TO PROVE A BOX SCORE: For either side, total at bats plus sacrificas, bases on balls and hit by pitcher should equal runs scored, left on bases and opponents' putouts.) . NOTES: Semi-colons used only between double plays. Separate paragraphs should be made starting with errors and two base hits; also footnotes for pinch-hitters and pinch-runners which will be carried horizontally.

The decision pitcher's records should be listed on the same line as his game performance, i.e. (W, 14-11). In the event a game is won in the last of the 9th or an extra inning a notation should be made in the first paragraph of the summary following the "LOB" figures; i.e. "Two out when winning run scored in 12th." NOTES ON GAME (Wite Notes on Back'Side): Give features such as hits that decide games, of fielding plays that prove decisive; also extra fine work by pitchers. Plays which appear in the summary above take care of themselves; therefore, those not showing are the ones which should be listed here, Please use first names. Mention injuries, players put out of game, and why; games officially protested and conservative estimate of crowd.
