SEC Nation on The SEC Network

SEC Network's traveling pregame show, SEC Nation, is kicking off its fifth season in style with a jam-packed weekend that features two stops in less than 48 hours. On Thursday, Aug. 30 at 7 p.m. ET, SEC Nation will surround the start of the Jimbo Fisher era as Texas A&M hosts Northwestern State at Kyle Field, before heading to Romare Bearden Park in Charlotte, N.C. to highlight the Belk College Kickoff between West Virginia and Tennessee on Saturday, Sept. 1.

Saturday's show marks the first time SEC Nation has originated with a full presence from Charlotte, the home of the SEC Network, and only the third time the show has aired from a neutral site city during the regular season. SEC Nation presented by AT&T airs from 10 a.m. — Noon from uptown Charlotte, with special guests to be announced closer to kickoff.

"Two shows in three days is the perfect way to match our excitement for the start of the 2018 season," said Tom McCollum, ESPN senior coordinating producer. "After a fantastic start last month in Atlanta, we couldn't be more thrilled to kick off the regular season in College Station before welcoming the SEC Nation family to our home here in Charlotte."

The SEC Nation crew returns in full force, with host Laura Rutledge, analysts Paul Finebaum, Marcus Spears and Tim Tebow, and reporter Lauren Sisler rejoining the SEC Nation desk. Ryan McGee, senior writer for ESPN The Magazine, comes back as a contributor for 2018. For Saturday's show, Sisler will be reporting live from the 2018 Chick-fil-A Kickoff game in Atlanta between Washington and SEC West champion, Auburn.

Each show will include live reports, analysis and features surrounding the sights, sounds and storylines of SEC football, and will showcase the new SEC Nation demo field that debuted at the show's SEC Media Days stop in July. Also new for 2018 is the weekly series "SEC Shorts," which also had its premiere at SEC Media Days last month.

2018 SEC PLAYERS OF THE WEEK

OFFENSIVE	DEFENSIVE	SPECIAL TEAMS
DREW LOCK, QB, MISSOURI • Was brilliant once again in leading Mizzou to a resounding 50-17 road win at Tennessee, as he completed 21-of-30 passes for 257 yards and 2 TDs, with no interceptions. • QB rating for the day was 163.96 – his second-best this year in SEC games, and it would have been much higher were it not for two dropped passes by his receivers which would have went for touchdowns of 54 and 40 yards. • Guided the Tigers to a 484-yard total offense output against a UT defense which had allowed an average of just 294.0 yards per game in their previous three outings. • The 33-point victory was the largest by Mizzou ever in an SEC road game, and was the largest in any conference road game for the Tigers since 2008 (52-17 at Nebraska). • Moved into #2 on the SEC career passing yardage list, with 11,599 yards, and is also now #3 on the SEC career passing touchdowns list, with 94.	JOHNATHAN ABRAM, S, MISSISSIPPI STATE • Abram produced one of the best games ever by a Bulldog defensive back in State's 52-6 win over Arkansas. On his Senior Day, he recorded a career-best 12 tackles (seven solo), 1.5 sacks, 3.5 tackles for loss, one forced fumble, two quarterback hurries and one fumble recovery. • He became the first MSU player to record 10+ tackles and 3.5 tackles for loss in a game since All-American linebacker Benardrick McKinney had a game-high 12 tackles and 3.5 tackles for loss against UAB on Sept. 6, 2014. JOSH PASCHAL, LB, KENTUCKY • Sophomore linebacker Josh Paschal returned to action in Kentucky's 34-23 win over Middle Tennessee. • In July, Paschal was diagnosed with malignant melanoma on the bottom of his right foot. He underwent three surgeries, followed by ongoing monthly immunotherapy treatments. • Paschal recovered sufficiently to play against MTSU. He started the game and saw occasional action throughout. • In the second quarter, he made a tackle on a third down play that forced a punt.	LUKE LOGAN, PK, OLE MISS • Connected on a career-best 5-for-5 on field goals in the Rebels' overtime battle at Vanderbilt. • The 32-yarder in the third quarter marked his 21st field goal of the season, third all-time at Ole Miss for a single season. • Made a field goal for the fifth straight game and has converted 13 field goals over that stretch.
OFFENSIVE LINEMAN	DEFENSIVE LINEMAN	FRESHMAN
DEION CALHOUN, OG, MISSISSIPPI STATE • Calhoun, playing in his final home game, had one of the best games of his career in MSU's largest victory ever over Arkansas (52-6). • Calhoun was MSU's highest grader at 86 percent, and he registered two knockdowns. • He helped pave the way for a Bulldog offense that rushed for 287 yards and did not allow a sack. • According to Pro Football Focus, MSU gained 102 of its 285 (36 percent) rushing yards to either side of Calhoun on Saturday.	DAYO OBEYINGBO, DL, VANDERBILT • Obeyingbo had a sensational game on the Vanderbilt defensive front, contributing four solo tackles and two quarterback sacks, helping the Commodores to the 36-29 overtime victory over Ole Miss Saturday night in Nashville. • Starts on the Commodore defensive line opposite older brother Dare Odeyingbo, also contributed two quarterback hurries and knocked down a Jordan Ta'amu pass attempt to spark the Vanderbilt win. • Obeyingbo's first quarterback sack forced Ole Miss into a punting situation on its last possession of the first half. Odeyingbo's second sack came inside the VU 10-yard line and forced Ole Miss, trailing by six points at the time, into a field goal attempt.	JUSTIN FIELDS, QB, GEORGIA • Justin Fields came off the bench to go 5-for-8 for a career-high 121 yards and two touchdowns and added a career-high 100 yards and a score on seven carries during Georgia's 66-27 win over Massachusetts. • His 100 yards marked the first time a quarterback had led the Bulldogs in rushing since 2005 and made him the first Georgia signal caller with 100 yards rushing since Quincy Carter in 1998. • Along with Jake Fromm, Fields directed an offense that tallied 701 total yards on offense, which ranks No. 2 in school history behind the 713 tallied versus FAU in 2012.

THIS IS SEC FOOTBALL

- The SEC became the first conference to advance two teams to the College Football Playoff last season, as both Georgia and Alabama earned Playoff spots.
- With Georgia and Alabama both earning victories in the CFP Semifinals, the national championship game featured two SEC teams for the second time in the last seven seasons.
- In the stands, the SEC remained the national leader in attendance, with one million overall and 10,000 per game more than next closest conference.
- Since Florida in January 2009, five different teams from the SEC have played for the national championship. Four of those five have multiple appearances and at least one victory since 2007.
- For the 11th time in the last 12 seasons, a team from the SEC has now advanced to the national championship game. The SEC has won nine of those 11 contests, with the two losses coming in the game's final seconds.
- The All-SEC College Football Playoff Final between Alabama and Georgia was the second most-watched event in the history of cable television with 28.4 million viewers. It was also the second most-watched national championship game since the event went to cable for the 2010 season.
- Not counting games versus each other, the SEC IS 5-2 all-time in College Football Playoff games, playing in three of the four championship games (winning two of the four).
- The SEC Championship on December 2 was the highest-rated college football game nationally of the regular season. The game earned an 8.0 rating and 13.5 million viewers on CBS, up 21% in ratings and viewership from last year (6.6, 11.1M) and up 3% and 6% respectively from 2015 (7.8, 12.8M). It was the highest rated and most-watched SEC Championship since 2013.
- For the ninth consecutive year the SEC ON CBS was the highest-rated regular season college football package on any network. CBS Sports' national coverage of SEC football averaged a national household rating/share of 3.0/7 topping all other networks. The 2017 SEC ON CBS season averaged more viewers than any college football network package with an average of 5.0 million viewers. The 17-game SEC ON CBS slate delivered the two most-watched and two highest-rated games of the season on any network, with the SEC Championship on Dec. 2 (8.0/18; 13.5 million viewers) and the Iron Bowl on Nov. 25 (7.6/17; 13.7 million viewers).

2018 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
- Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- A forward pass or forward handing after a change of team possession.
- Pass ruled forward or backward when thrown from behind the neutral zone.
 - If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- Loose ball by a potential passer ruled a fumble.
- Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 - If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- Live ball not ruled dead in possession of a ball carrier.

2018 SEC Football

d. Loose ball ruled dead (Rule 4-1-2-b-2), or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing football action.

1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.

2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down or the goal line.

f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.

g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.

h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.

i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.

j. Catch or recovery of a loose ball in the field of play or an end zone.

k. Forward fumble that goes out of bounds with respect to a first down.

l. Live ball declared dead under Rule 4-1-2-b-2 and b-3 (inadvertent whistle).

Kicks

Reviewable plays involving kicks include:

a. Touching of a kick.

b. Player beyond the neutral zone when kicking the ball.

c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.

d. Scrimmage kick crossing the neutral zone.

e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting

a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul to ascertain whether there is at least one indicator of targeting action.

b. The Replay Official may create a targeting foul, but only when the targeting action is clear and obvious and the foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous

Situations that may be addressed by the replay official:

a. The number of players on the field for either team during a live ball.

b. Clock adjustment and status when a ruling is reviewed.

c. With less than one minute in either half and a replay review results in the on-field ruling being reversed, and the correct ruling would not have stopped the game clock, then the clock will be reset to the time the ball is declared dead by replay. The referee will subtract 10 seconds from the game clock and the game clock will start on the referee's signal. Either team may use a team timeout to avoid the runoff.

d. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;

2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);

3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and

4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

e. Correcting the number of a down.

1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.

2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.

f. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).

g. An injured player at the initiation of the medical observer.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.

b. Player beyond the neutral zone when kicking the ball.

c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.

d. The number of players on the field for either team during a live ball.

e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.

f. Player who is out of bounds touching a free kick that had not been touched inbounds.

g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.

h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;

2. The team in possession when the ball became dead would next put the ball in play from scrimmage;

3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and

4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC FOOTBALL BOWL AGREEMENTS

The Southeastern Conference has agreements with nine postseason bowls, not including College Football Playoff/New Year's Six games, and a process for the assignment of SEC member schools to bowl games that began with the 2014 season and extending for six years.

The SEC bowl process coincided with the beginning of the new College Football Playoff that followed the 2014 college football season. The SEC also participates in the Allstate Sugar Bowl and the Capital One Orange Bowl (in selected years). Under the current SEC bowl system, the Citrus Bowl in Orlando (vs. Big Ten), a longtime SEC bowl, will have the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, New Year's Six, or the Allstate Sugar Bowl.

Following the Citrus Bowl, there will be a pool of six bowls comprised of the Outback Bowl in Tampa (vs. Big Ten), Franklin American Mortgage Music City Bowl in Nashville (vs. ACC/Big Ten), TaxSlayer Gator Bowl in Jacksonville (vs. ACC/Big Ten), AutoZone Liberty Bowl in Memphis (vs. Big 12), Academy Sports + Outdoors Texas Bowl in Houston (vs. Big 12) and Belk Bowl in Charlotte (vs. ACC). In consultation with SEC member institutions, as well as these six bowls, the conference will make the assignments for the bowl games in the pool system.

The SEC also has a relationship with both the Birmingham Bowl (vs. American) and the Walk-On's Independence Bowl in Shreveport (vs. ACC). The Birmingham Bowl will have the first selection of available teams following the pool of six bowls. The Independence Bowl will have the next selection of available teams following the Birmingham Bowl.

2018 SEC Bowl Selection Process

CFP BOWLS: Orange (Semifinal), Cotton (Semifinal), Sugar, Rose, Peach, Fiesta, CFP Championship

Contract Bowls: Sugar (SEC vs. Big 12 when Sugar is not a semifinal game)
 Rose (Pac 12 vs. Big Ten when Rose is not a semifinal game)
 Orange (ACC vs. highest ranked SEC/Big Ten non-champion or Notre Dame when Orange is not a semifinal game)

Access Bowls: Fiesta
 Peach
 Cotton

1) Which SEC Team qualifies for the CFP?

The winner of the SEC Championship Game automatically qualifies for a spot in the Sugar Bowl if that team is not selected to participate in the four-team playoff. If the SEC Champion is selected to participate in the four-team playoff it will play in the Orange Bowl or Cotton Bowl.

2) How can additional SEC teams be selected for the CFP?

Additional SEC teams may be selected for the CFP Semifinals (Cotton or Orange) or one of the CFP access bowls (Fiesta or Peach) based on its ranking in the final CFP Selection Committee rankings. There is no limit on the number of teams from any one conference that can be selected to participate in the CFP bowls.

3) How can a SEC Team be selected to participate in the Orange Bowl?

The Orange Bowl is a semifinal game this year so the teams selected by the CFP Selection Committee will participate in the Orange Bowl. When the Orange Bowl is not a semifinal game and a SEC team is the highest ranked team by the CFP Selection Committee among the non-champions of the SEC and Big Ten and ranked higher than Notre Dame after the CFP semifinal games have been filled, then that team will participate in the Orange Bowl. There are eight years in which the Orange Bowl is not a semifinal game and the SEC is guaranteed three of the eight years, the Big Ten is guaranteed three of the eight years and the remaining two years can be filled by Notre Dame, the SEC or the Big Ten based on CFP Selection Committee rankings. To be clear, the SEC Champion can never participate in the Orange Bowl unless it is a semifinal game.

4) How does the CFP selection process work in 2018-19?

The CFP Selection Committee ranks the top 25 teams and selects the four teams to participate in the semifinal games (Orange and Cotton). Then, after the contract bowls (Sugar and Rose) are filled based on conference agreements, the Committee will assign teams to fill the remaining access bowls (Fiesta and Peach). Each conference champion from the contract bowls (ACC, Big Ten, Big 12, SEC & Pac 12) has a guaranteed spot in its contracted bowl or in an access bowl (Fiesta or Peach) if the contracted bowl is a semifinal game and the conference champion is not selected to participate in a semifinal game. The highest ranked champion from the Mountain West, American, Conference USA, Sun Belt or MAC is guaranteed a spot in a CFP bowl and the remaining spots are filled based on the rankings of teams after the contract bowls have been filled.

SEC BOWL SUCCESS

NATIONAL CHAMPIONS SINCE 1992

SEC (13) Florida (2008, 2006, 1996), LSU (2003, 2007), Tennessee (1998), Alabama (1992, 2009, 2011, 2012, 2015, 2017), Auburn (2010)

The SEC was the first conference to claim four consecutive Associated Press (first poll - 1936), National Football Foundation and College Hall of Fame (first poll - 1959), Football Writers Association of America (first poll - 1954) and USA Today or UPI Coaches Poll (first poll - 1950) national championships.

The SEC had the most wins (17) and the highest winning percentage of any conference that has three-or-more appearances in BCS bowl games. The SEC was 17-10 in BCS games (.630 percentage), 16-9 (.640) in non-conference. Since 2006, the SEC has posted a 14-7 (.667) record in BCS/CFP games, more wins, appearances and winning percentage than any other conference.

SEC FIRST TO SEND TWO TEAMS TO COLLEGE FOOTBALL PLAYOFF

BIRMINGHAM, Alabama - Nine Southeastern Conference football teams learned their post-season bowl destinations on December 3, including No. 3-ranked Georgia which would play No. 2 Oklahoma in the Rose Bowl while No. 4-ranked Alabama faced No. 1 Clemson in the Sugar Bowl on January 1 in semifinal games for the College Football Playoff.

It marked the first time one conference has placed two teams in the CFP semifinals in the same season.

The College Football Playoff committee first selected teams for the national semifinal games, the Rose Bowl Game presented by Northwestern Mutual and the Allstate Sugar Bowl. The committee later announced the participants in the Chick-fil-A Peach Bowl, Capital One Orange Bowl, Goodyear Cotton Bowl and the PlayStation Fiesta Bowl.

In addition to Georgia and Alabama in the CFP semifinals, Auburn was selected to play in a CFP New Year's Six Game, meeting UCF in the Chick-fil-A Peach Bowl on January 1.

Next, the Citrus Bowl presented by Overton selected LSU from the SEC to play Notre Dame.

This marked the fourth year the conference assigned league schools to an "SEC Bowl Pool" that includes the Belk Bowl in Charlotte, the Academy Sports & Outdoors Texas Bowl in Houston, the TaxSlayer Bowl in Jacksonville, the AutoZone Liberty Bowl in Memphis, the Franklin American Mortgage Music City Bowl in Nashville and the Outback Bowl in Tampa.

Missouri played a Big 12 opponent in the AdvoCare V100 Texas Bowl, Texas A&M an ACC opponent in the Belk Bowl, Kentucky a Big Ten opponent in the Franklin American Mortgage Music City Bowl, Mississippi State an ACC opponent in the TaxSlayer Bowl and South Carolina wa Big Ten opponent in the Outback Bowl.

Because three SEC teams were selected for New Year's Six Games, and by agreement in the SEC Bowl Pool structure, a team from the SEC was not available to participate in the Liberty Bowl last season.

The selection process for the SEC Bowl Pool was based on preferences expressed by the SEC's bowl eligible schools, input from the SEC's affiliated bowls, travel considerations, attention to previous matchups and additional relevant factors.

"The SEC Bowl Pool participants are determined after conversations with bowl partners and discussions with school personnel in order to create a lineup of compelling bowl games for our schools and their fans," said SEC Commissioner Greg Sankey. "This process provides an opportunity to create intriguing matchups and varying assignments to help prevent repetitive postseason destinations."

2018 SEC Football

SEC FOOTBALL

During the last 12 seasons (2006-17), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

- The SEC has won nine of the last 12 national championships, 11 of the 20 BCS/CFP-era National Championships, four runner-up finishes and 25 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in 11 of the last 12 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.
- Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017; Florida, 2006 and 2008; LSU, 2007). Five programs have advanced to the national championship game since 2008 as Georgia met Alabama in the 2018 CFP Championship Game. Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two.
- Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (14 of 26). The Big Ten and ACC have three during that time, while the Big 12, Pac-12 has two.
- A SEC team has led or tied for the lead at the end of 36 of the last 48 quarters of National Championship Game play. Alabama only trailed for the final second of the 2017 National Championship Game.
- The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.
- Since 2006, the SEC has posted 16 wins in BCS - now New Year's Six/Access bowls - more wins than any other conference. Here are the BCS/CFP bowl records of all conferences since 2006:

SEC	16-12	.571
Big Ten	13-14	.481
Pac-12	10-9	.526
ACC	9-11	.450

- With conference limits being removed in 2014 with the College Football Playoff, the SEC became the first conference to place three teams in CFP/BCS postseason bowls: Ole Miss (Chick-fil-A); Mississippi State (Orange); Alabama (Sugar/National Semifinal).

- Three of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National

Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their usual 448 yards per game.

- Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the CFP/BCS Championship Game era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

- During the recent seven-year national championship winning streak, the SEC's average margin of victory in National Championship Games was 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- Head-to-head competition between the two tied teams;
- Records of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- Best cumulative Conference winning percentage of non-divisional opponents; and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- Combined head-to-head record among the tied teams;
- Record of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall Conference record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- Best cumulative Conference winning percentage of non-divisional opponents (Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 Western 3 Eastern Opponents: 8-8
 (Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2018 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners will meet in Atlanta's newly constructed Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 27th-annual title game is set for December 1 and will be televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2017 SEC Championship Game was the highest rated game in the nation for the entire regular season. No. 7 Georgia's 28-7 win over No. 2 Auburn drew an average overnight rating of 8.4 and 18 share, the best for CBS since 2013, when the Iron Bowl drew an 8.6/18 rating and share. Those figures are up 20 percent from last year's SEC Championship Game between Alabama and Florida (7.0/15).

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 24 capacity crowds in its 26-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

NOTES

- Georgia's victory ended an eight-year SEC Championship Game winning streak for the SEC Western Division. The last Eastern Division winner prior to this year was Florida in 2008.
- Georgia claims its 13th SEC championship which ties Tennessee for second all-time. The win also pushes its mark to 3-3 in the championship while snapping a two-game losing streak (2011, 12).
- Tonight's attendance is 76,534. It is the second-highest in championship game history, trailing only the inaugural championship game in Birmingham, Ala., in 1992 of 83,091. The largest Georgia Dome attendance was 75,892 in 2008.
- In the seventh rematch of a regular season game, it is only the second time that the loser of that game won the rematch. LSU defeated Tennessee 31-20 in 2001 after dropping the regular season game 26-18. Earlier this season Auburn defeated Georgia 40-17.

This year's class includes All-Americans, All-SEC selections and Academic All-Americans. The group represents teams that won National and SEC Championships and are represented in state, school and college football halls of fame.

Below is a listing and biographies of the 2018 SEC Football Legends:

2018 SEC FOOTBALL LEGEND BIOGRAPHIES

ALABAMA — Shaun Alexander, Running Back, 1996-99

Shaun Alexander was regarded as one of the most productive backs in the country during his playing days at Alabama. He burst onto the scene with a 291-yard performance as a freshman against LSU, then rushed for more than 1,000 yards in each of his junior and senior seasons. He earned First Team All-America honors as a senior, leading the Crimson Tide to the 1999 SEC Championship. He left Tuscaloosa with 15 rushing records, including the career total yardage mark at 3,565. Alexander was selected in the first round (19th overall) of the 2000 NFL Draft by the Seattle Seahawks. He was the NFL Most Valuable Player in 2005 and was named to the NFL's 2000 All-Decade Team. In 2011, Alexander was voted into the Alabama Sports Hall of Fame.

ARKANSAS — Darren McFadden, Running Back, 2005-07

One of the most decorated players in Arkansas history and a two-time runner up for the Heisman Trophy, Darren McFadden was the 2007 Player of the Year by the Walter Camp Foundation and The Sporting News. A two-time first-team All-American, he twice won the Doak Walker Award and was twice named SEC Offensive Player of the Year. McFadden ranks second on the SEC career rushing list with 4,590 yards and averaged 120.8 yards per game during his three-year career, third best in league history. He rushed for 100 yards or more 22 times and is one of only three players in SEC history to rush for 1,000 yards in each of his freshman, sophomore and junior seasons. His 321 yards vs. South Carolina in 2007 remains tied for the SEC record for rushing yards in a game. The fourth pick overall in the 2008 NFL draft by the Oakland Raiders, he played 10 years in the NFL for the Raiders and Dallas Cowboys.

AUBURN — Ronnie Brown, Running Back, 2001-04

A four-year letterwinner at Auburn from 2001-04, Ronnie Brown was a first-team All-SEC pick as a senior while helping Auburn to a SEC Championship and a perfect 13-0 season. After earning All-SEC freshman honors in 2001, Brown rushed for 1,000 yards as a sophomore in 2002. He finished his career ranked in Auburn's top 10 in career rushing yards, rushing touchdowns, receptions by a running back and receiving yards by a running back. A team captain as a senior in 2004, Brown graduated from Auburn that same year. He was the No. 2 overall pick of the 2005 NFL Draft, becoming the highest drafted Auburn back since Bo Jackson went No. 1 in 1986. Brown played 10 years with five teams, including six with the Miami Dolphins and was a Pro Bowl selection in 2008. The Cartersville, Ga., native currently serves as a sideline reporter for the Auburn Sports Network.

FLORIDA — Lawrence Wright, Safety, 1993-96

Lawrence Wright was four-year letterwinner for the Florida Gators and the 1996 Jim Thorpe Award recipient, awarded to the nation's top defensive back. He was captain of 1996 National Championship team, the first national title team in school history. He was also the emotional leader for four consecutive SEC Championship teams (1993-96) under head coach Steve Spurrier. A first-team All-American in 1995, he was also a two-time First-team All-SEC selection in 1995 and 96. He finished his career with 331 tackles and five interceptions. A three-time selection to the SEC Academic Honor Roll and a College Football Association Scholar-Athlete his senior year, Wright went on to play two years in the NFL with the Cincinnati Bengals. Gator fans also remember Wright for coining the phrase "If you are not a Gator, you must be Gator Bait!"

GEORGIA — Hines Ward, Wide Receiver/Quarterback/Running Back, 1994-97

One of the most versatile threats in SEC football history, Hines Ward showed extraordinary talent as a receiver, running back and quarterback. Ward ranked highly in three individual career UGA statistics, placing second in receptions (144), fourth in receiving yards (1,965), and second in all-purpose yards (3,870) trailing only the legendary Herschel Walker. In 43 games at UGA, Ward recorded 4,762 total yards, averaging 9.3 yards per touch and 110.7 yards per game, and scored a total of 20 touchdowns. He was named to the SEC Coaches All-SEC first team in 1997. Ward was selected in the third round of the 1997 NFL draft by the Pittsburgh Steelers and went on to be selected to four Pro Bowls, was a member of two Super Bowl champion teams, and MVP of Super Bowl 40 in 2006. Ward received more national attention in 2011 by winning the "Dancing With The Stars" national television competition.

KENTUCKY — Rich Brooks, Head Coach, 2003-09

Rich Brooks guided the Kentucky football fortunes for seven years from 2003-09 and is the only head coach in UK history to guide the Wildcats to postseason bowl games in four consecutive years and win three straight bowls. The streak began in 2006 with a stunning upset of Clemson in the Music City Bowl. The 2007 season was highlighted by a Top-10 ranking, a victory over No. 1 (and eventual national champion) LSU and was capped by a bowl victory over Florida State. Following the 2008 season, UK defeated East Carolina in the Liberty Bowl. In his final season in 2009, Brooks was named SEC Coach of the Year by CollegeFootballNews.com. With the Wildcats reflecting the toughness shown by their head coach, in his last four seasons he led UK to 12 fourth-quarter comeback wins. Prior to joining Kentucky, Brooks served as head coach for the St. Louis Rams of the NFL and the University of Oregon.

LSU — Ronnie Estay, Defensive Tackle, 1968-71

One of the top defensive tackles in LSU history, Ronnie Estay earned first team All-America honors in his senior year of 1971 from Kodak/American Football Coaches Association. He was also named first team All-SEC in 1971 after earning second team all-conference honors in 1970. Accomplished in the classroom as well, Estay was named Academic All-SEC as a junior in 1970. Estay anchored a staunch LSU defensive line that led the nation in rushing defense in both 1969 (38.9 ypg) and 1970 (52.2 ypg), helping lead the Tigers to the 1970 SEC Championship. A three-year letterwinner from 1969-71, Estay was a member of teams went a combined 27-7 overall and 12-3 in SEC play in those three seasons. Estay played 11 years in the CFL, winning six Grey Cup titles. He is a member of the LSU Athletic Hall of Fame, the Louisiana Sports Hall of Fame and the Canadian Football Hall of Fame.

2018 SEC FOOTBALL LEGENDS CLASS

A consensus All-America selection in 1979, Jim Miller was a three-time All-SEC first-team pick and member of both the Ole Miss Team of the Century (1893-1992) and Ole Miss Sports Hall of Fame. A barefooted punter, he averaged 43.4 yards on 266 career punts and in 1977 led the nation in punting, averaging 45.9 yards, which also set an SEC record. That year, McDole became the first player in MSU history with over 1,000 receiving yards in a single-season (1,035), a mark that remains the school record. He was tabbed an All-American by The Sporting News following his senior year in 1980. He finished as the school's all-time leader in receiving yards (2,214) and catches (116). He was selected in the second round of the 1981 NFL Draft by the Minnesota Vikings. The 1998 team defeated West Virginia in the Insight.com Bowl, marking MU's first bowl victory since 1981. West was only the second Mizzou running back to earn All-America honors and was the first since Bob Steuber in 1942. For his career, he rushed for 2,954 yards and 28 touchdowns, including a Mizzou single-game record of 319 yards against rival Kansas in 1998.

SOUTH CAROLINA – Eric Norwood, Linebacker, 2006-09

A team captain in both 2008 and 2009, Norwood is the school record holder in career tackles for loss (54.5) and career sacks (29). He earned numerous national and conference Defensive Player of the Week awards, as well as tying a national record by returning two fumbles for touchdowns against Kentucky in 2007. Norwood was selected in the fourth round of the 2010 NFL Draft by Carolina and played two years for the Panthers before a five-year career in the Canadian Football League. He was elected to the South Carolina Athletic Hall of Fame in 2017.

Phillip Fulmer served as head coach of the Tennessee Volunteers from 1992 to 2008, compiling a 152-52 record while leading the Vols to the 1998 BCS National Championship. Tennessee's 20th head coach, Fulmer is the second winningest football coach in Tennessee history and the third UT coach to capture a national title. His 1997 and 1998 teams won consecutive SEC Championships, and Tennessee racked up a

four-year record of 45-5 from 1995-98. During Fulmer's collegiate playing career, he was an offensive guard for the Vols from 1969-71. He helped coach Bill Battle's teams post a 30-5 record during those three seasons and was a member of Tennessee's 1969 SEC Championship team. Fulmer served as a student coach at UT upon his graduation and later served as a full-time assistant coach for the Vols from 1980-92 before rising to head coach. THIS IS THE SOUTHEASTERN CONFERENCE

• Since its formation in 1933, the SEC has directed and organized interscholastic athletic competitions, conducted tournaments and prescribed eligibility rules for student-athletes. The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, equestrian, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

• In the fall of 2012, the University of Missouri and Texas A&M University became the 13th and 14th members of the Southeastern Conference. It marked the first expansion for the SEC since 1991 and the second-ever increase for the league since its founding in 1933.

• The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

ACADEMIC ACHIEVEMENTS

• The Southeastern Conference had 42 Google Cloud Academic All-Americans in 2017-18. The league had 16 student-athletes earn first-team honors. In total, the league has had 1,220 Academic All-Americans. The Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The Capital One Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The 42 student-athletes represent 12 of the SEC 14 schools while nine schools had at least one person on the first-team.

• The 16 SEC student-athletes who earned Google Cloud Academic All-America first-team status in 2017-18 were: Alabama's Laurent Bams (men's swimming and diving), Robert Howard (men's swimming and diving), Luke Kaliszak (men's swimming and diving) and Mackenzie Brannan (gymnastics); Arkansas' Kenzo Cotton (men's track and field/cross country), Victoria Hoggard (women's track and field/cross country) and Alexis Jacobus (women's track and field/cross country); Auburn's Tyler Stovall (football); Florida's Kelly Barnhill (softball) and Josie Kuhlman (women's tennis); Georgia's Keturah Orji (women's track and field/cross country); Kentucky's Katie Reed (softball) and Bailey Wick (softball); LSU's John David Moore (football); Missouri's Karissa Schweizer (women's track and field/cross country); and Tennessee's Michele Christy (soccer). • More than 3,900 student-athletes were named to the SEC Academic Honor Roll in 2017-18. Members of the SEC Academic Honor Roll must have a 3.0 grade point average for either the previous academic year or his/her academic career at the SEC institution.

• The SEC Graduate Patch was displayed on the uniforms of more than 350 SEC student-athletes during the 2017-18 academic year.

FOR THE STUDENT-ATHLETE

• LSU volleyball student-athlete Kelly Quinn and Tennessee football student-athlete Parker Henry were named recipients of the 2017-18 H. Boyd McWhorter Southeastern Conference Scholar-Athletes of the Year Awards. The McWhorter Scholar-Athlete Award is the highest honor a student-athlete can receive in the SEC. In 2017, the SEC's Athletics Director's voted to increase the value of the postgraduate scholarships to \$20,000 each for the two winners and \$10,000 each for the 26 finalists.

• Florida gymnast Grace McLaughlin and Auburn track and field athlete Wesley Curles were named recipients of the 2017-18 Brad Davis SEC Community Service Post-Graduate Scholarship. Each Community Service Leader of the Year receives a \$10,000 post-graduate scholarship.

• Florida swimmer Caeleb Dressel and South Carolina basketball athlete A'ja Wilson were named the recipients of the 2017-2018 Roy F. Kramer SEC Athletes of the Year.

• The SEC was the first conference in the nation to assemble a Student-Athlete Advisory Committee. Two representatives from each of the SEC member schools are selected to serve on the committee which meets twice a year to discuss issues of concern to the student-athlete.

• In May 2016, the SEC introduced new Student-Athlete Leadership Councils in the sports of Football and Men's and Women's Basketball in which, in addition to the Conference's longstanding Student-Athlete Advisory Council, provide student-athletes with additional opportunities to engage with campus leaders and Conference office staff.

• One of Greg Sankey's early actions as commissioner was to create a new position in the SEC office for a Director of Student-Athlete Engagement, with the focus on creating opportunities for current and former SEC student-athletes to participate in Conference leadership and prepare for life after their intercollegiate athletics participation concludes.

• Twenty-eight current and former Southeastern Conference student-athletes participated in the SEC Career Tour in Atlanta in November 2017. This marked the second consecutive year the Conference has invited student-athletes from each of its institutions to participate in the career tour leading up to the SEC Football Championship Game. The group visited the headquarters and meet with executives and talent acquisition staff at several corporations in the Atlanta area including Turner Broadcasting System, Mercedes-Benz Corporate, the Atlanta Braves organization and Delta Airlines. The group also listened to presentations by former Arkansas football player and co-founder and CEO of the MULTIPLI Global Josh Foliart, Randy Hain, founder and president of Serviam Partners, and former Auburn swimmer Beatriz Travalon.

• The SEC conducts a New Coaches Orientation Program three times a year, which supplements institutional orientation programs and enhance the professional development of coaches. Topics of discussion range from the role of the SEC and NCAA to the role of athletics in higher education.

SPORTSMANSHIP

• The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

THIS IS THE SOUTHEASTERN CONFERENCE

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

- The SEC has an annual Sportsmanship Award that will be awarded to one male and one female student-athlete. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility. The recipients of the 2017-18 award were Jake Bentley of the South Carolina football team and the collective group of the softball teams of the SEC.

IN THE COMMUNITY

- The SEC and its member institutions have partnered with the 11-state Special Olympics organizations in the SEC region. The relationship is featured on public service announcements aired on SEC telecasts, and Special Olympics participate in the Dr Pepper SEC FanFare, held in conjunction with the SEC Football and Basketball Championships.

- The SEC and its corporate sponsors host youth clinics each year in conjunction with several conference events, including the football championship game, the men's basketball tournament, the baseball tournament and the soccer tournament. These clinics provide children from host cities the opportunity to receive instruction from SEC and other area coaches.

- The SEC selects a Community Service Team in each of its 21 sports. The Community Service Team features a representative from each institution who has shown a commitment to community service.

- Daniel Carlson (Auburn), Aaron Davis (Georgia), Courtney Love (Kentucky) and Tommy Openshaw (Vanderbilt) were named to the 2017 Allstate AFCA Good Works Team®, one of the most coveted off-the-field honors in college football. The Good Works Team® award recognizes college football players who dedicate their time to bettering the community and the lives of others.

ACADEMIC RELATIONS - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

- The Southeastern Conference supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. These academic relations efforts are led by the Conference's presidents and Chancellors.

- The SEC aims to highlight the endeavors and achievements of its faculty and universities; advance the merit and reputation of SEC universities outside of the traditional SEC region; identify and prepare future leaders for high-level service in academia; increase the amount and type of education abroad opportunities available to SEC students; and support collaboration between SEC faculty and administrators.

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has three components, a university-level program, two, three-day, SEC-wide workshops held on specified campuses for all participants, and a competitive fellowship designed to provide administrative growth opportunities for former participants.

- The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

- The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities and an engineering exchange agreement with the Politecnico di Torino in Italy.

- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in teaching and scholarship. There is one winner per campus and one overall winner for the SEC.

- The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other universities to develop grant proposals, conduct research and deliver artistic performances.

- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

COLLEGE FOOTBALL PLAYOFF

EVERY GAME COUNTS

The College Football Playoff is a four-team event to determine college football's national champion on the field, while preserving the significance of college football's unique regular season where every game counts.

THE BEST TEAMS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

TRADITION

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl.

CHAMPIONSHIP MONDAY

The two winning teams from the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

GOVERNANCE

The 10 FBS conferences manage the College Football Playoff and are members of the entity CFP Administration, LLC.

SELECTION COMMITTEE

A talented group of high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are: Rob Mullens (chair), Frank Beamer, Paola Boivin, Jeff Bower, Joe Castiglione, Herb Deromedi, Ken Hatfield, Chris Howard, Bobby Johnson, Ronnie Lott, Gene Smith, Todd Stansbury and Scott Stricklin.

COLLEGE FOOTBALL PLAYOFF

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - Consider geography.

PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
