MOODIE'S QUOTES ON THIS WEEK'S MATCHES

- On Mississippi State: "It will be a good game against Mississippi State. This is one of the games that we put on the schedule for recruiting and we put it on the schedule to benchmark ourselves against some of the best teams in the country. They're obviously off to a great start and had a great result over the weekend. It will be a tough place to go and play in Starkville, but should be an exciting game."
- On Southeastern Louisiana: "Our main goal with that game is to try and play at The Cage, weather permitting. It would be nice to play at home eventually. Another team where they've had a good start to the season and got some respectable results, and really well coached. We're excited to get back out at it this week in training."
