2025 SEASON REVIEW (39-19, 13-11 SEC)

HEAD COACH: SAMANTHA RICKETTS | RPI: 22 | SOS: 24

LEADING OFF

POSTSEASON PICTURES: Mississippi State defeated regional host and eventual national runner-up Texas Tech on Opening Day, 3-1, in eight innings. This year marked the second straight season that the Bulldogs were eliminated in a rematch with a February opponent in their regional. State was the only team in the nation to play each of the final four teams at the Women's College World Series three times in 2025.

HISTORIC SEC SEASONS: Mississippi State finished above .500 in conference play (13-11) for the first time since 2001 (19-11). The 13 wins were State's highest total since going 13-14 in 2008, and MSU won five series for the first time since 2007. Along with 2024 (12-12), the Bulldogs posted their first back-to-back years with at least a .500 record since 1998-99.

GOLDEN GIRLS: Sierra Sacco and Raelin Chaffin were both drafted by the Talons in the AUSL College Draft. They are State's 14th and 15th draft picks, and MSU was one of two teams nationally with multiple draftees.

RECORDS AND MILESTONES

TEAM GAME RECORDS: State hit five home runs in a game for just the fifth time in school history against New Mexico on March 1. The Bulldogs also posted four more games with at least four home runs. The five games with at least four homers stands as a single-season school record. MSU's five doubles vs. Washington on May 17 are tied for the second-most in a game in school history and the most in an NCAA Tournament game in program history. That game's 23 total bases were second in MSU NCAA Tournament history, and its 15 hits were tied for third. State collected a dozen RBIs at Tennessee on April 5 and at Kentucky on April 26. Those two totals are tied for the sixth-most RBIs in a single game in SEC play in program history.

TEAM SEASON RECORDS: State's 39 wins were tied for third-most in program history. The Bulldogs posted the No. 2 marks in batting average (.314), slugging percentage (.534) and on-base percentage (.407) in program history, and the team average and slugging percentage were second only to the shortened 2020 season. MSU's .946 team OPS was a school record. The offense also set program records for runs (370), home runs (74), runs batted in (339), sacrifice flies (21) and stolen base percentage (.907). State also turned in its second-best totals for a year in doubles (88), total bases (781) and walks (212). Defensively, MSU's eight runners picked off led the Power Four and was a program record, and its .971 fielding percentage ranked third in school history and was its highest mark since 2014. In SEC play alone, the Bulldogs set school records in slugging percentage (.496), home runs (32), sacrifice flies (10) and walks (96).

INDIVIDUAL SEASON RECORDS: Sierra Sacco posted top-10 single-season marks in batting average, slugging percentage, on-base percentage, OPS, hits, runs, doubles and total bases. In conference play, she was among the top 10 in average, slugging, on-base, runs, hits, home runs and total

TAKING DOWN TOP TEAMS: Samantha Ricketts broke the school record in 2025 with her 45th victory against an NFCA-ranked opponent as head coach. The Bulldogs had just 101 ranked wins prior to her tenure. State has 25 ranked wins in the past two years alone.

QUICK START: The Bulldogs were 25-5 when they scored in the first inning this year. Sierra Sacco led off the game with a homer four times, including three times on the first pitch a Bulldog batter saw.

KEEP IT CLEAN: MSU's .971 team fielding percentage ranked third in program history and was its highest since 2014 (.976). Jessie Blaine became the first player in school history to post an errorless season with at least 150 chances while closing her career on the sixth-longest errorless streak in school history. Sierra Sacco did not make an error in her two years at MSU.

bases. Kiarra Sells' 18 hit-by-pitches were fifth in program history. Jessie Blaine's 19 walks in SEC play were tied for sixth in program history on her way to a top-10 on-base percentage in conference play in school history. Freshman Morgan Stiles drove in 19 runs in league play, which is tied for ninth in MSU SEC-only history. Raelin Chaffin became just the fifth Bulldog pitcher to record 200 strikeouts in a season, and her 23 wins ranked fourth. She tossed 19 complete games, which was seventh in program history, and her 54 strikeouts looking were one shy of the school record. Along the way, she broke the school record with 10 wins in SEC play and was among the top five in complete games and shutouts in SEC play. Defensively, Blaine was the first played in program history to complete an errorless season with at least 150 chances, and Ella Wesolowski caught 50 percent of runners attempting to steal on her, which was second in program history and the best percentage since 2001.

CAREER RECORDS: Sierra Sacco closed her two seasons in Starkville with the third-highest career batting average (.403) in program history. Her .518 on-base percentage was second in school history, and her .627 slugging percentage was fifth. That combined to give her a 1.145 OPS that was the fourth-highest on record. Sacco's 92.1 percent success rate on steal attempts also landed in the top 10 in MSU history. Defensively, Riley Hull climbed to seventh on the all-time list with 998 career putouts, and she remained second in program history with a .989 fielding percentage. Ella Wesolowski and Jessie Blaine both moved into the top three in career pickoffs despite just two seasons in Starkville. Raelin Chaffin's 7.50 career strikeouts per seven innings mark ranks fourth in MSU history.

LINDBLADE LIFTS OFF WITH ATHLETE ENGINEERING

- » Throughout the summer, pitcher **Hosanna Lindblade** and student manager **Rachel Barber** interned with the athlete engineering institute on Mississippi State's campus and developed a hitting platform that integrates force plates to capture data in real-time while a batter is working on their swing in the cages.
 - » Designed, developed and constructed by Lindblade, Barber and their supervisors across campus, the product was delivered in January and is already being used in the Bulldogs' practices and workouts.
 - » Engineered to the exact measurements of the batter's box and home plate, the platform was made out of honeycomb core filler used in rockets covered by aircraft skin, making it incredibly durable yet light enough that one person can move the three pieces by themselves.
 - » MSU's athlete engineering institute is a first-of-its-kind collaboration between campus researchers and athletic department staff and coaches. The multidisciplinary department brings together engineers, kinesiology researchers, strength and conditioning coaches, athletic trainers and nutritionists to create groundbreaking research methods and wearable technology.
