SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts additional football-focused studio shows in the fall: SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

### THIS IS SEC FOOTBALL

• Sixteen times in the last 18 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 13 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but twice since 2006.

• With Florida in January 2009, five different teams from the SEC (Alabama, Auburn, Florida, LSU, Georgia) have played for and won the national championship. All five have multiple appearances and at least one victory since in the national championship game since 2007.

• The SEC won four consecutive CFP National Championships, by three different programs (LSU, Alabama, Georgia), from 2019-2022.

• Not counting games versus each other, the SEC is 14-4 all-time in College Football Playoff games, playing in eight of the 10 CFP Championship Games (winning six of those eight). The SEC is 10-2 in CFP Semifinals, including 10 consecutive semifinal wins.

• Since 2006, the SEC has posted a 34-16 (.680) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A5 conference.

• The Southeastern Conference led the nation yet again in 2023 with 372 former players on opening weekend 53-man active rosters, including injured reserve.

• A total of 24 former SEC players were on active rosters of Super Bowl LVI between the Kansas City Chiefs and the San Francisco 49ers.

• The SEC is 114-71 (.616) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.

• The SEC has now won 65 games in the last nine postseasons and has sent no less than eight teams to post-season bowls in each of the last 17 seasons.

• In the 10 seasons of the College Football Playoff era, only eight programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) – five of those seven programs (Alabama, Georgia, LSU, Mississippi State, Tennessee) are from the SEC. Prior to 2023, no team outside the SEC had been ranked No. 1 in the weekly CFP Poll since 2019, while four schools from the SEC were ranked No. 1 during that time.

• Ten different SEC teams, including all seven from the former SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State, Tennessee and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the former Western Division have advanced to a New Year's Six bowl.

• With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last seven years and three times since the 2011 season.

• The SEC Championship has been the most watched conference championship nationally for 15 of the past 16 seasons, including 12 in a row from 2008-2019. The only year it was not #1 was 2020 when the SEC did not have a traditional schedule due to the pandemic. The 2023 SEC Championship Game averaged 17.519 million viewers, +61% vs. last year's game, and peaked with 22.350 million viewers. It was the most-watched Conference Championship Game on any network in five years.

• The SEC finished the 2023 season as the most-watched conference in college football based on total minutes consumed for a second-straight year. The SEC was also #1 in average audience for at least the 13th consecutive year.

## 2024 Media Days Preseason Poll

Georgia was predicted to win the 2024 SEC Championship, according to a preseason poll of media covering SEC Football Media Days.

The Bulldogs received 165 votes to be crowned SEC Champion on December 7 in Atlanta at Mercedes-Benz Stadium, with Texas being picked to be the Bulldogs' opponent in the Longhorns' first season in the league. Texas received 27 votes to win the SEC Championship.

This will mark the first season since 1991 with no divisions in SEC Football. The participants of the game will be determined during the eight-game regular-season conference schedule as the teams with the two best overall SEC winning percentages.

Only nine times since 1992 (32 years) has the predicted champion prior to the season at SEC Media Days proceeded to win the SEC Championship Game.

### SEC FOOTBALL BOWL AGREEMENTS

The Southeastern Conference has six-year agreements with nine football post-season bowls. The nine bowls are in addition to bowl games in the College Football Playoff system for which SEC teams are eligible to qualify.

The SEC has extended its current agreements through 2025 with the Cheez-It Citrus Bowl in Orlando, the ReliaQuest Bowl in Tampa, the TaxSlayer Gator Bowl in Jacksonville, the Transperfect Music City Bowl in Nashville, the Texas Bowl in Houston, the AutoZone Liberty Bowl in Memphis, the TicketSmarter Birmingham Bowl and the Union Home Mortgage Gasparilla Bowl.

In addition, the SEC will continue its relationship with the Duke's Mayo Bowl in Charlotte, participating in that bowl game in 2025. For 2024, an SEC team will participate in the SRS Distribution Las Vegas Bowl.

The SEC will maintain its current bowl selection process in which the Citrus Bowl has the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff after which the SEC assigns teams to a Pool of Six bowl.

The SEC Pool of Six consists of the ReliaQuest Bowl, TaxSlayer Gator Bowl, Transperfect Music City Bowl, Texas Bowl and Autozone Liberty Bowl, as well as the SRS Distribution Las Vegas Bowl in 2024, and the Duke's Mayo Bowl in 2025.

In consultation with SEC member institutions, as well as these six bowls, the conference will make assignments for the bowl games in the pool system. ESPN Events selects teams to participate in the Birmingham and Union Home Mortgage Gasparilla Bowls after the Pool of Six have been assigned.

### 2024-25 College Football Playoff

- The 12 participating teams will be the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams.
- The ranking of the teams will continue to be done by a selection committee.
- The four highest-ranked conference champions will be seeded one through four and will receive a first-round bye. The fifth conference champion will be seeded where it was ranked or at No. 12 if it is outside the top 12 rankings. Non-conference champions ranked in the top four will be seeded beginning at No. 5. Because of this, the seeding, 1 through 12, could look different than the final rankings.
- The eight teams seeded No. 5-12 will play in a first round with the higher seeds hosting the lower seeds either on campus or at other sites designated by the higher-seeded institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7 and No. 9 at No. 8.).
- The selection committee will assign the four highest-ranked conference champions to Playoff Quarterfinals hosted by bowls. This will be done in consideration of historic bowl relationships, then in consideration of rankings. For example, if the Sugar Bowl hosts a Playoff Quarterfinal and the SEC champion is ranked No. 1 and the Big 12 champion is ranked No. 3, the SEC champion would be assigned to the Sugar Bowl and the Big 12 champion would be assigned elsewhere.
- With the four highest-ranked conference champions assigned to bowls, their four Playoff Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.)
- The College Football Playoff bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the playoff (i.e., no re-seeding).
- The highest seed will receive preferential placement for the Playoff Semifinal bowl assignment.
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

### SEC SUCCESS SINCE 2006

During the last 18 seasons (2006-23), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

### SEC IN THE CFP/BCS ERA (Since 1998)

- The SEC has won 13 of the last 18 national championships, 15 of the 265 BCS/CFP-era National Championships, six runner-up finishes and 29 overall national titles (CFP, AP, BCS, FWAA, Coaches Poll) in SEC history. The SEC has appeared in 16 of the last 18 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.
- Five different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017, 2020; Florida, 2006, 2008; LSU, 2007, 2019; Georgia, 2021, 2022). Five programs have advanced to the national championship game since 2013. Tennessee (1998) has also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011, Georgia in 2017 and Alabama in 2021. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) and Big Ten (Michigan, Ohio State) has had three schools win titles since 1998, while the current Big 12 (Texas and Oklahoma) has had two.
- Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (19 of 36). The Big Ten has five during that time, the ACC has four, while the Big 12 and Pac-12 has three.
- The SEC has had more teams ranked in the BCS/CFP standings than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.
- Since 2006, the SEC has posted 34 wins in BCS/New Year's Six/Access bowls - more wins than any other conference.
- Six of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their average 448 yards per game. In the 2021 CFP Semifinal, Alabama defeated Cincinnati 27-6, holding the Bearcats to 218 yards and a pair of field goals. Georgia's 65-7 victory over TCU in the 2022 national championship game, the Bulldogs held TCU to 188 total yards and nine first downs. Georgia's 63-3 defeat of Florida State in the 2023 Orange Bowl was the largest margin of victory in the entire history of postseason bowls, holding FSU to only 209 yards.
- The SEC has now won 65 games in the last eight postseasons. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 16 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014. The SEC qualified a record 13 teams for postseason bowls in 2021 and finished 7-2 in the 2020 postseason, with all seven wins coming against Top-25 competition - the most in history for the conference.
- The SEC is 114-71 (.616) in bowl games since 2006, the only Autonomy Five league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.

### SEC vs. OTHER CONFERENCES

- Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 864-216 record, an 80.1 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last 18 seasons (2006-2023). Last season (2023), the SEC was 50-15 (.769), including bowl games.

### SEC IN FINAL RANKINGS

- Since 2006, the SEC has had the most teams ranked in the final USA Today Coaches Poll. The conference has had 99 teams ranked in the final USA Today rankings during that span, including six in 2023.
- The SEC has either led or tied for the lead with the most teams ranked in the USA Today Top-25 for 16 of the last 18 seasons.

### THIS IS SEC FOOTBALL

- Sixteen times in the last 18 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 13 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but twice since 2006.
- With Florida in January 2009, five different teams from the SEC (Alabama, Auburn, Florida, LSU, Georgia) have played for and won the national championship. All five have multiple appearances and at least one victory since in the national championship game since 2007.
- The SEC won four consecutive CFP National Championships, by three different programs (LSU, Alabama, Georgia), from 2019-2022.
- Not counting games versus each other, the SEC is 14-4 all-time in College Football Playoff games, playing in eight of the 10 CFP Championship Games (winning six of those eight). The SEC is 10-2 in CFP Semifinals, including 10 consecutive semifinal wins.
- Since 2006, the SEC has posted a 34-16 (.680) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A5 conference.
- The Southeastern Conference led the nation yet again in 2023 with 372 former players on opening weekend 53-man active rosters, including injured reserve.
- A total of 24 former SEC players were on active rosters of Super Bowl LVI between the Kansas City Chiefs and the San Francisco 49ers.
- The SEC is 114-71 (.616) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.
- The SEC has now won 65 games in the last nine postseasons and has sent no less than eight teams to post-season bowls in each of the last 17 seasons.
- In the 10 seasons of the College Football Playoff era, only eight programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) - five of those seven programs (Alabama, Georgia, LSU, Mississippi State, Tennessee) are from the SEC. Prior to 2023, no team outside the SEC had been ranked No. 1 in the weekly CFP Poll since 2019, while four schools from the SEC were ranked No. 1 during that time.
- Ten different SEC teams, including all seven from the former SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State, Tennessee and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the former Western Division have advanced to a New Year's Six bowl.
- With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last seven years and three times since the 2011 season.
- The SEC Championship has been the most watched conference championship nationally for 15 of the past 16 seasons, including 12 in a row from 2008-2019. The only year it was not #1 was 2020 when the SEC did not have a traditional schedule due to the pandemic. The 2023 SEC Championship Game averaged 17.519 million viewers, +61% vs. last year's game, and peaked with 22.350 million viewers. It was the most-watched Conference Championship Game on any network in five years.
- The SEC finished the 2023 season as the most-watched conference in college football based on total minutes consumed for a second-straight year. The SEC was also #1 in average audience for at least the 13th consecutive year.

## SEC CHAMPIONSHIP GAME

### 2024 SEC CHAMPIONSHIP GAME

The Southeastern Conference's top two teams in the regular season standings will meet in Atlanta's Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 33rd-annual title game is set for December 7 and will be televised nationally by ABC.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game will be determined during the eight-game regular-season conference schedule as the teams with the two best overall SEC winning percentages.

The SEC Championship has been the most watched conference championship nationally for 15 of the past 16 seasons, including 12 in a row from 2008- 2019. The only year it was not No. 1 was 2020 when the SEC did not have a traditional schedule due to the pandemic.

The 2023 SEC Championship Game averaged 17.519 million viewers, +61% vs. last year's game, and peaked with 22.350 million viewers. It was the most-watched Conference Championship Game on any network in five years. The 2021 SEC Championship attracted over 15 million viewers, the most watched championship game in college football since 2018.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 30 capacity crowds in its 32-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2031. The new agreement allows the SEC the option of adding a five-year extensions through 2036. The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 22 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

### SEC FOOTBALL TIE-BREAKING PROCESS

In the event of a tie between teams competing for a place in the Conference championship game, the following procedures will be used in descending order until the tie is broken:

- \* Head-to-head competition among the tied teams
- \* Record versus all common Conference opponents among the tied teams
- \* Record against highest (best) placed common Conference opponent in the Conference standings, and proceeding through the Conference standings among the tied teams
- \* Cumulative Conference winning percentage of all Conference opponents among the tied teams
- \* Capped relative total scoring margin versus all Conference opponents among the tied teams
- \* Random draw of the tied teams

If the regular season standings determine a clear Conference champion and two or more teams are tied for second place, the Conference champion will be the home team in the Championship Game and the tiebreaking procedures will be used to determine its opponent.

If a tiebreaker step produces standings with two teams tied for first place in the Conference, both will qualify for the championship game. To decide the seeding of the two teams, both will progress through the two-team tiebreaker procedures until the tie is broken, which will determine home/away designation for the SEC Championship Game.

The 2024 SEC Championship Game will be held on Saturday, Dec. 7, at Mercedes-Benz Stadium in Atlanta, Ga.

Complete tiebreaker procedures and examples can be found at [www.SECsports.com/fbtiebreaker](http://www.SECsports.com/fbtiebreaker).

# 2024 SEC Football

## DAWN OF A NEW ERA FOR THE SEC

### A HISTORY MAKING MOMENT OF GROWTH

The universities of Oklahoma and Texas joined the SEC this summer, which marked the third time in the history of the Conference that the SEC has expanded, adding six teams over those three occasions.

A brief history:

- The 13 members of the former Southern Conference west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville. The charter members of the SEC were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, LSU, Ole Miss, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt.
- Sewanee withdrew Dec. 13, 1940, Georgia Tech withdrew on June 1, 1964 and Tulane on June 1, 1966.
- The SEC welcomed Arkansas on Aug. 1, 1990, and South Carolina on Sept. 25, 1990. Both joined the SEC on July 1, 1991.
- The SEC welcomed Texas A&M on Sept. 25, 2011, and Missouri on Nov. 6, 2011. Both joined the SEC on July 1, 2012.
- The SEC welcomed Oklahoma and Texas on July 30, 2021. Both joined the SEC on July 1, 2024.

### SEC, ESPN ENTER NEW ERA OF PARTNERSHIP

The Southeastern Conference and ESPN this year will begin a milestone 10-year agreement that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events.

The landmark agreement, which represents a significant expansion of the conference's current partnership with ESPN, will establish ABC as the new broadcast network home for Saturday afternoon SEC football games, as well as selected Saturday primetime football games and the annual SEC Football Championship Game, which has grown into one of the most popular sporting events of the year. In addition, approximately eight incremental marquee men's basketball games will be featured across ABC or ESPN.

The new First Tier rights agreement puts all SEC media rights under The Walt Disney Company umbrella, giving the SEC exposure on ABC, ESPN, ESPN2, ESPNU, ESPN+, SEC Network and SEC Network+.

The exclusive partnership with ESPN comes with significant scheduling flexibility that will produce an array of benefits for member schools, student-athletes and college football fans. Under the new agreement, a number of game times and broadcast windows will be announced in advance of the season, giving fans an ability to plan more seamlessly.

## STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

### STUDENT-ATHLETE CAREER TOUR

Twenty-eight current and former SEC student-athletes participated in the annual SEC Career Tour in December in Atlanta. It marked the seventh time student-athletes from each SEC university convened in Atlanta to participate in the career tour leading up to the SEC Football Championship Game. The event was held virtually in 2020.

The annual program allows student-athletes to connect with human resource recruiters and submit resumes for entry-level jobs, internships and gain valuable knowledge of professional branding.

### SEC IN NCAA'S TOP 10

Four SEC student-athletes were recipients of the NCAA's prestigious Top 10 Award, more than any other conference. The award recognizes former student-athletes for their successes in competition, in the classroom and in the community.

- Kobe Brown, Men's Basketball, Missouri
- Callie Dickinson, Swimming & Diving, Georgia
- Ashley Rogers, Softball, Tennessee
- Trinity Thomas, Gymnastics, Florida

The four winners were honored at the NCAA Convention in January. The Today's Top 10 awardees were selected by the NCAA Honors Committee, composed of representatives from NCAA member schools and conferences, as well as nationally distinguished citizens, including past awardees.

### NCAA WOMAN OF THE YEAR

Georgia swimmer Callie Dickinson was among nine finalists for NCAA Woman of the Year in 2023. Selected from 619 school nominees – the group that was then narrowed to 164 nominees at the conference level before the Top 30 honorees were determined, including 10 from each of the three NCAA divisions. Each honoree has demonstrated excellence in academics, athletics, community service and leadership.

South Carolina basketball player Aliyah Boston was among the Top 30 honorees in 2023.

Callie Dickinson was a six-time College Swimming and Diving Coaches Association of America All-American, earning first-team honors for her fifth-place finish in the 4x200- yard freestyle relay at the 2022 NCAA

Division I Women's Swimming and Diving Championships. She has represented the U.S. in international competition since 2017, including the 2023 World University Games. The five-time first-team CSCAA Scholar All-American was the 2023 SEC H. Boyd McWhorter Women's Scholar-Athlete of the Year and earned a 2023 NCAA Postgraduate Scholarship.

### SEC AMONG HONDA AWARD WINNERS

Parker Valby of the Florida cross country team was named the Honda Sport Award winner for both Cross Country and Track & Field, and Haleigh Bryant of LSU was named the Honda Sport Award Winner for Gymnastics.
