MEDIA INFORMATION

SOFTBALL MEDIA PORTAL

Mississippi State has created an online portal for media members covering the Bulldogs' softball program. To access the portal, visit hailst.at/SBMedia. The Softball Press Box Page of HailState.com includes links to credential request forms, media guides, quick facts, game notes, box scores, recaps and team and staff headshots.

CREDENTIALS

Working media must apply for single-game credentials at least 24 hours in advance by visiting hailst.at/SBCreds. Seats will be assigned to credentialed media members. Space is limited inside the Nusz Park press box. Indoor seating priority will be given to team staff, broadcast personnel, production staff and those media members who regularly cover the program. Auxillary seating is located at the top of Section 104.

PHOTOGRAPHERS/VIDEOGRAPHERS

Photographers and videographers are permitted to shoot around Nusz Park in approved areas. Those wishing to shoot a game should meet with Brian Ogden in the press box before the game to be granted field access.

PRESS BOX SERVICES

A complete NCAA box score and pertinent game facts are available to members of the working media following the conclusion of each game. Media members also have access to game notes, statistics, lineups and rosters prior to the start of each game upon request. A pregame meal is also served in the press box approximately one hour prior to each game.

The press box is divided into four separate work areas, with each equipped with high-speed internet and telephone access. It is also set up to accommodate television and team video personnel.

RADIO BROADCASTS

The Nusz Park press box houses radio lines to support home and visitor radio broadcasts. For more information on the phone lines, please contact Brian Ogden in the Communications office.

- » The Bulldogs' Think Pink game is set for **April 10** against Arkansas.
- » State's annual Bark in the Park game is scheduled for **April 12** against Arkansas. Traditionally, each player's headshot on the video-board is replaced with their own submitted photos of their pets.

ALL FOR ALEX

- » **Alex Wilcox** was a member of the Bulldogs' 2018 team who inspired the nation with her courageous fight against ovarian cancer. That fight ultimately took her life that summer at the age of 18.
- » MSU immortalized Wilcox by retiring her No. 8 jersey on Sept. 15, 2018, making Wilcox the first female student-athlete in MSU history to have her jersey retired.
- » State's annual February Freezer tournament was rebranded in 2019 as **The Snowman: Alex Wilcox Memorial**.
- » The All For Alex campaign was started in 2021 as a joint effort of LSU head coach **Beth Torina** and MSU head coach **Samantha Ricketts**.
- » All 15 SEC schools unite to wear teal or teal accents for one day each year to recognize her impact on the softball community and raise awareness of the disease. All For Alex Weekend is **April 11, 2026**.

ALL ABOUT ATHLETE ENGINEERING

- » In the summer of 2024, former Bulldog pitcher **Hosanna Lindblade** and student manager **Rachel Barber** interned with the athlete engineering institute on Mississippi State's campus and developed a hitting platform that integrates force plates to capture data in real-time while a batter is working on their swing in the cages.
- » Designed, developed and constructed by Lindblade, Barber and their supervisors across campus, the product was delivered in January 2025 and is being used in the Bulldogs' practices and workouts.
- » Engineered to the exact measurements of the batter's box and home plate, the platform was made out of honeycomb core filler used in rockets covered by aircraft skin, making it incredibly durable yet light enough that one person can move the three pieces by themselves.
- » MSU's athlete engineering institute is a first-of-its-kind collaboration between campus researchers and athletic department staff and coaches. The multidisciplinary department brings together engineers, kinesiology researchers, strength and conditioning coaches, athletic trainers and nutritionists to create groundbreaking research methods and wearable technology.
- » Lindblade stepped away from softball following her sophomore year to pursue her career goals and serve more actively in her church community, while Barber graduated in May 2025.
- » More on the project from HailState.com » [MSU Athlete, Manager Design And Develop Innovative Force Plate Platform](#)
