MEDIA INFORMATION

WELCOME

The 2020 Mississippi State Track and Field Media Guide has been prepared to assist media members in their coverage of the Bulldogs. It is our hope most of your questions will be answered on the pages of this guide. However, should you desire additional information or assistance, please contact Brian Ogden at (662) 325-0970.

COACH/ATHLETE INTERVIEWS

All interviews with coaches should be directed through the MSU Athletic Communications office. Please contact Brian Ogden at (662) 325-0970 or (972) 977-7459 to arrange an interview. Coaches are primarily available for interview by phone or in person from 9-11 a.m. CT., depending on the team's travel schedule.

Interviews with student-athletes are encouraged; however, all interviews must be arranged through the Athletic Communications office. Interviews will be arranged according to the schedule of each individual athlete, and are usually conducted before or after scheduled practices. This policy facilitates the orderly scheduling and completion of the desired interview. All interviews must be arranged at least 24 hours in advance. Media members are NOT permitted to contact student-athletes on their own at any time. This includes phone, Email, text or through social media platforms. Student-athletes' contact information will not be given out. Training room, locker room and apartment/dormitory areas are considered private player areas and are off-limits to the media.

THE SOUTHEASTERN CONFERENCE

The Southeastern Conference release will be published every week beginning in mid-January by the SEC office. The SEC contact for track and field is Ben Beaty. Beaty's office number is (205) 458-3000. Media members may also gain access to MSU and SEC releases via www.secsportsmedia.com.

MISSISSIPPI STATE TRACK & FIELD

TRACK AND FIELD FACILITIES

MIKE SANDERS TRACK COMPLEX

On Friday, April 10, 2015, the Mississippi State University track was named the Mike Sanders Track Complex after former track standout Michael W. Sanders.

Over the past several years, the track stadium at MSU has seen many enhancements. A brick grandstand was added in 2013 and holds about 3,500 people.

MSU played host to the 2015 SEC Outdoor Track and Field Championships on May 14-16, at the newly-dedicated Mike Sanders Track Complex. Also during the 2015 season, MSU hosted the Border Clash and the Jace LaCoste Invitational. The facility now hosts the annual Al Schmidt Bulldog Relays and the Maroon and White Invite.

An MSU alumnus, Sanders began his college career in 1960 after receiving a dual scholarship for football and track and field. His football career ended due to injuries, but he was able to continue track and field during his time at State. In his sophomore year, he and fellow members of the MSU track team won the 1962 SEC championship. He is a member of the university's M-Club for his achievements in track.

After college, Sanders has served on the boards for the Alumni Foundation, the MSU Foundation and the Bulldog Club. In 2014, Sanders was named the Mississippi State National Alumnus of the Year. In 2019, he received the Leo Seal Jr. M-Club Award, created to honor a former letterman for his or her outstanding loyalty, dedication and service to Mississippi State. In addition, the award recognizes a former letterman who has been successful in business and the community. Sanders is the third former letterman to receive this award, which is not given annually.

Today Sanders resides in Cleveland, Mississippi, with his wife Nan Long Sanders. Together the couple has two children, Michael W. Sanders and Amanda Sanders Turner, along with Sander's daughter Ellen Sanders Voelkel and six grandchildren.

CARL MADDOX TRACK & INFIELD

Work was completed on MSU's \$3.2 million renovation to the Carl Maddox Track at W.O. Spencer Stadium in 2011 in time for several MSU home meets during that spring, including the SEC/Big 10 Challenge in March.

The state-of-the-art facility features nine lanes, a steeplechase water jump and high jump, pole vault and long/triple jump pits, in addition to a javelin runway and shot put, hammer and discus throw rings.

W.O. SPENCER STADIUM

The dedication of the W.O. Spencer Track Stadium took place on Nov. 13, 1982. Named after two-time Olympian and former MSU track and field athlete W.O. Spencer. His generous donations gave the MSU track program a grandstand that seats 3,500 fans.

Spencer lettered four years in track and three in cross country under former coach E.C. "Billy" Hayes. During his time on the track and field team, he served as the 1922 season captain and was the Southern Intercollegiate Athletic Association mile champion in 1921 and 1922.

In the 1924 Olympic Games in Paris, Spencer won gold in the mile relay team and finished third in the steeplechase in the 1928 games in Amsterdam. After his competition year Spencer went on to become the MSU track and field coach from 1936-1947, minus four years while serving on active military duty.

Spencer was installed in the Mississippi Sports Hall of Fame in Jackson in 1968 and, in 1971, was inducted into the MSU Sports Hall of Fame.

HOLLIMAN ATHLETIC CENTER

Originally opened in April 2005 as a home to Bulldog football, the 46,000-square foot Holliman Athletic Center now houses the track and field locker rooms, team lounge, meeting room and equipment room along with the Columbus Orthopaedic Sports Medicine Center.

The Holliman Athletic Center is named in honor of MSU graduate and long-time university and athletic program supporter W.G. "Mickey" Holliman of Tupelo, Mississippi. A native of Shuqualak, Mississippi, Holliman was the co-founder of Action Industries, now known as Lane Furniture, and is chairman of the board and chief executive officer of Furniture Brands International. He serves on the executive committee of the Bulldog Club, the Board of Directors of the MSU Foundation and is the immediate past president of the Bulldog Club.

Regarded as one of the best facilities in the nation, the MSU track and field team locker rooms and team lounge are located on the second floor of the facility and provide quick access to the Mike Sanders Track Complex. A hallway running between the areas highlights Bulldog greats from throughout the program's history. A large equipment room and laundry room finish out the space.

On the ground floor of the building, the Columbus Orthopaedic Sports Medicine Center is the primary sports medicine facility for the track and field and tennis teams and is a secondary facility for soccer, softball, volleyball, and women's golf. It also serves as an administrative hub for the sports medicine and performance department, including the department of counseling and sport psychology.

The 4,500-square foot athletic training facility was made possible through a naming gift from the Columbus Orthopaedic Clinic, whose surgeons began handling the sports medicine needs of MSU student-athletes in 1981. Six of the orthopaedic surgeons at the clinic are State graduates themselves.

TEMPLETON CENTER ATRIUM

SHIRA FIELDHOUSE

The Shira Fieldhouse Complex, which underwent a million-dollar renovation in 1992 and another facelift in 2017, serves as one of Mississippi State's two primary facilities for conditioning, treating and equipping Bulldog athletes.

Named in honor of the late Charles N. Shira, former MSU head football coach and athletic director, the two-story complex opened in the mid-1970s. When opened at that time, it housed the football locker room and a 50-yard-long indoor practice field, as well as the main athletic equipment, training and weight rooms.

Since MSU football's move to the Leo Seal Jr. Complex in 2013, the Shira Fieldhouse Complex has maintained its purpose of housing training facilities for many of the athletic teams on campus. The indoor turf room was renovated in 2017 to incorporate a new look, energy-efficient lighting and a netted area for the track and field team to practice field events indoors.

The adjoining weight room also received several updates in 2017 including fresh graphics, new lighting and new flooring.

LARRY H. TEMPLETON CENTER

Dedicated on November 1, 2008, the Templeton Athletic Academic Center was a welcome addition to the Bulldog athletic program. The \$10 million facility is named for former MSU Director of Athletics Larry Templeton.

The facility is an addition to two existing facilities in the athletic wing of the MSU campus - the Shira Complex and the Holliman Athletic Center. It is situated on the south side of those two facilities, and across the street from the Bryan Athletic Administration Building.

The 34,000 square-foot building serves the entire athletic department, houses the Athletic Academics offices and staff, and includes individual computer rooms, tutor work areas, a large open study area and a 300-seat dining facility with a fully-functioning kitchen.

Templeton, now Athletic Director Emeritus, served 22 years as Director of Athletics and during his tenure helped position MSU Athletics as an innovative, progressive program, with equality in sports for women, new and renovated facilities and keen fiscal management.

THIS IS MISSISSIPPI STATE

THE UNIVERSITY

Mississippi State is a comprehensive doctoral-degree-granting institution offering a diverse student body a wide range of opportunities and challenges for learning and growth.

The largest university in the Magnolia State, MSU has a statewide enrollment of more than 21,000 students and is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, masters, specialists and doctorate degrees.

Established in 1878 as the Agricultural and Mechanical College of Mississippi, the university has traditional strengths in engineering and scientific agriculture but has evolved into a comprehensive institution with a diverse array of programs in teaching, research and service.

The University began as The Agricultural and Mechanical College of the State of Mississippi, one of the national Land-Grant Colleges established after Congress had passed the Morrill Act in 1862. It was created by the Mississippi Legislature on February 28, 1878, to fulfill the mission of offering training in "agriculture, horticulture and the mechanical arts . . . without excluding other scientific and classical studies, including military tactics."

The College received its first students in the fall of 1880 in the presidency of Confederate General Stephen D. Lee. In 1887 Congress passed the Hatch Act, which provided for the establishment of the Agricultural Experiment Station in 1888. Two other pieces of federal legislation provided funds for extending the mission of the College: in 1914, the Smith-Lever Act called for "instruction in practical agriculture and home economics to persons not attendant or resident," thus creating the state-wide effort which led to Extension offices in every county in the State; and, in 1917, the Smith-Hughes Act provided for the training of teachers in vocational education.

By 1932, when the Legislature renamed the College as Mississippi State College, it consisted of the Agricultural Experiment Station (1887), the College of Engineering (1902), the College of Agriculture (1903), the School of Industrial Pedagogy (1909), the School of General Science (1911), the College of Business and Industry (1915), the Mississippi Agricultural Extension Service (1915), and the Division of Continuing Education, (1919). Further, in 1926 the College had received its first accreditation by the Southern Association of Colleges and Schools.

By 1958, when the Legislature again renamed the College, as Mississippi State University, the Office of Graduate Studies had been organized (1936), doctoral degree programs had begun (1951), the School of Forest Resources had been established (1954), and the College of Arts and Sciences had been created (1956).

The College of Architecture admitted its first students in 1973. The College of Veterinary Medicine admitted its first class in 1977, and the School of Accountancy was established in 1979.

ACADEMICS AND STUDENT LIFE

Mississippi State students consistently earn honors such as the prestigious Harry S. Truman Scholarship, awarded for those who will enter public service, and, with 16 Truman Scholars to date, the university has been recognized as one of 38 Truman Honor Institution.

Recently initiated programs are providing opportunities to develop leadership potential and global study options.

The university's Global Leadership Continuum provides "cradle-to-CEO" programming designed to develop leadership across a "global" spectrum that begins with high school and continues through the university experience and into professional life. Included are the Young Guns Leadership Camp for rising high school seniors; the Day One Leadership Community for incoming freshmen, focusing on shared academic and service experiences; and the highly competitive Appalachian Leadership Honors Program for sophomores and juniors.

To complement these efforts, the university has launched a minor in leadership studies open to students in all majors. A university honor code adopted in 2007 institutionalizes a campus culture of integrity and personal responsibility in academic studies. Through the Global Leadership Program, students may experience significantly expanded study abroad opportunities.

MISSISSIPPI STATE TRACK & FIELD

DR. MARK E. KEENUM

UNIVERSITY PRESIDENT | 11TH YEAR

Dr. Mark Everett Keenum became Mississippi State's 19th president Jan. 5, 2009, following a distinguished public service career. Now in his 11th year of tenure, Dr. Keenum has guided the university to unprecedented heights with an unwavering focus on students – preparing them for success in a rapidly changing world and instilling in them the timeless values of integrity, hard work, and respect.

Mississippi State has achieved record enrollment growth and has awarded more than 4,000 degrees at all levels for eight straight years. The Phi Beta Kappa Society, the nation's oldest and most prestigious academic honor society, granted the university a chapter in 2018 after a rigorous, multi-year review. Additionally, Dr. Keenum has been instrumental in expanding the MSU Promise Program, which provides need-based scholarship assistance to Mississippi students whose families have limited financial means. The number of endowed scholarships and endowed faculty chairs and professorships has also grown significantly. The Chronicle of Higher Education has designated MSU as a "Great College To Work For" for the past three years.

The campus has expanded and improved on Dr. Keenum's watch – completing or initiating capital improvements totaling more than \$1 billion since 2009. These projects include the \$68 million expansion of Dudy Noble Field/Polk-DeMent Stadium, home to one of the most storied college baseball programs in America, and construction of the new Left Field Lofts. The Mill at MSU – a \$40 million, state-of-the-art conference and meeting complex – has sparked a revitalization of the Russell Street corridor in Starkville. The Old Main Academic Center is a \$41 million classroom building and multi-level parking garage. A \$10 million, fourth-floor expansion of Mitchell Memorial Library now houses the Ulysses S. Grant Presidential Library and the Frank and Virginia Williams Collection of Lincolniana.

This summer, the university and its partner, Greystar celebrated the opening of the \$67 million College View development. The first-of-its-kind project for any Mississippi university combines student housing with a mix of retail, commercial, and restaurant space. Construction of the \$34 million Rula Engineering and Science Complex is underway on the university's famed "Engineering Row," as is a \$16 million, 500 space parking garage next to Howell Hall and across from Humphrey Coliseum. The university is also planning

a new \$17 million Music Building adjacent to the Band Hall and Choral Facility along Hardy Road. A new Animal and Dairy Science/Poultry Science Complex for the Division of Agriculture, Forestry and Veterinary Medicine is also nearing completion at the corner of Blackjack Road and the new Hail State Boulevard.

Fundraising has reached all-time record levels in recent years, including \$113 million for the recently completed fiscal year. The university has raised more than \$100 million in gifts and pledges for each of the past six consecutive years. MSU's current Infinite Impact capital campaign will reach its historic \$1 billion goal – the largest campaign goal ever for an educational institution in Mississippi – later this year.

During his two-year term as president of the Southeastern Conference, he led the SEC Executive Committee, and he continues to serve on the SEC's Content Committee Board of Directors that oversees the highly successful ESPN-SEC Network. In 2018, he was named chairman of the College Football Playoff's (CFP) Board of Managers. The CFP determines the national champion of the NCAA Division I Football Bowl Subdivision. Also in 2018, he was elected to serve a six-year term on the Board of Trustees of the Mississippi Department of Archives and History, which is the second-oldest state department of archives and history in the country.

A Carnegie Foundation R1-Very High Research Activity Doctoral University, Mississippi State plays an integral role in economic development locally, statewide, and across the region. Its impact is further felt nationally and internationally through unique collaborative partnerships with peer institutions, business and industry, government agencies, and leading non-governmental organizations. Mississippi State is ranked by the National Science Foundation as a "Top 100" research institution, and its annual research and development expenditures have exceeded \$240 million. MSU R&D expenditures consistently account for more than half of the state's total.

A graduate of Mississippi State with degrees in agricultural economics, Dr. Keenum's interest in international food security has strengthened the university's contributions to global economic sustainability. He serves as chairman of the Board of Directors of the Foundation for Food and Agricultural Research and the Board

for International Food and Agricultural Development. He began his career at MSU as a faculty member with the Extension Service and the Department of Agricultural Economics. He went on to serve as chief of staff to U.S. Senator Thad Cochran in Washington, D.C. and was Under Secretary of the U.S. Department of Agriculture prior to returning home to Mississippi State.

A graduate of Corinth High School, Dr. Keenum earned an Associate in Arts degree from Northeast Mississippi Community College in Booneville and was a member of the Northeast Tigers football team. He is married to the former Rhonda Newman of Booneville, also an MSU graduate. They have four children: Rett, Mary Phillips, Katie and Torie.

MISSISSIPPI STATE TRACK & FIELD

JOHN COHEN

DIRECTOR OF ATHLETICS | FOURTH YEAR

When John Cohen was named Mississippi State University's 17th director of athletics on November 4, 2016, he wasted little time putting his stamp on the department. Since that time, the former MSU head baseball coach and two-time Southeastern Conference Coach of the Year has overseen arguably the greatest era in Bulldog athletic history.

Since the spring of 2018, State has claimed five SEC team championships, representing the most in a two-year span in school history. Under Cohen's watch, 34 teams have advanced to postseason play, including a school-record 13 during the 2018-19 athletic year. That occurred just a year after the Bulldogs produced a then-school-record 12 postseason squads during the 2017-18 athletic campaign.

Cohen's third athletic year in charge was a historic one. MSU captured three SEC team championships during 2018-19 as women's basketball and men's tennis defended their respective crowns. Vic Schaefer's program also secured its first-ever SEC Tournament championship before going onto an Elite Eight appearance and finishing as high as No. 4 in the national polls.

State combined to win 151 games in the sports of football, men's and women's basketball, softball and baseball, representing the highest total in the SEC and among the best in the nation. In addition, five teams finished in the Top 25 of their respective polls, including three in the Top 10.

In the summer of 2018, Cohen identified one of top recruiters and player development coaches in the country to serve as the Diamond Dawgs' 18th head baseball skipper. Chris Lemonis became the winningest first-year head coach in SEC history as MSU won 52 games en route to its second consecutive College World Series appearance in Omaha, Nebraska. The Diamond Dawgs earned a national seed (No. 6), hosted regional and super regionals at the new Dudy Noble Field, clinched a share of the SEC Western Division title and finished as high as No. 3 in the final polls.

In addition, the Bulldog men's and women's basketball programs both appeared in the NCAA Tournament during the same season for the first time since 2008-09.

The 2017-18 athletic year saw State become the only school in the nation to win a bowl game, reach an NCAA Final Four – men's or women's – and the College World Series. During that same campaign, MSU claimed multiple SEC championships in a single athletic year for the first time since 1996.

Matt Roberts, the SEC Coach of the Year, guided the men's tennis team to its first SEC Tournament championship since 1996. Schaefer, the 2018 National Coach of the Year, led the women's basketball program to its first SEC regular season title with a perfect 30-0 regular season and a second-straight NCAA national championship game appearance.

As a result of the Bulldogs' unprecedented athletic success, CBS Sports named MSU the 14th-best athletics program in the country and fourth overall in the SEC for 2017-18. The top four Director's Cup finishes in school history have occurred in the last four years with three under Cohen's watch.

Success has carried into the classroom during Cohen's tenure as

Bulldog scholarship student-athletes have produced four consecutive semesters with a 3.0 cumulative grade point average or higher. In the spring of 2019, MSU scholarship student-athletes posted the highest spring GPA on record with a 3.09. State also scored the fourth-highest NCAA Graduation Success Rate (GSR) among SEC institutions with an 89 percentile in the fall of 2018.

Since becoming athletic director, Cohen has been the driving force for numerous state-of-the-art facility projects on campus, including the new \$68 million Dudy Noble Field, which opened in full capacity in the spring of 2019. The ballpark has drawn rave reviews as the best in all of college baseball and features the Left Field Lofts, a revolutionary experience with luxury two-bedroom suites offering exquisite views of the new Dudy Noble Field.

Cohen approved construction of a new \$3.6 million football gameday home locker room and recruiting center inside the north end of Davis Wade Stadium. The 11,100 square-foot locker room, which opened in September 2018, includes custom-built player lockers, separate coaches and staff locker rooms, an expansive athletic training room as well as an equipment room. In July 2019, state-of-the-art updates were completed in the Leo Seal Jr. Football Complex locker room, which serves as the daily headquarters for MSU football.

The Templeton Athletic Academic Center underwent a major renovation in the summer of 2018 with modern wall graphics and displays. In addition, ground was broken in the summer of 2019 on the \$8 million dollar MSU Tennis Pavilion with expected completion set for the spring of 2020. The 48,815-square-foot facility will feature six indoor courts, elevated spectator seating, LED lighting and more.

Planning is already underway for a major renovation and modernization of Humphrey Coliseum, which will make the historic venue one of the elite in all of college basketball. Expanded concourses, enhanced sightlines, new dining options and a luxurious club level are some of the many features that will be coming to the new-look "Hump."

Cohen has been instrumental in providing a "championship-level fan experience" at all of MSU's athletic venues. For the first time in school history, State drew over 1 million combined fans in the ticketed sports of football, men's and women's basketball and baseball during the 2018-19 athletic year. In the summer of 2018, MSU announced significant price decreases on all food and beverage at concessions for all home venues that continues today. State also unveiled a football season ticket price reduction in several sections of Davis Wade Stadium.

Cohen's vision launched the Hail State Family Fan Experience survey, an initiative to best serve Bulldog fans based on their feedback. The plan has been responsible for numerous enhancements at venues, including improved sound at Davis Wade Stadium, boosted cell service for major carriers and cash-only quick-serve concession kiosks.

Cohen, who spent more than two decades coaching college baseball, was named MSU's head baseball coach in July of 2008. Nine years later, Cohen's official role in administration began when he assumed the role of associate athletic director in addition to head baseball coach. The following November, he took charge of an athletic department that

has since achieved new heights in athletic, academic, facility, and fundraising achievement.

Success shouldn't come as a surprise as it was never far removed from him during his 12-year run as a head coach in the SEC. His teams were successful both on the field and in the classroom. At MSU, he led the Bulldogs to a College World Series finals appearance, an SEC regular season championship and an SEC Tournament championship. In the classroom upon his arrival in 2009, 133 players were selected to the SEC Academic Honor Roll, including three straight SEC Scholar Athlete of the Year winners from 2013-15.

As a baseball player at MSU, Cohen was a key player on the Bulldogs' 1989 SEC championship team and 1990 College World Series team. He graduated from MSU with a degree in English in 1990 and received a master's degree in sports management from the University of Missouri in 1994.

Following a six-year stint with Missouri as a graduate assistant and assistant coach, Cohen was the head coach at Northwestern State University from 1998-2001. Cohen spent two seasons as an assistant baseball coach at the University of Florida before becoming the head coach at the University of Kentucky in 2004, a position he held for five seasons before returning to his alma mater. Cohen guided the Wildcats to the program's first SEC championship in 2006 with a remarkable worst-to-first finish in his third season.

While winning 284 games as a head coach at MSU, Cohen demonstrated a keen ability to develop players and coaches. During his tenure, 138 MSU baseball players were selected in the Major League Baseball Draft. Ten of his former Bulldogs have reached the Major Leagues, including Nate Lowe (Tampa Bay Rays) most recently in the spring of 2019. His influence can be seen throughout the SEC as four of his former assistants are now or have been head coaches — Brad Bohannon (Alabama), Gary Henderson (Kentucky/Mississippi State), Nick Mingione (Kentucky) and Butch Thompson (Auburn).

Cohen is the only coach in SEC history to win an SEC championship, SEC tournament championship, and advance to the College World Series both as a player and head coach. He and Ron Polk are the only two baseball coaches in SEC history to lead multiple schools to SEC titles. His 2013 Bulldog club advanced to the CWS championship series for the first time in MSU history. Cohen also had the privilege of being a part of a College World Series as a player, head coach and now twice as an athletic director when the Diamond Dawgs reached Omaha in June 2018 and 2019. His 2012 club produced an SEC record-tying eight Major Leaguers.

Cohen was recently appointed to the prestigious 10-member NCAA Division I Baseball Committee. He is serving a four-year term that began on Sept. 1, 2019.

Cohen and his wife, Nelle, are active members of the Starkville community. The couple has two children, Jordan and Avery.

After guiding the Mississippi State men's team to its third-highest point total in school history at the 2019 NCAA Outdoor Championships, Chris Woods was named head coach of the Bulldog men's and women's track and field teams, Director of Athletics John Cohen announced June 14, 2019.

"We conducted a national search, and the best fit for our next head coach was right here in Starkville," Cohen said. "I am excited for Chris and the future of Mississippi State track and field. Chris knows exactly what it means to be a Bulldog having lettered and served as assistant coach and interim head coach at Mississippi State. Our program continues to produce many of the world's best, All-Americans and champions at a record pace. Chris understands what it takes for our program to continue the path to championships and develop our student-athletes to the fullest. My sincere congratulations goes out to Chris, Wanda, Trace and Cade."

"This is one of the happiest days of my life," Woods said upon his hiring. "It's an honor to serve my alma mater and a dream come true. I would like to thank my family who stuck with me through the process. I also would like to thank John Cohen and (President) Mark Keenum for this wonderful opportunity. I love Mississippi State. It's important that every day, we put our best foot forward always in the best interest of Mississippi State. My vision for Mississippi State track and field is for us to climb even further heights with the focus on winning championships."

Shortly after being named head coach, back-to-back NCAA Champion Anderson Peters and three-time All-American Marco Arop found success on the global stage. Peters won gold at the Pan American Games while shattering the Pan Am record with a personal-best and MSU-record throw of 87.31m. He went

on to claim the IAAF World Championship in October of that year.

Arop won gold at the Pan American Games, clocking a meet-record and MSU record 1:44.25 in the 800m. Arop advanced to the 800m finals at the IAAF World Championships after clocking in at 1:45.07 to place second in his semifinal heat, and would go on to finish seventh in the world in the finals.

Woods had served as the interim head coach since Sept. 20, 2018, after five seasons as a sprinters and relays coach for both the MSU men and women. With its 11th-place and 24-point showing at the 2019 NCAA Outdoor Championships, State secured its third-highest point total in program history and second-best mark since 1982. Woods helped guide the men and women to a combined seven All-America honors in the 2019 outdoor season.

MSU's men put together the most-decorated outdoor season in program history, claiming more SEC Athletes of the Week and USTFCCA National Athletes of the Week than ever before along with four All-America accolades.

The Bulldogs put six men on the podium at the SEC Championships, the most since State earned eight medals in 2003. They finished the conference meet with 57 points, their highest total since 2012. MSU's eighth-place SEC Outdoors finish was its best since 2015. Woods spearheaded the Bulldogs to nine medals, representing their most since 2003.

In addition, a total of 28 men and women athletes qualified for the NCAA East Prelims, which was a program record. The Bulldog men broke two school records, including the oldest, untied, Championship-event record in the program's record book.

The highlight of the 2019 outdoor season came when The Bowerman semifinalist Peters led an MSU javelin sweep of the podium. Peters successfully de-

fended his national title, becoming the first MSU athlete to claim consecutive national championships. He threw a personal-best 86.62m (284-2), breaking his own school, meet and national records. Peters landed three attempts beyond 84.00m and threw six collegiate all-time top-10 marks this year alone.

State's trio of Peters, Curtis Thompson and Tyriq Horsford was just the 11th sweep of any event podium in NCAA history. Stephen Jones broke Simeon Kigen's steeplechase record that had stood since 1982 by one second. In all, nine new marks landed in the men's all-time top five last year.

On the women's side, Tiffany Flynn and Logan Boss both earned All-America status to close their storied careers earlier this month. Flynn finished eighth in the triple jump with a leap of 13.32m, while Boss tied for 12th in the high jump, clearing 1.78m. The 2019 outdoor season saw four women's school records fall along with two freshmen records. The Bulldogs added 14 new marks to the program's all-time outdoor top five.

In his time as an assistant, Woods coached Bulldog athletes to 17 All-American selections and two SEC championships. His student-athletes hold 40 times in the MSU record books. In 2018 alone, Woods' athletes put 15 new marks among the top five in MSU history.

Four of the top five times in both the men's and women's indoor 4x400m relay came under his watch. In the men's indoor 800m, the only time among the top five that he did not coach is his own set in 2008, which is still the fourth-fastest in school history.

In 2018, he led Ro'Derick Spears to a school-record 13.65 in the outdoor 110m hurdles. Spears also joined Herbert Wise III, Willie-Lionel Reed and Charles Brockman III to break the school record in the outdoor shuttle hurdle relay twice that year. He also coached the 400m leg of the women's indoor distance medley relay that set the MSU record in 2017 and the women's indoor 4x400m relay team that broke that record in 2015.

Woods competed as a Middle Distance athlete for the Maroon and White from 2005-08. As a student-athlete, Woods garnered two-time All-America honors and four-time All-SEC accolades.

Before coming to MSU, Woods served as head coach for the men's and women's cross country and track and field teams at Claflin University in Orangeburg, South Carolina.

Prior to his time with Claflin, Woods was instrumental in the success of Abilene Christian University's track and field program as the men's and women's long sprints, middle and long distance coach. Under his direction at Abilene Christian, Woods aided his team to back-to-back NCAA Division II National Championships in men's track and field.

In 2011, Woods coached five runners who garnered multiple honors. Desmond Jackson claimed five All-America honors, Amos Sang claimed four All-America accolades, while Jordan Geary, Partis Róvertson and Lavance Williams each claimed All-America honors under Woods' direction.

In 2010, Woods coached nine All-America athletes, including multiple All-America honorees Desmond Jackson, James Hardin and Amos Sang.

A native of Covington, Georgia, Woods graduated from MSU in 2008 with a bachelor's degree in clinical exercise physiology. Woods is married to former two-time Olympic sprinter Wanda Hutson. The couple has two sons, Trace and Cade.

After a successful season in 2019, April Thomas was promoted to associate head coach in June 2019. The leader of "JavU," Thomas' squad swept the men's javelin podium at the 2019 NCAA Outdoor Championships, marking the first time since 1964 that a school had achieved the feat. Thomas was tabbed USTFCCA South Region Men's Assistant Coach of the Year in recognition of her squad's success.

In the summer following that performance, back-to-back NCAA Champion Anderson Peters found success on the global stage. Peters won gold at the Pan American Games while shattering the Pan Am record with a personal-best and MSU-record throw of 87.31m. He went on to claim the IAAF World Championship in October of that year.

Thomas spent 12 seasons as an assistant coach overseeing MSU's throwers. She has received national recognition for her expertise in guiding athletes in the javelin after leading the Bulldogs to become the only program in NCAA history to have three men throw the javelin over 80m, earning the title "Jav U".

Thomas' athletes have earned eight top-three finishes in the NCAA javelin championships over the last five seasons. No other school has combined for more than four in that span. Bulldogs have also won the national championship in three of the last four years. Her throwers hold 20 marks in State's outdoor record book and six on the indoor leaderboards. She has also guided three athletes to freshman records since arriving in Starkville.

In 2018, she tutored Peters to the 2018 SEC and NCAA javelin championships as a freshman, while Nico Quijera placed second at the NCAA championships before going on to claim the Spanish national title. Thomas also coached Curtis Thompson to a national title in 2016. Thompson won the 2018 USATF

Championship, and at the 2018 NACAC Games, Peters and Thompson took home gold and silver, respectively.

In 2017, Thomas saw Quijera win his first NCAA runner-up title in the javelin, Brianna Smith shatter the Bulldogs' indoor weight throw record for the first time and Haley Reynolds break State's indoor shot put and outdoor discus records.

In addition to his 2016 crown, Thompson won gold in the javelin at the NACAC U23 Games that year and broke the school record at the U.S. Olympic Trials where he came up just 12 centimeters shy of qualifying for the Rio Olympics.

Tautvydas Kieras qualified for the 2015 NCAA East Prelims in the discus throw. Kieras, who holds the school record at 60.03m, placed 23rd. That same year, Kieras posted the No. 5 mark in outdoor shot put in Bulldog history.

Under Thomas's guidance in the shot put, Erica Bougard claimed the 2013 pentathlon NCAA Championship title with 4,399 points and the 2014 SEC Indoor Championship after a 4,448 point performance. Bougard finished a stellar Bulldog career as a 16-time All-American and won the 2018 USATF Championship in the indoor pentathlon.

In 2013, Thomas coached honorable mention All-American Piotr Antosik in javelin, giving the Bulldogs a national finalist in the men's javelin for the first time since 1923 and sparking the growth of State's javelin program. Allison Storey also broke the MSU women's javelin record in the same year after setting the Bulldogs' freshman record in 2010.

Thomas led Favian Cowards to All-American honors in the 2012 season with a ninth-place finish at the NCAA Outdoor Championships in the hammer while breaking the MSU school record along the way. Cowards also won the Bulldogs' first SEC Championship in the weight throw that year. That season also saw Ed

Wesela post the No. 2 outdoor shot put and No. 3 indoor shot put marks in MSU history.

In 2010, Thomas helped coach LaQuinta Aaron to personal-best throws in the shot put that helped her earn provisional qualifications in the heptathlon for the 2010 NCAA Outdoor Championships. In 2009 heptathlete Marrissa Harris earned indoor and outdoor All-American and All-SEC accolades under Thomas' shot put tutelage.

Thomas came to MSU after coaching boys' and girls' shot put and discus at Knoxville (Tenn.) Catholic High School and with the Knoxville Track Club.

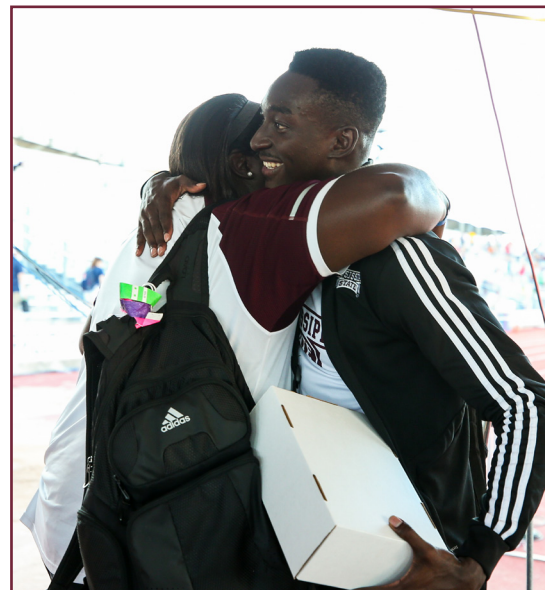

A native of Albany, Georgia, Thomas earned her degree in sociology from University of Tennessee in 2007. Her personal best in the indoor shot put still stands at No. 7 in Tennessee's record books and her best mark in the weight throw is 10th. Outdoors, she is 10th in the shot put. Prior to her time in Knoxville, she competed at Cloud County (Kansas) Community College.

At the 2006 SEC Indoor Championships, Thomas finished as runner-up in the shot put and was named the Lady Vols' Field Events MVP for the indoor season. She also has three other top five SEC finishes to her credit in the event. Thomas helped the Lady Vols win the 2005 SEC Indoor Championship and was part of Tennessee's 2005 NCAA Mid-east Regional team that captured the program's first victory at that event.

Carjay Lyles was hired as an assistant coach on Aug. 9, 2019, to work with State's horizontal jumps along with the short sprints and short hurdles. Lyles comes to Starkville after spending the previous season as an assistant at Southern Cal. The Stone Mountain, Georgia, native arrives with a track record of national and international success across the sprints, hurdles and jumps.

In his most recent stop as the jumps and combined events coach with the Trojans, he served as the recruiting coordinator and shared meet management duties for home events.

The 2019 season saw USC's women finish as national runners-up at the NCAA Indoor and Outdoor Championships while winning both conference championships. He coached indoor and outdoor conference champion Earnest Sears in the men's high jump along with the women's indoor long jump champion Lanae-Tava Thomas. Indoors, he also picked up silver medals in the women's long and triple jumps, and his athlete was the outdoor runner-up in the women's triple jump.

Outdoors, Margaux Jones ranked ninth among collegiate women in the long jump. In what proved to be one of the breakout performances of 2019, Lyles coached Puerto Rican Ayden Owens to a school-record 8,130 points in the decathlon, earning him Pac-12 Athlete of the Week honors. In addition to breaking the Trojans' 35-year-old record, that mark stood as the Puerto Rican national record, the NCAA freshman record and was the season's world best at the time. Owens also earned a bid to the 2019 Pan American Games and was named the Pac-12 Men's Freshman of the Year, giving Lyles his second athlete to win Freshman of the Year in a Power Five conference. He finished sixth in the heptathlon at the NCAA Indoor Championships.

Sears gave Lyles two NCAA leaders with the top high jump mark in the 2019 outdoor season at 2.27m. Indoors, Sears ranked fifth in the nation before finishing fourth at the NCAA Championships. He continued on to win a silver medal for the United States at the NACAC U23 Championships, clearing 2.25m. With his spot on Team USA's roster, he became the seventh athlete coached by Lyles to represent his home nation in the past eight years.

In his lone year at USC, Lyles coached Trojans to six conference medals and totaled 67 conference points, while adding three marks to the Trojans' all-time top 10 in the jumps. His athletes earned five All-America honors.

Lyles spent the 2018 season at Akron coaching the sprints, hurdles, jumps and relays. His athletes posted 12 marks in the Zips all-time top 10, including three school records. He led Zips to 10 All-MAC selections as they won the women's team title outdoors. Both the men and women were the league's runners-up indoors. Akron sent its largest group of athletes to the NCAA East Prelims in program history in 2018.

In one season with the Zips, Dara Perry became the first hurdler from the

MAC to advance to the NCAA championships in over a decade. Perry trimmed more than half of a second of her 100m hurdles time, running 13.10 en route to breaking the MAC Outdoor Championships meet record. Taron Sloane and Daziah Green also improved by more than half of a second in the 200m at the NCAA East Prelims championships. Kwad Smith, who was listed as one of the fastest football players in the country in 2018, posted times of 6.72 in the 60m and 10.29 in the 100m during Lyles' lone season with the Zips.

Lyles spent the 2014-17 seasons in the SEC at Missouri where he worked with the sprints, hurdles, jumps and relays. He helped rewrite the Tigers' record book with 13 school records, five All-SEC performances, and two World Junior Championships finalists. His athletes earned 16 All-America honors, and four athletes represented their home nations in international competitions.

In 2016 he coached Kahmari Montgomery to USTFCCA Midwest Athlete of the Year and SEC Freshman of the Year honors. Montgomery won both the indoor and outdoor SEC championships in the 400m, recorded top-15 times in the world in the 400m and finished sixth in the event at the World Junior Championships.

That same year, he tutored Valerie Thames as she broke three school records and was the first hurdler (male or female) to make the finals in both hurdles competitions in the history of the SEC Outdoor Championships. For his efforts he was named USTFCCA's Midwest Region Women's Assistant Coach of the Year for the second time in his career.

Lyles coached three 16.00m-plus triple jumpers during the 2015-16 seasons. Markesh Woodson claimed multiple SEC runner-up finishes in the 60m and was a three-time indoor All-American in the event. In 2016, he finished sixth at the NCAA Outdoor Championships in the 100m.

Lyles also served as the Missouri's academic liaison and international recruiting coordinator. In 2015, the Tiger women boasted the third-highest GPA in the SEC and the program posted 70 SEC Academic Honor Roll selections in his time in Columbia.

He spent the prior four seasons in his first full-time job as an assistant overseeing sprints, hurdles and relays at San Diego State. In his final year with the Aztecs, he won the 2013 USFTCCA West Region Women's Assistant Coach of the Year award as Shanieka Thomas won the triple jump at the NCAA Outdoor Championships. In the previous season, he saw the SDSU women finish ninth at the NCAA Outdoor Championships, their best finish in program history.

Lyles' athletes won 17 conference titles, earned 14 All-American honors and set 24 school and class records. Thomas earned Mountain West Athlete of the Year honors on her way to a runner-up finish at the 2012 NCAA Outdoor Championships.

Prior to joining the Aztecs, Lyles trained under 1984 Olympic Gold Medalist

Al Joyner at the U.S. Olympic Training Center while assisting in coaching Paralympic athletes. Two of his Paralympians won gold at the 2008 Beijing Games. He spent one year as a volunteer assistant coach at Southwestern Community College (TN) and one year as a volunteer at Tennessee following his collegiate career with the Vols.

Lyles was an All-American in the triple jump at Tennessee and was a member of the Vols' 2007 SEC Outdoor Championship team and three top-five NCAA finishes. His personal best of 15.95m still ranks seventh in Tennessee's outdoor record book. Lyles was a Penn Relays champion in 2006 as part of the Vol's shuttle hurdle relay team.

He graduated with a degree in sociology in 2008, and is a USATF Certified Coach for sprints, hurdles and relays.

As a private coach, he tutored a high school national record holder and sent one of his high school athletes to the 2008 U.S. Olympic Trials in the 100m hurdles.

Patrick McGregor was hired to lead the Bulldogs' cross country program and serve as an assistant coach for the track season on Aug. 9, 2019.

In his first cross country season at Mississippi State, McGregor coached Stephen Jones to All-Region accolades after he crossed the line 11th at the NCAA South Regional to earn a bid to the NCAA Championship. Jones became the second Bulldog to advance to the men's NCAA Championship and he recorded the highest men's finish in school history at 80th place.

McGregor came to MSU from Kentucky where he was a volunteer assistant coach, but he got his start in coaching as an assistant at Samford in the fall of 2016.

His impact was immediately felt as Samford's men and women both placed second at the Southern Conference Cross Country Championships. Arse'ne Guillorel was the third overall finisher on the men's side, and Karisa Nelson won the conference title for the women. Both individuals went on to place fourth at the NCAA South Region Championships while their teams landed among the top 10.

On the track, he guided Nelson to the 2017 national title in the indoor mile, and saw his athletes post 18 marks that were among the top 10 in the conference in their respective events. Nelson claimed the conference crown in both the outdoor 1500m and indoor 3000m while Guillorel won the indoor men's 3000m and 5000m titles. Presley Weems, sister of MSU's Ava Weems, won the 800m to give McGregor five conference champions in his first track season.

The Bulldog women won the SoCon team title with McGregor's athletes contributing 20 percent of their team score. Guillorel highlighted the men's efforts, including a third-place distance medley relay, as distance athletes scored 42 of the Bulldogs' 155 points.

Outdoors, Nelson again posted the top 800m time in the league and was joined by Brandon Hazouri who led the men's event. Guillorel held the top time in the 10,000m. Weems and Nelson won league titles in the 800m and 1500m, respectively, while McGregor's men were runners-up in the 1500m and 10,000m. Samford's women again won the conference title.

On the national stage, Nelson place third in the 1500m at the NCAA Outdoor Championships, and Guillorel finished fourth in the 10,000m.

In 2017, Samford again landed among the conference leaders in cross country. After finishing as SoCon runners-up, the women placed third at the NCAA South Region Championships. Nelson placed second as an individual and McGregor's group put three women in the top 10.

McGregor added two more conference championships in the 2018 outdoor track season. Haley Ward won the women's 10,000m, and Guillorel won the men's 1500m.

In his two seasons at Samford, McGregor totaled nine individual conference

championships in track and field along with one in cross country, sent five athletes to the NCAA East Prelims and coached his athletes to five Samford school records.

In his lone season at Kentucky, he collaborated with the head strength and conditioning coach and assisted the coaching staff with athlete preparation. The Wildcat women placed 14th at the 2019 NCAA Outdoor Championships and were third at the SEC Outdoor Championships.

An accomplished runner himself, McGregor competed at Texas for three years. In that time, he contributed to the Longhorns 2013 Big 12 Indoor and Outdoor championships by winning the individual 1,000m title indoors and scoring in the 800m outdoors. He competed at the NCAA Outdoor Championships in the 1500m twice earning Second-Team All-American honors, and was a seven-time All-Big 12 selection.

He then went on to compete professionally with the NJNY Track Club under "The Godfather of Track and Field" Frank Gagliano where he became a sub-four-minute miler. In 2017, while coaching at Samford he broke the record for the longest known streak of daily sub-five-minute miles set by his high school coach Devon Hind in 1979. McGregor clocked a 4:12.99 on the 105th day, breaking Hind's record of 104 days while also running his fastest time in that span. His streak continued to 109 days.

Holland Sherrer was hired as an assistant coach on June 21, 2019, to directly assist the head coach with sprints, hurdles and relays. Sherrer joins the Bulldogs from Syracuse where he worked with the sprint, hurdle and jump events in 2019.

Prior to working with the Orange, Sherrer served as a volunteer assistant at Florida for two years, winning men's team national championships outdoors in 2017 and indoors in 2018. The Gators also won both the men's and women's team titles at the 2018 SEC Outdoor Championships.

At Syracuse, his sprinters Eunice Boateng, Dasia Pressley, Alexis Crosby and Cheyenne Trigg broke the school record in the 4x100m relay at the ACC Outdoor Championships then did so again at the NCAA East Prelims.

Sherrer's hurdlers scored at both the indoor and outdoor conference championships. Matt Moore finished third in the indoor 60m hurdles, while Richard Floyd and Chevis Armstead II were third and seventh, respectively, in the 110m hurdles outdoors. Floyd went on to run at the NCAA East Prelims where he missed advancing to the national championships by 0.07 seconds.

In the jumps, he helped coach Avianna Goode to a fifth-place finish in the high jump at the ACC Championships.

Sherrer helped the Orange sign a gifted class headlined by the No. 1 ranked sprinter from New Jersey in Dennisha Page and Aja Davis who was sixth in the 60m at the New Balance National Indoor meet.

At Florida, Sherrer worked with the Gators' middle distance group where he oversaw Andres Arroyo's breakout 2017 season. Arroyo qualified for the 2017 IAAF World Championships after winning the 800m at SEC Indoor Championships and scoring at the NCAA Outdoor Championships for the first time in his career. He also saw Justin Pacifico compete at the 2017 USATF Junior Championships where he was fifth in the 800m.

The Deerfield, New Jersey, native has also competed at the highest levels, running the 800m at the 2016 U.S. Olympic Trials and 2015 USATF Championships while earning outdoor All-American honors during his time at Ole Miss. Sherrer advanced to the NCAA Outdoor Championships in his junior and senior seasons with the Rebels. He also won an SEC Championship in the indoor distance medley relay.

His collegiate career began at Rend Lake Community College where he was a two-time NJCAA All-American and won an NJCAA Championship on the 4x800m relay.

Since returning to MSU in 2011, Steve Thomas has seen success as he has coached 23 athletes to All-America honors and one to a national title.

Most recently, Thomas coached then-freshman Asia Poe (long jump) to All-American status indoors in 2019. He also guided both Logan Boss (high jump) and Tiffany Flynn (triple jump) to their fourth career honors during the outdoor season.

In the 2013 indoor season, Thomas coached Erica Bougard to the NCAA Indoor Championship in the pentathlon with 4,399 points.

The following year Bougard earned All-American accolades in the long jump and pentathlon. Bougard won the pentathlon title in the SEC Indoor Championships after setting a new school record of 4,458 points.

Also during the 2014 indoor season, Thomas coached All-Americans Rochelle Farquharson and Jason Harper in the triple jump. Farquharson set a new school record in the women's triple jump with a leap of 12.90m at the 2014 SEC Indoor Championships.

Under Thomas' guidance Harper earned All-American honors during the 2013 outdoor championships. Harper ranks third on MSU's all-time indoor superlatives list in the triple jump with a leap of 15.97m that came in the 2013 season. He is fifth on the men's outdoor list (15.92m, 2013).

In his first year back at MSU, Thomas found success as he coached an SEC Champion who was also named the SEC Freshman Field Athlete of the Year, placed two on All-America lists and placed an athlete on the second team All-SEC list. Under the direction of Thomas, Farquharson single-handedly placed Lady Bulldog jumps on the map with her performance at the 2011 SEC Outdoor Championships.

The freshman jumped a personal best 6.48m to claim the SEC Outdoor Championship in the long jump, an honor that would also make her a member of the 2011 Outdoor All-SEC First Team and All-Freshman squads, while also nabbing her the honor of being named the SEC Freshman Field Athlete of the Year.

While at Kentucky, Thomas made his mark coaching a six-time All-American in the shot put and helping the female throwers produce impressive marks in their quest for championships.

Before coaching at Kentucky, Thomas served as an assistant coach at the University of Florida where he coached nine All-Americans, six SEC champions and a pair of NCAA East Region champions. In his career, he has tutored individuals who have won nearly 40 conference championship titles.

Thomas also served as the head coach of both the men's and women's cross country and track and field programs at the University of South Alabama from 1992-98, he received four Sun Belt Conference Coach of the Year awards.

At South Alabama, Thomas brought the women's squad to a program-best

second-place finish at the 1994 Sun Belt Indoor Championships and fourth-place finishes in four of his six years at the outdoor meet. He expanded and developed nearly every facet of the Jaguar program, producing 20 Sun Belt Conference Champions and the first NCAA qualifier in school history.

Thomas' first tenure at MSU was from 1988-1992 when he served as the head field events coach. During his time, he trained two All-Americans and six All-SEC athletes. Thomas' athletes also earned a combined 11 individual conference titles.

Thomas is known on the international stage for his instruction skills, conducting clinics in Australia, Belgium, England, Germany, Mexico and Switzerland, as well as a two-week clinic in China in 1994.

An All-District runner at Oklahoma Christian college, Thomas received his undergraduate there in 1981 before earning his master's degree in education from Stephen F. Austin State University in 1983.

Thomas is a native of Saraland, Alabama. He is married to the former Kim Eades, and the couple has one daughter, Kayleigh Lauren.
