VIC SCHAEFER INTERVIEWS

ALL interviews with head women's basketball coach Vic Schaefer should be directed through the MSU Athletic Media Relations office. Please contact Brock Turnipseed at 662.325.7556. There will be a weekly on-campus interview opportunity during the season.

PLAYER INTERVIEWS

Interviews with our players are encouraged; however, ALL interviews must be arranged through Brock Turnipseed in the Athletic Media Relations Office. This policy facilitates the orderly scheduling and completion of the desired interview. All player interviews must be arranged at least 24 hours in advance. Players are not available on gameday until following the NCAA-mandated 10-minute cooling off period after the game. Please coordinate all requests with Turnipseed. MSU Athletic Media Relations will not supply the media home or cellular telephone numbers for Bulldog student-athletes. Likewise, training room, locker room, practice facility and apartment/dormitory areas are considered private player areas and are off-limits to the media.

SEC TELECONFERENCE

Mississippi State head coach Vic Schaefer will be available along with the other SEC head coaches twice this season. The first teleconference will be Jan. 15, with Schaefer going on the call at 10:56 a.m. The second will be prior to the SEC Tournament on March 3, with Schaefer's time slated for 2:56 p.m.

PRACTICE COVERAGE

All practices are CLOSED to the public. However, media officials wishing to speak with Head Coach Vic Schaefer or players may do so before or after scheduled practices provided a 24-hour notice has been given to the MSU Athletic Media Relations office.

MEDIA WORK ROOM

This season, the media work room will be located in the President's Reception Room located on the Humphrey Coliseum concourse adjacent to the Mize Pavilion lobby. Media may enter through the President's Room exterior entrance located on the west side of Humphrey Coliseum.

MEDIA PARKING

Media parking is open anywhere in the vicinity of Humphrey Coliseum. This season, media may park in the lot on the west side of the arena and access the media work room through the President's Reception Room exterior entrance.

HOTEL ROOMS

As you make plans for this season and need assistance with accommodations, please contact our office as soon as possible.

REAL-TIME INTERNET POLICY

Mississippi State retains the rights to the distribution of play-by play, statistical material and photographs of MSU basketball during, and for 30 minutes following, game action, just as it retains the rights to the video and audio description of game action. All rights to the dissemination of audio, video and real-time material is granted on a contractual basis only. Failure to abide by these restrictions may result in revocation of press credentials.

RADIO BROADCAST INFORMATION

Business phone lines and ISDN phone lines are available for radio broadcast on press row. Please inform Turnipseed of your broadcasting needs prior to game-day. Radio personnel should contact Don Williams at 662.325.4171 for additional information.

MSU SATELLITE SERVICES

MSU's basketball highlights, taped game footage, game preview material and postgame interviews of the Bulldogs' home games will be available to television outlets via satellite. The only games not covered by this satellite service are those televised contests where a feed will be available from the network. Postgame highlight feeds include highlights from both teams, as well as Coach Schaefer's postgame interview. For more information on MSU's satellite and television services, please contact Bennie Ashford (662.325.1332).

MEDIA CREDENTIALS

Arrangements for media credentials for Mississippi State's home basketball games must be made through the MSU Athletic Media Relations Office. Requests by accredited media members should be made in writing and submitted on company letterhead to Brock Turnipseed (via mail: P.O. Box 5308, MSU, MS 39762, or by fax, 662.325.3654). Credential requests received via e-mail will only be granted to media representatives that regularly cover Mississippi State basketball or their weekly opponents. Priority for the issuance of credentials will be given to daily newspapers, radio stations and television stations which cover MSU on a regular basis. Due to space limitations, weekly publications, non-broadcasting radio representatives and online services may not be granted credentials. Student publications, radio stations and Web sites that do not regularly cover MSU or its opponent, will be limited to one working media credential and/or one sideline photo

pass, if applicable. Other credential requests will be filled on a space-available basis. Non-working spouses, dates, relatives, non-workers and anyone 18 years of age or younger are not permitted on press row. Media credential holders who violate this policy risk forfeiture of future credentials. **Media credentials must be requested at least 48 hours prior to the requested game.** Media credential holders on press row who are not actively covering the game, or credential wearers on the sideline who are not on assignment, will be asked to leave those respective areas. Press row or sideline security will be requested should the credential wearer not comply. Credentials used in an unauthorized manner will be revoked immediately, and news organizations who allow credentials to fall into improper hands will have the credentials revoked for the remainder of the year or the succeeding year, at the university's discretion. MSU is not responsible for securing credentials for road games.

PHOTOGRAPHERS/VIDEOGRAPHERS

MSU follows the guidelines established by the NCAA Communications Committee and the SEC regarding sideline control to insure the sideline is a working media area. The following guidelines are adhered to: 1) Each photographer is required to wear a media credential at all times; 2) In accordance with NCAA policies, no freelance photographers will be credentialed; 3) Cutline writers, messengers and equipment carriers are not permitted in the photographer's area. Photo assistants or others holding a "sideline" pass must remain out of the photo area immediately adjacent to the playing court. This will insure that photographers/videographers have the appropriate working area; 4) Tripods are not permitted in photographer's area. Monopods are permissible; 5) The areas behind the team benches are considered bench areas and are to be used only for the passage between the court ends. This area may not be used as a photo zone.

POSTGAME INTERVIEWS

MSU officials will recognize the NCAA's 10-minute cooling-off period following each MSU game this season, home and away. Head Coach Vic Schaefer will be available for postgame interview purposes following each game in the media work room at the north end entrance to the Coliseum. MSU players will be available 10 minutes following the cooling-off period in the media interview room. MSU players, however, may not be approached on the court following games for interviews. The visiting head coach and players will be available following the cooling-off period in the postgame interview room. This media opportunity will be coordinated by the visiting media relations director and MSU Media Relations personnel.

THOUGHTS "IT'S NOT WHAT WE DO, BUT HOW WE DO IT"

The HUMP

Home of the Bulldogs, Humphrey Coliseum provides an outstanding setting for college basketball. The 10,500 seat arena has seen multiple upgrades over the past few years including a newly resurfaced playing floor. "The Hump" also features a \$1.8 million four-sided, center-hung video scoreboard. A new lighting system and brand new banners were also installed in the summer of 2009.

TEMPLETON ATHLETIC *Academic Center*

The 34,000 square-foot Templeton Athletic Academic Center serves the entire athletic department, houses the Athletic Academics offices and staff, and includes individual computer rooms, tutor work areas, a large open study area and a 300-seat dining facility with a fully-functioning kitchen.

Around Campus With The **BULLDOGS**

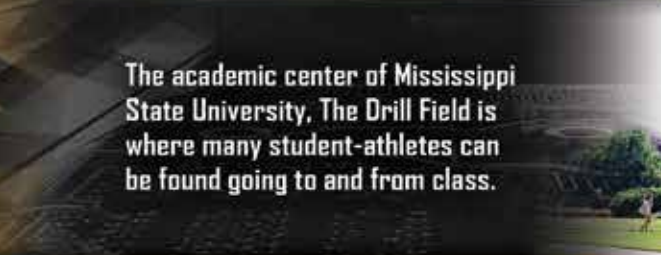

The Colvard Student Union, completely renovated in 2007, is a state-of-the-art facility that serves as the center of university community life. Included in the Union are five dining locations, a Starbucks as well as a convenience store.

Four newly built dorms make up Zacharias Village including Ruby Hall. Each room has a private bath, individual room temperature control, free cable TV, a microwave/refrigerator, wireless internet and comes fully furnished.

Located in the Cullis Wade Depot, the Barnes and Noble Bookstore offers many options for student-athletes. In addition to a large selection of textbooks, apparel and other reading material, the bookstore offers a full service Starbucks.

The academic center of Mississippi State University, The Drill Field is where many student-athletes can be found going to and from class.

BULLDOG BOOSTER CLUB

What is the Bulldog Booster Club?

Made up of people of diverse ages and varied backgrounds, the Bulldog Booster Club supports the Mississippi State women's basketball program. The club encourages wholesome family entertainment and good sportsmanship through the sport of basketball.

Established in 1995 and growing each year, the Booster Club has more than 100 members who seek to provide support, recognition and growth for the Bulldog basketball program. Since 2000, this program has produced two State Farm (formerly Kodak) All-Americans in LaToya Thomas (2000, 2001, 2002, 2003) and Tan White (2005).

People join the Booster Club for different reasons. Some want to help financially while others like the fellowship provided by the social activities. All members have one thing in common — their love for Bulldog basketball. It is the Booster Club's goal to increase public awareness, promote season ticket sales and raise funds for the Bulldog basketball program.

The Bulldog Basketball Booster Club is led by an executive board of President, Vice President and Secretary/Treasurer. Five committees work to support the needs of the basketball program. Committee members help in the areas of fundraising, marketing, membership, hospitality and travel.

Vic SCHAEFER

**Head Coach • Second Season
Texas A&M, 1984**

"MISSISSIPPI STATE HAS A GUY WHO IS VERY LOYAL. HE IS GOING TO WORK HARD AND RECRUIT WELL, AND HE IS GOING TO HAVE A VERY DISCIPLINED TEAM. THEY ARE GOING TO HAVE A GREAT DEFENSE. THE BIGGEST THING, THOUGH, IS THAT THEY ARE GOING TO GRADUATE, AND VIC IS GOING TO CARE ABOUT THEM AS HUMAN BEINGS. THEY ARE GOING TO HAVE GOOD PEOPLE PLAYING BASKETBALL; THE KIND YOU WOULD HAVE HOME FOR DINNER."

— HALL OF FAME COACH VAN CHANCELLOR ON SCHAEFER

When searching for a head women's basketball coach, Mississippi State athletic director Scott Stricklin was seeking a passionate, driven individual who could build the Bulldogs into a championship program. He found the ideal person in Vic Schaefer, who enters his second season as the Bulldogs' head coach.

A veteran coach of 29 seasons, Schaefer made an immediate impact in Starkville as he began the process of building the Bulldogs into a program that consistently rates among the best in the nation.

Lauded the "Secretary of Defense" for his teams' defensive prowess, his inaugural Mississippi State squad was no different as it rated first in the SEC and 11th in the nation in 3-point field goal percentage defense with a school-record 25.8-percent tally. The team also paced the league and ranked 21st in the nation in blocked shots, swatting 5.1 per contest and 153 overall, the most since the 2008-09 season.

Junior Martha Alwal benefitted from the arrival of Schaefer and his staff, as she led the SEC in double-doubles (16), rebounding (9.7 rpg) and blocked shots (2.6 bpg) en route to earning All-SEC honors and the C Spire Gillom Trophy for Mississippi's top women's college basketball player.

Schaefer's defensive mindset helped the Bulldogs to an immediate improvement in the SEC, claiming big league victories against in-state rival Ole Miss, Arkansas and Missouri before capping the year with a thrilling 50-38 upset of No. 11 Georgia in which the Maroon & White Bulldogs held UGA to five field goals in each half.

Vic Schaefer highlighted his first season as the Mississippi State women's basketball coach with a thrilling 50-38 win against No. 11 Georgia. The Bulldogs won it with stifling defense, holding the visiting Bulldogs to five field goals in each half.

The high-pressure defense keyed State's league wins, as the Bulldogs held foes to 27.9 percent from the field and 16.7 percent (14-of-84) from beyond the arc.

Schaefer stresses to his squads to score, get to the free-throw line or both. The Dawgs did that as they registered their best free-throw percentage (70.7%) since 2004, including a school-best 1,000-percent tally (18-for-18) against UC Santa Barbara.

Schaefer plans to build his Mississippi State program the same way he has at every stop in his coaching career, with intense, high-pressure defense and compiling some of the nation's top-ranked recruiting classes.

He knows his plan can succeed in Starkville after seeing the successes enjoyed during 15 seasons on the staffs at Texas A&M and Arkansas. During his tenures in Fayetteville and College Station, Schaefer's defenses helped his squads to the postseason all but once (his first season at Texas A&M) while averaging 22 wins a year. Schaefer, who has been part of 426 wins in his 26-year collegiate coaching career, has become one of the nation's premier teachers of defense, earning the moniker the "Secretary of Defense."

His defenses helped Arkansas and Texas A&M to 11 NCAA Tournament appearances. In his first season in Fayetteville, the Razorbacks advanced to the Final Four before making three more trips to the second round. With his alma mater, he won a national championship while

Vic Schaefer represented Mississippi State as a panelist on ESPN's Outside The Lines weekend edition discussing the anniversary of Title IX.

helping the program to a pair of Sweet 16 appearances, an Elite Eight showing, two trips to the second round and a first-round berth.

In his nine years as associate head coach to friend and mentor Gary Blair at Texas A&M, his teams consistently were atop the Big 12 in turnovers caused, steals, turnover margin and assist-to-turnover ratio.

In 2011, his smothering defense topped the nation in turnover margin en route to guiding the Aggies to the NCAA national championship in the program's first trip to the Women's Final Four. That squad also earned Texas A&M's first No. 1 national ranking while finishing the season with a 33-5 record, the most wins in school history.

The following season, his final Texas A&M squad finished first in the Big 12 in turnover margin en route to advancing to a fifth-straight

conference tournament title game and the Sweet 16 in the team's seventh-consecutive NCAA Tournament appearance.

Schaefer was also part of Texas A&M squads that won two Big 12 Tournament titles (2010 & 2008) and the conference regular season title in 2007. In addition to the 2011 national championship, Schaefer helped coach the Aggies to the 2009 Sweet 16 and the 2008 Elite Eight.

Not only has Schaefer proven himself as one of the nation's premier defensive coaches, but he has also been one of the top recruiters in women's basketball, helping ink nine Top 20 recruiting classes during his tenures at Texas A&M and Arkansas. His strong reputation as a coach and recruiter earned him BasketballScoop.com's 2009 Assistant Coach of the Year.

While at Texas A&M, he played an integral role in the Aggies finishing among the country's Top 10 signing classes four-straight years. His final class with the Aggies rated as the nation's No. 2 signing class, and he helped land the nation's top class during the 2011 national championship run. In addition to 2012's No. 2 class and 2011's top-rated class, the Aggies' 2010 signing class ranked No. 5 nationally and tops in the Big 12. A year earlier, he helped ink the Big 12's No. 2 class and the sixth-best in the country.

In 2007, Schaefer earned the opportunity to coach the United States William Jones Cup Team, leading that squad to a bronze medal in Taipei, Taiwan. He also joined with Athletes in Action to coach some of the top women's college players in the nation. The only associate

head coach to be named head coach of the USA Jones Cup Team, Schaefer guided Team USA to a 4-2 record in pool play with wins against Japan, New Zealand, Korea and Chinese Taipei.

The opportunity to earn international coaching experience came a year after Schaefer helped lead the 2005-06 Aggies to the first round of the NCAA Tournament. That season saw the program finish third in the Big 12, its highest finish at the time, and sign the Aggies' first McDonald's All-American.

The 2004-05 season saw Texas A&M advance to the WNIT Elite Eight, the first postseason appearance under Blair and Schaefer. That season, Schaefer helped ink the nation's 20th-best signing class, a year after their initial class rated No. 27 in the country.

Schaefer had the opportunity to accompany Blair to his alma mater following a six-year stint as associate head coach at Arkansas from 1997-2003. During that run, he helped the Razorbacks to four NCAA Tournament appearances, including a Final Four berth in his inaugural season. The following year, Arkansas went on to claim the WNIT national championship. While in Fayetteville, he helped tutor Shameka Christon, who would go on to earn SEC Player of the Year and First Team All-SEC honors.

Schaefer went to Arkansas after serving as head women's coach at Sam Houston State from 1990-97. In his next-to-last season there, he was tabbed the Southland Conference Coach of the Year after leading the Bearkats to their most wins in a decade (18). During his tenure at SHS, he tutored either the SLC's Freshman or Newcomer of the Year in three of his final four seasons. In his first year at the school (1990-91), he coached Sierena Autman to Southland Conference Player of the Year accolades.

A native of Austin, Texas, Schaefer served as a men's assistant coach at Sam Houston State (1987-89) between stints as the assistant boys basketball coach and head tennis coach at Houston's Milby High School. As a player, Schaefer was an all-state performer at Houston Lutheran High School before going on to play two seasons at Alvin Community College.

Schaefer is a dedicated family man. He is married to the former Holly Davis, who played basketball at Arkansas State and later served as an assistant coach at UT Arlington. The couple has 18-year-old twins, Blair Nicole and Charles Logan.

JOHNNIE HARRIS

**Associate Head Coach • Second Season
Arkansas Baptist, 1996**

When Vic Schaefer started assembling what he labels his “A” team, the first crucial piece of that squad was Johnnie Harris, who enters her second season in Starkville as the program’s associate head coach.

Harris’ reputation as one of the nation’s top recruiters showed as the staff’s first recruiting class rated as one of the best in program history.

On the court, she mentors the Bulldogs’ post players, including helping guide Martha Alwal to All-SEC honors and the Gillom Trophy as Mississippi’s top women’s college

basketball player. Under Harris’ tutelage, Alwal led the conference in rebounds, blocked shots and double-doubles.

She also made an impact with redshirt sophomore Carnecia Williams and freshman Sherise Williams. She helped Carnecia Williams to a career-best 8.3 ppg scoring average after she scored at a 0.6 clip the year before. With Harris’ guidance, Sherise Williams posted the second-most blocks by a Bulldog freshman and earned SEC Co-Freshman of the Week laurels after scoring 21 points against Florida A&M.

Harris also serves as State’s special teams coach, coordinating the in-bounds, sideline and free-throw plays, something she specialized in working alongside Schaefer for five seasons on the Texas A&M bench.

She was also instrumental in the Bulldogs going perfect on the recruiting trail for their first class, one of the best in program history.

While in College Station, she helped guide Texas A&M to four Sweet 16 appearances in her five seasons, and the program’s first national championship in 2010-11.

During her tenure with the Aggies, Harris helped sign and mentor junior college All-Americans Danielle Adams and Tanisha Smith. Adams earned MVP of the 2011 Final Four before going on to be drafted 20th by the San Antonio Silver Stars of the WNBA. Adams was tabbed to the league’s all-star game in her inaugural season.

With Harris’ guidance, Smith earned Big 12 Newcomer of the Year and conference all-tournament honors in 2009. The Seattle Storm selected Smith with the 22nd pick in the 2010 WNBA Draft.

Not only was it her on-court coaching ability that put her atop Schaefer’s list of coaches, but it was her reputation as one of the nation’s premier recruiters.

Harris’ recruiting ability was crucial in building the Aggies into an annual championship contender, as she

helped Texas A&M in signing classes that have annually rated in the top 20 nationally.

She helped the Aggies land the nation's No. 2 class in her final season in College Station. That class included a pair of McDonald's All-Americans in Jordan Jones and Courtney Williams. TAMU's 2010 class, which included McDonald's All-American and the nation's top post player, Karla Gilbert, rated third nationally. The two years prior she helped notch the nation's fifth- and sixth-rated classes.

Harris played a key role in signing the major players in Texas A&M's national championship team that claimed a school-best 33 victories.

Prior to her stop in College Station, Harris spent three seasons at Arkansas, helping land some of the Lady Razorbacks' top recruiting classes. She signed Laura Ervin, a junior college All-American who went on to garner Second Team All-SEC accolades, as well as Freshman All-SEC selection Donica Cosby.

In 2007, she inked Gatorade players of the year Whitney Zachariason (Arkansas) and Morgan Boyd (Kansas) as Arkansas finished with one of the nation's top-40 classes. Harris also recruited one of the top five point guards in the nation in Shanita Arnold.

Harris has had the opportunity to learn from some of the game's top coaches, including Hall of Famer Kay Yow at N.C. State. She joined the program in the 2003-04 season and im-

mediately helped the squad to the NCAA Tournament for the first time in two years.

Harris and her fellow coaches helped the Wolfpack sign JUCO player of the year Tiffany Stansbury, who went on to play with the WNBA's Los Angeles Sparks and Minnesota Lynx.

Her first recruiting class in Raleigh was rated as one of the best in the nation. She also garnered a commitment from Gillian Goring, the nation's No. 1 post player who went on to play for the Washington Mystics.

Prior to jumping to the Division I level, Harris made her mark on the junior college level as an assistant coach at Arkansas-Fort Smith, where she helped bring in key players who led the school to the NJCAA Final Four in 2004. In two seasons coaching under the legendary Louis Whorton, she inked the nation's No. 1 class and helped the Lady Lions to a 34-8 record. UAFS's 2002-03 team went 26-2 and won a share of the Bi-State Conference championship.

The Arkansas-Fort Smith position kept the Pine Bluff native in her home state after she started her coaching career as a graduate assistant at Arkansas-Little Rock. Her hard work at UALR earned her a promotion to full-time assistant in 2000.

Harris also coached AAU hoops with the Arkansas Kamikaze.

She began her playing career at Arkansas-Pine Bluff before transferring to Arkansas Baptist for her final two seasons. She is the mother of two children, Marcus and Kiera, and the legal guardian of Lily. She also has a granddaughter, Samarah.

AQUA FRANKLIN

Assistant Coach/Recruiting Coordinator Second Season • Texas A&M, 2009

Vic Schaefer wanted coaches who knew his coaching style and shared that same passion and intensity. That's why, when assembling his staff, he reached out to Aqua Franklin, a standout player at Texas A&M who went on to play in the WNBA before becoming one of the country's top up-and-coming young coaches.

The former Aggie standout enters her second season on the Bulldog staff, mentoring the team's guards and coordinating State's recruiting efforts. Franklin, who begins her first season as the program's recruiting coordinator, was instrumental in helping the Bulldogs go perfect on the recruiting trail en route to compiling one of the top classes in school history.

Franklin brings a successful 2011-12 season at the University of Kansas to the Bulldog staff. That lone campaign was a memorable one, as Franklin helped guide the Jayhawks to one of the best seasons in school history.

Franklin was on the bench as Kansas went to its first Sweet 16 since 1998 and finished 25th nationally with a 21-13 record. Franklin helped mentor Angel Goodrich to a banner season, as she paced the Jayhawks with a 23.3 ppg scoring average in the NCAA Tournament and shattered the school record with 250 assists. Goodrich was named All-America Honorable Mention by both the WBCA and the Associated Press, and was one of four finalists for the Nancy Lieberman Award, given annually to the top point guard in the nation.

Franklin returned to the Big 12 after spending the 2010-11 season, her first as a full-time assistant, at Stephen F. Austin. During that lone season with the Ladyjacks, she tutored Tammara Marion to second-team All-Southland Conference accolades after she became the 25th SFA player to score 1,000 points and set a school mark for three-pointers made in a season.

The Tyler, Texas, native can provide the Mississippi State guards first-hand experience of what it takes to make it to the next level. Franklin moved into the coaching side of the game after a decorated career at Texas A&M that resulted in her being selected to play in the WNBA.

At the conclusion of her college playing career, Franklin was drafted with the 38th pick in the 2008 WNBA Draft by the Sacramento Monarchs.

In her rookie season in the league, Franklin helped lead the Monarchs to the opening round of the 2008 WNBA Playoffs, where the team ended its season against San Antonio.

The following season she signed with the Seattle Storm before going on to begin her coaching career at her alma mater.

Franklin returned to College Station as a graduate assistant during the 2009-10 season. Her collegiate and professional experiences were a valuable asset to the Aggies as she helped Schaefer and associate head coach Johnnie Harris guide the team to the Big 12 championship and the No. 2 seed in the NCAA Tournament.

Franklin also spent two seasons assisting the Houston Elite AAU program following her stellar playing career with the Aggies.

She concluded her four-year career at Texas A&M as one of the program's most-decorated guards, ranking in the top three in school history in assists with 627.

Her final season with the Aggies was a memorable one for the program, as the team made its first run to the Elite Eight. Franklin capped her career by claiming honorable mention All-America accolades from the Associated Press to go along with All-Big 12 Second Team honors she received prior to the tournament run.

Her junior season also included a milestone for Texas A&M, as the Aggies won the school's first Big 12 regular-season championship. Franklin was tabbed All-Big 12 First Team and Associated Press All-America Honorable Mention as she led the squad to the second round of the NCAA Tournament.

Franklin was named honorable mention All-Big 12 as a sophomore, a year after she became the conference's only

freshman to start at the point.

All total, Franklin led the Aggies to three NCAA Tournament trips, including one journey to the Elite Eight.

Franklin graduated from Texas A&M in May 2009 with a degree in recreation park and tourism science.

BRITTANY HUDSON

**Assistant Coach • Second Season
Georgia State, 2008**

Vic Schaefer believes he completed his inaugural Mississippi State coaching staff with one of the nation's up-and-coming young coaches when Brittany Hudson joined the Mississippi State coaching staff.

Hudson showed why she was an rising star in the coaching ranks during her first season with the Bulldogs, helping guide Schaefer's squad to some notable victories, including one against No. 11 Georgia, and working hard on the recruiting trail to help Mississippi State land one of the top recruiting classes in program history.

Hudson primed herself for an opportunity on the bench in the SEC after gaining valuable experience coaching at both the collegiate and AAU levels of the sport.

Hudson comes to Starkville after assisting at Daytona State College in her hometown Daytona Beach, Fla. During that season, she helped guide the Falcons to the 16th-best defense in NJCAA Division I after the squad held opponents to 53.6 ppg.

Working alongside 2012 Mid-Florida Coach of the Year Cal Cochran, Hudson helped tutor nine FCSAA all-conference players, including a league-high four first-team selections.

Prior to her season at DSC, Hudson spent a year as director of operations at Morehead State, coordinating travel as well as game-day management and other areas of the program. In that season, the Eagles advanced to the Ohio Valley Conference Tournament semifinals and finished with a 21-10 record, the best mark for a first-year coach in school history.

Her Division I experience came on the heels of a six-year stint at the AAU level coaching with the prestigious Essence girls basketball program. In addition to coaching the talented players in the program, she also arranged travel and served as site director for numerous

Hudson played her final college season at Valdosta State, averaging 11.4 points and nine rebounds per game. During that campaign, she earned second team All-Gulf South Conference accolades and helped guide the Lady Blazers to the NCAA Division II South Regional.

Hudson prepped one season at Mainland High School before finishing her high school career at Florida A&M University High School, where she led her team to the school's first state championship.

MARYANN BAKER

**Director of Operations • Second Season
Texas A&M, 2011**

Maryann Baker brings valuable experience both on the court and off to the Mississippi State coaching staff in her second season as the Bulldogs' Director of Operations.

Baker coordinates all of the team's daily operations, including logistics, travel and summer camps. Although she is in her first full-time sideline job, she is no stranger to sharing the bench with Vic Schaefer as a player and graduate assistant coach.

Prior to coming to Starkville, she spent a season helping the coaching staff following a stellar playing career that saw her help Texas A&M to four NCAA Tournament berths, including the 2011 national title and a pair of Big 12 Tournament titles.

During her first season on the sideline, the Aggies advanced to the Sweet 16 and finished the year 24-11 and No. 12 in the final USA Today/ESPN Coaches' Poll.

The Dallas, Texas, native capped a stellar playing career with the Aggies by winning the 2011 Big 12 Sixth Man Award before going on to help the program to a school-record 33 wins and the 2011 national championship.

Baker and classmate Sydney Colson ended their four-year careers in College Station as the winningest duo in Aggie basketball history, compiling a career record of 115-29 (.799). During that illustrious career, Baker went to the Elite Eight, Sweet 16 and NCAA Second Round during her first three seasons, but in her final campaign, she was able to reach the pinnacle that all athletes strive to achieve when she helped guide Texas A&M to the national title in the program's first trip to the Women's Final Four. Baker also helped guide the Aggies to Big 12 Tournament championships in 2008 and 2010.

One reason Schaefer looked to Baker to join his staff was her understanding of what it takes to excel both on and off the court. On the court, Baker scored 266 points in 116 career games, but she was also stellar in the classroom, garnering back-to-back Academic All-Big 12 First Team honors.

Coming out of Bishop Lynch Catholic High School, Baker was rated the 25th-best shooting guard in the country by the All-Star Girls Basketball Report. A McDonald's All-American nominee, Baker was a three-time all-state and all-district honoree. In 2013 she was inducted into her high school's athletic hall of fame.

SKYLAR COLLINS

**Video Coordinator • First Season
Texas A&M, 2012**

Mississippi State added another national championship-winning talent to its women's basketball staff during the off-season with the addition of former Texas A&M standout Skylar Collins as the program's video coordinator.

In her duties with the Mississippi State program, Collins will be responsible for breaking down game and practice film, as well as video exchange for Vic Schaefer's squad.

Collins' joining the Hail State Hoops staff signifies a return to the collegiate ranks for the Cedar Hills, Texas, native following a stint playing professional basketball for Sport Clube do Recife in Brazil.

The jump to the professional level came a year after Collins capped a stellar collegiate career that saw her help Texas A&M to the NCAA Tournament all four years, including a pair of Sweet Sixteen appearances and the national title in 2011.

During her career, Collins possessed the ability to stretch defenses with her dangerous outside shooting touch. Over her four years with the Aggies, Collins was a 43.5-percent shooter from the field, including a sizzling 44.2-percent from 3-point range.

She saved the best for last, though, as she tallied a 48-percent clip from the floor and a team-best 50-percent rate beyond the arc her senior year.

Collins capped her career by going 4-for-4 from the field and 2-for-2 from the free-throw line to tally 10 points and a pair of steals against No. 5 Maryland in the NCAA Sweet 16.

That impressive showing in the "Big Dance" came after she scored a career-best 15 points against Oklahoma in the Big 12 Championship Semifinals.

The outstanding swan song helped Collins earn the team's 6th Man Award and a second-straight Miss Hustle Award.

In addition to excelling on the court, she was also a standout in the classroom, earning Academic All-Big 12 Second Team accolades.

Collins was rated the No. 44 overall prospect and sixth-best shooting guard in the Class of 2008 by All-Star Girls Basketball Report.

Hail State Hoops performed a dance with the Mississippi State pom squad as part of Maroon Madness 2013 festivities in The Junction prior to the Bulldogs' Homecoming football game against Bowling Green.

She left her mark in the SEC as well, becoming the first player in the conference to lead the league in scoring all four years of her career. She was a four-time first team all-SEC and AP all-SEC selection in addition to being ranked in the top 12 nationally in scoring during her career.

Thomas is the all-time leading scorer at State for both men and women with 2,981 career points. She still holds the Lady Bulldog records for field goals made, field goals attempted, field goal percentage, free throws made, free throws attempted, free throw percentage, rebounds and blocked shots.

In addition to her numerous all-America honors, Thomas was named the Senior CLASS Award winner, 2003 Mississippi Amateur Athlete of the Year and 2003 SEC Female Athlete of the Year.

After a stellar senior season, Tan White became the second Lady Bulldog in school history to be named a WBCA All-American. The 2005 Frances Pomeroy Naismith Award recipient led the nation in scoring for eight weeks with 23.5 points per game. A four-time all-SEC honoree, she was also named to the Associated Press All-America second team for her senior year performance.

Concluding her maroon and white career with 2,421 career points, White became just the second Lady Bulldog to reach the 2,000-point plateau on the way to owning five MSU career categories. The SEC's all-time career steals leader was also a finalist for the State Farm Wade Trophy, Naismith Award, Wooden Award, Senior CLASS Award and a semifinalist for the Collegiate Basketball Award of Excellence.

She finished in the top five nationally in scoring throughout her career. She graduated leading MSU in three-point field goals made, three-point field goals attempted, steals, blocked shots and field goals attempted.

After graduation, White was drafted as the second pick in the 2005 WNBA Draft by the Indiana Fever. She was the second Lady Bulldog to be drafted into the WNBA.

MISSISSIPPI STATE UNIVERSITY

HOME OF THE BULLDOGS

DR. MARK KEENUM

UNIVERSITY PRESIDENT

Dr. Mark Everett Keenum became Mississippi State's 19th president Jan. 5, 2009, following a distinguished public service career.

Despite difficult economic times, Dr. Keenum has guided Mississippi State to new heights. His quick action to address budget shortfalls put the university in position to meet those challenges and maintain the highest level of academic excellence. The university has experienced record enrollment growth, which includes students with the highest ACT average of any university in our state. Increased enrollment has also spurred new construction on campus, with two new residence halls completed and opened this August. The Mize Pavilion, a state-of-the-art basketball practice facility, was dedicated in 2011. The Leo W. Seal Jr. Football Complex was occupied in January 2013. Plans in the immediate future include construction of another new residence hall, a new classroom building, a new dining facility, and renovation of historic Lee Hall. The ongoing expansion and improvements at Davis Wade Stadium should be completed by August 2014.

Since 2009, fundraising has reached all-time record levels. Giving by alumni and friends has surpassed \$300 million over that period, including the highly successful StatePride initiative that is providing scholarships for students and support for MSU faculty.

Dr. Keenum has also been instrumental in expanding the MSU Promise Program, which provides need-based scholarship assistance to Mississippi students whose families have limited financial means. Through the Sonny Montgomery Center for America's Veterans, he has also led initiatives to make Mississippi State one of the most veteran-friendly universities in the nation.

Mississippi State has strengthened its role as the flagship research university in the state. The Carnegie Foundation for the Advancement of Teaching classified MSU as a university with "very high research activity," the only such designation in Mississippi. Dr. Keenum travels frequently to Washington, D.C., meeting with Congressional leaders and federal agency heads to pursue research opportunities and broaden the university's influence on the national level. He has also worked closely with the governor, lieutenant governor and Mississippi Legislature in support of higher education in our state.

Keenum recently was elected to a term on the Southern Association of Colleges and Schools' Commission on Colleges' Executive Council. SACS is the recognized regional accrediting body in the 11 U.S. Southern states (Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia) and in Latin America for those institutions of higher education that award associate, baccalaureate, master's or doctoral degrees.

He was also recently elected to a term on the American Public Land-Grant Universities Board of Directors. Based in Washington, D.C., the Association of Public and Land-grant Universities (APLU) is a research and advocacy organization of public research universities, land-grant institutions, and state university systems with member campuses in all 50 states, U.S. territories and the District of Columbia.

A graduate of Mississippi State University with degrees in agricultural economics, Dr. Keenum began his career at MSU as a faculty member with the Extension Service and the Department of Agricultural Economics. He went on to serve as chief of staff to U.S. Senator Thad Cochran in Washington, DC and was Under Secretary of the United States Department of Agriculture prior to returning home to Mississippi State.

He graduated from Corinth (MS) High School and earned an associate of arts degree from Northeast Mississippi Community College in Booneville and was a member of the Northeast Tigers football team.

Dr. Keenum is married to the former Rhonda Newman of Booneville, also an MSU graduate. They have four children: Rett, Mary Phillips, Katie and Torie.

SCOTT STRICKLIN

DIRECTOR OF ATHLETICS

Using more than two decades of intercollegiate experience in communications, development and marketing, Scott Stricklin has built a wave of momentum within the Mississippi State fan base over during his tenure as the director of athletics.

From his first day on the job as Mississippi State's Athletic Director in May 2010, Stricklin, integrating the department's three foundations of focus on student-athletes, possessing great integrity and aggressively promoting Mississippi State University, has overseen a stretch in which the Bulldogs enjoyed both on and off the field successes unparalleled in more than a decade. During the 2012-13 year, Mississippi State athletics posted its highest-ever finish in the Learfield Sports Directors' Cup, placing 49th overall.

The Bulldog football team has advanced to bowl play each of the last three seasons. Record attendance, including a streak of more than 20-consecutive sellouts, has prompted a \$75 million renovation and expansion of Davis Wade Stadium. The football program has recently moved into the \$25 million Leo W. Seal, Jr. Football Complex.

Spring sports, including baseball, softball, men's and women's golf and track and field have each excelled and advanced to NCAA postseason play under Stricklin's guidance. In the 2012-13 academic year, 10 Mississippi State sports advanced to NCAA postseason play with six earning Top-25 rankings during the season.

Stricklin has overseen coaching changes in men's and women's basketball along with soccer and softball. Each coach possesses the passion and excitement along with intelligence and discipline required to lead Bulldog athletic programs.

In the classroom, Bulldog student-athletes continue to excel. In the fall of 2012, for the second time in three semesters, Mississippi State's men and women athletes established their best-combined grade point average with a 3.04 for the term. In the spring of 2013, women's sports posted an overall GPA of 3.25 and every female sports team earned a GPA over 3.0.

In 2013, Bulldog student-athletes again excelled in the NCAA's Academic Progress Rate, with all 16 sports far exceeding the minimum standard.

Stricklin has overseen record fundraising for Bulldog Athletics, which has produced new facilities such as the \$11.7 million Mize Pavilion at Humphrey Coliseum, a new \$25 million football practice and training complex as well as \$75 million in expansion and upgrades to Davis Wade Stadium. The Bulldog Club has solicited gifts totaling more than \$25 million for the football facility, including a record \$12 million gift from the Seal Family Foundation.

The Bulldog Club has initiated the most ambitious fundraising drive in the athletic department's history - an initiative called "Today, Tomorrow, Forever" - to generate funding for new construction and upgrades to existing facilities.

Supporters are responding at the turnstiles as well. In 2012, Mississippi State fans packed Davis Wade Stadium for every game, buying all available season tickets for the third-consecutive season and the third time in school history. Capacity crowds have become the norm as 23-consecutive home games have been sold out, and the school has created a waiting list that has topped 1,000 requests for season-ticket purchases.

Stricklin certainly wasn't a stranger to the Bulldog family or college athletics when he took over the reins at State.

A 1992 graduate of Mississippi State, the Jackson, Miss., native's resume is highlighted by 23 years of experience on the collegiate level in various capacities at five different universities. In the two years prior to becoming athletic director, he served as Senior Associate Athletics Director for External Affairs at his alma mater, overseeing fundraising, football and men's basketball scheduling, managing MSU's all-sport agreement with Adidas, facility planning and serving as the administrative sport liaison for men's basketball and softball.

It was those types of day-to-day tasks that prepared the personable Stricklin to take over the top seat in the Mississippi State athletic department.

Yet it's a journey that started during his formative days as a dedicated and tireless worker in the Mississippi State media relations department that's led to his highly-respected career coming full circle.

Prior to graduating, Stricklin's stint in the MSU media relations office included three seasons (1990-92) as the media contact for the nationally-renown baseball program. Upon graduation, he was named Assistant Media Relations Director at his alma mater.

He continued his climb up the ladder of success when he was named Associate Media Relations Director at Auburn, where he served from 1993-98. In 1998, Stricklin left Auburn to become Assistant Athletics Director at Tulane, where he served as the primary media contact for the Green Wave's 1998 12-0 football team. Next came a four-year run in the Big 12 Conference at Baylor (1999-2003) as Assistant AD for Communications and Marketing.

In 2003, Stricklin returned to the Southeastern Conference at Kentucky and spent five seasons as the Associate AD for Media Relations, where he oversaw the day-to-day publicity of the tradition-rich Wildcat basketball program. It was his last stop before returning to Mississippi State in the spring of 2008.

Stricklin, 43, is married to the former Anne Howell, the youngest daughter of Basketball Hall of Fame member Bailey Howell. The couple has two daughters, Abby and Sophie.

ANN CARR

SENIOR WOMEN'S ADMINISTRATOR/ SENIOR ASSOC. AD

A veteran athletic administration at MSU and a former Mississippi State women's basketball player, Ann Carr was named the university's associate athletic director for women's sports in June 2006.

Carr is in her second stint within the State athletic department following seven years as Assistant Athletic Director for Student Life. In that position, she worked with the personal development of MSU's student-athletes in addition to continuing her prior responsibilities as academic counselor for the Bulldog football team.

Carr serves as the director of the department's Life Skills program, which includes the support systems and career programs for all MSU student-athletes, and its CHAMPS program (Challenging Athletes' Minds for Personal Success).

As SWA, Carr oversees the operation and supervision of MSU's women's sport programs. Hired in 1993 as an assistant director in the athletic academic office, she returned full-time to Mississippi State in 1999 following a one-year stay in a similar capacity at the University of Southern Mississippi.

A native of Brookhaven, Miss., Carr was a four-year letter winner on the Mississippi State women's basketball team (1987-90). When Carr finished her women's basketball playing career, she ranked first on the career leaders list in free-throw percentage, shooting 75.8 percent over a four-year span. She also ranked 12th on the career points list, having scored 762 points in her tenure, averaging 8.3 points per contest. In rebounding, Carr brought down 597 boards (6.5 per game) to finish her career sixth on the all-time list in rebounds and rebounding average. She also finished her career holding the individual record in most three-point field goals made (five) in a single game.

A 1990 graduate of State, she later earned her master's degree in counseling from the institution in 1992. Carr has a daughter, Khristan.
