2:00 (TO PROVE A BOX SCORE: For either side, total at bats plus secrifices, bases on balls and hit by pitcher should equal runs scored, left on bases and opponents' putous.) . . NOTES: Semi-colons used only between double plays. Separate paragraphs should be left on bases intring with errors and two base hits; also footnotes for pinch-hitters and pinch-runners which will be carried horizontally .

The decision pitcher's records should be listed on the same line as his game performance, i.e. (W,14-11). . In the event s game is won in the last of the 9th or an extra inning a notation should be made in the first paragraph of the summary following the "LOB" figures; i.e. "Two out when winning run scored in 12th." NOTES ON GAME (Write Notes on Back Side): Give features such as hits that decide games, of fielding plays that prove decisive; also extra fine work by pitchers. Plays which appear in the sumary above take care of themselves; therefore, those not showing are the ones which should be listed here. Please use first names. Mention injuries, players put out of game, and why; games officially protested and conservative estimate of crowd.

Tucker & Elmore
