made starting with errors and two base hits; also footnotes for pinch-hitters and pinch-runners which will be carried horizontally... In the event a jame is won in the last of the 9th or an extra inning a notation should be made in the first paragraph of the summary following the "LOB" figures; i.e. "Two out when winning run scored in 12th." NOTES ON GAME (Write Notes on Back Side): Give features such as hits that decide games, or fielding plays that prove decisive; also extra fine work by pitchers. Plays which appear in the summary above take care of themselves; therefore, those not showing are the ones which should be listed here. Please use first names. Montion injuries, players put out of game, and why; games officially protested and conservative estimate of crowd. - - - de conside
