NEW FACILITIES

- Alabama Athletics formally proposed a Coleman Coliseum Basketball Training & Player Development Facility Expansion and Renovation over the summer
- The proposed project consists of a 48,000 square-foot expansion on the southeast corner of Coleman Coliseum while renovating approximately 19,000 square feet of existing team space.
- Phase II of The Crimson Standard Initiative, which includes a new competition arena for basketball and gymnastics is still in the works
- The Crimson Standard, unveiled in 2018, is Alabama Athletics' 10-year, \$600 million capital initiative created to comprehensively elevate the student-athlete experience, recruiting efforts and the overall game-day experience for all Crimson Tide fans. To date, over \$470 million has been raised for The Crimson Standard Initiative.
- The new arena is projected to seat over 10,000 and designed to bring fans closer to the action on the court. Arena features would include student seating around the majority of the lower bowl in addition to new premium options in club, loge, courtside and lower-level preferred seating.
- Coleman Coliseum will continue to serve as the day-to-day practice and preparation site for the programs and will also continue to house the multiple departments currently located within the building.
