COACHING STAFF

HEAD COACH VANN STUEDEMAN

Huntingdon College 1994 • Second Season

Coming off a "Vanntastic" inaugural season as the leader of the Mississippi State softball program that was highlighted by the program's ninth appearance in the NCAA Tournament, Bulldog Head Coach Vann Stuedeman has already shown why she is one of the most talented young head coaches in collegiate softball.

On Thursday, June 23, 2011, Mississippi State University and Director of Athletics Scott Stricklin announced Stuedeman as its new softball coach. Less than a year later, the Vestavia Hills, Ala., native became the winningest first-year head coach in school history (.579), guiding the Maroon and White to a 33-24 overall record. It was only appropriate Stuedeman, hailing from Alabama, opened the 2012 season with five-straight wins in the state, the first time in school history MSU had ever won five-straight games in Alabama.

Known as a pitching genius in her previous 11 seasons as the pitching coach at the University of Alabama, Stuedeman made her biggest impact inside the circle. The skipper took a school-record high 4.90 ERA from 2011 and with the same exact group of five pitchers, almost cut the number in half to a much more respectable 2.88 ERA this past spring. In addition, using the same exact five pitchers from the 2011 season, Stuedeman helped the pitching staff improve in the following categories from 2011 to 2012: wins (24 to 33), complete games (12 to 20), no-hitters (zero to one), hits allowed (435 to 310), runs allowed (313 to 194), strikeouts (242 to 358), home runs allowed (50 to 27) and opponent batting average (.300 to .224). The Bulldogs shut out opponents five different times, including doing so on the road in SEC play for the first time in over four years.

Individually, Stuedeman coached staff ace Stephanie Becker to a career year. Going up against eventual Women's College World Series participant South Florida, Stuedeman called her 24th career no-hitter, with Becker giving up zero base knocks against the Bulls. Later on in the year, Becker became the first Bulldog pitcher since Stephanie Comeaux in 2006 to be named SEC Pitcher of the Week after picking up three conference victories in the series sweep vs. Kentucky. The Chicago native finished the weekend with a 2.15 ERA and an impressive 15-2 strikeout-to-walk ratio. In her last nine appearances of 2012, Stuedeman coached Becker to a perfect 4-0 record, a microscopic 0.55 ERA in 25.2 innings of work and an impressive 22-5 strikeout-to-walk ratio.

Stuedeman also focused heavily on improving on the defensive front, increasing the Bulldogs' fielding percentage from 2011 to 2012 by nine points (.954 to .963). In the outfield, MSU improved from a SEC-high 58 doubles allowed in 2011 to a much lower mark of 39 two-baggers given up. Overall, Stuedeman's staff gave up only 154 earned runs in 2012, almost 100 less than the previous spring's number of 250.

From a historical standpoint, Stuedeman accomplished a great deal in her first spring at the helm of the MSU softball team. With Stuedeman taking MSU to its first NCAA Tournament since 2009, she became one of only two first-time head coaches to make the field of 64. With 33 overall wins, Stuedeman guided MSU to its first 30-win season since 2008, despite having the fourth-toughest strength of schedule in the nation. More than half (18) of the 33 victories were of the come-from-behind variety.

Thirteen of the team's 33 wins came in the month of April (13-2), making it the winningest April in school history. Starkville's Team won 14 of its last 20 games to end the season, including a 12-game winning streak from April 10 - May 4, 2012. The stretch was the Bulldogs' third-longest overall winning streak in school history and best since the 2006 team opened the season with a school-record 16-straight victories.

In addition, she led the Bulldogs to their 12th SEC Tournament berth overall with 12 SEC wins, the most for MSU since 2008. Half of those wins came in sweeps against Kentucky in Starkville during Super Bulldog Weekend and Ole Miss in enemy territory. For the first time since 2001, MSU swept back-to-back three-game series and won six-consecutive conference games. Two of those six wins were on national television, giving Stuedeman a perfect mark on the tube in the regular season.

Outside the SEC, Stuedeman was dominant. Mississippi State won 21 non-conference games, its most since 2008 (28). State's 13-straight non-conference triumphs was its longest streak since MSU won a school-record 16-consecutive contests to begin the 2006 season. In midweek games alone, MSU went a flawless 8-0 against out-of-league foes.

On the road, the 2012 Bulldogs broke the school record for true road wins in a season with their 13th road win at Auburn on May 4, 2012. State had two five-game road winning streaks, its longest road winning streaks since winning eight in a row from March 27 - April 19, 2001. The eight SEC road wins by MSU were the most since the Bulldogs won eight in 2001.

In OUR state, Stuedeman shined the brightest. For the first time since 1998, the Maroon and White went undefeated (8-0) against teams from the state of Mississippi. The Bulldogs won a pair of games against SWAC foes Mississippi Valley State and Jackson State, shut out Southern Miss in Hattiesburg and swept rival Ole Miss in Oxford for just the third time in school history.

With late innings being her innings, the fifth head softball coach in school history made sure her team played the best when it counted most, outscoring opponents 64-31 after the fifth inning. State went 9-7 in one-run games, its best winning percentage in one-run games since 2002. Three of those nine wins came in a row, marking the first time since a 2007 series sweep of South Carolina where the Bulldogs won three-straight games by just one run. The Bulldogs never choked, finishing 21-0 when leading after the fifth frame. Of course, Stuedeman preferred not to keep it close, as MSU's eight runrule victories were the program's most since the 2008 team tallied 13 game-shortened triumphs.

From an offensive standpoint, Stuedeman oversaw a lineup that set the school record for single-season walks (202), while finishing in the top 10 in runs, home runs, slugging percentage and stolen bases. On the base paths, MSU was 22nd in the country in stolen bases per game (1.61). As a result of the offensive production, Stuedeman coached MSU's first SEC Player of the Week since 2010, two SEC Player of the Weeks in the same season for the first time since 2004 and only the second National Player of the Week in school history.

Prior to her arrival in Starkville, Stuedeman helped the Alabama Crimson Tide claim three Southeastern Conference regular-season titles en route to reaching the Women's College World Series six times.

As an assistant coach since 2001, Stuedeman helped the Tide go 579-150 from 2001-11 (.794), including a sparkling 243-70 record inside the notoriously tough SEC. Stuedeman anchored a staff that had an earned run average under two in eight of her 11 campaigns, struck out an average of 485 batters per season and held opponents scoreless in 221 games. The 2011 staff led the SEC in ERA, giving Stuedeman's staff a top-20 ERA nationally in five of the previous six seasons before she left Alabama.

In the seven seasons before her arrival at State, Stuedeman coached an All-American pitcher, with her tenure in Tuscaloosa producing a total of six All-American pitchers with 11 All-America and All-SEC honors. Under her instruction, Tide pitchers registered a whopping 23 no hitters, including three perfect games. Three times during her stay 90 miles east of Starkville, Stuedeman coached the SEC Pitcher of the Year, while racking up 19 SEC Pitcher of the Week honors. In addition to the aforementioned accolades, the first-year head coach also coached two SEC Freshman of the Year and one SEC Tournament Most Valuable Player.

In 2011, Stuedeman tutored a pitching staff that finished with a 1.69 ERA, a 53-10 record and a third-place finish at the Women's College World Series. The staff included a pair of All-American pitchers in senior Kelsi Dunne and freshman Jackie Traina. Dunne, a volunteer assistant coach at Mississippi State in 2012, capped off her stellar career with a 29-5 record and a 1.42 ERA. The right-hander struck out 331 batters and held opponents to a school-record .146 average. Dunne also tossed three no-hitters and posted 11 shutouts. Traina posted a 19-5 record with a 1.70 ERA, adding 190 strikeouts in 156.1 innings. She also threw two no-hitters and three shutouts while collecting four saves.

Prior to joining Alabama, Stuedeman coached at West Alabama, Alabama-Huntsville and East Limestone High School. A native of Birmingham, she's a 1994 graduate of Huntingdon College, where she was an important member in the Hawks' two third-place finishes at the national tournament (1992 and 1994). The 1994 All-American was inducted into her alma mater's Hall of Fame on Oct. 8, 2011.

Stuedeman served as a graduate assistant at the University of West Alabama from 1995-96 while earning her master's degree in elementary education, helping lead the

team to the Gulf South Conference championship in 1995 while the team's head coach was away from the team on maternity leave. The championship was the first in the '90s for the West Alabama program and the first winning season of the decade as well.

After spending two seasons at UWA, Stuedeman went to the University of Alabama-Huntsville for the next three years as an assistant coach for her sister, Les Stuedeman. Her main priority was working with the pitchers and outfielders.

During her entire stint there, the UAH pitching staff ranked in the top five in Division II in ERA. She helped lead the program to two Gulf South Conference championships, three NCAA Regional appearances and a trip to the 1999 Division II National Tournament.

She was also a part of the staff that was named South Region Coaching Staff of the Year in 1999. She then accepted the head coaching position at East Limestone High School, in Athens, Ala., where she led the team to its first winning season since 1994.

ASSISTANT COACH BETH MULLINS

UAB 2004 • Second Season

Beth Mullins is in her second season with the Bulldog softball program after serving as an assistant coach at Western Kentucky in 2011. She had previously been an assistant coach at UAB and Georgia Southern.

The Fairhope, Ala., native primarily coaches the outfielders, but along with Assistant Coach Alan Reach, also serves as the hitting coach. In addition, Mullins handles the organization and execution of MSU Softball Clinics as well as aids in the recruiting process.

In her first season as an assistant coach in the Southeastern Conference, Mullins developed left fielder Jessica Cooley into one of the most feared power hitters in the conference. Having hit two home runs with a career .202 average in 95 games entering her junior season, Cooley thrived under Mullins' coaching, knocking out a team-best 15 home runs (T-4th in SEC, third in school history) with a .310 clip at the dish. With Mullins' tutoring, Cooley was named a Third-Team All-American by CollegeSportsMadness.com, becoming MSU's sixth All-American. In addition to her extra work in the cage with Mullins in late February, Cooley was named SEC Softball Player of the Week on March 5, 2012, and USA Softball Collegiate Player of the Week on March 6, 2012. The league honor was MSU's first in over a year and the national accolade was the Bulldogs' second in school history.

Mullins' first season in Starkville also coincided with the meteoric rise of center fielder Jessica Offutt. After hitting .154 with four hits and five stolen bases in three starts (35 games played) in her debut campaign in 2011, Offutt started all 57 games in 2012, raking at a .268 clip with 42 hits and a team-best 17 stolen bases. With Mullins working on her jump off time on the base paths, Offutt became the first player in school history with a flawless stolen-base percentage (17-of-17) with a minimum of 15 attempts. Offutt was not the only one who reaped the benefits of Mullins and her base-running teachings, as MSU finished 22nd nationally in 2012 in stolen bases per game (1.61)

As a whole, the Bulldogs' offense improved under the tutelage of Mullins in seven different major statistical categories: batting average (.262 to .274), runs scored (233 to 254), hits (372 to 397), walks (182 to 202), strikeouts (351 to 282), on-base percentage (.357 to .383) and stolen bases (48 to 92). With an advanced two-strike approach and a more disciplined approach at the plate, Mullins guided hitters to a school record in walks and walks per game (3.54). Historically, the 2012 offense finished in the single-season top 10 in school history in runs, home runs, slugging percentage and stolen bases.

Defensively, Mullins coached with Vann Stuedeman's "Gotta Be Caught" mentality. As a result, MSU improved from an SEC-high 58 doubles allowed in 2011 to a much lower mark of 39 two-baggers given up in 2012. Fielding also improved dramatically, increasing the Bulldogs' fielding percentage from 2011 to 2012 by nine points (.954 to .963). Overall, the defense gave up only 154 earned runs in 2012, almost 100 less than the previous spring's number of 250.

Prior to her arrival in Starkville, Mullins tutored the 2011 Western Kentucky squad to the highest batting average in school history (.279). The Lady Toppers also set single-season records for triples (14), RBIs (221) and slugging percentage (.419).

Mullins made the move to WKU following a three-year stint at her alma mater, UAB. In her final season with the Blazers in 2010, the team broke 15 individual and team offensive records while leading the program to its first NCAA Regional appearance. The group also topped Conference USA in six offensive categories.

Under her watch in Birmingham, UAB improved in team batting average, doubles, triples, RBIs and runs scored each season.

Mullins returned to her old playing field after a two-year stop as an assistant coach at Georgia Southern. During that stint, she helped the Eagles to a Southern Conference Tournament title and the program's first NCAA Tournament appearance.

In 2006, she tutored SoCon Player of the Year Shanita Black, who broke 12 school records en route to earning conference tournament Most Outstanding Player and All-Southeast Region accolades.

A starter for the Blazers from 2001-04, Mullins was named to the Conference USA All-Freshman team her first year in Birmingham. As a sophomore in 2002, she led the team in RBIs (31) and walks (17) as the Blazers won a program-best 39 games. During her junior campaign in 2003, Mullins led the team in home runs (five) and walks (16).

As a senior, the right-handed hitter was named All-Conference USA after anchoring the squad in batting average (.311), hitting (51), on-base percentage (.379), RBIs (27) and home runs (5). The future coach posted at least 20 wins all four seasons as a player at UAB, finishing her career ranked in several top-10 categories in school history, including: RBIs (fourth), home runs (fifth), total bases (fifth), hits (sixth), doubles (sixth) and walks (seventh).

ASSISTANT COACH ALAN REACH

Alabama 2002 • Second Season

Alan Reach is in his second season with the Bulldog softball program after serving as the head coach of Tuscaloosa County High School since the 2005-06 season. He had previously been an assistant coach at the University of Georgia during the 2004 season.

The Pelham, Ala., native primarily coaches the infielders, but along with Assistant Coach Beth Mullins, also serves as the hitting coach. In addition, Reach is responsible for recruiting the west coast and the state of Texas, where three of the four freshmen in the 2012 class hail from.

At the dish in his first year, Reach worked with and developed the talents of 2012 National Fastpitch Coaches Association All-South Region First Team players Ka'ili Smith and Sam Lenahan, as well as 2012 CollegeSportsMadness.com All-SEC designated player Brittany Bell.

With Reach's consultation, Smith finished fifth in the SEC in on-base percentage (teamhigh .495) and walks (44, fifth in school history), as well as ranking ninth with a team-best .355 batting average and 11 doubles. Reach guided the "Hawaiian Hammer" to SEC Player of the Week honors on April 16, 2012, giving State its second weekly honor in the same season for the first time in eight seasons. At the end of the year, Smith was also named to the NCAA Eugene Regional All-Tournament team.

Also under Reach's guidance, Lenahan became the fourth Bulldog sophomore in the history of the program to be named to the NFCA All-South Region First Team. The Lawrenceville, Ga., native finished the 2012 campaign with an impressive .321 average, knocking out 54 hits, driving in 28 teammates, tapping the dish 26 times and collecting seven doubles.

In her final year wearing the maroon and white, Bell used Reach's words of wisdom en route to All-SEC honors, finishing sixth in the league in average (.368), fifth in slugging percentage (.651, ninth in school history), third in on-base percentage (.525, 16th nationally), 12th in runs scored (40), tied for fifth in triples (3) and 13th in total bases (99).

Collectively, the Bulldogs' offense improved thanks to the guidance of Reach in seven different major statistical categories: batting average (.262 to .274), runs scored (233 to 254), hits (372 to 397), walks (182 to 202), strikeouts (351 to 282), on-base percentage (.357 to .383) and stolen bases (48 to 92). With an in-depth two-strike plan and a better understanding of their approach at the plate, the Bulldogs set single-season school records for walks and walks per game (3.54). In MSU history, the 2012 lineup ended with single-season top-10 marks in runs, home runs, slugging percentage and stolen bases. In addition, MSU was 22nd in the country in stolen bases per game (1.61).

Away from the batter's box, Reach helped solidify the infield defense. Due to his coaching, the Maroon and White increased its fielding percentage from 2011 to 2012 by nine points (.954 to .963). Overall, the defense gave up only 154 earned runs in 2012, almost 100 less than the previous spring's number of 250.

Before putting on a Mississippi State cap, Reach coached the TCHS Wildcats to the area title and a fourth-place finish in the Class 6A State Tournament in 2011. Playing in Alabama's largest classification, his squad advanced to the state tournament after taking runner-up accolades in the AHSAA North Central Regional Tournament.

In 2009, the two-time West Alabama 6A Coach of the Year was named head coach of the AHSAA North All-Star Team after guiding TCHS to its second state tournament showing. The team also claimed region and area championships. Reach coached current Bulldog outfielder Jessica Offutt in the all-star game.

Reach is no stranger to the SEC, as he served as an assistant coach for Georgia's 2004 squad that went 55-17 and fell one win shy of advancing to the Women's College World Series. Under his tutelage, the Bulldogs posted the third-highest batting average in the nation in 2004, with two players (Kim Wendland and Nicole Barber) claiming First-Team NFCA All-America and All-SEC accolades.

A 2002 graduate of Alabama, Reach played middle infield for the Wallace Community College-Selma and Tennessee Wesleyan College baseball teams. Following graduation in Tuscaloosa, Reach returned to his high school alma mater, Pelham High, as an assistant coach from 2002-03. After spending the year at Georgia following the stint in his hometown, Reach coached at Central High School in Carrollton, Ga., from 2004-05.

Reach and his wife Ann are the proud parents of their first child, Harper, born on Oct. 20, 2011.

BULLDOGS IN THE PROS

For more than a decade, Mississippi State players have continued their playing careers professionally through the Women's Professional Softball League and currently the National Pro Fastpitch league.

Courtney Bures was State's most recent addition to NPF as she was drafted 16th overall by the Washington Glory in 2008. The two-time first team all-American made an immediate impact, tying for seventh in NPF in RBI and fourth in home runs while leading the Glory to the NPF championship series. She played this past season for the Akron Racers, continuing a trend of Bulldogs that have played in the organization, including Melissa Massey, Kasey Whitehead and Ivhia McMichael.

Akron selected McMichael, a former all-American, with the No. 1 senior draft pick in the league's inaugural

McMichael led the Racers to the 2005 crown, hitting the winning home run off Jennie Finch a year after claiming the league's MVP award. Although McMichael claimed top league honors in 2004, her former teammate Kellie Wilkerson helped lead the New York/New Jersey Juggernaut to the NPF championship.

Langley, who totaled a 34-78 (,304) mark as State's volleyball coach from 1983-85, led the Bulldogs to their first winning season in 1985, then guided the Maroon and White to another winning campaign in 1986 before the discontinuation of the program.

KATHY ARENDSEN

1997-2002 · 220-160 (.579)

Having reintroduced the sport to State's varsity program in 1997, Arendsen led the Bulldogs to the championship game of the 1998 SEC Tournament before a 44-win campaign in 2000 helped the Bulldogs secure their first postseason berth. Arendsen coached 14 All-SEC and 12 All-American athletes in her six-year career in Starkville. A 13-time ASA all-American as a player, she also had 48 of her players named to the SEC academic honor roll during her tenure.

JAY MILLER

2003-11 • 295-253 (.538)

Miller secured NCAA postseason bids in six of his nine seasons in Starkville. He became the Named the United States National Team head coach for the 2009-2012 quadrennium, Miller coached three all-Americans at MSU, with three of his players earning SEC Athlete and SEC Freshman of the Year accolades. In 2008, Miller became just the third Southeastern Conference coach to be inducted into the National Fastpitch Coaches Association Hall of Fame.

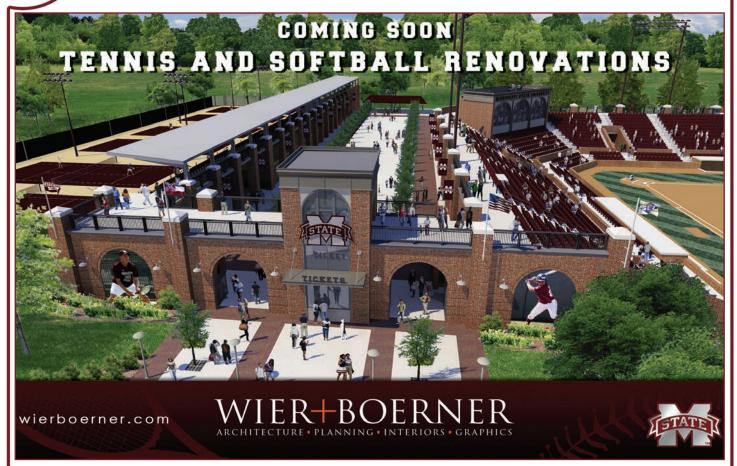

VANN STUEDEMAN

Stuedeman made a "Vanntastic" impact in her first season, recording the winningest first year by a head coach in school history. The skipper took the Bulldogs back to the NCAA Tournament for the first time in three seasons, tallied the best April in school history (13-2) and also registered the most road wins in a single season in the history of the school.

MSU SOFTBALL STADIUM

Located on the north side of the Mississippi State campus since 1997, the MSU Softball Field sits in the heart of Mississippi State's impressive physical plant. As announced in 2012, the softball facilities will soon undergo a complete upgrade in the next few years, including a brand-new stadium at the current location (rendering above). The stadium is scheduled to host the 2014 SEC Tournament, one of the most prestigous tournaments in all of college softball.

This past January, the upstairs interior of the softball complex was completely renovated. The highlight of the renovations is a state of the art team room, complete with the most up to date audio/video setup inside a movie theater-type setting.

In February 2012, \$60,000 worth of renovations were installed to the current stadium, including new banners on the bleachers and bullpens, as well as new graphics on the foul poles and dugouts.

The current facility features a main grandstand area which accommodates more than 750 people. Also included is a press box complete with phone lines and a public address system, an electronic scoreboard and bullpens behind both stepdown dugouts which are complete with restroom facilities for both teams.

Hailed as one of the top playing surfaces in the Southeastern Conference, the field stretches 200 feet down the left and right field lines and spans 220 feet to straight-away centerfield. The regulation NCAA Championship field features Mississippi Pride grass - developed by researchers on the Mississippi State campus - making it home to one of the finest playing surfaces in the country. A grounds crew is responsible for the field maintenance of the MSU Softball Field.

With each season, the MSU Softball Field seems to get better and better. On top of the renovations, new stadium plans and brand-new playing surface, the facility added a new, state-of-the-art LED scoreboard in January 2013 that will have future videoboard capabilities.

Following the program's inaugural season in 1997, lights were added to the facility, bringing a much-more enjoyable climate to Bulldog fans as well as visiting fans across the country. In 2000, another facility-improving project was completed as the MSU Softball Field's dugouts were enhanced with brick, bringing yet another eye-pleasing feature to the facility. In 2001, construction of an additional batting cage, as well as the placing of sidewalks in and around field and spectator areas, were added

Work was completed in the fall of 2005 on a \$1 million indoor facility which features a stateof-the-art practice field, as well as a locker room, clubhouse, training room, coaches' locker rooms and players lounge. In addition, a revamped bullpen area was added just behind the dugout on the third base side of the facility. Following the 2010 season, Mississippi State's heralded landscaping crew added a contemporary landscaping design between the indoor facility, the only one of its kind in the nation, and the third-base dugout.

Since beginning play at the MSU Softball Field, Mississippi State has posted a 280-136 (.673) overall record and, in 1999, tallied a program-high 21-6 record at home, including a 12-2 mark at home inside the Southeastern Conference. Mississippi State has also shutout its opponent 84 times in front of its home fans - 33 times completing the task in abbreviated innings.

The opening game on the newly constructed Mississippi State Softball Field came on Feb. 26, 1997, when Mississippi State hosted visiting Samford University. The Bulldogs opened the park successfully, sweeping Samford 4-0 and 4-0 in a doubleheader witnessed by more than 300 fans that braved the inclement weather

MISSISSIPPI STATE UNIVERSITY

MISSISSIPPI STATE UNIVERSITY

Mississippi State is a comprehensive land-grant institution and the largest university in Mississippi, with a statewide enrollment of more than 20,484 students. Established in 1878 as the Agricultural and Mechanical College of Mississippi, the university has traditional strengths in engineering and scientific agriculture but has evolved into a comprehensive institution with a diverse array of programs in teaching, research, and service.

ACADEMICS AND STUDENT LIFE

Mississippi State students consistently earn honors such as the prestigious Harry S. Truman Scholarship, awarded for those who will enter public service, and, with 16 Truman Scholars to date, the university has been recognized as a Truman Honor Institution. In the past year, a student team competed for and won first place in a national Challenge X competition to redesign a fuel-efficient and environmentally-friendly SUV.

Recently initiated programs are providing opportunities to develop leadership potential and global study options.

The university's Global Leadership Continuum provides "cradle-to-CEO" programming designed to develop leadership across a "global" spectrum that begins with high school and continues through the university experience and into professional life. Included are the Young Guns Leadership Camp for rising high school seniors; the Day One Leadership Community for incoming freshmen, focusing on shared academic and service experiences; and the highly competitive Appalachian Leadership Honors Program for sophomores and juniors.

To complement these efforts, the university has launched a minor in leadership studies open to students in all

To complement these efforts, the university has launched a minor in leadership studies open to students in al majors. A university honor code adopted in 2007 institutionalizes a campus culture of integrity and personal responsibility in academic studies. Through the Global Leadership Program, students may experience significantly expanded study abroad opportunities.

RESEARCH

Mississippi State faculty researchers attracted \$186.5 million in external funding for 2006-07, up from about \$155 million during the previous year. This funding supported 1,691 sponsored projects in 2007.

Based on the latest rankings available from the National Science Foundation, MSU ranks seventh in the nation in agricultural sciences research expenditures and 44th in engineering. Last year MSU faculty and staff disclosed 80 new technologies resulting in three new start-up companies, nine licenses, and 22 patent applications. The university now holds 77 patents.

In recent years, MSU has established the Thad Cochran Endowment for Entrepreneurship, as well as collaborating with federal agencies and industries to help increase technology-oriented start-up companies. Among the collaborators and sponsors are the U.S. departments of Defense and Energy, NASA, General Electric, Northrop Grumman, EADS/American Eurocopter, Boeing, Raytheon, General Dynamics, Israeli Aerospace Industry, and the Mississippi Technology Alliance.

In a key area of economic interest to Mississippi, MSU's Center for Advanced Vehicular Systems, established in 2001, continues research and development supporting a goal of attracting automotive industries to the state. The center is conducting research in areas that include materials processing, human and systems engineering, alternative power systems, computational manufacturing and design, and advanced learning technologies.

MISSISSIPPI STATE UNIVERSITY

THE BULLDOG

Mississippi State University's athletic teams are called Bulldogs, a name earned and maintained over the decades by the tough, tenacious play of student-athletes wearing the Maroon and White. The official school mascot is an American

Kennel Club registered English Bulldog, given the inherited title of 'Bully'.

As with most universities, Mississippi State University teams answered to different nicknames through the years.

The first squads representing Mississippi A&M College were proud to be called Aggies. When the school officially became Mississippi State College in 1932, the nickname Maroons, for MSU's uniform color, gained prominence. Bulldogs became the

official title for State teams in 1961, not long after State College was granted university status.

Yet references to school teams and athletes as Bulldogs actually go back to early in the century, and this nickname was used almost interchangeably with both Aggies and Maroons, since at least 1905.

On November 30 of that year, the A&M football team shut out their arch-rivals from the University of Mississippi 11-0 in Jackson, Miss. The campus newspaper, The Reflector, reported: "After the game, filled with that emotion that accompanies every great victory, there was nothing left for the cadets to do but to complete the great victory by showing sympathy for the dead athletic spirit of the University, by having a military funeral parade.

"A coffin was secured, decorated with University colors and a bulldog pup placed on top, it was then placed on the shoulders of a dozen cadets, and the procession started down Capitol Street, pre eded by the brass band playing a very

Other newspaper reports of the victory commented on the 'bulldog' style of play by the A&M eleven, and the Bulldog was soon publicly accepted as a school athletic symbol. Accounts of a 1926 pep rally in Meridian, Miss., had another bulldog parading with students.

Use as an official game mascot began in 1935 when coach Major Ralph Sasse, on 'orders' from his team, went

to Memphis, Tenn., to select a bulldog. Ptolemy, a gift of the Edgar Webster family, was chosen and the Bulldogs promptly defeated Alahama 20-7

A litter-mate of Ptolemy became the first mascot called 'Bully' shortly after Sasse's team beat mighty Army 13-7 at West Point that same year - perhaps the greatest victory in MSU football history. But Bully I earned other fame the hard way, in 1939 when a campus bus cut short his career.

Days of campus mourning followed, as Bully lay in state in a glass coffin. A half-mile funeral procession accom-ed by the Famous Maroon Band and three ROTC battalions went to Scott Field where Bully was buried under the bench at the 50-yard line. Even Life magazine covered the event. Other Bullys have since been buried by campus dorms, fraternity houses, and also at the football stadium.

For years Bully was a target for kidnappers, the last incident occurring prior to the 1974 State-Ole Miss game. The Bulldog team won anyway, 31-13. While early Bullys once roamed campus freely or lived in fraternities, today the official university mascot is housed at the School of Veterinary Medicine when not on duty at State home football games. For all their fierce appearance and reputation, today's mascot bulldogs are good-natured, friendly animals and favorites with children. A student wearing a Bulldog suit, also answering to Bully, is part of the MSU cheerleading team and assists in stir-

ring up State spirit at games and pep rallies.

The most unique and certainly the most resounding symbol of Mississippi State University tradition is the cowbell. Despite decades of attempts by opponents and authorities to banish it from scenes of competition, diehard State fans

still celebrate Bulldog victories loudly and proudly with the distinctive sound of ringing cowbells.

The precise origin of the cowbell as a fixture of Mississippi State sports tradition remains unclear to this day.

The best records have cowbells gradually introduced to the MSU sports scene in the late 1930s and early 1940s, coinciding with the 'golden age' of Mississippi State football success prior to World War II.

The most popular legend is that during a home football game between State and arch-rival Ole Miss, a jersey cov andered onto the playing field. Mississippi State soundly whipped the Rebels that Saturday, and State College students mmediately adopted the cow as a good luck charm.

Students are said to have continued bringing a cow to football games for a while, until the practice was eventu-

ally discontinued in favor of bringing just the cow's bell.

Whatever the origin, it is certain by the 1950s cowbells were common at MSU games, and by the 1960s we established as the special symbol of MSU. Ironically, the cowbell's popularity grew most rapidly during the long years when State football teams were rarely successful. Flaunting this anachronism from the 'aggie' days was a proud response by students and alumni to outsider scorn of the university's 'cow college' history.

In the 1960s two MSU professors, Earl W. Terrell and Ralph L. Reeves, obliged some students by welding handles

on the bells so they could be rung with more convenience and authority. By 1963 the demand for these long-handled cowbells could not be filled by home workshops alone. So, at the suggestion of Reeves, the Student Association bought bells in bulk and the Industrial Education Club agreed to weld on handles. In 1964, the MSU Bookstore began marketing these cowbells with a portion of profits returning to these student organizations.

Today many styles of cowbells are available on campus and around Starkville, with the top-of-the-line being a heavy chrome-plated model with a full Bulldog figurine handle. But experts insist the best and loudest results are produced by a classic long-handled, bicycle-grip bell made of thinner and tightly-welded shells.

Cowbells decorate offices and homes of Mississippi State alumni, and are passed down through generations of

Bulldog fans. But they are not heard at Southeastern Conference games - not legally, at least - since the 1974 adoption of a conference rule against 'artificial noisemakers' at football and basketball games. On a 9-1 vote, SEC schools ruled cowbells a

This has done little harm to the cowbell's popularity, however, or to prevent cowbells from being heard outside stadiums in which the Bulldogs are playing. They can still be heard at non-conference football contests, as well as other sporting events on campus. And bold Bulldog fans still risk confiscation for the privilege of keeping a unique Mississippi State tradition alive and ringing at SEC affairs.

MAROON & WHITE

Maroon and White are the distinctive colors of Mississippi State University athletic teams, dating back over a century to the very first football game ever played by the school's student-athletes.

On November 15, 1895, the first Mississippi A&M football team was preparing for a road trip to Jackson, Tenn., to play Southern Baptist University (now called Union University) the following day. Since every college was supposed to have its own uniform colors, the A&M student body requested that the school's team select a suitable combination.

Considering this choice to be an honor, the inaugural State team gave the privilege to team captain W.M.

Matthews, Accounts report that without hesitation Matthews chose Margon and White.

In the 112 years since, every Mississippi State athlete has donned the Maroon and White in some sort of combination. Often a shade of gray has been added to the scheme, such as for the numerals. Briefly in the 1980s, the men's and women's basketball teams wore all-gray uniforms with maroon and white trim, while football has at times sported silver game pants, and baseball will often wear all gray road outfits.

Only once has an MSU team appeared in any other color combination. In 1938, football coach Spike Nelson secretly had cardinal and gold uniforms made for State, a selection that did not sit well with the team or the college at the first game. Neither the uniforms nor Nelson were back for the next season.

SCHOOL LEADERS

UNIVERSITY PRESIDENT

DR. MARK MS

Dr. Mark Everett Keenum became Mississippi State's 19th president Jan. 5, 2009, following a distinguished public service career.

Despite difficult economic times, Dr. Keenum has guided Mississippi State to new heights. His guick action to address budget shortfalls put the university in position to meet those challenges and maintain the highest level of academic excellence. The university has experienced record enrollment growth, which includes students with the highest ACT average of any university in our state. Increased enrollment has also spurred new construction on campus, with two new residence halls completed and opened this August. The Mize Pavilion, a state-of-the-art basketball practice facility, was

dedicated in 2011. Plans in the immediate future include construction of another new residence hall, a new classroom building and renovation of historic Lee Hall. The Leo W. Seal Jr. Football Complex will be completed in early 2013, and bids were accepted this summer to expand Davis Wade Stadium, a project expected to be completed by August 2014.

Since 2009, fundraising has reached all-time record levels. Giving by alumni and friends has surpassed \$290 million over that period, including the highly successful StatePride initiative that is providing scholarships for students and support for MSU faculty.

Dr. Keenum has also been instrumental in expanding the MSU Promise Program, which provides need-based scholarship assistance to Mississippi students whose families have limited financial means. Through the Sonny Montgomery Center for America's Veterans, he has also led initiatives to make Mississippi State one of the most veteran-friendly universities in the nation.

Mississippi State has strengthened its role as the flagship research university in the state. The Carnegie Foundation for the Advancement of Teaching classified MSU as a university with "very high research activity," the only such designation in Mississippi. Dr. Keenum travels frequently to Washington, D.C., meeting with Congressional leaders and federal agency heads to pursue research opportunities and broaden the university's influence on the national level. He has also worked closely with the governor, lieutenant governor and Mississippi Legislature in support of higher education in our state.

A graduate of Mississippi State University with degrees in agricultural economics, Dr. Keenum began his career at MSU as a faculty member with the Extension Service and the Department of Agricultural Economics. He went on to serve as chief of staff to U.S. Senator Thad Cochran in Washington, D.C. and was Under Secretary of the United States Department of Agriculture prior to returning home to Mississippi State.

He graduated from Corinth (Miss.) High School and earned an associate of arts degree from Northeast Mississippi Community College in Booneville and was a member of the Northeast Tigers foot-

DIRECTOR OF ATHLETICS

SCOTT STRICKLIN

Using more than two decades of intercollegiate experience in communications, development and marketing, Scott Stricklin has built a wave of momentum within the Mississippi State fan base during his tenure as the director of athletics.

From his first day on the job as Mississippi State's Athletic Director in May 2010, Stricklin, integrating the department's three foundations of focus on student-athletes, possessing great integrity and aggressively promoting Mississippi State University, has overseen a stretch in which the Bulldogs enjoyed both on and off the field successes unparalleled in more than a decade

On the field, the Bulldog football team has appeared in three-straight bowl games for the second time in 113 years of the program and has claimed three Egg Bowl wins in the last four season. The men's tennis team claimed the Southeastern Conference Western Division title in both 2011 and 2012. Baseball reached postseason each of the past two seasons with softball advancing to the NCAA Tournament in 2012 as well.

Mississippi State's men and women athletes finished the 2011 fall semester with an aggregate 3.01 grade point average, the highest single semester grade point average in school history. Thirteen of MSU's 16 varsity sports surpassed the 3.00 grade point mark. Bulldog student-athletes again excelled in the NCAA's Academic Progress Rate, with all 16 sports far exceeding the minimum standard.

Stricklin has overseen record fundraising for Bulldog Athletics, which has produced new facilities such as the \$11.7 million Mize Pavilion at Humphrey Coliseum, a new \$20 million football practice and training complex as well as future expansion and upgrades to Davis Wade Stadium. The Bulldog Club has solicited gifts totaling more than \$20 million for the football facility, including a record \$12 million gift from the Seal Family Foundation.

The Bulldog Club has initiated the most ambitious fundraising drive in the athletic department's history – an initiative called "Today, Tomorrow, Forever" – to generate funding for new construction and upgrades to existing facilities.

Supporters are responding at the turnstiles as well. In 2010, Mississippi State fans packed Davis Wade Stadium for every game, buying all available season tickets for the first time in school history Capacity crowds have become the norm as 23-consecutive home games have been sold out, and the school has created a waiting list that has topped 1,000 requests for season ticket purchases.

Stricklin certainly wasn't a stranger to the Bulldog family or college athletics when he took over the reins at State. A 1992 graduate of Mississippi State, the Jackson, Miss., native's resume is highlighted by 23 years of experience on the collegiate level in various capacities at five different universi-

In the two years prior to becoming athletic director, he served as Senior Associate Athletics Director for External Affairs at his alma mater, overseeing fundraising, football and men's basketball scheduling, managing MSU's all-sport agreement with adidas, facility planning, and serving as the administrative sport liaison for men's basketball and softball.

It was those types of day-to-day tasks that prepared the personable Stricklin to take over the top seat in the Mississippi State athletic department. Yet it's a journey that started during his formative days as a dedicated and tireless worker in the Mississippi State media relations department that's led to his highly-respected career coming full circle.

Prior to graduating, Stricklin's stint in the MSU media relations office included three seasons (1990-92) as the media contact for the nationally-renown baseball program. Upon graduation, he was named assistant media relations director at his alma mater.

He continued his climb up the ladder of success when he was named Associate Media Relations Director at Auburn, where he served from 1993-98. In 1998, Stricklin left Auburn to become Assistant Athletics Director at Tulane, where he served as the primary media contact for the Green Wave's 1998 12-0 football team. Next came a four-year run in the Big 12 Conference at Baylor (1999-2003) as Assistant AD for Communications and Marketing.

In 2003, Stricklin returned to the Southeastern Conference at Kentucky and spent five seasons as the Associate AD for Media Relations, where he oversaw the day-to-day publicity of the tradition-rich Wildcat basketball program. It was his last stop before returning to Mississippi State in the spring of

Stricklin, 43, is married to the former Anne Howell, the youngest daughter of Basketball Hall of Fame member Bailey Howell. The couple has two daughters, Abby and Sophie

TEMPLETON ACADEMIC CENTER

The Shira Athletic Complex received its second neighborhood addition in the past four years on Nov. 1, 2008, when the Templeton Athletic Academic Center was officially dedicated.

Mississippi State's student-athletes have enjoyed outstanding success in the classroom, and the \$10 million facility provides state-of-the-art amenities that will help the Bulldogs continue that success while reaching new levels.

The Templeton Athletic Academic Center includes a large computer lab and individual computer rooms and work stations that will allow student-athletes access to a computer at their convenience. The building also houses academic counselor offices, large study areas, resource rooms, conference rooms and tutor rooms that will allow MSU's academic staff the most efficient way to interact with student-athletes.

The two biggest areas of State's newest facility are a 300-seat dining room and a large foyer that captures many of the team highlights and individual greats that have encompassed Mississippi State's rich athletic history.

Perhaps the greatest attribute of the Templeton Athletic Academic Center is the location. Situated adjacent to the Shira Complex and Holliman Athletic Center, the facility stands in the heart of MSU's athletic facilities.

The structure is named for Larry Templeton, who served as Mississippi State's director of athletics from 1987-2008. Under his leadership, MState accomplished many great athletic feats. The football team reached six postseason bowl games, the men's basketball squad reached the Final Four and the baseball team went to the NCAA College World Series three times. State teams also claimed five Southeastern Conference championships under his quidance and advanced to NCAA championship play

29 times. The Bulldog softball team made seven of those trips in a nine-year stretch.

With all of the on-field accomplishments under Templeton's watch, State enjoyed even more success in the classroom. During the 2005-06 academic year, MSU's men and women athletes posted the highest combined grade-point average ever recorded in the 18 years of tracking student-athlete grades.

The new facility has helped continue the Mississippi State softball program's classroom success. During the fall of 2011, a school record and SEC-best 11 members of the 2011 Mississippi State softball team were named 2010-11 All-America Scholar Athletes, racking up the highest GPA of any female athletic team on campus for the fifth-straight semester. This past December, nine Bulldogs earned the honor.

State's 2010 squad had a school-record six freshmen named Academic All-SEC, and the nine selections among upperclassmen put MSU atop the SEC with 129 honorees going back to 1999.

Four-time NFCA All-American Chelsea Bramlett capped her career by joining former Bulldog Kate Jaspers (2004) in receiving ESPN The Magazine Academic All-America of the Year laurels. Going back to the 2000 season, the Bulldogs have had five players named ESPN The Magazine Academic All-American a collective eight times.

The 2008 Bulldogs matched the 2010 team for the top NFCA All-America Scholar-Athlete mark en route to claiming the eighth-highest grade-point average in the nation that year.

SEC SOFTBALL

THE SOUTHEASTERN CONFERENCE

Setting the Standard in Intercollegiate Softball

SEC Softball will celebrate its 17th year of existence in 2013 and has established itself as one of the leading conferences in the sport.

The Southeastern Conference qualified nine teams for the 2012 NCAA Tournament - Alabama, Arkansas, Auburn, Florida, Georgia, Kentucky, LSU, **Mississippi State** and Tennessee, as the conference made its 15th overall and 10th consecutive, Women's College World Series appearance. The Alabama Crimson Tide received the No. 2 national seed for the second year in a row while Florida (No. 5), Tennessee (No. 7) and Georgia (No. 10) also earned national seeds.

The SEC advanced three teams to Oklahoma City: Alabama, LSU and Tennessee. Alabama claimed the first national championship in SEC history when it downed Oklahoma, 5-4, on June 7 for the WCWS title.

The Tide also won the 2012 regular season title with a 23-5 SEC mark and took home the tournament championship after going undefeated in Tuscaloosa May 10-12. Alabama posted a 60-8 overall record and Jackie Traina earned SEC Pitcher of the Year honors. Florida's Michelle Moultrie was named SEC Player of the Year while Arkansas' Devon Wallace earned SEC Freshman of the Year accolades. Jennifer Fenton (Alabama) and Brittany Mack (LSU) were selected as Co-Scholar-Athletes of the Year while Coach of the Year honors went to Patrick Murphy of Alabama.

Softball came under the auspices of the Southeastern Conference in the 1996-97 season. Since that time, 10 different conference teams have made appearances in the NCAA Championship, including six teams earning Women's College World Series berths - one by South Carolina in the inaugural season, Alabama in 2000, 2003, 2005, 2006, 2008, 2009, 2011 and 2012, Florida in 2008, 2009, 2010 and 2011, Georgia in 2009 and 2010, LSU in 2001, 2004 and 2012 and Tennessee in 2005, 2006, 2007, 2010 and 2012.

Eight teams (Alabama, Auburn, Florida, Georgia, LSU, **Mississippi State**, South Carolina and Tennessee) have made Top 25 appearances and six teams have climbed into the Top 10 (Alabama, Florida, Georgia, LSU, South Carolina and Tennessee) of the NFCA/USA Today Poll. At least one SEC team has been ranked in the poll each week since the inception of SEC Softball.

South Carolina is the longest standing program of the league with a rich history in softball dating back 37 seasons. The Gamecocks have made 15 NCAA Regional and three Women's College World Series appearances.

Mississippi State played softball for five seasons during the 1980's before resuming the sport when it was added to the SEC. Tennessee added softball in 1995-96, one year before its inception in the SEC. Alabama, Arkansas, Auburn, Florida, Georgia, Kentucky, LSU and Ole Miss began softball programs in 1996-97 to give the league 11 representatives (Vanderbilt does not sponsor softball).

The 1999 season was the first in which the conference was eligible for an automatic berth to the NCAA Championships.

As the sport continues to grow in competitiveness and popularity, the SEC has had six different regular season champions and five different conference tournament champions.

COVERAGE OF MSU SOFTBALL

Several statewide media organizations are dedicated to covering the Mississippi State softball program and Bulldog athletics on a daily basis. Whether it's newspaper, television or internet outlets, the team is constantly surrounded by media attention.

On the newspaper side, three papers employ beat writers for softball only: the hometown Starkville Daily News, the Commercial Dispatch that serves Columbus, Miss., as well as Lowndes County and The Reflector, the student newspaper at Mississippi State. Other state newspapers that cover the Maroon and White include The Clarion Ledger in Jackson, The Northeast Mississippi Daily Journal based out of Tupelo and The Meridian Star.

Online, several websites are constantly reporting about MSU athletics as well as the softball squad. Bulldawgs247 represents 247Sports.com, GenesPage.com is a MSU affiliate of Fox Sports NEXT and BulldogBlitz.com represents Rivals.com's collegiate athletic coverage.

In addition to outside media outlets, HailState.com and its television network, HailStateTV, also cover Head Coach Vann Stuedeman's squad on a fulltime basis. Play-by-play man Anthony Craven will broadcast over 35 games in audio for the 2013 season, while all 24 home games will be televised on HailStateTV at HailState.com. Moreover, HailStateTV will run periodic features on the team, players and coaching staff at HailState.com and the official YouTube channel of Mississippi State athletics, YouTube.com/HailState.

The Bulldogs have not been in the postseason since 2009, the team ERA last season was the highest in school history and Stuedeman also had to look for replacements for key graduating seniors.

However, just as important as changing the performance

on the field was changing the perception off the diamond. This is an area Stuedeman has thrived in, overhauling the team's attitude in just over six months of offseason work.

"The girls are really enjoying what they're doing ...
They're having a lot of fun,
which makes the atmosphere
a lot more positive." Stuedeman said. "One of our big

Vann Stuedeman certainly doesn't lack for candid friends. One would think they were congratulating her after a successful debut season both at Mississipp State and as a head college coach, right?
