# 2017 WBCA REGION COACH OF THE YEAR 2017 NAISMITH NATIONAL COACH OF THE YEAR FINALIST 2017 ESPY FOR BEST UPSET 2015 AP SEC COACH OF THE YEAR 2015 SEC COACHES' CO-COACH OF THE YEAR 2015 NAISMITH NATIONAL COACH OF THE YEAR SEMIFINALIST

Vic Schaefer has played an integral part of building championship programs during his coaching career, and he knew it could be done at Mississippi State when he was named the Bulldogs' head coach on March 13, 2012.

That plan evolved quickly for the Bulldogs' sixth-year coach, as in his first five seasons in Starkville he has taken MSU to heights never seen by the program. During that time, Mississippi State has set numerous school records on the court, in the stands and in the classroom; and it has been to the postseason four-straight years, including the NCAA Tournament each of the last three seasons and the program's first Final Four this past year.

Schaefer has led Mississippi State to 124 victories, second-most in program history, and a school-best .709 winning percentage in his first five seasons after the Bulldogs were 87-71 in the five years prior to his arrival.

Since his first recruiting class – Ketara Chapel, Dominique Dillingham, Chinwe Okorie and Breanna Richardson – arrived on campus for the 2013-14 campaign, the Bulldogs have registered a program-best four-straight 20-win seasons while recording a 111-33 ledger that is tops in school history, second-best in the SEC and 10th nationally in that period.

That class also won seven-straight games to finish their careers 7-1 against in-state rival Ole Miss in the women's basketball version of the Egg Bowl.

# RECORD-SETTING SEASONS

Each season that class has set numerous records for wins and postseason accomplishments, but it is their final campaign in 2016-17 that will forever hold a special place in college basketball history with its thrilling 66-64 overtime win against No. 1 UConn. That victory snapped the Huskies' record 111-game win streak and sent

the Bulldogs to the national championship game in their first Final Four appearance.

The UConn win garnered MSU the 2017 ESPY for Best Upset and Morgan William a Best Play nomination for her winning bucket, and it capped a record-setting season that saw Mississippi State set the program wins standard for the third-straight year with a 34-5

In addition to the 34 overall wins, which ranked second nationally that season, State also set the program record with 13 Southeastern Conference victories en route to claiming a school-best second-place league finish. After advancing to the SEC Tournament championship game for the second year in a row, the Bulldogs earned the right to host the first and second rounds of the NCAA Tournament for the second time in as many seasons as a school-record No. 2 seed.

After defeating Troy and DePaul to earn a second-consecutive trip to the Sweet 16, MSU advanced to the program's first Elite Eight with a victory against No. 11 Washington. State then became the first women's program in the state of Mississippi to advance to the Final Four when it defeated No. 5 Baylor 94-85 in overtime behind 41 points from William, the OKC Regional Most Outstanding Player.

That 2016-17 team was built to make a Final Four run despite not having a McDonald's All-American on the roster, and it showed it by claiming a school-best 12 road wins and starting the year with a record 20-game win streak that included the program's first-ever win at Tennessee and an overtime victory at lowa State that halted the Cyclones' 96-game win streak in regular-season, non-conference games at Hilton Coliseum.

The historic season, in which State finished No. 2 in the nation in the final USA Today Coaches Poll, saw Schaefer, a veteran coach of 33 seasons, named a WBCA Region Coach of the Year and a

finalist for the prestigious Naismith Coach of the Year. He also reached a couple of coaching milestones during the historic campaign, claiming his 100th win at Mississippi State in the Bulldogs' Dec. 13 win at Little Rock and his 200th-career victory in State's NCAA Tournament opening-round win against Troy.

The historic season came a year after MSU made a run to its first Sweet 16 since 2010. Schaefer guided the 2015-16 Bulldogs to 28 wins and a tie for second place in the SEC with a then school record-tying 11 league victories.

That campaign saw the Bulldogs claim their first two wins against Tennessee, including one in the SEC Tournament semifinals that punched MSU's ticket to its first championship game appearance since 2000. The 2015-16 squad hosted the NCAA Tournament first and second rounds for the first time, defeating Chattanooga and Michigan State land a spot in the Sweet 16.

In 2014-15, Schaefer was named SEC Coach of the Year by the Associated Press, Co-Coach of the Year by his league peers and a Naismith National Coach of the Year semifinalist after guiding his third MSU team to 27 wins, 11 SEC victories, a third-place league finish and the program's first NCAA Tournament appearance since 2010. The successful campaign put State into the national polls for the first time since 2010, where it has stayed since.

The Bulldogs opened the year winning 18-straight games. That run started with a thrilling journey to the Preseason WNIT title just eight months after a 22-win campaign by Schaefer's second MSU contingent ended in heartbreaking fashion in the WNIT quarterfinals.

Although that 2013-14 season had a tough end, it was a significant step forward in the blueprint that started in a 2012-13 campaign that saw State top the SEC in 3-point defense and blocked shots and cap the year with a thrilling 50-38 upset of No. 11 Georgia.

### FILLING UP THE RECORD BOOKS

The historic seasons have also accounted for Mississippi State filling up the record books, as the Bulldogs have set 26 season and single-game records in his five campaigns.

This past season saw State claim program records in total points (2,671) for the second time in his tenure. His team also claimed

"Mississippi State has a guy who is very loyal. He is going to work hard and recruit well, and he is going to have a very disciplined team. They are going to have a great defense. The biggest thing, though, is that they are going to graduate, and Vic is going to care about them as human beings. They are going to have good people playing basketball, the kind you would have home for dinner."

the total rebounds (1,482) and free-throw percentage (73.1 percent) records for the second-straight year. It also registered new program bests in assists (574) and field goals made (1,079), both marks bettering the previous bests set in the 1980-81 season.

The 2016-17 Bulldogs shot 44.5 percent from the field, the best shooting mark since 2001-02, and it led the nation with a school second-most 594 made free throws. Schaefer's last four teams hold the Top 4 marks in the record books in both rebounds and made free throws, and four of the Top 5 places in total points.

## **BULLDOGS EARN AWARDS UNDER SCHAEFER**

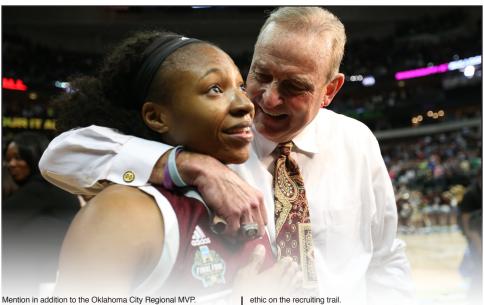

In his first five thrilling seasons in Starkville, the 2015 SEC Coach of the Year and 2017 WBCA Region Coach of the Year has led his players to numerous postseason laurels.

In-state talent Victoria Vivians has become one of the most-decorated Bulldogs ever through her first three seasons. The two-time First Team All-SEC selection was garnered Associated Press Third Team All-America honors in 2016-17 after landing WBCA All-America Honorable Mention accolades as a sophomore and AP All-America Honorable Mention, second team All-SEC (AP and Coaches) and SEC All-Freshman honors following her rookie season. Last season Vivians also made history in the state, becoming the first three-time recipient of the Gillom Trophy, which is given to Mississippi's top women's college basketball player, after becoming the first freshman to hoist the trophy.

The 2016-17 campaign also saw sophomore Teaira McCowan, a 2016 SEC All-Freshman Team selection, become the Bulldogs' first SEC Sixth Woman of the Year. Dominique Dillingham claimed as second-straight SEC All-Defensive Team selection and Morgan William was named an Associated Press All-America Honorable.

2017-18 TEAM

Under Schaefer's watch, Martha Alwal also claimed the Gillom Trophy as part of a career that saw her earn All-SEC honors threestraight years, including SEC Co-Defensive Player of the Year following the 2013-14 season. Schaefer was instrumental in developing Alwal into a player who finished her career one of just three players in SEC history to record 1,000-career points, 1,000-career rebounds and 300-career blocks.

His teams also set new standards in the classroom, turning in record grade-point averages and earning honor roll accolades. MSU has actually led SEC women's basketball programs in SEC Academic Honor Roll selections the last two years, with all 11 eligible members of the 2016-17 team earning the honor and eight claiming the distinction a year earlier.

## UNPRECEDENTED SUCCESS IN THE POLLS

The Bulldogs have been mainstays in the national polls under Schaefer's guidance. In 2014-15 MSU broke into the polls for the first time since 2010, and they have stayed there since, a span of 55-consecutive weeks in the Associated Press poll and 56 in the USA Today Coaches Top 25.

That 55-week run, the seventh-longest active stretch in the nation, has culminated with the 2016-17 squad spending the entire season in the Top 10. That 19-week stretch also rates seventh in

The Final Four Bulldogs began the year with the highest preseason picks in program history (No. 10 in AP and No. 11 in USA Today). The squad climbed as high as No. 3 in the Associated Press poll and ended the year in the USA Today ranked No. 2 for the second time during the season.

The 2015-16 Bulldogs were also ranked in the Associated Press and USA Today Top 25 polls the entire season, rising as high as No. 6 in the coaches poll and No. 7 in the AP rating. That MSU team broke into the Top 10 a year after Schaefer's 2014-15 Bulldogs entered the Top 25 for the first time since 2010 after winning the Preseason WNIT. Schaefer's third MSU team stayed in the AP poll for the final 17 weeks of the season, climbing as high as No. 11 before finishing the year at No. 12.

### RECRUITING THE BUILDING BLOCKS

The Bulldogs quick ascension to the top of the national landscape can be attributed to Schaefer and his coaching staff's diligent work

One of the things Schaefer has made a point of is signing the top players in Mississippi, and he has done that each year he has been in Starkville. In the 2017 class he inked three-time Mississippi Gatorade Player of the Year Myah Taylor from Olive Branch along with three-time Clarion-Ledger Dandy Dozen selection Nyah Tate from Terry.

That duo was part of MSU's 2017 signing class that ranked as high as 19th nationally. A year earlier he signed another of the state's top talents in Gulfport's Ameshya Williams, and before that he inked another Gulfport standout in Jazzmun Holmes as part of a class that included Parade All-American Teaira McCowan.

McCowan's signing marked the second-straight Parade All-American signed by Schaefer, as Scott Central High School standout Vivians was part of a Top 20 class that included fellow in-state standout Blair Schaefer and William, an Alabama all-state selection.

That Top 20 class came on the heels of his first class, which ranked No. 35 nationally. That group would go on to win a program-record 111 games, claim 20-straight wins all four years and advance to the NCAA Tournament three times, including the program's first Final Four.

# IF YOU BUILD IT. FANS WILL COME

The success on the court has translated to the turnstiles, where MSU has constantly set attendance records at the Hump under Schaefer. When looking at the top crowds in program history, the Top 10 and 17 of the Top 20 have come during his five years at the helm.

The Hump has drawn 317,957 fans during his tenure, an average of over 3,600 per game. Of that total, 246,840 have come the last three years, an average of over 5,000 per contest. Under Schaefer, total attendance at the Hump has seen a 286-percent increase, while average attendance has increased by 5,324, a 405-percent jump.

This past season the Bulldogs drew 86,328 for 13 home dates, a school-record 6,641 average attendance that ranked seventh nationally and third in the SEC. That total included 10,500 for State's regular-season finale against Tennessee, the second-largest in both program and state history behind the record 10,626 that attended the Jan. 24, 2016, contest against South Carolina.

That record crowd helped MSU set the school single-season attendance record for the third-straight year with 92,914. Behind GENERAL

### CREATING A BLUEPRINT FOR SUCCESS

Schaefer, who has been part of 537 wins in his collegiate career and helped his squads to the postseason 18 of the last 20 seasons, has utilized the same blueprint in Starkville that proved successful in 15 seasons on the staffs at Texas A&M and Arkansas

The "Secretary of Defense" helped Arkansas and Texas A&M, his alma mater, to 11 NCAA Tournament appearances. In his first season at Arkansas, the Razorbacks advanced to the Final Four before making three more trips to the second round. With the Aggies, he won a national championship while helping the program to a pair of Sweet 16 appearances, an Elite Eight showing, two trips to the second round and a first-round berth.

In his nine years as associate head coach to friend and mentor Gary Blair at Texas A&M, his teams consistently were atop the Big 12 in turnovers forced, steals, turnover margin and assist-to-turnover ratio.

In 2011, his smothering defense topped the nation in turnover margin en route to guiding the Aggies to the NCAA national championship in the program's first trip to the Final Four. That squad also earned Texas A&M's first No. 1 national ranking while finishing the season with a 33-5 record, the most wins in school history.

The following season his final Texas A&M team finished first in the Big 12 in turnover margin en route to advancing to a fifth-straight conference tournament title game and the Sweet 16 in the team's seventh-consecutive NCAA Tournament appearance.

Schaefer was also part of Texas A&M squads that won two Big 12 Tournament titles (2010 & 2008) and the conference regular season title in 2007. In addition to the 2011 national championship, Schaefer helped coach the Aggies to the 2009 Sweet 16 and the 2008 Elite Eight.

Schaefer, BasketballScoop.com's 2009 Assistant Coach of the Year, was instrumental in helping the Aggies ink a Top 10 signing class four-straight years. His final class rated No. 2 nationally, and he helped land the nation's top class during the 2011 national cham-

pionship run. The Aggies' 2010 signing class ranked No. 5 nationally and tops in the Big 12. A year earlier he helped ink the Big 12's No. 2 class and the sixth-best in the country.

In 2007, Schaefer earned the opportunity to coach the United States William Jones Cup Team, leading that squad to a bronze medal in Taipei, Taiwan. He also joined with Athletes in Action to coach some of the top women's college players in the nation. The only associate head coach to be named head coach of the USA Jones Cup Team, Schaefer guided Team USA to a 4-2 record in pool play with wins against Japan, New Zealand, Korea and Chinese Taipei.

MEDIA INFO

2017-18

That international experience came after Schaefer helped lead the 2005-06 Aggies to a third-place Big 12 finish, the program's highest at the time, and the first round of the NCAA Tournament. A year earlier he helped Texas A&M advance to the WNIT Elite Eight, the first postseason appearance under Blair and Schaefer.

Schaefer accompanied Blair to Texas A&M following a six-year stint as associate head coach at Arkansas from 1997-2003. During that run he helped the Razorbacks to four NCAA Tournament appearances, including a Final Four berth in his inaugural season. The following year Arkansas went on to claim the WNIT national championship. While in Fayetteville he helped mentor Shameka Christon, who would go on to earn SEC Player of the Year and First Team Ali-SEC honors.

Schaefer went to Arkansas after serving as head women's coach at Sam Houston State from 1990-97. In his next-to-last season there, he was tabbed the Southland Conference Coach of the Year after leading the Bearkats to their most wins in a decade (18). During his tenure at SHS, he coached either the SLC's Freshman

or Newcomer of the Year in three of his final four seasons. In his first year at the school (1990-91), he tutored Sierena Autman to Southland Conference Player of the Year accolades.

A native of Austin, Texas, Schaefer served as a men's assistant coach at Sam Houston State (1987-89) between stints as the assistant boys basketball coach and head tennis coach at Houston's Milby High School. As a player, Schaefer was an all-state performer at Houston Lutheran High School before going on to play two seasons at Alvin Community College.

Always striving to continue honing his craft, Schaefer was invited to attend the Center for Coaching Excellence, a prestigious leadership program hosted by Columbia University, following his first season in Starkville.

Schaefer is a dedicated family man. He is married to the former Holly Davis, who played basketball at Arkansas State and later served as an assistant coach at UT Arlington. The couple has two children, twins Blair and Logan. Both are seniors at MSU, and Blair is a guard for her father's team.

When Vic Schaefer started assembling what he labels his "A" team, the first crucial piece of that squad was Johnnie Harris, who enters her sixth season in Starkville as the program's associate head coach.

Harris' reputation as one of the nation's top recruiters showed as she has helped ink some of the top signing classes in program history, including the 2013 class that wrapped its four seasons with a program-record 111 wins and the 2014 class that has tallied 89 victories over the past three seasons. Those two classes have set numerous school records while guiding Mississippi State to three-straight NCAA Tournament appearances, including a national finalist finish in the program's first Final Four berth in 2017.

Harris' pupils in the post, Teaira McCowan and Chinwe Okorie, played instrumental roles in State's Final Four run and the 2016 trek to the NCAA Sweet 16. McCowan was named to the Oklahoma City All-Region squad after leading MSU to the Final Four with wins against Washington and Baylor. Before State's historic NCAA Tournament showing, she earned the program's first SEC Sixth Woman of the Year Award after helping the Bulldogs to a

second-place league finish with a school-record 13 league wins.

Okorie finished her MSU career sixth in program annals in field goal percentage, shooting 52.1 percent over 109 games. She raised her scoring average and field goal percentage each season of her three-year career, knocking down career bests with 7.5 ppg on 56.4 percent shooting as a senior.

Another of Harris' pupils, Martha Alwal, helped the Bulldogs make history in 2014-15 with their first NCAA Tournament berth since 2010

Under her guidance, Alwal developed into one of the nation's top centers, earning First Team All-SEC and SEC Co-Defensive Player of the Year honors as a junior. She also claimed a pair of second team honors, three-straight SEC All-Defensive Team accolades and won the Gillom Trophy as Mississippi's top women's college basketball player. Three seasons working with Harris helped Alwal become the second player in SEC history to lead the league in blocks four-straight years and just the third to claim 1,000 points, 1,000 rebounds and 300 blocks for her career.

In addition to her work with the post players, Harris also serves as State's special teams coach, coordinating the in-bounds, sideline and free-throw plays, something she specialized in working alongside Schaefer for five seasons on the Texas A&M bench.

She was also instrumental in the Bulldogs going perfect on the recruiting trail for their first two classes. That first one, rated No. 35 in the nation, helped the Bulldogs to a 22-14 record and the WNIT quarterfinals in 2013-14. Harris and the Bulldog coaching staff followed that class with a Top 20 class that rated among the best in program history. Harris was instrumental in following that Top 20 class with a second-straight Parade All-American in McCowan and the 19th-ranked class in 2017.

Schaefer knew Harris was instrumental to his Bulldog staff after seeing her help guide Texas A&M to four Sweet 16 appearances in her five seasons, including the program's first national championship in 2010-11.

During her tenure with the Aggies, Harris helped sign and mentor junior college All-Americans Danielle Adams and Tanisha Smith. Adams earned MVP of the 2011 Final Four before going on to be drafted 20th by the San Antonio Silver Stars of the WNBA. Adams was tabbed to the league's all-star game in her inaugural season.

With Harris' guidance, Smith earned Big 12 Newcomer of the Year and conference all-tournament honors in 2009. The Seattle Storm selected Smith with the 22nd pick in the 2010 WNBA Draft.

Not only was it her on-court coaching ability that put her atop Schaefer's list of coaches, but it was her reputation as one of the nation's premier recruiters.

Harris' recruiting ability was crucial in building the Aggies into an annual championship contender, as she helped Texas A&M in signing classes that have annually rated in the Top 20 nationally.

She helped the Aggies land the nation's No. 2 class in her final

2017-18

season in College Station. That class included a pair of McDonald's All-Americans in Jordan Jones and Courtney Williams. TA-MU's 2010 class, which included McDonald's All-American and the nation's top post player, Karla Gilbert, rated third nationally. The two years prior she helped notch the nation's fifth- and sixth-rated classes.

Harris played a key role in signing the major players in Texas A&M's national championship team that claimed a school-best 33 victories

Prior to her stop in College Station, Harris spent three seasons at Arkansas, helping land some of the Lady Razorbacks' top recruiting classes. She signed Laura Ervin, a junior college All-American who went on to garner Second Team All-SEC accolades, as well as Freshman All-SEC selection Donica Cosby.

In 2007, she inked Gatorade players of the year Whitney Zachariason (Arkansas) and Morgan Boyd (Kansas) as Arkansas finished with one of the nation's Top-40 classes. Harris also recruited one of the Top 5 point guards in the nation in Shanita Arnold.

Harris has had the opportunity to learn from some of the game's top coaches, including Hall of Famer Kay Yow at N.C. State. She joined the program in the 2003-04 season and immediately helped the squad to the NCAA Tournament for the first time in two years.

Harris and her fellow coaches helped the Wolfpack sign JUCO player of the year Tiffany Stansbury, who went on to play with the WNBA's Los Angeles Sparks and Minnesota Lynx.

Her first recruiting class in Raleigh was rated as one of the best in the nation. She also garnered a commitment from Gillian Goring, the nation's No. 1 post player who went on to play for the Washington Mystics.

Prior to jumping to the Division I level, Harris made her mark on the junior college level as an assistant coach at Arkansas-Fort Smith, where she helped bring in key players who led the school to the NJCAA Final Four in 2004. In two seasons coaching under the legendary Louis Whorton, she inked the nation's No. 1 class and helped the Lady Lions to a 34-8 record. UAFS's 2002-03 team went 26-2 and won a share of the Bi-State Conference champi-

The Arkansas-Fort Smith position kept the Pine Bluff native in her home state after she started her coaching career as a graduate assistant at Arkansas-Little Rock. Her hard work at UALR earned her a promotion to full-time assistant in 2000.

Harris, a 2014 inductee in the Watson's Chapel High School Hall of Fame, also coached AAU hoops with the Arkansas Kamikaze.

She began her playing career at Arkansas-Pine Bluff before transferring to Arkansas Baptist for her final two seasons.

She is the mother of two children, Marcus and Kiera, and the legal guardian of Lily. She also has a granddaughter, Samarah.

Entering her second season on the Mississippi State coaching staff, the impact Carly Thibault-DuDonis has shown in her first year in Starkville has proven why she is considered one of the top young coaches in the nation.

In her first season working with the Bulldog guards and coordinating the program's recruiting efforts, she helped land the nation's 19th-ranked recruiting class while helping lead MSU to a school-record 34 wins and the national title game in the program's first Final Four appearance.

A standout 3-pointer shooter on the collegiate level, Thibault-DuDonis' guards recorded the third-most triples in program history (209) while shooting 34.6 percent from the arc, the third-highest in program history and best by a Bulldog squad since 2001-02.

Under her guidance as the team's free-throws coach, the 2016-17 Bulldogs made a nation's-best 594 from the charity

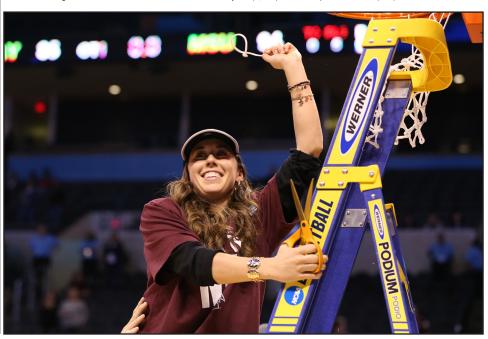

stripe and set the school record for the second-straight year by making 73.1 percent from the stripe.

Thibault-DuDonis joined the Bulldogs following two seasons on the staff at Eastern Michigan.

In her final season, she helped guide an EMU offense that scored 2,445 points, third-most in a season, and dished the seventh-most assists (435) en route to going 22-12 and advancing to the second round of the WNIT.

The Eagles won 20 games in each of her two seasons in Ypsilanti, as the 2014-15 squad tied the school record for wins in a season with a 24-13 mark. That team advanced to the Mid-American Conference Tournament Championship before wrapping the year in the WNIT Round of 16.

It also set the program's scoring record with 2,549 points and claimed top marks for field goals made (936), rebounds (1,539) and three-pointers made (223).

Individually, Thibault-DuDonis helped tutor Cha Sweeney to Second Team All-MAC honors and Janay Morton to All-MAC Honorable Mention along with a spot on the league's inaugural all-defensive team.

Thibault-DuDonis made the move to EMU following a stint in Tallahassee as the Director of Recruiting Operations at Florida State. During her time with the Seminoles, she managed the team's recruiting database and communication plan as well as assisting with the administration of the program's basketball

Thibault-DuDonis played collegiately at Northeast Conference member Monmouth from 2009-13. She concluded her playing career third in school history with 166-career 3-point field goals made.

The East Lyme, Connecticut, native shot 37 percent from the three-point stripe in her career, but knocked down 40 percent as a junior and 44 percent in her final college season.

She was also an outstanding shooter from the free-throw

line, knocking down 75.3 percent over her four seasons.

Thibault-DuDonis capped her career by earning Third Team All-NEC honors to go with the Team Coaches' Award in 2012.

She also excelled off the court at Monmouth, winning NEC Scholar-Athlete of the Year her senior season. A two-time CoSIDA All-District II First Team honoree, she also claimed the Kelsey Award for the Monmouth student-athlete with the highest GPA and the Monmouth Alumni Association Academic Achievement Award.

Thibault-DuDonis comes from a basketball family, as her father, Mike, was a longtime coach in the NBA before making the move to the WNBA, where he currently coaches the Washington Mystics alongside his son, Eric.

MARYANN BAKER

DIRECTOR OF OPERATIONS
SIXTH SEASON AT MSU • TEXAS A&M (2011)

Maryann Baker brings valuable experience both on the court and off to the Mississippi State coaching staff in her sixth season as the Bulldogs' Director of Operations.

Baker coordinates all of the team's daily operations, including logistics, travel and summer camps. Although she is in her first full-lime sideline job, she is no stranger to sharing the bench with Vic Schaefer as a player and graduate assistant coach.

Prior to coming to Starkville, she spent a season on the coaching staff following a stellar playing career that saw her help Texas A&M to four NCAA Tournament berths, including the 2011 national title and a pair of Big 12 Tournament titles.

During her first season with the coaching staff, the Aggies advanced to the Sweet 16 and finished the year 24-11 and No. 12 in the final USA Today/ESPN Coaches' Poll.

The Dallas, Texas, native capped a stellar playing career with the Aggies by winning the 2011 Big 12 Sixth Man Award before going on to help the program to a school-record 33 wins and the 2011 national championship.

Baker and classmate Sydney Colson ended their four-year careers

in College Station as the winningest duo in Aggie basketball history, compiling a career record of 115-29 (.799). During that illustrious career, Baker went to the Elite Eight, Sweet 16 and NCAA Second Round during her first three seasons, but in her final campaign, she was able to reach the pinnacle that all athletes strive to achieve when she helped guide Texas A&M to the national title in the program's first trip to the Women's Final Four. Baker also helped guide the Aggies to Big 12 Tournament championships in 2008 and 2010.

One reason Schaefer looked to Baker to join his staff was her understanding of what it takes to excel both on and off the court. On the court, Baker scored 266 points in 116 career games, but she was also stellar in the classroom, garnering back-to-back Academic All-Big 12 First Team honors.

Coming out of Bishop Lynch Catholic High School, Baker was rated the 25th-best shooting guard in the country by the All-Star Girls Basketball Report. A McDonald's All-American nominee, Baker was a three-time all-state and all-district honoree. In 2013 she was inducted into the school's athletic hall of fame.

Mississippi State's staff garnered another national championship-winning talent prior to the 2013-14 season with the addition of former Texas A&M standout Skylar Collins as the program's video coordinator.

Collins, who added director of scouting to her title in 2014, is responsible for breaking down game and practice film, as well as video exchange for Vic Schaefer's squad.

Collins' joining the Hail State Hoops staff signifies a return to the collegiate ranks for the Cedar Hills, Texas, native following a stint playing professional basketball for Sport Clube do Recife in Brazil.

The jump to the professional level came a year after Collins capped a stellar collegiate career that saw her help Texas A&M to the NCAA Tournament all four years, including a pair of Sweet Sixteen appearances and the national title in 2011.

During her career, Collins possessed the ability to stretch defenses with her dangerous outside shooting touch. Over her four years with the Aggies, Collins was a 43.5-percent shooter from the field, including a sizzling 44.2-percent from 3-point range.

She saved the best for last, though, as she tallied a 48-percent clip from the floor and a team-best 50-percent rate beyond the arc her senior year.

Collins capped her career by going 4-for-4 from the field and 2-for-2 from the free-throw line to tally 10 points and a pair of steals against No. 5 Maryland in the NCAA Sweet 16.

That impressive showing in the "Big Dance" came after she scored a career-best 15 points against Oklahoma in the Big 12 Championship Semifinals.

The outstanding swan song helped Collins earn the team's 6th Man Award and a second-straight Miss Hustle Award.

In addition to excelling on the court, she was also a standout in the classroom, earning Academic All-Big 12 Second Team accolades.

Collins was rated the No. 44 overall prospect and sixth-best shooting guard in the Class of 2008 by All-Star Girls Basketball Report.

DOMINIQUE DILLINGHAM

STUDENT ASSISTANT COACH
FIRST SEASON AT MSU • MISSISSIPPI STATE (2017)

Fan favorite Dominique Dillingham returns to the Mississippi State bench this season, although it will be in a new capacity as the program's graduate assistant.

Dillingham joins the Bulldog coaching staff after wrapping her fouryear playing career in Starkville as part of the winningest class in program history.

Part of Vic Schaefer's first MSU signing class, Dillingham and fellow seniors Ketara Chapel, Chinwe Okorie and Breanna Richardson ended their tenures in Starkville by claiming their 111th-career win in the program's Final Four upset of UConn that halted the Huskies' collegiate-record 111-game win streak and won State the ESPY for Best Upset.

During her MSU career, Dillingham helped the Bulldogs reach new heights the program had never seen. She helped MSU set program records for both overall and SEC wins each of the last three seasons. The team also finished third in the SEC her sophomore season and second her junior and senior years. Her final two seasons in Maroon and White saw the Dawgs also play their way into the SEC Tournament championship game.

Dillingham and her classmates put MSU back into the postseason for the first time since 2010, taking State to the WNIT quarterfinals as a freshman before leading MSU to the NCAA Tournament her final three seasons. After guiding the Bulldogs to the Sweet 16 in 2016, she capped her career by helping take MSU to the national championship game in the program's first Final Four appearance.

The Spring, Texas, native played in 139-career games and started 119 times at Mississippi State, averaging 7.3 points, 3.9 rebounds and 1.5 steals per game. She wrapped her four years 25th at MSU in career scoring with 1,013 points and fourth with 210 steals.

Known for her lockdown defense, Dillingham, who took 131-career charges, was named to the SEC All-Defensive Team each of the last two years. She also claimed Associated Press All-SEC Honorable Mention following a junior season (2015-16) in which she averaged 7.9 points, 3.8 rebounds and 1.6 steals per game.

Dillingham was also a standout in the classroom, earning SEC Academic Honor Roll accolades all four years. She was also MSU's nominee for the SEC Boyd-McWhorter Scholarship and a nominee for the NCAA Woman of the Year Award.

Marci Hoppa embarks on her first season as the strength and conditioning coach for MSU after joining the program in September, 2017.

She comes to Starkville after serving the past three seasons as Assistant Strength and Conditioning Coach at Western Kentucky. In that three-year span, her development of the Lady Topper players helped the program to an 84-19 record, two Conference USA regular season and tournament titles and two NCAA Tournament appearances.

In her first season in Bowling Green, WKU won a C-USA record 30 games and swept the league titles en route to making the NCAA Tournament. The Lady Toppers compiled 27-7 records her final two seasons, with the 2016-17 squad earning another NCAA Tournament appearance after winning its league regular-season and tournament championships.

Prior to joining Western Kentucky, Hoppa was the Director of Strength and Conditioning for Olympic Sports at Jacksonville University. She joined the JU staff in March of 2013 as an Assistant Strength and Conditioning Coach, coordinating strength and conditioning for women's soccer, softball, volleyball, track & field and men's rowing.

She was named Director of Strength and Conditioning for Olympic Sports in July, 2013, overseeing the JU strength and conditioning intern-

ship programs.

Hoppa arrived in Jacksonville, Fla., after serving as a volunteer coach at the University of Alabama in 2012-2013. While with the Crimson Tide, Hoppa assisted with the women's tennis, women's rowing, men's and women's swim and dive, and women's volleyball teams.

Prior to Alabama, Hoppa worked as a Graduate Assistant Strength Coach at Northern Illinois, where she worked directly with women's socer, women's gymnastics and men's and women's golf while assisting the Huskies' football and women's basketball teams. Hoppa also was an intern at the University of Georgia from 2007-2009 where she assisted with women's volleyball, men's basketball, men's and women's tennis, men's and women's track, and women's gymnastics.

Hoppa earned her bachelor's degree in Exercise and Sports Science in 2009 from the University of Georgia and her Masters in Exercise Physiology in 2012 from NIU.

She is certified with the Collegiate Strength and Conditioning Coach's Association (SCCC), the National Strength and Conditioning Association (CSCS), and USA weight lifting (USAW level 1 sports performance coach).

# STATE CAPS HISTORIC YEAR IN NATIONAL TITLE GAME

- Mississippi State, after earning its highest seed in program history with a No. 2 seed, finished a historic 2016-17 season as the national runner-up. State accomplished the feat in its first Final Four appearance.
- It is the first MSU squad to play for a national title since the 2013 baseball team advanced to the College World Series championship series against UCLA.
- State is one of five SEC schools (Georgia, LSU, Arkansas, South Carolina) to have a men's and women's Final Four appearance.
   The MSU men's team advanced to the Final Four in 1996.

# HISTORIC UPSET EARNS BULLDOGS AN ESPY

- Mississippi State highlighted its first Final Four appearance by defeating UConn 66-64 in overtime. MSU's first win against a No. 1-ranked team earned it the ESPY for Best Upset.

- State opened the year with 20-straight wins, bettering the previous record of 18 set by the 2014-15 team.

- State also set a new program record for SEC wins in a season, registering 13 league victories. That total betters the previous mark of 11 set in both 2015-16 and 2014-15.
- The 13 league wins took MSU to a program-best second-place finish in the SEC standings. The 205-16 squad tied for second.
- Mississippi State also advanced to the SEC Tournament championship game for the second year in a row.

### SENIORS CLAIM CAREER WINS RECORD

2016-17 REVIEW

WELCOME TO
THE HUMP...

- SUZY MERCHANT, MICHIGAN ST. HEAD COACH

Humphrey Coliseum, the largest on-campus basketball arena in the state of Mississippi, will be the home of Bulldog Basketball for the 42nd season during the 2016-17 campaign. Opened in 1975, Humphrey Coliseum has undergone many modifications during recent years to rank as one of the finest multi-purpose faciltites in the Southeastern Conference.

The arena has seen numerous renovations over the years, with the most recent being the addition of a new permanent hardwood playing surface, installed prior to the 2016-17 season, that is a softer wood that its predecessor. The new court features a design that expresses pride in the city of Starkville and Mississippi.

Details on and around the court highlight Mississippi State's local ties, with a list of the state's 82 counties surrounding the playing surface. Oktibbeha County, home to Starkville and MSU, is the lone county painted in white, and it is located at midcourt between the home and visitor benches.

Also located at midcourt is the state of Mississippi, painted in white, with a maroon star denoting the location of Oktibbeha County.

The Hump's first permanent court comes a season after a new state-of-the-art scoreboard and videoboard was installed in 2015

Mississippi State partnered with Daktronics, Inc., to provide an integrated LED high-definition center-hung video display system that includes four main video displays and two ring displays suspended above the court to keep fans informed and entertained throughout every event. The display is 50 percent larger than the board it replaced.

The four main video displays of the center-hung feature tight 6 millimeter line spacing and measure more than 8 feet high by 15.5 feet wide. The display incorporates excellent contrast for crisp, clear imagery while providing wide angle visibility to ensure every seat has a great view.

The middle ring display measures 2 feet high by more than 66 feet wide. The bottom ring display measures 2 feet high by more than 62 feet wide. Both ring displays feature 10 millimeter line spacing and provide additional statistics and other game information. They also provide options for sponsors to be highlighted throughout the event or at select moments of the event.

The new addition replaced the scoreboard that was added in 2004 thanks to the Henry Mize Foundation and came one year after the men's and women's basketball teams greatly upgraded their locker rooms.

Complete with kitchens, state-of-the-art lockers with media

enhancements, video rooms and team rooms, the renovations were made possible thanks to a generous gift from Tommy and Terri Nusz, loyal Bulldogs in Houston, Texas.

### THE MIZE CONTRIBUTIONS

The late Henry Mize hailed from Booneville, Miss., and was a 1938 MSU alumnus and lifetime supporter of Mississippi State Athletics, while his nephew, Paul "Buzzy" Mize of Tupelo, Miss., and a 1978 State graduate, has served as the executor of the Henry Mize Foundation.

Thanks to a gracious gift from The Henry Mize Foundation, Mississippi State opened the state-of-the-art, \$11.2-million Mize Pavilion practice facility prior to the 2011-12 season.

The spacious facility is 57,611 square feet and contains 28,900 square feet of court space, including two regulation courts length-wise with six high school-size cross courts,

In addition to housing the offices for both MSU men's and women's coaching staffs, the facility also features a modern

weight room, training room and a reception area that spans 5,000 square feet.

An 84-space parking garage sits on the bottom level of the facility as well.

Another major renovation project, completed in November 1998 by Pryor Construction, Inc., out of Tupelo, Miss., involved the addition of approximately 1,000 maroon theatre-style chairback seats to increase the Coliseum's permanent seating capacity to nearly 10,500. This improvement to the Bulldogs' basketball arena was accomplished with the realignment of the lower-deck seats plus the addition of permanent foldout chairback seats at courtside.

In addition to the Coliseum's re-configured seating plan that features courtside chair back seats often found at NBA arenas, an improved lighting system was installed to enhance the electric atmosphere at "The Hump." Additional restrooms were also added to the east side of the facility at the time.

The Hump was expanded to its current capacity after it was increased to 10,000 in 1995 with the addition of permanent seats around the Coliseum's inner concourse. During the summer of 1996, the Coliseum underwent major renovations to accommodate the MSU athletic department's growing need for additional locker room availability.

Standing the equivalent of a seven-story building (84 feet), Humphrey Coliseum is 318 feet long and 268 feet wide and was originally constructed from approximately 450,000 red Mississippi-made bricks.

Named in honor of George Duke Humphrey, a former Mississippi State president (1934-45), the Coliseum hosts numerous other functions, including concerts. It also houses some administrative and Olympic sport offices.

The new permanent playing surface replaces the portable one installed in 2000. A year later, 2001, a high-directivity distributed loudspeaker system was installed by Sound and Communications, Inc., of Jackson, Miss., to enhance the Coliseum's public address and sound reinforcement system.

Recent additions also include rotating corporate sponsorship signage on both sides of the court. The Coliseum has also added new, attractive banners honoring the men's and women's SEC championships and postseason tournament appearances, as well as banners acknowledging the achievements of Bailey Howell, Babe McCarthy and the legendary voice of the Bulldogs, Jack Cristil

### BULLDOGS DEFEND THE HOME COURT

Since Humphrey Coliseum opened in December of 1975, the Bulldogs have won 66 percent of their battles at "The Hump." The Bulldog women claimed their first win in the Hump in 1975. knocking off Belhaven 63-59. Since then, the program has compiled a 382-195 record (.662) on the home court, including a program-best 17-1 mark in 2014-15.

Mississippi State has registered winning home seasons 10 of the last 11 campaigns, going 133-49 (.731) in that span. The Bulldogs have compiled a 73-14 (.839) record at The Hump under Vic Schaefer, including a 45-4 overall mark and 20-4 SEC tally going back to the 2014-15 campaign.

Mississippi State has posted 32 winning seasons at home.

### RECORDS AT THE TURNSTILES

Mississippi State hasn't just set records on the court, but it has also seen top marks when it comes to attendance.

### **HUMPHREY COLISEUM** State once again ranked among the tops in the nation in home attendance in 2016-17, as the Bulldogs claimed the coun-

try's seventh-largest average attendance with 6,641 fans per game. That average was Division I's third-largest increase from 2015-16, when State set a single-season attendance record for the third-straight year with 92,914.

Last season's third-highest attendance increase comes after MSU had the fourth-largest average rise each of the previous two seasons

The Top 10 and 17 of the Top 20 single-game attendance marks have come during Schaefer's tenure. Last season the Bulldogs drew 10,500 against Tennessee, a year after MSU claimed the record with 10,626 for its contest against South Carolina. State owns the Top 3 largest women's basketball crowds ever in the State of Mississippi.

Since 2000-01, 542,058 fans have watched Mississippi State at the Hump, an average of 2,045 per contest. Of that total, 317,957 has come over 87 home games in Schaefer's five seasons as head coach, an average of 3,655 fans per contest.

MSU has seen the fourth-largest attendance increase in the nation each of the last two seasons.

### **HUMP HOSTS ITS FIRST NCAA TOURNAMENT GAMES**

Humphrey Coliseum has also seen another first the past two seasons, as Mississippi State has hosted the first and second rounds of the NCAA Women's Basketball Tournament, the first time the building has hosted NCAA Tournament games.

In 2016-17, MSU averaged 5,803 fans for the opening two rounds of the tournament after drawing an NCAA third-most 12,209 (6,104 average) in 2015-16.

The Bulldogs celebrated with MSU's band and spirit squad after knocking off No. 5 Baylor in the Elite Eight to punch the program's first ticket to the Final Four. It was the State's highest-ranked win since 2000 until it defeated No. 1 UConn five days later.

THE UNIVERSITY

Mississippi State is a comprehensive doctoral-degree-granting institution offering a diverse student body a wide range of opportunities and challenges for learning and growth.

The largest university in the Magnolia State, MSU has a statewide enrollment of more than 21,000 students. and is accredited by the Southern Association of Colleges and Schools Commission on Calleges to award baccalaureate, masters, specialists and doctorate degrees.

Established in 1878 as the Agricultural and Mechanical College of Mississippi, the university has traditional strengths in engineering and scientific agriculture but has evolved into a comprehensive institution with a diverse array of programs in teaching, research, and service.

The University began as The Agricultural and Mechanical College of the State of Mississippi, one of the national Land-Grant Colleges established after Congress had passed the Morrill Act in 1862. It was created by the Mississippi Legislature on February 28, 1878, to fulfill the mission of offering training in "agriculture, horticulture and the mechanical arts... without excluding other scientific and classical studies, including military tactics."

The College received its first students in the fall of 1880 in the presidency of Confederate General Stephen D. Lee. In 1887 Congress passed the Hatch Act, which provided for the establishment of the Agricultural Experiment Station in 1888. Two other piec-

es of federal legislation provided funds for extending the mission of the College: in 1914, the Smith-Lever Act called for "instruction in practical agriculture and home economics to persons not attendant or resident," thus creating the state-wide effort which led to Extension offices in every county in the State; and, in 1917, the Smith-Hughes Act provided for the training of teachers in vocational education.

By 1932, when the Legislature renamed the College as Mississippi State College, it consisted of the Agricultural Experiment Station (1887), the College of Engineering (1902), the College of Agriculture (1903), the School of Industrial Pedagogy (1909), the School of General Science (1911), the College of Business and Industry (1915), the Mississippi Agricultural Extension Service (1915), and the Division of Continuing Education, (1919). Further, in 1926 the College had received its first accreditation by the Southern Association of Colleges and Schools.

By 1958, when the Legislature again renamed the College, as Mississippi State University, the Office of Graduate Studies had been organized (1936), doctoral degree programs had begun (1951), the School of Forest Resources had been established (1954), and the College of Arts and Sciences had been created (1956).

The College of Architecture admitted its first students in 1973. The College of Veterinary Medicine admitted its first class in 1977, and the School of Accountancy was established in 1979.

### MISSISSIPPI STATE UNIVERSITY

#### **ACADEMICS AND STUDENT LIFE**

Mississippi State students consistently earn honors such as the prestigious Harry S. Truman Scholarship, awarded for those who will enter public service, and, with 16 Truman Scholars to date, the university has been recognized as one of 38 Truman Honor Institution.

Recently initiated programs are providing opportunities to develop leadership potential and global study options.

The university's Global Leadership Continuum provides "cradle-to-CEO" programming designed to develop leadership across a "global" spectrum that begins with high school and continues through the university experience and into professional life. Included are the Young Guns Leadership Camp for rising high school seniors; the Day One Leadership Community for incoming freshmen, focusing on shared academic and service experiences; and the highly competitive Appalachian Leadership Honors Program for sophomores and juniors.

To complement these efforts, the university has launched a minor in leadership studies open to students in all majors. A university honor code adopted in 2007 institutionalizes a campus culture of integrity and personal responsibility in academic studies. Through the Global Leadership Program, students may experience significantly expanded study abroad opportunities.

#### POINTS OF PRIDE AT MSU

- Mississippi State ranks among the top 100 institutions across the country in the number of bachelor's degrees awarded to African-Americans.
- Over the last decade, five MSU professors have been named Mississippi Professor of the Year by the National Council for Advancement and Support of Education and the Carnegie Foundation for the Advancement of Teaching.
- As a national leader in engineering, MSU will begin offering the state's only petroleum engineering degree program this fall.
- The Federal Aviation Administration has selected MSU to operate a new National Center of Excellence for Unmanned Aircraft Systems.
- MSU's Maroon Volunteer Center connects nearly 5,000 students, faculty and staff volunteers to 60 community and campus pertners, performing more than 14,700 community service hours each year.
- One of the world's leading aerospace companies, Boening Co., has selected MSU to host its Stitched Resin Infused Composite Research Center.

### **MSU TRADITIONS**

#### THE MASCOT

Mississippi State University's athletic teams are called Bulldogs, a name earned and maintained over the decades by the tough, tenacious play of student-athletes wearing the Maroon and White. The official school mascot is an American Kennel Club registered English Bulldog, given the inherited title of 'Bully.'

As with most universities, Mississippi State University teams answered to different nicknames through the years. The first squads representing Mississippi A&M College were proud to be called Aggies. When the school officially became Mississippi State College in 1932, the nickname Maroons, for MSU's uniform color, gained prominence. Bulldogs became the official title for State teams in 1961, not long after State

College was granted university status.

Yet references to school teams and athletes as Bulldogs actually go back to early in the century, and this nickname was used almost interchangeably with both Aggies and Maroons, since at least 1905.

On November 30 of that year, the A&M football team shut out their arch-rivals from the University of Mississippi 11-0 in Jackson, Miss. The campus newspaper, The Reflector, reported: "After the game, filled with that emotion that accompanies every great

victory, there was nothing left for the cadets to do but to complete the great victory by showing sympathy for the dead athletic spirit of the University, by having a military funeral parade.

"A coffin was secured, decorated with University colors and a bulldog pup placed on top. It was then placed on the shoulders of a dozen cadets, and the procession started down Capitol Street, preceded by the brass band playing a very pathetic funeral march."

Other newspaper reports of the victory commented on the 'bulldog' style of play by the A&M eleven, and the Bulldog was soon publicly accepted as a school athletic symbol. Accounts of a 1926 pep rally in Meridian, Miss., had another bulldog parading with students.

#### **OFFICIAL MASCOT IN 1935**

Use as an official game mascot began in 1935 when coach Major Ralph Sasse, on 'orders' from his team, went to Memphis, Tenn., to select a bulldog. Ptolemy, a gift of the Edgar Webster family, was chosen and the Bulldogs promptly defeated Alabama 20-7.

A litter-mate of Ptolemy became the first mascot called 'Bully' shortly after Sasse's team beat mighty Army 13-7 at West Point that same year - perhaps the greatest victory in MSU football history. But Bully I earned other fame the hard way, in 1939 when a campus bus cut short his career.

Days of campus mourning followed, as Bully lay in state in a glass coffin. A half-mile funeral procession accompanied by the Famous Maroon Band and three ROTC battalions went

to Scott Field where Bully was buried under the bench at the 50-yard line. Even Life magazine covered the event. Other Bullys have since been buried by campus dorms, fraternity houses, and also at the football stadium.

For years Bully was a target for kidnappers, the last incident occurring prior to the 1974 State-Ole Miss game. The Bulldog team won anyway, 31-13. While early Bullys once roamed campus freely or lived in fratemities, today the official university mascot is housed at the School of Veterinary Medi-

cine when not on duty at State home football games. For all their fierce appearance and reputation, today's mascot bull-dogs are good-natured, friendly animals and favorites with children.

A student wearing a Bulldog suit, also answering to Bully, is part of the MSU cheerleading team and assists in stirring up State spirit at games and pep rallies.

#### THE COWBELL

The most unique and certainly the most resounding symbol of Mississippi State University tradition is the cowbell. Despite decades of attempts by opponents and authorities to banish it from scenes of competition, diehard State fans still celebrate Bulldog victories loudly and proudly with the distinctive sound of ringing cowbells.

The precise origin of the cowbell as a fixture of Mississippi State sports tradition remains unclear to this day. The best records have cowbells gradually introduced to the MSU sports scene in the late 1930s and early 1940s, coinciding with the 'golden age' of Mississippi State football success prior to World War II.

The most popular legend is that during a home football game between State and archrival Ole Miss, a jersey cow wandered onto the playing field. Mississippi State soundly whipped the Rebels that Saturday, and State College students immediately adopted the cow as a good luck charm.

Students are said to have continued bringing a cow to football games for a while, until the practice was eventually discontinued in favor of bringing just the cow's bell.

Whatever the origin, it is certain by the 1950s cowbells were common at MSU games, and by the 1960s were established as the special symbol of MSU. Ironically, the cowbell's popularity grew most rapidly during the long years when State football teams were rarely successful. Flaunting this anachronism from the 'aggie' days was a proud response by students and alumni to outsider scorn of the university's 'cow college' history.

In the 1960s two MSU professors, Earl W. Terrell and Ralph L. Reeves, obliged some students by welding handles on the bells so they could be rung with more convenience and authority. By 1963 the demand for these long-handled cowbells could not be filled by home workshops alone. So, at the suggestion of Reeves, the Student Association bought bells in bulk and the Industrial Education Club agreed to weld on handles. In 1964, the MSU Bookstore began marketing these cowbells with a portion of profits returning to these student organizations.

Today many styles of cowbells are available on campus and around Starkville, with the top-of-the-line being a heavy chrome-plated model with a full Bulldog figurine handle. But experts insist the best and loudest results are produced by a classic long-handled, bicycle-grip bell made of thinner and tightly-welded shells.

Cowbells decorate offices and homes of Mississippi State alumni, and are passed down through generations of Bulldog fans. But they were not heard at Southeastern Conference games - not legally, at least - since the 1974 adoption of a conference rule against 'artificial noisemakers' at football and

#### basketball games. On a 9-1 vote, SEC schools ruled cowbells a disruption and banned them. The ban was lifted prior

to the 2010 season.

**MSU TRADITIONS** 

The ban did little harm to the cowbell's popularity, or to prevent cowbells from being heard outside stadiums in which the Bulldogs are playing. They are now heard at non-conference football contests, as well as other sporting events on campus.

#### MAROON & WHITE

Maroon and White are the distinctive colors of Mississippi State University athletic teams, dating back over a century to the very first football game ever played by the school's student-athletes.

On November 15, 1895, the first Mississippi A&M football team was preparing for a road trip to Jackson, Tenn., to play Southern Baptist University (now called Union University) the following day. Since every college was supposed to have its own uniform colors, the A&M student body requested that the school's team select a suitable combination.

Considering this choice to be an honor, the inaugural State team gave the privilege to team captain W.M. Matthews. Accounts report that without hesitation Matthews chose Maroon and White.

In the 112 years since, every Mississippi State athlete has donned the Maroon and White in some sort of combination. Often a shade of gray has been added to the scheme, such as for the numerals. Briefly in the 1980s, the men's and women's basketball teams wore all-gray uniforms with maroon and white trim, while football has at times sported silver game pants, and baseball will often wear all gray road outfits.

Only once has an MSU team appeared in any other color combination. In 1938, football coach Spike Nelson secretly had cardinal and gold uniforms made for State, a selection that did not sit well with the team or the college at the first game. Neither the uniforms nor Nelson were back for the next season.

#### MSU ALMA MATER

In the heart of Mississippi, Made by none but God's own hands, Stately in her natural splendor, Our Alma Mater proudly stands. Mississippi State, we love you; Fondest memories cling to thee, Life shall bear thy spirit ever; Loyal friends we'll always be.

#### CHORUS:

Maroon and White! Maroon and White! Of thee with joy we sing; Thy colors bright, our souls delight; With praise our voices ring.

#### "HAIL STATE"

Hail dear ole State! Fight for that victory today. Hit that line and tote that ball, Cross the goal before you fall! And then we'll yell, yell, yell, yell! For dear ole State we'll yell like H-E-L-L! Fight for Mis-sis-sip-pi State. Win the game today!

### DR. MARK KEENUM

GENERAL

## DR. MARK**KEENUM**

### <u>UNIVERSITY PRESIDENT</u>

Dr. Mark Everett Keenum became Mississippi State's 19th president Jan. 5, 2009, following a distinguished public service career.

Now in his ninth year of tenure, Dr. Keenum has guided Mississippi State to unprecedented heights. The university has experienced record enrollment growth – climbing toward nearly 22,000 students. Mississippi State has awarded more than 4,000 degrees at all levels for six straight

The campus has expanded and improved on Dr. Keenum's watch. Chief among those projects has been The Mill at MSU – a \$40-million, state-of-the-art conference and meeting complex. A ribbon-cutting for the Old Main Academic Center, a new \$41-million classroom building and multi-level parking garage, was recently celebrated. A \$60-million project featuring two new residence halls and Nusz Hall, which houses the G.V. "Sonny" Montgomery Center for America's Veterans, opened last fall. A \$10-million, fourth-floor expansion of Mitchell Memorial Library to house the Ulysses S. Grant Presidential Library will celebrate its official opening this fall. Mississippi State has completed or initiated capital improvements totaling more than \$700 million since 2009.

A \$55-million expansion and renovation of Dudy Noble Field/Polk-Dement Stadium – home to one of the most storied college baseball programs in America – is also underway. The first phase of the project added the largest video board in the nation to the "Carnegie Hall of College Baseball."The second phase commenced in June at the conclusion of the 2017 season. This major investment will significantly enhance the Dudy Noble fan experience – already described by many as one of the most unique in college sports today.

New construction projects launching over the next two years include a new Music Building and the completion of an Animal and Dairy Science/ Poultry Science complex for the Division of Agriculture, Forestry and Veterinary Medicine. Additionally, the university is developing a comprehensive plan to build additional teaching and research lab space to meet growing demand

Fundraising has reached all-time record levels. MSU's current Infinite Impact capital campaign reached its initial goal three years ahead of schedule. Due to that unprecedented success, the university announced a new goal – \$1 billion by 2020 – the largest campaign goal ever for an educational institution in Mississippi. During his tenure, Dr. Keenum has been instrumental in expanding the MSU Promise Program, which provides need-based scholarship assistance to Mississippi students whose families have limited financial means.

Mississippi State is ranked by the National Science Foundation as a "Top 100" research institution. The most recent research success has been MSU's designation as the Federal Aviation Administration's National Center of Excellence for Unmanned Aircraft Systems and Boeing's decision to locate a composite research center at MSU's Raspet Flight Research Laboratory. In fall 2016, the state of Mississippi became a member of the Pan-Pacific UAS Test Range Complex, one of the FAA's seven national test sites, and Mississippi State researchers will lead this Gulf Coast R&D hub for unmanned aircraft. This past spring, the Department of Homeland Security selected a Mississippi State-led team to operate its demonstration range facility for small unmanned aircraft systems.

In 2016, Dr. Keenum was elected president of the Southeastern Conference, where he is a member of the SEC Executive Committee and continues to serve on the SEC's Content Committee that oversees the highly successful ESPN-SEC Network. He also represents the SEC as a member of the College Football Playoff's (CFP) Board of Managers.

He is also serving as president of the Mississippi Association of Colleges and Universities, which promotes goodwill among the state's public and private colleges and universities and works to stimulate academic and professional cooperation. Mississippi State will host the organization's 2017 annual conference this fall.

Dr. Keenum travels frequently to Washington, D.C., meeting with Congressional leaders and federal agency heads to pursue research opportunities and broaden the university's influence on the national level. He has also worked closely with state leaders in Jackson in support of higher education in Mississippi.

Mississippi State plays an integral role in economic development locally, statewide, and regionally. Its impact is further felt nationally and internationally through unique collaborative partnerships with peer institutions, business and industry, government agencies, and leading non-governmental organizations. Dr. Keenum leads these efforts because he understands the positive impact the nation's major research universities can

I have in the diverse communities they serve.

A graduate of Mississippi State with degrees in agricultural economics, Dr. Keenum's interest in international food security has strengthened the university's contributions to global economic sustainability. In 2014, he was appointed vice chairman of the Foundation for Food and Agricultural Research by U.S. Secretary of Agriculture Thomas J. Vilsack. That same year along with other university presidents, he signed the Presidents' Commitment to Food and Nutrition Security at the United Nations in New York City. This marks the first time universities around the world began to share a collective focus on ending food insecurity.

Dr. Keenum's passion for international engagement and transformative research and service has positioned Mississippi State as a leader in addressing global food security and poverty, among other critical issues. In 2014 and again in 2016, he was invited to address the United Nations in New York about the crucial roles public research universities play as the global community works to address critical challenges for a growing population.

Dr. Keenum began his career at MSU as a faculty member with the Extension Service and the Department of Agricultural Economics. He went on to serve as chief of staff to U.S. Senator Thad Cochran in Washington, D.C. and was Under Secretary of the U.S. Department of Agriculture prior to returning home to Mississippi State.

A graduate of Corinth High School, Dr. Keenum earned an associate in arts degree from Northeast Mississippi Community College in Booneville and was a member of the Northeast Tigers football team. He is married to the former Rhonda Newman of Booneville, also an MSU graduate. They have four children: Rett, Mary Phillips, Katie and Torie.

2016-17

When John Cohen was named Mississippi State University's I friends and colleagues, and to know many of our athletes in all 17th director of athletics on November 4, 2016, he wasted little time putting his stamp on the department.

The former MSU head baseball coach and two-time Southeastern Conference Coach of the Year has overseen the hiring of three coaches, while nine teams have advanced to postseason since he took over the helm, seven earning Top 25 rankings with baseball, women's cross country and women's basketball finishing in the Top 16.

In all, four sports - women's cross country, women's basketball, women's track and field (indoor and outdoor) - posted or tied their highest NCAA Championships/postseason finish in school history

"I love Mississippi State University," Cohen said. "As a student-athlete, as a coach, and now with this once in a lifetime opportunity, I feel deeply honored to lead MSU's athletics program. I am profoundly grateful for the chance to lead the totality of MSU athletics as I have tried to lead MSU's baseball program - in daily and dogged pursuit of championships at the highest level."

Cohen, who spent more than two decades coaching college baseball, was named MSU's head baseball coach in July of 2008. Nine years later, Cohen's official role in administration began when he assumed the role of associate athletic director in addition to head baseball coach. The following November, he took charge of an athletic department that has since achieved new heights in athletic, academic, facility and fundraising achievements.

#### FIRST HIRE

One day after becoming athletics director, Cohen named Andy Cannizaro as MSU's next head baseball coach. Cannizaro, a former Major Leaguer and one of the nation's rising coaching stars in college baseball, led the Bulldogs to a Top 10 ranking and trip to the Super Regionals. Subsequent hires by Cohen include women's soccer coach Tom Anagnost and men's golf coach Dusty Smith.

During Cohen's short tenure as director of athletics, the athletic department has enjoyed notable success. In April, the women's basketball team advanced to the national championship game after its historic upset of No. 1 ranked UConn to snap an NCAA-record 111-game winning streak, a feat that garnered Vic Schaefer's team an ESPY award in July.

This achievement came after the Bulldogs played in the SEC Tournament finals, a month before the men's tennis team also played for the conference title.

As an athletic department, MSU placed 49th in the Learfield Director's Cup with 490 points to mark the first time in school history to post back-to-back Top 50 finishes.

As athletic director, Cohen is charged with providing leadership, management, and administration for the university's ath- 1992-94

letic programs. Cohen is currently overseeing the multi-million dollar renovation of famed Dudy Noble Field to make it the premier facility in all of college baseball.

A Tuscaloosa, Ala., native and MSU alumnus, Cohen was a head coach in the SEC for 12 years. His teams have been successful both on the field and in the classroom. At MSU, he led the Bulldogs to a College World Series finals appearance, an SEC regular season championship and an SEC Tournament championship. Since 2009, MSU baseball has had 133 players selected to the SEC Academic Honor Roll, including three straight SEC Scholar Athlete of the Year winners from 2013-15.

"I'm fortunate to know our MSU coaches as

sports," Cohen said. "While baseball has been a huge part of my life, my passion for seeing MSU athletics thrive extends to all sports. I'm grateful to Dr. Keenum and the MSU Family for allowing me to embrace these new and critical responsibilities."

#### PLAYING DAYS

As a baseball player at MSU, Cohen was a key player on the Bulldogs' 1989 SEC championship team and 1990 College World Series team. He graduated from MSU with a degree in English in 1990 and received a master's degree in sports management from the University of Missouri in 1994.

After a six-year stint with Missouri as a graduate assistant and assistant coach, Cohen was the head coach at Northwestern State University from 1998-2001. Cohen spent two seasons as an assistant baseball coach at the University of Florida before becoming the head coach at the University of Kentucky in 2004. a position he held for five seasons before returning to his alma

While winning 284 games as a head coach at MSU, Cohen demonstrated a keen ability to develop players and coaches. During his tenure, 138 MSU baseball players were selected in the Major League Baseball Draft, including All-American Brent Rooker this June. His influence can be seen throughout the SEC as four of his former assistants are now or have been head coaches - Brad Bohannon (Alabama), Gary Henderson (Kentucky), Nick Mingione (Kentucky) and Butch Thompson (Auburn).

Cohen is the only coach in SEC history to win an SEC championship, SEC tournament championship, and advance to the College World Series both as a player and head coach. Cohen's 2013 Bulldog Club advanced to the CWS championship series for the first time in MSU history. Currently 31 of Cohen's former players are playing professional baseball. Cohen's 2012 club produced an SEC record-tying eight major leaguers. Eight of the university's top ten all-time marks in baseball season ticket sales have come during Cohen's tenure, including a school record of 5.874 in 2014.

Cohen and his wife, Nelle, are active members of the Starkville community. The couple has two daughters, Jordan Baker and Avery Lawson.

#### PHOTOGRAPHERS/VIDEOGRAPHERS

MSU follows the guidelines established by the NCAA Communications Committee and the SEC regarding sideline control to insure the sideline is a working media area. The following guidelines are adhered to: 1) Each photographer is required to wear a media credential at all times; 2) Photographers must stay behind the white dotted lines on each baseline; 3) Cutline writers, messengers and equipment carriers are not permitted in the photographer's area. Photo assistants or others holding a "sideline" pass must remain out of the photo area immediately adjacent to the playing court. This will insure that photographers/videographers have the appropriate working area; 4) Tripods are not permitted in photographer's area. Monopods are permissible; 5) The areas behind the team benches are considered bench areas and are to be used only for the passage between the court ends. This area may not be used as a photo zone.
