Saturday's show marks the first time SEC Nation has originated with a full presence from Charlotte, the home of the SEC Network, and only the third time the show has aired from a neutral site city during the regular season. SEC Nation presented by AT&T airs from 10 a.m. – Noon from uptown Charlotte, with special guests to be announced closer to kickoff.

"Two shows in three days is the perfect way to match our excitement for the start of the 2018 season," said Tom McCollum, ESPN senior coordinating producer. "After a fantastic start last month in Atlanta, we couldn't be more thrilled to kick off the regular season in College Station before welcoming the SEC Nation family to our home here in Charlotte."

The SEC Nation crew returns in full force, with host Laura Rutledge, analysts Paul Finebaum, Marcus Spears and Tim Tebow, and reporter Lauren Sisler rejoining the SEC Nation desk. Ryan McGee, senior writer for ESPN The Magazine, comes back as a contributor for 2018. For Saturday's show, Sisler will be reporting live from the 2018 Chick-fil-A Kickoff game in Atlanta between Washington and SEC West champion, Auburn.

Each show will include live reports, analysis and features surrounding the sights, sounds and storylines of SEC football, and will showcase the new SEC Nation demo field that debuted at the show's SEC Media Days stop in July. Also new for 2018 is the weekly series "SEC Shorts," which also had its premiere at SEC Media Days last month.

SEC SENDS 11 TO POSTSEASON IN 2018

BIRMNGHAM, Alabama – Eleven Southeastern Conference football teams learned their post-season bowl destinations on Dec. 2, including No. 1-ranked Alabama which will play No. 4 Oklahoma in the Orange Bowl on December 29 in a semi-final game for the College Football Playoff.

The College Football Playoff committee first selected teams for the national semifinal games, the Capital One Orange Bowl and the Goodyear Cotton Bowl. The committee later announced the participants in the Rose Bowl Game presented by Northwestern Mutual, Allstate Sugar Bowl, Chick-fil-A Peach Bowl and PlayStation Fiesta Bowl.

Georgia will play in the Allstate Sugar Bowl on January 1 against Texas. In the contracted New Year's Day game between the SEC and Big 12, the SEC places its conference champion in the Sugar Bowl, or the SEC team that is highest ranked in the CFP standings who is not otherwise selected for the CFP Semifinals.

In other CFP New Year's Six Games as determined by the CFP Selection Committee, Florida will play Michigan in the Chick-fil-A Peach Bowl and LSU will face Central Florida in the PlayStation Fiesta Bowl

Next, the VRBO Citrus Bowl selected Kentucky from the SEC to play Penn State.

This marks the fifth year the conference has assigned league schools to an "SEC Bowl Pool" that includes the Academy Sports + Outdoors Texas Bowl in Houston, the Franklin American Mortgage Music City Bowl in Nashville, the Belk Bowl in Charlotte, the AutoZone Liberty Bowl in Memphis, the TaxSlayer Gator Bowl in Jacksonville and the Outback Bowl in Tampa.

Vanderbilt will play a Big 12 opponent in the Academy Sports + Outdoors Texas Bowl, Auburn will play a Big Ten opponent in the Franklin American Mortgage Music City Bowl, South Carolina will play an ACC opponent in the Belk Bowl, Missouri will play a Big 12 opponent in the AutoZone Liberty Bowl, Texas A&M will play an ACC opponent in the TaxSlayer Gator Bowl and Mississippi State will play a Big Ten opponent in the Outback Bowl.

"The SEC Bowl Pool participants are determined after conversations with bowl partners and discussions with school personnel in order to create a lineup of compelling bowl games for our teams and their fans," said SEC Commissioner Greg Sankey. "This process, as approved by the institutions of the SEC, provides an opportunity to create intriguing matchups and varying assignments to help prevent repetitive postseason destinations."

The SEC has now won 32 games in the last four postseasons.

The SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons in 2016. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 11 seasons.

The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.

SEC SENDS 11 TO POSTSEASON BOWLS, INCLUDING FOUR TO NEW YEAR'S SIX

Eleven Southeastern Conference football teams learned their post-season bowl destinations on Dec. 2 including No. 1-ranked Alabama which will play No. 4 Oklahoma in the Orange Bowl on December 29 in a semifinal game for the College Football Playoff.

The College Football Playoff committee first selected teams for the national semifinal games, the Capital One Orange Bowl and the Goodyear Cotton Bowl. The committee later announced the participants in the Rose Bowl Game presented by Northwestern Mutual, Allstate Sugar Bowl, Chick-fil-A Peach Bowl and PlayStation Fiesta Bowl.

Georgia will play in the Allstate Sugar Bowl on January 1 against Texas. In the contracted New Year's Day game between the SEC and Big 12, the SEC places its conference champion in the Sugar Bowl, or the SEC team that is highest ranked in the CFP standings who is not otherwise selected for the CFP Semifinals.

In other CFP New Year's Six Games as determined by the CFP Selection Committee, Florida will play Michigan in the Chick-fil-A Peach Bowl and LSU will face Central Florida in the PlayStation Fiesta Bowl

Next, the VRBO Citrus Bowl selected Kentucky from the SEC to play Penn State.

This marks the fifth year the conference has assigned league schools to an "SEC Bowl Pool" that includes the Academy Sports + Outdoors Texas Bowl in Houston, the Franklin American Mortgage Music City Bowl in Nashville, the Belk Bowl in Charlotte, the AutoZone Liberty Bowl in Memphis, the TaxSlayer Gator Bowl in Jacksonville and the Outback Bowl in Tampa.

Vanderbilt will play a Big 12 opponent in the Academy Sports + Outdoors Texas Bowl, Auburn will play a Big Ten opponent in the Franklin American Mortgage Music City Bowl, South Carolina will play an ACC opponent in the Belk Bowl, Missouri will play a Big 12 opponent in the AutoZone Liberty Bowl, Texas A&M will play an ACC opponent in the TaxSlayer Gator Bowl and Mississippi State will play a Big Ten opponent in the Outback Bowl.

"The SEC Bowl Pool participants are determined after conversations with bowl partners and discussions with school personnel in order to create a lineup of compelling bowl games for our teams and their fans," said SEC Commissioner Greg Sankey. "This process, as approved by the institutions of the SEC, provides an opportunity to create intriguing matchups and varying assignments to help prevent repetitive postseason destinations."

2018 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE
To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE
The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE
All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

THE PLAYS
Scoring Plays
Reviewable plays involving a potential score include:
a. A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes
Reviewable plays involving passes include:
a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
b. Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
d. A forward pass or forward handing after a change of team possession.
e. Pass ruled forward or backward when thrown from behind the neutral zone.
1. If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball
Reviewable plays involving potential dead balls and loose balls include:
a. Loose ball by a potential passer ruled a fumble.
b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
c. Live ball not ruled dead in possession of a ball carrier.

d. Loose ball ruled dead (Rule 4-1-2-b-2), or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing football action.
1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down or the goal line.
f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.
j. Catch or recovery of a loose ball in the field of play or an end zone.
k. Forward fumble that goes out of bounds with respect to a first down.
l. Live ball declared dead under Rule 4-1-2-b-2 and b-3 (inadvertent whistle).

Kicks
Reviewable plays involving kicks include:
a. Touching of a kick.
b. Player beyond the neutral zone when kicking the ball.
c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
d. Scrimmage kick crossing the neutral zone.
e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting
a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul to ascertain whether there is at least one indicator of targeting action.
b. The Replay Official may create a targeting foul, but only when the targeting action is clear and obvious and the foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous
Situations that may be addressed by the replay official:
a. The number of players on the field for either team during a live ball.
b. Clock adjustment and status when a ruling is reviewed.
c. With less than one minute in either half and a replay review results in the on-field ruling being reversed, and the correct ruling would not have stopped the game clock, then the clock will be reset to the time the ball is declared dead by replay. The referee will subtract 10 seconds from the game clock and the game clock will start on the referee's signal. Either team may use a team timeout to avoid the runoff.
d. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
e. Correcting the number of a down.
1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
f. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
g. An injured player at the initiation of the medical observer.

Limitations on Reviewable Plays
No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls
The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:
a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.
b. Player beyond the neutral zone when kicking the ball.
c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
d. The number of players on the field for either team during a live ball.
e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
f. Player who is out of bounds touching a free kick that had not been touched inbounds.
g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
h. A clear, obvious and egregious targeting foul.

THE PROCESS
Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSport. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSport Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS
*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT
Each SEC member institution uses the new multi-view HD Replay System developed by DVSport. The replay systems are maintained by the home institution with technical support from DVSport.

SEC FOOTBALL

During the last 12 seasons (2006-17), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won nine of the last 12 national championships, 11 of the 20 BCS/CFP-era National Championships, four runner-up finishes and 25 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in 11 of the last 12 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017; Florida, 2006 and 2008; LSU, 2007). Five programs have advanced to the national championship game since 2008 as Georgia met Alabama in the 2018 CFP Championship Game. Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two.

• Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (14 of 26). The Big Ten and ACC have three during that time, while the Big 12, Pac-12 has two.

• A SEC team has led or tied for the lead at the end of 36 of the last 48 quarters of National Championship Game play. Alabama only trailed for the final second of the 2017 National Championship Game.

• The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 16 wins in BCS - now New Year's Six/Access bowls - more wins than any other conference. Here are the BCS/CFP bowl records of all conferences since 2006:

SEC	***16-12***	***.571***
Big Ten	13-14	.481
Pac-12	10-9	.526

• With conference limits being removed in 2014 with the College Football Playoff, the SEC became the first conference to place three teams in CFP/BCS postseason bowls: Ole Miss (Chick-fil-A); Mississippi State (Orange); Alabama (Sugar/National Semifinal).

• Three of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their usual 448 yards per game.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the CFP/BCS Championship Game era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year national championship winning streak, the SEC's average margin of victory in National Championship Games was 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC IN OVERALL BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (76) and appearances (121) than any other conference. The conference's .628 bowl winning percentage is first among FBS leagues during that time.

The SEC has appeared in three of the four CFP National Championship Games, winning two. The SEC finished 9-2 in BCS National Championship Games (LSU 2-1, Florida 2-0, Alabama 3-0, Tennessee 1-0, Auburn 1-1), 8-1 vs. non-SEC competition. The SEC had the most wins (17) and the highest winning percentage of any conference that has three-or-more appearances in BCS bowl games. The SEC was 17-10 in BCS games (.630 percentage), 16-9 (.640) in non-conference. Since 2006, the SEC has posted a 14-7 (.667) record in BCS/CFP games, more wins, appearances and winning percentage than any other conference.

• The SEC has now won 27 games in the last four postseasons, a national record. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 11 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.

• The SEC is 76-45(.628) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 23 wins more than the next closest conference.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. Two-Team Tie. In the event two teams are tied for a division title, the following procedure will be used in the following order:

A. Head-to-head competition between the two tied teams;

B. Records of the tied teams within the division;

C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);

D. Overall record against non-divisional teams;

E. Combined record against all common non-divisional teams;

F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;

G. Best cumulative Conference winning percentage of non-divisional opponents; and

Example: Tied Teams Non-Divisional Opponents Cumulative Record
Western 1 Eastern Opponents: 14-2
Western 2 Eastern Opponents: 12-4
(Western 1 would be the representative)

H. Coin flip of the tied teams.

2. Three-Team Tie (or more). If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

A. Combined head-to-head record among the tied teams;

B. Record of the tied teams within the division;

C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);

D. Overall Conference record against non-divisional teams;

E. Combined record against all common non-divisional teams;

F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and

G. Best cumulative Conference winning percentage of non-divisional opponents (Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record
Western 1 Eastern Opponents: 14-2
Western 2 Eastern Opponents: 12-4
Western 3 Eastern Opponents: 8-8
(Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2018 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners will meet in Atlanta's newly constructed Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 27th-annual title game is set for December 1 and will be televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2017 SEC Championship Game was the highest rated game in the nation for the entire regular season. No. 7 Georgia's 28-7 win over No. 2 Auburn drew an average overnight rating of 8.4 and 18 share, the best for CBS since 2013, when the Iron Bowl drew an 8.6/18 rating and share. Those figures are up 20 percent from last year's SEC Championship Game between Alabama and Florida (7.0/15).

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 24 capacity crowds in its 26-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

A consensus All-America selection in 1979, Jim Miller was a three-time All-SEC first-team pick and member of both the Ole Miss Team of the Century (1893-1992) and Ole Miss Sports Hall of Fame. A barefooted punter, he averaged 43.4 yards on 266 career punts and in 1977 led the nation in punting, averaging 45.9 yards, which also set an SEC record. Although 40 years have passed since his final collegiate season, he still holds school records for most career punts (266) and career punting yards (11,549) and ranks second for most punting yards in a season (3,283). Miller played six years in the NFL and while playing for the San Francisco 49ers was selected to the NFL All-Rookie Team in 1980 and was also a member of San Francisco's Super Bowl XVI championship team. He played three seasons with the 49ers, two with Dallas and one with the New York Giants.

MISSISSIPPI STATE – Mardye McDole, Wide Receiver, 1977-80
Mardye McDole, a Mobile, Ala., native is arguably the greatest wide receiver in Mississippi State history. Still the only three-time All-SEC wide receiver in school history, McDole led the conference in receptions (48) and yards per reception as a sophomore. That year, McDole became the first player in MSU history with over 1,000 receiving yards in a single-season (1,035), a mark that remains the school record. He was tabbed an All-American by The Sporting News following his senior year in 1980. He finished as the school's all-time leader in receiving yards (2,214) and catches (116). He was selected in the second round of the 1981 NFL Draft by the Minnesota Vikings. He spent three seasons there and also played for the Calgary Stampeders of the CFL and the Memphis Showboats of the USFL. He was inducted into the Mississippi State Sports Hall of Fame in 2001.

MISSOURI – Devin West, Running Back, 1995-98
Devin West was a first-team All-American as a senior in 1998 and a semi-finalist for the Doak Walker Award, given to the top running back in college football. He rushed for an MU-record 1,578 yards (ranking 5th in the nation), and 17 touchdowns his senior season. West was a lightly-known recruit from small-town Moberly, Mo., who developed into a key leader and contributor in Mizzou's turnaround that saw the Tigers reach consecutive bowl games in 1997 and 1998, after going without a bowl appearance from 1984-96. The 1998 team defeated West Virginia in the Insight.com Bowl, marking MU's first bowl victory since 1981. West was only the second Mizzou running back to earn All-America honors and was the first since Bob Steuber in 1942. For his career, he rushed for 2,954 yards and 28 touchdowns, including a Mizzou single-game record of 319 yards against rival Kansas in 1998.

SOUTH CAROLINA – Eric Norwood, Linebacker, 2006-09
Eric Norwood was named first-team All-America in 2009 by both the Associated Press and the Walter Camp Foundation as an outside linebacker. He was a three-time All-SEC first-team selection by the coaches, a two-time AP All-SEC choice and was named a Freshman All-American by The Sporting News in 2006. A team captain in both 2008 and 2009, Norwood is the school record holder in career tackles for loss (54.5) and career sacks (29). He earned numerous national and conference Defensive Player of the Week awards, as well as tying a national record by returning two fumbles for touchdowns against Kentucky in 2007. Norwood was selected in the fourth round of the 2010 NFL Draft by Carolina and played two years for the Panthers before a five-year career in the Canadian Football League. He was elected to the South Carolina Athletic Hall of Fame in 2017.

TENNESSEE – Phillip Fulmer, Head Coach, 1992-2008
Phillip Fulmer served as head coach of the Tennessee Volunteers from 1992 to 2008, compiling a 152-52 record while leading the Vols to the 1998 BCS National Championship. Tennessee's 20th head coach, Fulmer is the second winningest football coach in Tennessee history and the third UT coach to capture a national title. His 1997 and 1998 teams won consecutive SEC Championships, and Tennessee racked up a four-year record of 45-5 from 1995-98. During Fulmer's collegiate playing career, he was an offensive guard for the Vols from 1969-71. He helped coach Bill Battle's teams post a 30-5 record during those three seasons and was a member of Tennessee's 1969 SEC Championship team. Fulmer served as a student coach at UT upon his graduation and later served as a full-time assistant coach for the Vols from 1980-92 before rising to head coach. Fulmer was inducted into the College Football Hall of Fame in 2012 and now serves as Tennessee's Director of Athletics.

TEXAS A&M – Pat Thomas, Defensive Back, 1974-75
Pat Thomas was a two-time All-American defensive back in 1974 and 1975 and earned All-SWC honors for the Aggies as well. Named team captain as a junior in 1974, he helped the 1975 team earn a share of the Southwest Conference Championship. That 1975 team reached as high as No. 2 in the country after defeating Texas, 20-10, at Kyle Field. He was signed by Emory Bellard in 1972 and earned four letters at Texas A&M (1972-75) after playing at Plano High School where he helped the team win the 1971 Texas state high school championship. Thomas was selected in the second round of the 1976 NFL draft by the Los Angeles Rams and went on to earn first-team All-Pro honors in 1980 and was a 1978 and 1980 NFL Pro Bowl selection. He played in the 1980 Super Bowl. Following his playing career, Thomas, coached in the NFL and USFL. He was inducted into the Texas A&M Athletics Hall of Fame in 1986.

VANDERBILT – Zac Stacy, Running Back, 2009-12
Zac Stacy, a two-time All-SEC running back for Vanderbilt, ended his collegiate career as the Commodores' all-time leader with 3,143 rushing yards and 30 rushing touchdowns. As a junior in 2011, he set new team single-season records with 1,193 rushing yards and 14 touchdowns, helping Vanderbilt to an appearance in the AutoZone Liberty Bowl. As a senior captain, he rushed for 1,141 yards and was named MVP of the Franklin American Mortgage Music City Bowl as the Commodores defeated NC State and finished with nine victories. Stacy became the first back in Commodore history to produce back-to-back 1,000-yard rushing seasons. Stacy was a fifth-round pick of the St. Louis Rams in the 2013 Draft and enjoyed a four-year NFL career. Following his playing career, Stacy has worked in sports radio and has been an advocate and event sponsor for the Down Syndrome Association of Middle Tennessee.

THIS IS THE SOUTHEASTERN CONFERENCE

• Since its formation in 1933, the SEC has directed and organized interscholastic athletic competitions, conducted tournaments and prescribed eligibility rules for student-athletes. The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, equestrian, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

• In the fall of 2012, the University of Missouri and Texas A&M University became the 13th and 14th members of the Southeastern Conference. It marked the first expansion for the SEC since 1991 and the second-ever increase for the league since its founding in 1933.

• The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

ACADEMIC ACHIEVEMENTS

• The Southeastern Conference had 42 Google Cloud Academic All-Americans in 2017-18. The league had 16 student-athletes earn first-team honors. In total, the league has had 1,220 Academic All-Americans. The Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The Capital One Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The 42 student-athletes represent 12 of the SEC 14 schools while nine schools had at least one person on the first-team.

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

COLLEGE FOOTBALL PLAYOFF

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
  - Create competitive matchups.
  - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
  - Consider geography.

PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
