HEAD COACH BEN HOWLAND
December 30, 2017
North Florida vs. Mississippi State

Opening Statement...

“Our defense, finally, did a good job opening the second half. They really were hard for us to stop. I don’t know what our guys expected. You try and get them ready for this game the best you can. That team is going to win games in their league. The way they shoot the ball, they really run good offensive sets. They run them hard. I thought the first half was back and forth. Finally we got a good lead there in the second half. I thought Stapleton came in and gave us good minutes off the bench. In the second half he really helped us blow it open. I thought Nick Weatherspoon’s defense in the first five minutes of the second half was key. He was diving on the floor and doing tough things. We have to be better defensively to have a chance to win our conference.”

On the improvement from the three-point line in the second half...

“That is a great question. We were 21-31 from the field in the first half. We were 0-3. Then we come out in the second half and are 7-11. I thought our guys did a better job of moving the ball. If I knew why I’d be a really happy guy. Our shooting percentage from three hasn’t been great. It has to be better to have a chance in the SEC.”

On players missing shots...

“I don’t really discuss it. I have never thought about getting on a guy for missed shots. It is about taking good shots. If you wait and take good shots, all of a sudden we are moving the ball. The one thing I love about tonight is we had 24 assists on our 44 baskets. We did a good job assisting the basketball.”

MISSISSIPPI STATE PLAYER QUOTES

December 30, 2017

North Florida vs. Mississippi State

F- Aric Holman- Jr.

On what helped the offensive side of the game tonight...

“Being patient. That is a key thing for us. Coach Howland talks about that everyday in practice, just being patient because we all can score the ball, obviously. Being patient gives us better shots.”

On if this team is ready for SEC play...

“Yes. Absolutely, but it is a whole new season now. We can’t dwell on what happened in non-conference. It is a whole new season, whole new teams, better teams and more aggressive teams. So, we have a whole new game plan now.”

On surviving the first half...

“We were playing every possession as hard as we could. Coach Howland gave us the heads up; they are a great offensive team and they were hitting tough shots. Sometimes you have to deal with that and find a way to win.”

G- Xavian Stapleton- Jr.

On what happened in the second half with the three-point shooting...

“It was a matter of better looks and guys making better passes. I give credit to my teammates. We were being really unselfish out there. If we saw guys open, we made the extra pass, and guys were able to knock down shots.”

On getting back in the flow of things after his injury...

“It felt good. I just feel like I am getting more comfortable. The more I am out there, the more comfortable I will be. Like I said, I give credit to my teammates for finding me open and giving me open shots when I am there. I was able to lock in and knock them down.”
