TO PROVE A BOX SCORE: For either side, total at bats plus sacrifices, bases on balls and hit by pitcher should equal runs scored plus errors and opponents' hits. . . . **NOTES:** Semi-colons used only between double plays. Separate paragraphs should be made starting with error(s) and two base hits--also footnotes for pinch-hitters and pinch-runners which will be carried horizontally. . . . The decision pitcher's records should be listed on the same line as his game performance, i.e.(W,14-11). . . . In the event a game is won in the last of the 9th or an extra inning a notation should be made in the first paragraph of the summary following the "LOB" figures; i.e. "Two out when winning run scored in 12th." **NOTES ON GAME (Write Notes on Back Side):** Give features such as late decisions, game-changing plays, those players who are on the line who were protested, etc. as appropriate. **Mention injuries,** players put out of game, and why; games officially protested and conservative estimate of crowd.
