ITO PROVE A BOX SCORE: For either side, total at bats plus sacritices, bases on bates and no protect and search plus the left on bases and opponents 'putouts.'). NOTES: Semi-colons used only between double plays. Separate paragraphs should be made starting with errors and two base hits; also footnotes for pinch-hitters and pinch-runners which will be carried horizontally... The decision pitcher's records should be listed on the same line as his game performance, i.e. (W.14-11)... In the event a game is won in the lest of the 9th or on extra inning a notation should be made in the first paragraph of the summary following the "LOB" figures; i.e. "Two out when winning run scored in 12th." NOTES ON GAME (Write Notes on Back Side): Give features such as hits that decide games, or fielding plays that prove decisive; also extra fine work by pitchers. Plays which appear in the summary above take care of themselves; therefore, those not showing are the ones which should be listed here. Please use first names. Mention injuries, players put out of game, and why; games officially protested and conservative estimate of crowd.
