Mississippi State vs. Little Rock

Opening Statement...

"I thought that Arkansas Little Rock played really hard. They were very smart and patient offensively. They made so many shots as the shot clock expired. We did not attack the zone or the man early. In the first seven or eight minutes we were shooting way too quickly. That is part of the problem. We have to earn every single victory. I thought the second half, Q's play was big. He had two drives to the basket and made a great pass to someone. I thought Abdul's (Ado) defense was terrific tonight. He had 13 rebounds. He does so much that doesn't show up in the stat sheet. The rebounds do, the blocked shots do, but everything else he does doesn't show up. He is a real presence on the defensive side of the floor. I am really excited about Abdul."

On what he said at half time...

"It wasn't some great speech by me that made us play better. It was just presenting the facts. These guys are not going away. They are being very patient. We have to be very patient with our defense. We have to be smarter offensively on that end of the floor. We have to rebound better. You have to understand that we have to earn this. I thought Lamar (Peters) gave us some really great minutes on the defensive side of the floor. That is something he has really had to work at off the ball. Our offense shot 37 percent tonight. That is what we are hanging our hat on. We are trying to be a really good defensive team. I thought Nick Weatherspoon in the second half was big. He had a couple big threes. Even when things aren't going well for us he's on the bench and he is super positive with his teammates. He is a great teammate. I was excited for Q and his 1000th point. He helped us win this game today. We will work on our foul shooting tomorrow. Fifteen for 27; we cant do that. That is my fault, we will spend more time taking foul shots."

On changing defense...

"I don't think we were that sharp on man to man really because we haven't seen it."

Mississippi State Player Quotes

December 20, 2017

Mississippi State vs. Little Rock

G – Quindary Weatherspoon- Jr.

On difference between first and second half...

“We’re just coming out flat in the first half and that’s something we need to change. But I think once the game gets going and we come out after half time and see what’s been going on, I think we just all get our minds right and come out and play harder in the second half.”

On reaching 1,000 career points...

“It means a lot to me, just to get into that category with all of the guys that did it before me. And I just credit my teammates, from my freshman year to now, for putting me in the opportunities to score the basketball.”

G- Abdul Ado- Fr.

On difference between first and second half...

“We try to play aggressive as much as we can because we pride ourselves on defense. So the first half, we came out flat. I don’t know what it is, we always start flat, but we always make adjustments in the second half on the defensive end.”

On becoming more of an offensive threat...

“I can say that I’ve never been a guy that you’ve actually depended on to score. I’m more of the guy who does the dirty job like getting your rebounds, and blocks. I’m working on my offensive skills and I really pay a lot of attention to improving a lot but I pride myself more on defense.”
