SOFTBALL MEDIA PORTAL

Mississippi State has created an online portal for media members covering the Bulldogs' softball program. To access the portal, visit hailst.at/SBMedia. The Softball Press Box Page of HailState.com includes links to credential request forms, media guides, quick facts, game notes, box scores, recaps and team and staff headshots.

CREDENTIALS

Working media must apply for single-game credentials at least 24 hours in advance by visiting hailst.at/SBCreds. Seats will be assigned to credentialed media members. Space is limited inside the Nusz Park press box. Indoor seating priority will be given to team staff, broadcast personnel, production staff and those media members who regularly cover the program. Auxiliary seating is located at the top of Section 104.

PHOTOGRAPHERS/VIDEOGRAPHERS

Photographers and videographers are permitted to shoot around Nusz Park in approved areas. Credentialed photographers are restricted from entering team dugouts, with the exception of team photographers who will only have access prior to the first pitch.

The only approved on-field location for credentialed photographers is the tarp storage area along the first base line during the game. This is a live ball area, and photographers must vacate in the instance that play takes a ball or athlete into their vicinity. Additionally, photographers will only be allowed to enter and exit this area between innings or during a circle visit or pitching change. They may not access this area pregame and must immediately vacate following the game.

Additional photography areas include any public spectator area – provided that photographers do not obstruct the view of paying fans – along with the tops of both dugouts and the third base plaza area between the Softball Fieldhouse and the MSU dugout. The third base plaza is not accessible pregame and must be vacated immediately following the game. For safety reasons, flash photography is prohibited.

PRESS BOX SERVICES

Mississippi State Athletic Communications will provide printed pregame lineup sheets and NCAA box scores to members of the working media following each game. Please note that game notes and record books will not be printed, but are available via the online media portal. Updated season statistics will also be available prior to the start of each game upon request. A pregame meal is also served in the press box approximately one hour prior to each game. The press box is divided into four separate work areas, with each equipped with high-speed internet and telephone access. It is also set up to accommodate television and team video personnel.

RADIO BROADCASTS

The Nusz Park press box houses radio lines to support home and visitor radio broadcasts. For more information on the phone lines, please contact Brian Ogden in the Communications office.

POSTGAME INTERVIEWS

Requested MSU players, along with head coach Samantha Ricketts, will be available for interviews approximately 10 minutes after all games in the film room of the Softball Fieldhouse. In the event of a doubleheader, coaches and student-athletes will be available following their final game of the day. The Mississippi State locker room and both dugouts are off-limits to the media, and any media member found in those areas will have credentials revoked and be removed from the stadium. Media members must be escorted by a member of the MSU Athletic Communications staff at all times while inside the Softball Fieldhouse.

MSU PLAYER/COACH AVAILABILITY

Players and coaches will be made available to the media upon request. Those wishing to set up an interview must contact Brian Ogden via phone or email. On gameday, players and coaches are only available postgame. For post-practice interviews, media members should contact Brian Ogden no later than 10 p.m. the night before. In most cases, players will be available for a brief time before and after practices. A weekly schedule is available in each set of game notes. Telephone interviews can also be scheduled with players on a call-back basis during the week with arrangements made through Brian Ogden.

Media members are **NOT** permitted to contact student-athletes on their own at any time. This includes phone, email, text or through social media platforms. Student-athletes' contact information will not be given out.
