TO PROVE A BOX SCORE: For either side, total at bats plus sacrifices, bases on balls and hit by pitcher should equal runs scored, left or base on and opponent's putouts. NOTES: Semi-colons used only between double plays. Separate paragraphs should be made starting with errors and two base hits; also footnotes for pinch-hitters and pinch-runners who have been horizontally placed. The decision pitcher's records should be listed on the same line as his game performance, i.e. (W-[L+1]). . . In the event a game is won in the last of the 9th or an extra inning a notation should be made in the first paragraph of the summary following the "LOB" figures; i.e. "Two out when winning run scored in 12th." NOTES ON GAME (Write Notes on Back Side): Give features such as "Big Game," "Pitching Duel," etc., in the first paragraph. Also note fine work by pitchers. Plays which appear in the summary above take care of themselves; therefore, do not show them. Mention injuries, players put out of game, and why; games officially protested and conservative estimate of crowd.
