COACHING STAFF

SAM PURCELL

1ST YEAR

HEAD COACH

Hometown: Dalton, Ga. | Alma Mater: Auburn, 2003
Career Record: 0-0 | SEC Record: 0-0
Hired March 12, 2022

One of the most respected recruiters in America and most impactful Division I assistant coaches in the country, Sam Purcell was named the ninth head coach in Mississippi State women's basketball history on Saturday, March 12, 2022.

With 19 years of women's basketball coaching experience, including the previous nine seasons helping build the University of Louisville program into a perennial title contender, Purcell came to Mississippi State with a reputation for player development and recruiting, as well as precise and detailed preparation.

"I'm honored and humbled to be the head women's basketball coach at Mississippi State University, and I am appreciative to John Cohen and the entire university administration for this opportunity," Purcell said. "The Purcell family is thrilled to be coming to Starkville, and we can't wait to meet the team and the entire Bulldog Family. Mississippi State women's basketball is synonymous with winning, and I fully intend to continue that winning culture. Hail State!"

Purcell, a native of Dalton, Georgia, has combined for a 495-193 (.719) record in his 19 years of coaching. He boasts 14 20-win seasons and three 30-win seasons while helping his teams to five regular season conference championships and two tournament championships.

Promoted to associate coach at the start of the 2017-18 season after serving as an assistant coach from 2013-17, Purcell helped guide Louisville to a 147-19 record during that time, which ranked third in the country behind Connecticut (150) and Baylor (151) for the most victories during that span. During his tenure at Louisville, Purcell helped guide the Cardinals to an impressive 262-47 (.847) overall record, which is the best nine-year stretch in program history with an ACC record of 114-18 (.863). During his time at Louisville, Purcell made it to the NCAA Tournament every season that a tournament was held while advancing to a pair of Final Four, five Elite Eights and seven Sweet Sixteens.

THE PURCELL FILE

Born: ..... Oct. 5, 1982
Family: ..... Wife - Meghan
Daughters - Reese, Rylee, Reagan
Hometown: ..... Dalton, Ga.
Education: ..... Auburn, 2003
Coaching Exp.: ... Mississippi State, 2022-pres. (Head Coach)
Louisville, 2017-22 (associate coach)
Louisville, 2013-17 (assistant coach)
Georgia Tech, 2009-13 (assistant coach)
Georgia Tech, 2007-09 (video coordinator)
Tulsa, 2005-07 (assistant coach)
Auburn, 2003-05 (video coordinator)
Auburn, 2000-03 (student coach)

During the 2017-18 season, Purcell played a critical role in guiding Louisville to a program-best 36-3 overall record that included an ACC Regular Season and Tournament Championship. The Cardinals opened the year perfect at 20-0, marking the best start in program history. They then earned a No. 2 ranking in the Associated Press Top 25 Poll and defeated opponents by an average of 27.5 points per game. During the 2020-21 season, Purcell helped the Cardinals to a 16-0 start and the first-ever No. 1 ranking in the USA Today Top 25 Coaches Poll in program history.

Purcell helped the Louisville offense consistently rank among the nation's bests. In all but one season at Louisville, the offense ranked inside the top 40 in points per game while averaging more than 72.2 points per game during that time. The impressive scoring margins that Louisville has won games by – more than a +16.0-scoring margin in each of the last five seasons – was mainly due to a strong emphasis on defense. Under the guidance of Purcell, the Cardinals allowed opponents to average more than 60 points per contest just twice. Currently, Louisville is allowing just 55 points per game.

Purcell has learned from some of the best minds in college basketball, including Jeff Walz (current Louisville head coach), Nell Fortner (former Auburn and current Georgia Tech head coach and the head coach of the 1996 Olympic Team) and Joe Ciampi (25-year head coach at Auburn and 2005 Hall of Fame inductee).

Listed as one of the Top 30 up-and-coming women's basketball coaches in the country, Purcell played a pivotal role in the success of the Louisville women's basketball program. His game scouts are as descriptive and detailed as you will find across the country, and they have helped Louisville to ranked victories over Stanford, UConn, LSU, Oregon and many others. In addition to his detailed scouts, Purcell has made player development and recruiting one of his calling cards during his many years of success.

During Purcell's tenure at Louisville, Purcell had 10 players selected in the WNBA Draft, including six between 2019-21 which was tied with Baylor for the most draft picks in that stretch.

He worked closely with the guards while at Louisville. Purcell helped guide Shoni Schimmel to several All-America honors. Schimmel became the Atlanta Dream's eighth overall pick in the WNBA Draft. Purcell also worked closely with 2019 No. 2 overall pick Asia Durr, a two-time ACC Player of the Year who also earned WBCA All-America honors during her junior and senior seasons.

Purcell was instrumental in the recruitment and development of Jazmine Jones. She became the fourth Cardinal ever selected in the first round of the WNBA Draft when she was picked 12th overall by the New York Liberty in the 2020 draft. During her senior campaign Jones was named to the All-ACC First Team, All-ACC Defensive Team, All-ACC Tournament Team and All-ACC Academic Team while playing more games in a Cardinal uniform than any player in program history.

Purcell also worked closely with Dana Evans, who became the second player in program history to win multiple Player of the Year honors and the third to earn WBCA All-American honors. During her junior season, Evans became the first player in ACC history to be named the ACC Player of the Year after being named the Sixth Player of the Year the season prior.

Purcell has shown the ability to recruit worldwide with his innate ability to connect with elite prospects. He has landed the nation's top recruit on two separate occasions with two different programs. Purcell inked top-rated prospect Kaela Davis in 2013 at Georgia Tech, and the most recently, landed the highly-sought-after Durr at Louisville in 2015.

All nine signing classes that Purcell helped recruit were ranked in the top 15 by ESPN. Of those nine classes, four were ranked inside the top 10, highlighted by the No. 1 class in 2015, the No. 4 class in 2017, the No. 6 class in 2016 and the No. 8 class in 2014. Even more impressive, of the 15 McDonald's All-Americans in Louisville's history, 13 were recruited by Purcell.

Before arriving in Louisville for the 2013-14 season, Purcell spent six seasons at Georgia Tech, serving as the team's video coordinator from 2007-09 before transitioning to an assistant coach role. While at Georgia Tech, Purcell helped guide several student-athletes to postseason honors, including Alex Montgomery and Tyaunna Marshall.

Under the leadership of Purcell, Montgomery was named the ACC Sixth Player of the Year, earned a spot on the All-ACC First Team and the All-ACC Defensive Team and was the No. 10 pick in the 2011 WNBA Draft. Purcell helped Marshall develop into a WBCA All-American honorable mention. She was also chosen to the All-ACC First Team, All-ACC Defensive Team, and the All-Freshman Team. Marshall was also picked to the Third Team Freshman All-America team by the Full Court Press.

Purcell spent two seasons at Tulsa (2005-07), where he played a significant role in the development of forward Jillian Robbins. Under Purcell's guidance, Robbins grew into one of the top post players in the country. She earned All-America honorable mention honors and was named both the C-USA Player of the Year and the C-USA Defensive Player of the Year.

Although Purcell comes to Starkville with numerous coaching accolades to his name, being part of the community and giving back is something that he treats with just as much passion as he does coaching. Purcell has volunteered in his community throughout his career and has spoken at multiple events, including appearances with the Fellowship of Christian Athletes and multiple fundraising events. He also enjoys sharing his experiences and lessons he has learned throughout his coaching journey with young coaches at the WBCA Roundtable at the Final Four. He was elected to serve on the 2019-20 WBCA Assistant Coaches Committee and participated in Next Chair, a professional gathering of the country's top assistant coaches and administrators.

MURRIEL PAGE

ASSISTANT COACH

Hometown: Bay Springs, Miss. | Alma Mater: Florida, 1998
Hired April 8, 2022

Murriel Page joined the staff of head coach Sam Purcell in April of 2022 as an assistant coach. Page came to Starkville with over a decade of coaching experience following an impressive 11 year WNBA career.

Page came to Starkville following a two-year stint with one of Purcell's mentors and current Georgia Tech head coach, Nell Fortner. While with the Yellow Jackets, Page helped guide Georgia Tech to a pair of NCAA Tournaments, including a Sweet 16 appearance in 2021. Working closely with the post players, which she will also do at Mississippi State, Page helped guide forward Lorela Cubaj to back-to-back ACC Defensive Player of the Year honors, WBCA All-America honorable mention honors and All-ACC First Team honors.

"Murriel is Mississippi born and raised and the absolute perfect final piece to my coaching staff here at Mississippi State," Purcell said. "Being able to hire a coach that has played in the WNBA, was an All-American in the SEC, and has won at every stage of her career is invaluable for myself and our student-athletes. As a head coach, I want all my players to reach their dreams and play at the next level, and what better way to help them achieve those dreams than to give them the opportunity to learn from someone who has already done it? Murriel comes to Starkville and immediately makes our team better, and I am just so excited about this staff and this upcoming season!"

Page, a native of Bay Springs, Mississippi, spent 11 seasons in the WNBA playing for the Washington Mystics and the Los Angeles Sparks. She was the first player drafted in Mystics history when they took her third overall in the 1998 WNBA Draft. Page put together a remarkable career culminating in her being inducted into the Washington Mystics Hall of Fame in May as part of its inaugural hall of fame class.

"I'm grateful and excited to join Coach Purcell and the great staff that he's assembled at Mississippi State, "Page said. "I'm looking forward to returning to my home state of Mississippi and the SEC to represent the Bulldogs. I can't wait to start working with the team and continue to motivate and mentor our young women. It is an honor to be a part of a program that is rich in tradition and excellence. Hail State!"

Page brings over a decade of coaching experience after entering the coaching ranks in 2010 when she became an assistant coach at the University of Florida. While coaching at her alma mater, Page helped the Gators to three NCAA Tournament appearances (2012, 2014, 2016), five 20+ win seasons and 130 total wins. While in Gainesville, she also helped Gator student-athletes earn eight All-SEC honors, including three First Team All-SEC honorees highlighted by a pair of WNBA draft picks in Jennifer George and Ronni Williams.

Page spent three seasons at Central Michigan as an assistant coach, following her seven seasons in Gainesville. While working with the Chippewas, Page helped lead SMU to a 78-20 overall record, two NCAA Tournaments, including a run to the Sweet 16 in 2018 and four MAC Championships. Primarily working with the posts, Page helped tutor three different players to become MAC Player of the Year winners, Tinara Moore, Reyna Frost and Micaela Kelly. Both Moore and Frost earned All-America accolades and became the MAC leaders in career rebounds.

Page was a standout player in the SEC and at the University of Florida, where she was a two-time All-SEC First Team honoree in 1997 and 1998, with multiple All-America honors in both seasons. Her 1998 senior season was one to remember as Page was a finalist for the AP National Player of the Year award, the Wade Trophy, and the Naismith Player of the Year award. She ended her Gator career as the second-leading scorer in program history with 1,915 career points and has the second-most rebounds in program history with 1,251 boards. She is the only Gator to record over 1,800 career points and at least 1,200 career rebounds.

Corry Irvin joined the staff of head coach Sam Purcell in April of 2022 as an assistant coach. Irvin came to Starkville with deep recruiting ties in the Midwest and over 20 years of coaching experience.

"In order to be successful, you have to hire good people who work hard and have great relationships with others, and that is exactly who Corry Irvin is," head coach Sam Purcell said. "I got the opportunity to meet Corry nearly 15 years ago when she dominated the high school ranks in Chicago as head coach at Whitney Young [High School], and the two of us have stayed in contact ever since. GABE LAZO

1ST YEAR

ASSISTANT COACH

Hometown: Miami, Fla. | Alma Mater: Barry University, 2008
Hired March 25, 2022

Gabe Lazo joined the staff of head coach Sam Purcell in March of 2022 as an assistant coach. Lazo brings with him a wealth of coaching experience at every level of basketball.

Lazo, a native of Miami, Fla., joined Coach Purcell's staff after spending three seasons with Coach Caroline McCombs at George Washington University and Stony Brook University. In his lone season with the Colonials, Lazo helped lay the foundation for a program turnaround as GW saw a four-win improvement from the 2020-21 season to the 2021-22 season.

"Gabe Lazo is a great addition to my staff here at Mississippi State and the community of Starkville," Coach Purcell said. "As I finish up helping guide Louisville to the Final Four, it's important that I have the right people in place in Starkville so that we can get to work recruiting the best talent in the country, and Coach Lazo fits that mold perfectly. Gabe brings an unbelievable work ethic and great energy to my staff. He has developed players at every level of basketball and has built key relationships with people all around the world. Those relationships that he has built at the AAU and high school levels and those at the college level will allow us to recruit the best student-athletes to Mississippi State."

Lazo was on staff for two of the most successful seasons in Stony Brook history. He helped lead the Seawolves to an America East Regular Season Championship in 2020 and a conference tournament championship and NCAA Tournament appearance in 2021, the first in program history. Lazo and the Seawolves were in great possession to make the NCAA Tournament in 2020 with a 28-3 record before covid ended the season.

He assisted in developing five all-conference selections in 2020, including First Team All-American East performer India Pagan. Lazo and the Stoney Brook staff continued to develop their roster in 2021, helping guide McKenzie Bushee to Sixth Player of the Year honors and four additional All-America East honorees.

"I am extremely excited and grateful for the opportunity to join Coach Purcell and be a part of the Mississippi State family," Coach Lazo said. "Mississippi State is a special place with the expectation to compete at a high level and win championships in the best conference in the country. I can't wait to get to Starkville and get to work. I have heard nothing but amazing things about the community and their love for women's basketball and that's something I am really looking forward to being a part of. My commitment to the program, the student-athletes and the community will be felt in everything that I do. I pride myself on building the best relationships and getting the best out of our players. Hail State!"

Prior to his time in New York, Lazo was an assistant coach at Florida International University for two seasons. In his first season with the Panthers in 2017-18, he helped guide FIU to its best record in three seasons, and the most C-USA wins since the school had entered the conference. Before entering the college ranks, Lazo was the head varsity girls coach at John A. Ferguson High School in Miami. The three-time Miami Herald Dade County Coach of the Year led the Falcons to two-straight Florida State Runner-up finishes and a No. 2 overall Florida state ranking in Class 8A.

Lazo also coached for the Miami Suns of the Nike Girls Elite Youth Basketball League during the summers. His 2014 team earned a top-10 national ranking and was invited to the Nike Nationals Tournament.

Lazo played collegiately at FIU (2004-06) and Barry University (2006-08), earning his bachelor's degree in Education from Barry University. He played professionally with the Cariduros de Fajardo BSN in Puerto Rico.

JOI WILLIAMS

1ST YEAR

ASSISTANT A.D. / WBK

Hometown: Jacksonville, Fla. | Alma Mater: South Florida, 1988
Hired April 5, 2022

Joi Williams joined the staff of head coach Sam Purcell in April 2022 as the Assistant Athletic Director for Women's Basketball. Williams has over 20 years of head coaching experience to her name, including 13 as a Division I head coach.

"Joi Williams is a huge addition to my staff," head coach Sam Purcell said. "Joi checks every box that I am looking for when it comes to putting together the best staff in the country. She has experience as a head coach at the highest level and has spent time in the WNBA and with USA Basketball. She is a big addition to our program and someone that will be in the office daily in a non-coaching role. For our student-athletes, she will be a major resource because of the experience she brings, but most importantly, Joi is a winner, she is a great person, and she will positively impact our program every day."

Williams, a native of Jacksonville, Fla., came to Starkville after spending the previous four seasons as the Director of Quality Control at Clemson. Williams has over 20 years of overall coaching experience, including 13 years as a Division I head coach while also spending time in the WNBA with the San Antonio Stars, now the Las Vegas Aces.

"I am very excited and grateful to join Sam Purcell's staff," Williams said. "Mississippi State is a recognizable and respected brand across the country, especially in women's basketball. I am really looking forward to returning to the Southeastern Conference and I can't wait to get to work and continue building that brand and help Mississippi State reach new heights.

Prior to her stint in the WNBA, Williams spent nine seasons as the head coach at the University of Central Florida, where she finished as the winningest head coach in program history with 114 wins. She guided the Knights to a pair of conference championships and two NCAA Tournament appearances.

Williams also has experience with USA Basketball, where she served a four-year term with the USA Junior National Team Committee. While working with USA Basketball, Williams assisted in selecting coaches and athletes for USA Basketball's college-aged competitions. She served as an assistant coach in the summer of 2010 for the U-18 USA National Team that won the gold medal at the FIBA Americas U-18 Championship. In 2011 she coached the U-19 USA squad at the World Championships in Chile, earning a second-consecutive gold medal when the US defeated Spain.

Before Williams took the head job at UCF, she was the head coach at Murray State from 2003-07. While leading the Racers, Williams was tasked with rebuilding the program, and she did just that. In her fourth season at Murray State, Williams led her team to a 21-10 overall record and a second-place finish in the Ohio Valley Conference.

That season, Williams took Murry State to the WNIT, which was just the second postseason appearance in program history. That year her Racers led the nation in free throw percentage, field goal percentage and scoring offense.

Before serving as the recruiting coordinator at Clemson during the 2002-03 season, Williams was an assistant coach at the University of Florida for 12 seasons from 1990 through 2002. During her tenure with the Gators, Florida participated in nine NCAA Tournaments and tallied a 247-121 overall record. Williams recruited five All-American selections and nine WNBA Draft picks, including DeLisha Milton-Jones, the 1997 SEC Player of the Year, and a 2000 and 2008 Olympic Gold Medalist.

Williams played college basketball at the University of South Florida from 1984-88, where she was a four-year starter and still ranks among the USF career leaders in assists. She earned her bachelor's degree in Marketing in 1988.

HUMPHREY COLISEUM

WELCOME TO THE HUMP...

Humphrey Coliseum, the largest on-campus basketball arena in the state of Mississippi, will be the home of Bulldog Basketball for the 46th season in 2020-21.

Named in honor of George Duke Humphrey, a former Mississippi State president (1934-45), the Coliseum not only serves as the home of the Bulldogs' men's and women's basketball teams, but also hosts concerts and other events as well as some administrative and Olympic sport offices.

Opened in 1975, Humphrey Coliseum, which was originally constructed from 450,000 red Mississippi-made bricks, stands the equivalent of a seven-story building (84 feet) and is 318 feet long and 268 feet wide.

Since it first hosted basketball action in 1975, Humphrey Coliseum has undergone many modifications during recent years to rank as one of the finest multi-purpose facilities in the Southeastern Conference.

HUMP RENOVATION PLANS ANNOUNCED

In October 2018, renovation plans for Humphrey Coliseum were announced. The plans call for new premium seating options and an expanded, modernized concourse that features new dining options and a team store.

THE NEW-LOOK FLOOR

The most recent addition to the Hump came in the summer of 2017 with the installation of a new permanent floor. The new floor cost $132,000 and replaced the old mobile floor that served Humphrey Coliseum for 15 years. The new court is a Connor VIP II, maple floor and was installed by Sports Floors Inc. out of Memphis.

OTHER NEW ADDITIONS

The new permanent court followed the addition of a new scoreboard in July 2015. Mississippi State partnered with Daktronics, Inc., to provide an integrated LED high-definition center-hung video display system that includes four main video displays and two ring displays suspended above the court to keep fans informed and entertained throughout every event.

The new scoreboard replaced the one that was added in 2004 thanks to the Henry Mize Foundation, and it was unveiled one year after the men's and women's basketball teams greatly upgraded their locker rooms. The upgrades to the Richard C. Adkerson men's locker room and Nusz Family women's locker room were complete with full kitchens, state-of-the-art lockers with media enhancements, video rooms and team rooms.

In addition to rotating corporate sponsorship signage at the scorer's table between the benches, the Coliseum has also added new banners honoring the men's and women's SEC championships and postseason tournament appearances, as well as banners acknowledging the achievements of Bailey Howell, Babe McCarthy and the former legendary voice of the Bulldogs, Jack Cristil.

Prior to the start of the men's basketball team's anticipated 1995-96 Final Four campaign, the capacity of State's home basketball arena was increased to 10,000 with the addition of permanent seats around the Coliseum's inner concourse. During the summer of 1996, the Coliseum underwent major renovations to accommodate the MSU athletic department's growing need for additional locker room availability.

WOMEN'S HOOPS ALSO SETS HUMP RECORDS

The MSU women ushered in their Humphrey Coliseum era in December 1975, against Jackson State. Since that point, the Bulldogs have been hard to defeat at "The Hump," compiling over 400 wins since the building opened. Included in that total was a remarkable 18-0 home record in 2017-18, marking the first time an MSU men's or women's squad was undefeated at "The Hump" in a season.

In November of 2022, Mississippi State will retire the jersey of Bulldog legend, LaToya Thomas. Thomas was a 4x All-American at MSU, No. 1 overall pick in the 2003 WNBA Draft and the first player athlete in the state of Mississippi to be taken first overall in a professional draft. She was also the first player in SEC history to lead the league in scoring all four years of her career.

Prior to the start of the men's basketball team's anticipated 1995-96 Final Four campaign, the capacity of State's home basketball arena was increased to 10,000 with the addition of permanent seats around the Coliseum's inner concourse. Included in that total was a remarkable 18-0 home record in 2017-18, marking the first time an MSU men's or women's squad was undefeated at "The Hump" in a season.

The campaign, which culminated in the program's first SEC regular-season championship and a second-straight Final Four appearance, saw the Bulldogs claim seven of the Top 10 single-game attendance marks, including a crowd of 10,794 for the Feb. 5, 2018, win against South Carolina that ranks as the largest men's or women's basketball crowd in Coliseum history.

The 2018-19 women's basketball season also saw a record turnout in the stands, with 143,378 fans attending the 17 home games, which ranked fourth in the country. Including the 2019-20 campaign, State has ranked inside the top 15 in national attendance during each of the last five seasons and eclipsed 100,000 fans for the third year in a row.

The largest women's basketball crowds in the state of Mississippi have all come in "The Hump," with the Bulldogs drawing 10,000-plus eight times since 2019. One of those 10K marks came against Nicholls State (10,211) in the opening round of the NCAA Tournament. Each year MSU hosts the first & second rounds of the NCAA Tournament, Starkville has been one of the highest-attended sites, including the only one in 2017-18 to sell out in advance.

In addition to numerous sporting events, the Coliseum has also attracted nationally-recognized musical acts including the likes of Bon Jovi, Tina Turner, Garth Brooks, Bruce Springsteen, Billy Joel, George Strait, Bob Dylan, Reba McEntire, Vince Gill, Jimmy Buffett and James Taylor.

LATOYA THOMAS NO. 32 JERSEY COMMEMORATION

NOV. 11, 2022 VS NORTH ALABAMA

By: Kelly Shipp
MSU Athletic Communications

STARKVILLE – LaToya Thomas is one of the most remarkable women's basketball players in Mississippi State history and one of the greatest athletes this university has ever seen. Thomas' name will always be synonymous with greatness in Starkville, and from here on out, her name and number will forever hang in the rafters of Humphrey Coliseum.

On Nov. 11, 2022, Mississippi State will honor Thomas by commemorating her No. 32 jersey inside Humphrey Coliseum as she becomes the first female in Mississippi State history to have this honor bestowed upon her. Thomas joins a highly exclusive club with Bailey Howell, James "Babe" McCarthy and Jack Cristil as the only Bulldogs to have their names honored forever in Humphrey Coliseum.

Thomas, a native of Greenville, Miss., put together one of the most impressive careers at Mississippi State that culminated in her being drafted No. 1 overall in the 2003 WNBA Draft by the Cleveland Rockers. With her No. 1 overall selection, Thomas became the first athlete from the state of Mississippi, male or female, to be drafted No. 1 overall to a professional league.

On her way to being drafted first overall, Thomas became the greatest women's basketball player to wear the Maroon and White. She set numerous records, earned multiple awards, and helped put Mississippi State women's basketball on the map.

Although Thomas graduated in 2003, she is still the record holder for the most career points scored in Mississippi State basketball history, men or women, with 2,981. She averaged 23.8 points per game in her career and scored more than 750 points in each of her final three seasons at State, including a program record 794 points during her senior campaign.

Almost two decades later, Thomas' impressive offensive showing still has her ranked among the NCAA greats. Her 2,981 career points are ranked 14th on the all-time NCAA list, while her 23.8 career scoring average is ranked 16th. Both career totals rank second in SEC history. She became the eighth player in NCAA Division I history to score over 2,000 career points and record over 1,000 career rebounds.

While becoming the program's most prolific scorer, Thomas was recognized nationally with numerous awards and honors. Thomas was a four-time Kodak All-American, becoming just the sixth player in the award's history to earn that distinction. Thomas was also named to the AP All-America Team three times in her career. Additional All-America honors that Thomas earned were: Basketball Time (2002), USBWA (2002 and 2003), Women's Basketball Journal (2000 and 2001), Gballmag.com (2001 and 2002), and WomensCollegeHoops.com (2001, 2002, and 2003).

Thomas was a three-time Naismith National Player of the Year Finalist and a two-time ESPN The Magazine Power Forward of the Year winner (2001 and 2002). Following her freshman season, Thomas was named the ESPN.com Rookie of the Year and the Women's Basketball Journal Freshman of the Year. She earned one of the most prestigious awards a senior can win when she was named the 2003 Lowe's Senior CLASS Player of the Year. She was the second-ever student-athlete to win the award and the first SEC player to earn the honor. To this day, Thomas is one of only three women's basketball SEC student-athletes named the Senior CLASS Player of the Year.

On the conference level, Thomas earned back-to-back SEC Player of the Year honors in 2002 and 2003 and was a four-time selection on both the All-SEC First Team and the Associated Press All-SEC Team. As a freshman in 2000, Thomas was named the SEC Newcomer of the Year, SEC Freshman of the Year and helped her head coach, Sharon Fanning-Otis, earn the program's first SEC Coach of the Year honor. She made two SEC All-Tournament Teams and was named the tournament's MVP in 2000. The seven-time SEC Player of the Week was the first SEC women's basketball player to lead the league in scoring for four straight years. She was inducted into the Mississippi State Hall of Fame in 2015.

Following one of the most extraordinary collegiate basketball careers to date, Thomas was selected with the No. 1 overall pick in the 2003 WNBA Draft by the Cleveland Rockers. During her rookie season, Thomas became the club's single-season rookie leader in rebounds with 164 and ranked second in scoring with 346 points. In three playoff games against the eventual WNBA Champion Detroit Shock, Thomas averaged 13.7 points and 7.7 rebounds in the three-game series.

Thomas' WNBA career spanned six seasons and 150 career games. She averaged 9.3 points and 3.6 rebounds per game in her career while playing for some of the biggest franchises, including the LA Sparks and Minnesota Lynx.

On Friday, Nov. 11, Mississippi State Athletics asks all in the Starkville and surrounding communities to join the program as it makes history and honor one of the University's best in LaToya Thomas, and commemorates her No. 32 jersey with a banner ceremony at halftime of the game against North Alabama. Tip-off for the Friday contest will be at 5:30 p.m.

WELCOME TO MISSISSIPPI STATE

THE UNIVERSITY

Mississippi State is a comprehensive doctoral-degree-granting institution offering a diverse student body a wide range of opportunities and challenges for learning and growth.

The largest university in the Magnolia State, MSU has a statewide enrollment of more than 22,000 students and is accredited by the Southern Association of Colleges and Schools Commission on Calleges to award baccalaureate, masters, specialists and doctorate degrees.

Established in 1878 as the Agricultural and Mechanical College of Mississippi, the university has traditional strengths in engineering and scientific agriculture but has evolved into a comprehensive institution with a diverse array of programs in teaching, research and service.

The University began as The Agricultural and Mechanical College of the State of Mississippi, one of the national Land-Grant Colleges established after Congress had passed the Morrill Act in 1862. It was created by the Mississippi Legislature on February 28, 1878, to fulfill the mission of offering training in "agriculture, horticulture and the mechanical arts . . . without excluding other scientific and classical studies, including military tactics."

The College received its first students in the fall of 1880 in the presidency of Confederate General Stephen D. Lee. In 1887 Congress passed the Hatch Act, which provided for the establishment of the Agricultural Experiment Station in 1888. Two other pieces of federal legislation provided funds for extending the mission of the College: in 1914, the Smith-Lever Act called for "instruction in practical agriculture and home economics to persons not attendant or resident," thus creating the state-wide effort which led to Extension offices in every county in the State; and, in 1917, the Smith-Hughes Act provided for the training of teachers in vocational education.

By 1932, when the Legislature renamed the College as Mississippi State College, it consisted of the Agricultural Experiment Station (1887), the College of Engineering (1902), the College of Agriculture (1903), the School of Industrial Pedagogy (1909), the School of General Science (1911), the College of Business and Industry (1915), the Mississippi Agricultural Extension Service (1915), and the Division of Continuing Education, (1919). Further, in 1926 the College had received its first accreditation by the Southern Association of Colleges and Schools.

By 1958, when the Legislature again renamed the College, as Mississippi State University, the Office of Graduate Studies had been organized (1936), doctoral degree programs had begun (1951), the School of Forest Resources had been established (1954), and the College of Arts and Sciences had been created (1956).

The College of Architecture admitted its first students in 1973. The College of Veterinary Medicine admitted its first class in 1977, and the School of Accountancy was established in 1979.

POINTS OF PRIDE AT MSU

- The National Science Foundation ranks Mississippi State among the nation's Top 100 research institutions and the Magnolia State's leading research university.

- MSU is among only 2.7% of universities in the U.S. that hold the Carnegie Foundation R1-Very High Research Activity designation.
- Solutions to world hunger and poverty are within reach at Mississippi State, where globally diversified teams are combining forces with the Food and Agriculture Organization of the United Nations to eliminate starvation in developing countries.
- One in three of today's on-air broadcast meteorologists in the U.S. is a graduate of MSU's nationally recognized meteorology program.
- Mississippi State is recognized as a top 10 Military Friendly School by VIQTORY, a reflection of MSU's commitment to supporting America's service members and their families.
- Recognized nationally for its leadership in cybersecurity, MSU is one of only a few schools in the U.S. to hold all three of the National Security Agency's centers of academic excellence credentials: CAE Cyber Defense, CAE Cyber Research, and CAE Cyber Operations. Additionally, MSU leads the NSA-sponsored national CAE Cyber Operations Community of Practice.

ACADEMICS AND STUDENT LIFE

Mississippi State students consistently earn honors such as the prestigious Harry S. Truman Scholarship, awarded for those who will enter public service, and, with 19 Truman Scholars to date, the university has been recognized as one of 38 Truman Honor Institution.

Recently initiated programs are providing opportunities to develop leadership potential and global study options.

The University's Global Leadership Continuum provides "cradle-to-CEO" programming designed to develop leadership across a "global" spectrum that begins with high school and continues through the university experience and into professional life. Included are the Young Guns Leadership Camp for rising high school seniors; the Day One Leadership Community for incoming freshmen, focusing on shared academic and service experiences; and the highly competitive Appalachian Leadership Honors Program for sophomores and juniors.

To complement these efforts, the university has launched a minor in leadership studies open to students in all majors. A university honor code adopted in 2007 institutionalizes a campus culture of integrity and personal responsibility in academic studies. Through the Global Leadership Program, students may experience significantly expanded study abroad opportunities.

THE MASCOT

Mississippi State University's athletic teams are called Bulldogs, a name earned and maintained over the decades by the tough, tenacious play of student-athletes wearing the Maroon and White. The official school mascot is an American Kennel Club registered English Bulldog, given the inherited title of 'Bully.'

As with most universities, Mississippi State University teams answered to different nicknames through the years. The first squads representing Mississippi A&M College were proud to be called Aggies. When the school officially became Mississippi State College in 1932, the nickname Maroons, for MSU's uniform color, gained prominence. Bulldogs became the official title for State teams in 1961, not long after State College was granted university status.

Yet references to school teams and athletes as Bulldogs actually go back to early in the century, and this nickname was used almost interchangeably with both Aggies and Maroons, since at least 1905.

On November 30 of that year, the A&M football team shut out their arch-rivals from the University of Mississippi 11-0 in Jackson, Miss. The campus newspaper, The Reflector, reported: "After the game, filled with that emotion that accompanies every great victory, there was nothing left for the cadets to do but to complete the great victory by showing sympathy for the dead athletic spirit of the University, by having a military funeral parade.

"A coffin was secured, decorated with University colors and a bulldog pup placed on top. It was then placed on the shoulders of a dozen cadets, and the procession started down Capitol Street, preceded by the brass band playing a very pathetic funeral march."

Other newspaper reports of the victory commented on the 'bulldog' style of play by the A&M eleven, and the Bulldog was soon publicly accepted as a school athletic symbol. Accounts of a 1926 pep rally in Meridian, Miss., had another bulldog parading with students.

OFFICIAL MASCOT IN 1935

Use as an official game mascot began in 1935 when coach Major Ralph Sasse, on 'orders' from his team, went to Memphis, Tenn., to select a bulldog. Ptolemy, a gift of the Edgar Webster family, was chosen and the Bulldogs promptly defeated Alabama 20-7.

A litter-mate of Ptolemy became the first mascot called 'Bully' shortly after Sasse's team beat mighty Army 13-7 at West Point that same year - perhaps the greatest victory in MSU football history. But Bully I earned other fame the hard way, in 1939 when a campus bus cut short his career.

Days of campus mourning followed, as Bully lay in state in a glass coffin. A half-mile funeral procession accompanied by the Famous Maroon Band and three ROTC battalions went to Scott Field where Bully was buried under the bench at the 50-yard line. Even Life magazine covered the event. Other Bullys have since been buried by campus dorms, fraternity houses, and also at the football stadium.

For years Bully was a target for kidnappers, the last incident occurring prior to the 1974 State-Ole Miss game. The Bulldog team won anyway, 31-13. While early Bullys once roamed campus freely or lived in fraternities, today the official university mascot is housed at the School of Veterinary Medicine when not on duty at State home football games. For all their fierce appearance and reputation, today's mascot bulldogs are good-natured, friendly animals and favorites with children.

A student wearing a Bulldog suit, also answering to Bully, is part of the MSU cheerleading team and assists in stirring up State spirit at games and pep rallies.

THE COWBELL

The most unique and certainly the most resounding symbol of Mississippi State University tradition is the cowbell. Despite decades of attempts by opponents and authorities to banish it from scenes of competition, diehard State fans still celebrate Bulldog victories loudly and proudly with the distinctive sound of ringing cowbells.

The precise origin of the cowbell as a fixture of Mississippi State sports tradition remains unclear to this day. The best records have cowbells gradually introduced to the MSU sports scene in the late 1930s and early 1940s, coinciding with the 'golden age' of Mississippi State football success prior to World War II.

The most popular legend is that during a home football game between State and archrival Ole Miss, a jersey cow wandered onto the playing field. Mississippi State soundly whipped the Rebels that Saturday, and State College students immediately adopted the cow as a good luck charm.

Students are said to have continued bringing a cow to football games for a while, until the practice was eventually discontinued in favor of bringing just the cow's bell.

Whatever the origin, it is certain by the 1950s cowbells were common at MSU games, and by the 1960s were established as the special symbol of MSU. Ironically, the cowbell's popularity grew most rapidly during the long years when State football teams were rarely successful. Flaunting this anachronism from the 'aggie' days was a proud response by students and alumni to outsider scorn of the university's 'cow college' history.

In the 1960s two MSU professors, Earl W. Terrell and Ralph L. Reeves, obliged some students by welding handles on the bells so they could be rung with more convenience and authority. By 1963 the demand for these long-handled cowbells could not be filled by home workshops alone. So, at the suggestion of Reeves, the Student Association bought bells in bulk and the Industrial Education Club agreed to weld on handles. In 1964, the MSU Bookstore began marketing these cowbells with a portion of profits returning to these student organizations.

Today many styles of cowbells are available on campus and around Starkville, with the top-of-the-line being a heavy chrome-plated model with a full Bulldog figurine handle. But experts insist the best and loudest results are produced by a classic long-handled, bicycle-grip bell made of thinner and tightly-welded shells.

Cowbells decorate offices and homes of Mississippi State alumni, and are passed down through generations of Bulldog fans. But they were not heard at Southeastern Conference games - not legally, at least - since the 1974 adoption of a conference rule against 'artificial noisemakers' at football and basketball games. On a 9-1 vote, SEC schools ruled cowbells a disruption and banned them. The ban was lifted prior to the 2010 season.

The ban did little harm to the cowbell's popularity, or to prevent cowbells from being heard outside stadiums in which the Bulldogs are playing. They are now heard at non-conference football contests, as well as other sporting events on campus.

MAROON & WHITE

Maroon and White are the distinctive colors of Mississippi State University athletic teams, dating back over a century to the very first football game ever played by the school's student-athletes.

On November 15, 1895, the first Mississippi A&M football team was preparing for a road trip to Jackson, Tenn., to play Southern Baptist University (now called Union University) the following day. Since every college was supposed to have its own uniform colors, the A&M student body requested that the school's team select a suitable combination.

Considering this choice to be an honor, the inaugural State team gave the privilege to team captain W.M. Matthews. Accounts report that without hesitation Matthews chose Maroon and White.

In the 112 years since, every Mississippi State athlete has donned the Maroon and White in some sort of combination. Often a shade of gray has been added to the scheme, such as for the numerals. Briefly in the 1980s, the men's and women's basketball teams wore all-gray uniforms with maroon and white trim, while football has at times sported silver game pants, and baseball will often wear all gray road outfits.

Only once has an MSU team appeared in any other color combination. In 1938, football coach Spike Nelson secretly had cardinal and gold uniforms made for State, a selection that did not sit well with the team or the college at the first game. Neither the uniforms nor Nelson were back for the next season.

Dr. Mark Keenum

UNIVERSITY PRESIDENT

Dr. Mark Everett Keenum became Mississippi State's 19th president January 5, 2009, following a distinguished public service career.

During his tenure, Dr. Keenum has guided Mississippi State to unprecedented heights with an unwavering focus on students — preparing them for success in a rapidly changing world and instilling in them the timeless values of integrity, hard work, and respect. The university has experienced record enrollment growth — reaching a new all-time high in Fall 2021 with 23,086 students. The university is ranked as Mississippi's Best Value College with graduates earning the highest average starting salary in the state, as well as mid-career salary. The Chronicle of Higher Education has designated Mississippi State as a "Great College To Work For" for the past six years after receiving top ratings from employees on workforce practices and policies. The Phi Beta Kappa Society, the nation's oldest and most prestigious academic honor society, granted Mississippi State a chapter in 2018 after a rigorous, multi-year review. Only 10 percent of U.S. colleges and universities shelter Phi Beta Kappa chapters.

The campus has expanded and improved on Dr. Keenum's watch. Mississippi State has completed or initiated capital improvements of $1.1 billion since 2009. Chief among these projects has been the $68 million expansion of Dudy Noble Field/Polk-DeMent Stadium, home to one of the most storied college baseball programs in America and the 2021 NCAA National Champions. The Dudy Noble Field project also included construction of the new Left Field Lofts, all of which opened in February 2019. The Mill at MSU — a $40 million, state-of-the-art conference and meeting complex — has sparked a revitalization of a main community-campus connector roadway. The Old Main Academic Center, a $41 million classroom building and multi-level parking garage, opened in August 2017. A $10 million expansion of Mitchell Memorial Library to house the Ulysses S. Grant Presidential Library and the Frank and Virginia Williams Collection of Lincolniana celebrated its official opening in 2017. A $60 million project featuring two residence halls and Nusz Hall, which houses the G.V. "Sonny" Montgomery Center for America's Veterans, opened in 2016. In August 2019, the university and its partner, Greystar (formerly EdR Collegiate Housing), celebrated the grand opening of the innovative $67 million College View development. The first-of-its-kind project for any Mississippi university combines student housing with a mix of retail, commercial, and restaurant space. A $16.5 million Animal & Dairy Sciences Building opened in Fall 2019, and a $12.5 million Poultry Science Building opened in Fall 2020. The $34 million Rula Engineering and Science Complex on the university's famed "Engineering Row" opened in Summer 2021. Construction of a $21 million Music Building is also underway. The university is in the planning phase for a $30 million advanced supercomputing data center that will be built in the Thad Cochran Research, Technology and Economic Development Park. Planning and design of a $55 million building for Kinesiology and the Center for Student Support and Autism Services and a $30 million expansion for the College of Architecture, Art and Design's facilities are also underway. A transformational renovation of Humphrey Coliseum is scheduled to begin in Spring 2022. Additionally, the university is working with Sasaki, a leading interdisciplinary architecture, planning, landscape, and design firm, to update the campus master plan to address future growth and development.

Fundraising has reached all-time record levels in recent years. Since July 2010, the university has raised more than $1 billion in private support, and Infinite Impact – The Campaign for Mississippi State University achieved its historic goal well ahead of schedule in June 2020. The monumental support of 72,747 generous contributors enabled the university to reach this historic peak of philanthropy and exceed a $1 billion milestone previously never achieved by an educational institution in the state of Mississippi. Priority goals for Infinite Impact secured $247.4 million in scholarship support, including 75 percent growth in new endowed scholarships. Throughout his tenure, Dr. Keenum has been instrumental in expanding the MSU Promise Program, which provides need-based scholarship assistance to Mississippi students whose families have limited financial means. The number of endowed faculty chairs and professorships has also grown significantly.

Dr. Keenum has served as president of the Southeastern Conference. During his two-year term, he led the SEC Executive Committee, and he continues to serve on the SEC's Content Committee that oversees programming of the highly successful ESPN-SEC Network. In 2018, he was named chairman of the College Football Playoff's (CFP) Board of Managers. The CFP determines the national champion of the NCAA Division I Football Bowl Subdivision.

In 2018, he was elected to serve a six-year term on the Board of Trustees of the Mississippi Department of Archives and History, which is the second-oldest state department of archives and history in the country. A comprehensive historical agency founded in 1902, MDAH collects, preserves, and provides access to the archival resources of the state; administers museums and historic sites, including the new Museum of Mississippi History and the Mississippi Civil Rights Museum; and oversees statewide programs for historic preservation, government records management, and publications.

Dr. Keenum travels frequently to Washington, D.C., meeting with Congressional leaders and federal agency heads to pursue research opportunities and broaden the university's influence on the national level. He has also worked closely with state leaders in Jackson in support of higher education in Mississippi.

A Carnegie Foundation R1-Very High Research Activity Doctoral University, Mississippi State plays an integral role in economic development locally, statewide, and across the region. Its impact is further felt nationally and internationally through unique collaborative partnerships with peer institutions, business and industry, government agencies, and leading non-governmental organizations. Dr. Keenum leads these efforts because he understands the positive impact the nation's major research universities can have in the diverse communities they serve. Mississippi State is ranked by the National Science Foundation as a "Top 100" research institution, and its annual research and development expenditures have exceeded $280 million. MSU R&D expenditures consistently account for more than half of all expenditures in the state. This research activity is playing an ever-increasing role in Mississippi's overall economic development efforts.

In a recent economic impact analysis, EMSI — the highly-respected international economic modeling firm — determined that the university's nearly $2 billion annual economic impact supports more than 29,000 jobs or one out of 55 jobs in the state of Mississippi. Additionally, EMSI found that for every one dollar of public funding invested in MSU, the university returns it, plus another $1.30, for a 130 percent return on the state's investment.

A graduate of Mississippi State University with degrees in agricultural economics, Dr. Keenum's interest in international food security has strengthened the university's contributions to global economic sustainability. In 2014, he was appointed to the Board of Directors of the Foundation for Food and Agriculture Research, and now serves as chairman. That same year along with other university presidents, he signed the Presidents' Commitment to Food and Nutrition Security at the United Nations in New York City. This marked the first time universities around the world began to share a collective focus on ending food insecurity.

Dr. Keenum's passion for international engagement and transformative research and service has positioned Mississippi State as a leader in addressing global food security and poverty, among other critical issues. In 2014 and again in 2016, he was invited to speak at the United Nations in New York about the crucial roles public research universities play as the global community works to address critical challenges.

Dr. Keenum is immediate past chairman and former member of the Board for International Food and Agricultural Development (BIFAD). BIFAD was created in 1975 under Title XII (Famine Prevention and Freedom from Hunger) of the Foreign Assistance Act. Its mission is to draw on higher education's scientific knowledge and expertise in global food security and world hunger to advise U.S. international assistance efforts in order to feed the world's growing population that is projected to reach up to 10 billion people by the year 2050.

Dr. Keenum began his career at MSU as a faculty member with the Extension Service and the Department of Agricultural Economics. He went on to serve as chief of staff to U.S. Senator Thad Cochran in Washington, D.C. and was Under Secretary of the U.S. Department of Agriculture prior to returning home to Mississippi State.

A graduate of Corinth High School, Dr. Keenum earned an Associate in Arts degree from Northeast Mississippi Community College in Booneville and was a member of the Northeast Tigers football team. He is married to the former Rhonda Newman of Booneville, also an MSU graduate. They have four children: Rett, Mary Phillips, Katie and Torie.
