2019 SEC Baseball | Week 8

SEC teams begin second half of regular season

• This is week eight of a 14-week regular season schedule and the fourth week of SEC play. The division leaders following three weekends of conference games are Georgia in the Eastern Division and Texas A&M in the Western Division.

• There are nine SEC teams ranked in the USA Today Baseball Coaches' Poll. Four teams are ranked in the top-nine and six in the top-12.

• The SEC leads all conferences with the best winning percentage in non-conference games (.821; 224 wins).

• The top-five national attendance leaders are from the SEC. Mississippi State is first followed by LSU, Ole Miss, Arkansas and South Carolina. Seven of the top-eight are from the SEC.

• Ninety-six baseball players formerly from Southeastern Conference universities were on 2019 Major League Baseball Opening Day rosters. A total of 80 former baseball student-athletes from SEC schools were on 25-man rosters, and an additional 16 were listed on 40-man rosters or disabled lists. Every SEC university was represented on MLB Opening Day rosters, with each team boasting at least two former SEC players on MLB active rosters.

• The SEC this season implemented a Centralized Replay System for its Conference games. A Replay Official in the SEC Video Center located in the Conference Office review plays in SEC vs. SEC games and renders decisions that are communicated to the umpire staff via headsets on the field at stadiums. The system is consistent with the process used by Major League Baseball.

National Leaders Entering Week 8

• SEC teams leading the nation entering week eight include: Mississippi State with 82 doubles, Georgia in fewest hits allowed per nine innings (6.03), Auburn and Tennessee with six shutouts, and Mississippi State in strikeouts per nine innings (12.0). Auburn's Jack Owen leads the nation with a 0.62 WHIP.

2019 Video Review

• In 2019, the NCAA has approved one set of Video Review Rules for all games: These rules can be used in both Conference and Non-Conference games, including the SEC Tournament. The Head Coach Challenge System and Crew Chief Initiated review after the 7th Inning of a 9 inning and 5th of a 7 inning scheduled contests remains in effect.

Seeding

The two division champions shall be automatically seeded number one and number two based on winning percentage in conference competition. The rest shall be seeded numbers three through 12 based on winning percentage without regard to division. Ties will be broken in the following manner:

- Two-Team Tie. The following procedure will be used in the following order until the tie is broken:
 - Won-lost results of head-to-head competition between the two tied teams.
 - If two-teams are divisional opponents:
 - Won-lost percentage within their division (over the 18-game SEC division schedule).
 - Won-lost percentage of the two teams versus the No. 1 team in their division (and proceeding through the No. 7 team, if necessary).
 - If two teams are not divisional opponents:
 - Won-lost record of the two teams versus the No. 1 seed using common opponents only (and proceeding through the No. 12 seed, if necessary).
 - Coin flip by the Commissioner
- Three-Team Tie (or more). The following procedure will be used in the following order until the tie is broken: (Note: If the three tied teams have three different records against each other, they shall be seeded in best-percentage order.) Otherwise, once the tie has been reduced to two teams, the two-team tiebreaker procedure will be used.
 - If all three teams are common opponents: Total won-lost percentage of games played among the tied teams.
 - Won-lost percentage of the tied teams versus the No. 1 seed and proceeding through the No. 12 seed, if necessary, using common opponents only.
 - If three or more teams still are tied, the Commissioner will conduct a draw.

All times Central.
The second game of each session will begin approximately 30 minutes after the conclusion of the first game.
