we do as long as our defense travels with us."

On shoot confidence...

"I been confident all year. It's just that they have been going in and out, but tonight they finally fell. So, I hope that's a boost for me for the rest of the year."

On maintaining his level of play...

"I just have to stay being aggressive. My teammates set me up to be in good positions and I think that help everything fall into place."

On Aric back in the starting line-up...

"It's been good for defense. I know Aric [Homan] and Abdul [Ado] are two shot blockers, so they give us an advantage on the perimeter to presser those guys. If we get beat, we don't have a lot of consequences because we have those two guys back there blocking shots. So, I think that is really good for us.."

F - Aric Holman - Jr.

On team's confidence going into Cincinnati's game...

"We're very confident and we stay locked in. We have to learn new things at any moment."

F – KeyShawn Feazell – fr.

On confidence after career high game...

"My teammates help me. They help me set up wide open shots. That's a pretty good confidence booster."
